government printing
Department:
Government Printing Works
REPUBLIC OF SOUTH AFRICA

HIGH ALERT: SCAM WARNING!!!

TO ALL SUPPLIERS AND SERVICE PROVIDERS OF THE GOVERNMENT PRINTING WORKS

It has come to the attention of the *GOVERNMENT PRINTING WORKS* that there are certain unscrupulous companies and individuals who are defrauding unsuspecting businesses disguised as representatives of the *Government Printing Works* (*GPW*).

The scam involves the fraudsters using the letterhead of *GPW* to send out fake tender bids to companies and requests to supply equipment and goods.

Although the contact person's name on the letter may be of an existing official, the contact details on the letter are not the same as the *Government Printing Works*'. When searching on the Internet for the address of the company that has sent the fake tender document, the address does not exist.

The banking details are in a private name and not company name. Government will never ask you to deposit any funds for any business transaction. *GPW* has alerted the relevant law enforcement authorities to investigate this scam to protect legitimate businesses as well as the name of the organisation.

Example of e-mails these fraudsters are using:

PROCUREMENT@GPW-GOV.ORG

Should you suspect that you are a victim of a scam, you must urgently contact the police and inform the *GPW*.

GPW has an official email with the domain as **@gpw.gov.za**

Government e-mails DO NOT have org in their e-mail addresses. All of these fraudsters also use the same or very similar telephone numbers. Although such number with an area code 012 looks like a landline, it is not fixed to any property.

GPW will never send you an e-mail asking you to supply equipment and goods without a purchase/order number. *GPW* does not procure goods for another level of Government. The organisation will not be liable for actions that result in companies or individuals being resultant victims of such a scam.

Government Printing Works gives businesses the opportunity to supply goods and services through RFQ / Tendering process. In order to be eligible to bid to provide goods and services, suppliers must be registered on the National Treasury's Central Supplier Database (CSD). To be registered, they must meet all current legislative requirements (e.g. have a valid tax clearance certificate and be in good standing with the South African Revenue Services - SARS).

The tender process is managed through the Supply Chain Management (SCM) system of the department. SCM is highly regulated to minimise the risk of fraud, and to meet objectives which include value for money, open and effective competition, equitability, accountability, fair dealing, transparency and an ethical approach. Relevant legislation, regulations, policies, guidelines and instructions can be found on the tender's website.

Fake Tenders

National Treasury's CSD has launched the Government Order Scam campaign to combat fraudulent requests for quotes (RFQs). Such fraudulent requests have resulted in innocent companies losing money. We work hard at preventing and fighting fraud, but criminal activity is always a risk.

How tender scams work

There are many types of tender scams. Here are some of the more frequent scenarios:

Fraudsters use what appears to be government department stationery with fictitious logos and contact details to send a fake RFQ to a company to invite it to urgently supply goods. Shortly after the company has submitted its quote, it receives notification that it has won the tender. The company delivers the goods to someone who poses as an official or at a fake site. The Department has no idea of this transaction made in its name. The company is then never paid and suffers a loss.

OR

Fraudsters use what appears to be government department stationery with fictitious logos and contact details to send a fake RFQ to Company A to invite it to urgently supply goods. Typically, the tender specification is so unique that only Company B (a fictitious company created by the fraudster) can supply the goods in question.

Shortly after Company A has submitted its quote it receives notification that it has won the tender. Company A orders the goods and pays a deposit to the fictitious Company B. Once Company B receives the money, it disappears. Company A's money is stolen in the process.

Protect yourself from being scammed

- If you are registered on the supplier databases and you receive a request to tender or quote that seems to be from a government department, contact the department to confirm that the request is legitimate. Do not use the contact details on the tender document as these might be fraudulent.
- Compare tender details with those that appear in the Tender Bulletin, available online at **www.gpwonline.co.za**
- Make sure you familiarise yourself with how government procures goods and services. Visit the tender website for more information on how to tender.
- If you are uncomfortable about the request received, consider visiting the government department and/or the place of delivery and/or the service provider from whom you will be sourcing the goods.
- In the unlikely event that you are asked for a deposit to make a bid, contact the SCM unit of the department in question to ask whether this is in fact correct.

Any incidents of corruption, fraud, theft and misuse of government property in the *Government Printing Works* can be reported to:

Supply Chain Management: Ms. Anna Marie Du Toit, Tel. (012) 748 6292.

The pricing structure for National and Provincial notices which are submitted as **Extra ordinary submissions** will be charged at R**3026.32** per page.

GOVERNMENT PRINTING WORKS - BUSINESS RULES

The **Government Printing Works** (**GPW**) has established rules for submitting notices in line with its electronic notice processing system, which requires the use of electronic *Adobe* Forms. Please ensure that you adhere to these guidelines when completing and submitting your notice submission.

Closing Times for Acceptance of Notices

1. The *Government Gazette* and *Government Tender Bulletin* are weekly publications that are published on Fridays and the closing time for the acceptance of notices is strictly applied according to the scheduled time for each gazette.

2. Please refer to the Submission Notice Deadline schedule in the table below. This schedule is also published online on the Government Printing works website www.gpwonline.co.za

   All re-submissions will be subject to the standard cut-off times.
   All notices received after the closing time will be rejected.

Government Gazette Type	Publication Frequency	Publication Date	Submission Deadline	Cancellations Deadline
National Gazette	Weekly	Friday	Friday 15h00 for next Friday	Tuesday, 15h00 - 3 working days prior to publication
Regulation Gazette	Weekly	Friday	Friday 15h00 for next Friday	Tuesday, 15h00 - 3 working days prior to publication

EXTRAORDINARY GAZETTES

3. *Extraordinary Gazettes* can have only one publication date. If multiple publications of an *Extraordinary Gazette* are required, a separate Z95/Z95Prov *Adobe* Forms for each publication date must be submitted.

NOTICE SUBMISSION PROCESS

4. Download the latest *Adobe* form, for the relevant notice to be placed, from the **Government Printing Works** website www.gpwonline.co.za.

5. The *Adobe* form needs to be completed electronically using *Adobe Acrobat* / *Acrobat Reader*. Only electronically completed *Adobe* forms will be accepted. No printed, handwritten and/or scanned *Adobe* forms will be accepted.

6. The completed electronic *Adobe* form has to be submitted via email to submit.egazette@gpw.gov.za. The form needs to be submitted in its original electronic *Adobe* format to enable the system to extract the completed information from the form for placement in the publication.

7. Every notice submitted **must** be accompanied by an official **GPW** quotation. This must be obtained from the *eGazette* Contact Centre.

8. Each notice submission should be sent as a single email. The email **must** contain **all documentation relating to a particular notice submission**.

   8.1. Each of the following documents must be attached to the email as a separate attachment:

      8.1.1. An electronically completed *Adobe* form, specific to the type of notice that is to be placed.

         8.1.1.1. For National *Government Gazette* or *Provincial Gazette* notices, the notices must be accompanied by an electronic Z95 or Z95Prov *Adobe* form

         8.1.1.2. The notice content (body copy) **MUST** be a separate attachment.

      8.1.2. A copy of the official **Government Printing Works** quotation you received for your notice. *(Please see Quotation section below for further details)*

      8.1.3. A valid and legible Proof of Payment / Purchase Order: **Government Printing Works** account customer must include a copy of their Purchase Order**. Non-Government Printing Works** account customer needs to submit the proof of payment for the notice

      8.1.4. Where separate notice content is applicable (Z95, Z95 Prov and TForm 3, it should **also** be attached as a separate attachment. *(Please see the Copy Section below, for the specifications)*.

      8.1.5. Any additional notice information if applicable.

GOVERNMENT PRINTING WORKS - BUSINESS RULES

9. The electronic *Adobe* form will be taken as the primary source for the notice information to be published. Instructions that are on the email body or covering letter that contradicts the notice form content will not be considered. The information submitted on the electronic *Adobe* form will be published as-is.

10. To avoid duplicated publication of the same notice and double billing, Please submit your notice **ONLY ONCE.**

11. Notices brought to **GPW** by "walk-in" customers on electronic media can only be submitted in *Adobe* electronic form format. All "walk-in" customers with notices that are not on electronic *Adobe* forms will be routed to the Contact Centre where they will be assisted to complete the forms in the required format.

12. Should a customer submit a bulk submission of hard copy notices delivered by a messenger on behalf of any organisation e.g. newspaper publisher, the messenger will be referred back to the sender as the submission does not adhere to the submission rules.

QUOTATIONS

13. Quotations are valid until the next tariff change.

    13.1. ***Take note:*** **GPW**'s annual tariff increase takes place on ***1 April*** therefore any quotations issued, accepted and submitted for publication up to ***31 March*** will keep the old tariff. For notices to be published from 1 April, a quotation must be obtained from **GPW** with the new tariffs. Where a tariff increase is implemented during the year, **GPW** endeavours to provide customers with 30 days' notice of such changes.

14. Each quotation has a unique number.

15. Form Content notices must be emailed to the *eGazette* Contact Centre for a quotation.

    15.1. The *Adobe* form supplied is uploaded by the Contact Centre Agent and the system automatically calculates the cost of your notice based on the layout/format of the content supplied.

    15.2. It is critical that these *Adobe* Forms are completed correctly and adhere to the guidelines as stipulated by **GPW**.

16. **APPLICABLE ONLY TO GPW ACCOUNT HOLDERS**:

    16.1. **GPW** Account Customers must provide a valid **GPW** account number to obtain a quotation.

    16.2. Accounts for **GPW** account customers **must** be active with sufficient credit to transact with **GPW** to submit notices.

        16.2.1. If you are unsure about or need to resolve the status of your account, please contact the **GPW** Finance Department prior to submitting your notices. (If the account status is not resolved prior to submission of your notice, the notice will be failed during the process).

17. **APPLICABLE ONLY TO CASH CUSTOMERS:**

    17.1. Cash customers doing **bulk payments** must use a **single email address** in order to use the **same proof of payment** for submitting multiple notices.

18. The responsibility lies with you, the customer, to ensure that the payment made for your notice(s) to be published is sufficient to cover the cost of the notice(s).

19. Each quotation will be associated with one proof of payment / purchase order / cash receipt.

    19.1. This means that **the quotation number can only be used once to make a payment.**

GOVERNMENT PRINTING WORKS - BUSINESS RULES

COPY (SEPARATE NOTICE CONTENT DOCUMENT)

20. Where the copy is part of a separate attachment document for Z95, Z95Prov and TForm03

20.1. Copy of notices must be supplied in a separate document and may not constitute part of any covering letter, purchase order, proof of payment or other attached documents.

The content document should contain only one notice. (You may include the different translations of the same notice in the same document).

20.2. The notice should be set on an A4 page, with margins and fonts set as follows:

Page size = A4 Portrait with page margins: Top = 40mm, LH/RH = 16mm, Bottom = 40mm; Use font size: Arial or Helvetica 10pt with 11pt line spacing;

Page size = A4 Landscape with page margins: Top = 16mm, LH/RH = 40mm, Bottom = 16mm; Use font size: Arial or Helvetica 10pt with 11pt line spacing;

CANCELLATIONS

21. Cancellation of notice submissions are accepted by **GPW** according to the deadlines stated in the table above in point 2. Non-compliance to these deadlines will result in your request being failed. Please pay special attention to the different deadlines for each gazette. Please note that any notices cancelled after the cancellation deadline will be published and charged at full cost.

22. Requests for cancellation must be sent by the original sender of the notice and must accompanied by the relevant notice reference number (N-) in the email body.

AMENDMENTS TO NOTICES

23. With effect from 01 October 2015, **GPW** will not longer accept amendments to notices. The cancellation process will need to be followed according to the deadline and a new notice submitted thereafter for the next available publication date.

REJECTIONS

24. All notices not meeting the submission rules will be rejected to the customer to be corrected and resubmitted. Assistance will be available through the Contact Centre should help be required when completing the forms. (012-748 6200 or email info.egazette@gpw.gov.za). Reasons for rejections include the following:

24.1. Incorrectly completed forms and notices submitted in the wrong format, will be rejected.

24.2. Any notice submissions not on the correct *Adobe* electronic form, will be rejected.

24.3. Any notice submissions not accompanied by the proof of payment / purchase order will be rejected and the notice will not be processed.

24.4. Any submissions or re-submissions that miss the submission cut-off times will be rejected to the customer. The Notice needs to be re-submitted with a new publication date.

GOVERNMENT PRINTING WORKS - BUSINESS RULES

APPROVAL OF NOTICES

25. Any notices other than legal notices are subject to the approval of the Government Printer, who may refuse acceptance or further publication of any notice.

26. No amendments will be accepted in respect to separate notice content that was sent with a Z95 or Z95Prov notice submissions. The copy of notice in layout format (previously known as proof-out) is only provided where requested, for Advertiser to see the notice in final Gazette layout. Should they find that the information submitted was incorrect, they should request for a notice cancellation and resubmit the corrected notice, subject to standard submission deadlines. The cancellation is also subject to the stages in the publishing process, i.e. If cancellation is received when production (printing process) has commenced, then the notice cannot be cancelled.

GOVERNMENT PRINTER INDEMNIFIED AGAINST LIABILITY

27. The Government Printer will assume no liability in respect of—

27.1. any delay in the publication of a notice or publication of such notice on any date other than that stipulated by the advertiser;

27.2. erroneous classification of a notice, or the placement of such notice in any section or under any heading other than the section or heading stipulated by the advertiser;

27.3. any editing, revision, omission, typographical errors or errors resulting from faint or indistinct copy.

LIABILITY OF ADVERTISER

28. Advertisers will be held liable for any compensation and costs arising from any action which may be instituted against the Government Printer in consequence of the publication of any notice.

CUSTOMER INQUIRIES

Many of our customers request immediate feedback/confirmation of notice placement in the gazette from our Contact Centre once they have submitted their notice – While **GPW** deems it one of their highest priorities and responsibilities to provide customers with this requested feedback and the best service at all times, we are only able to do so once we have started processing your notice submission.
GPW has a 2-working day turnaround time for processing notices received according to the business rules and deadline submissions.
Please keep this in mind when making inquiries about your notice submission at the Contact Centre.

29. Requests for information, quotations and inquiries must be sent to the Contact Centre ONLY.

30. Requests for Quotations (RFQs) should be received by the Contact Centre at least **2 working days** before the submission deadline for that specific publication.

GOVERNMENT PRINTING WORKS - BUSINESS RULES

Payment of cost

31. The Request for Quotation for placement of the notice should be sent to the Gazette Contact Centre as indicated above, prior to submission of notice for advertising.

32. Payment should then be made, or Purchase Order prepared based on the received quotation, prior to the submission of the notice for advertising as these documents i.e. proof of payment or Purchase order will be required as part of the notice submission, as indicated earlier.

33. Every proof of payment must have a valid **GPW** quotation number as a reference on the proof of payment document.

34. Where there is any doubt about the cost of publication of a notice, and in the case of copy, an enquiry, accompanied by the relevant copy, should be addressed to the Gazette Contact Centre, **Government Printing Works**, Private Bag X85, Pretoria, 0001 email: info.egazette@gpw.gov.za before publication.

35. Overpayment resulting from miscalculation on the part of the advertiser of the cost of publication of a notice will not be refunded, unless the advertiser furnishes adequate reasons why such miscalculation occurred. In the event of underpayments, the difference will be recovered from the advertiser, and future notice(s) will not be published until such time as the full cost of such publication has been duly paid in cash or electronic funds transfer into the **Government Printing Works** banking account.

36. In the event of a notice being cancelled, a refund will be made only if no cost regarding the placing of the notice has been incurred by the **Government Printing Works**.

37. The **Government Printing Works** reserves the right to levy an additional charge in cases where notices, the cost of which has been calculated in accordance with the List of Fixed Tariff Rates, are subsequently found to be excessively lengthy or to contain overmuch or complicated tabulation.

Proof of publication

38. Copies of any of the *Government Gazette* or *Provincial Gazette* can be downloaded from the **Government Printing Works** website www.gpwonline.co.za free of charge, should a proof of publication be required.

39. Printed copies may be ordered from the Publications department at the ruling price. The **Government Printing Works** will assume no liability for any failure to post or for any delay in despatching of such *Government Gazette*(s)

NO. 4934 **7 June 2024**

SPATIAL INFORMATION STANDARDS MADE IN TERMS OF SECTION 11 OF THE SPATIAL DATA INFRASTRUCTURE ACT, 2003 (ACT No. 54 OF 2003)

I, Angela Thoko Didiza, Minister of Agriculture, Land Reform and Rural Development, hereby, under section 11 of the Spatial Data Infrastructure Act, 2003 (Act No. 54 of 2003), determine standards to facilitate the sharing and integration of spatial information. A list of standards are set out in the Schedule hereto. These standards will come into operation one month from the date of publication hereof in the *Gazette*.

MRS A.T DIDIZA
MINISTER: AGRICULTURE, LAND REFORM AND RURAL DEVELOPMENT

SCHEDULE

STANDARD NUMBER	NAME OF STANDARD	EXPLANATORY INFORMATION ABOUT A STANDARD
SANS 1878-1 *(SANS 1878-1:2011 Edition 1.1)*	Geographic information— South African spatial metadata standard Part 1: Core metadata profile	The objective of this part of SANS 1878 is to provide a structure for describing geographic data. It is intended for use by, amongst others, Spatial Information Science users, planners and systems analysts, in order to understand the basic principles and overall requirements of standardization of spatial geographic information. This part of SANS 1878-1 defines metadata elements, provides a schema and provides a common set of metadata terminology, definitions and extension procedures.
SANS 19115 *(SANS 19115:2003 Edition 1 & ISO tech. corr. 1, nat. amdt 1) (ISO 19115:2003 Edition 1 & tech. corr. 1)*	Geographic information — Metadata standard	The objective of this International Standard is to provide a structure for describing digital geographic data. This International Standard is intended to be used by information system analysts, program planners, and developers of geographic information systems, as well as others in order to understand the basic principles and the overall requirements for standardization of geographic information. This International Standard defines metadata elements, provides a schema and establishes a common set of metadata terminology, definitions, and extension procedures.
SANS 19115-2 *(SANS 19115-2:2010 Edition 1) (ISO 19115-2:2009 Edition 1)*	Geographic information — Metadata standard Part 2: Extensions for imagery and gridded data	The object of this part of ISO 19115-2 is to provide the additional structure to extensively describe the derivation of geographic imagery and gridded data. This structure is intended to augment ISO 19115-1.
SANS 1880 *(SANS 1880:2014)*	Geographic information — South African Geospatial Data Dictionary and its application	A feature catalogue defines the types of geographical features one would find in a data set, together with their attributes and other peculiarities. These feature types are assembled from feature concepts, which are defined in a feature concept dictionary, which in turn is unstructured and unordered. This standard feature concept dictionary for South Africa will enable all users of geographical information systems (GISs) to have a shared understanding of the contents of geographical data sets, thereby promoting the dissemination and interoperability of data sets, and reducing confusion and misinterpretation of data.
SANS 1883-1 *(SANS 1883-1:2009)*	Geographic information — National Address standard Part 1: Data Format of addresses	This standard specifies and defines the data elements, as well as the address types that can be constructed from the data elements for South African addresses. The standard further defines terms and definitions related to addresses in South Africa. It is applicable to addresses covering the whole of South Africa. The standard applies to addresses that describe the physical location of a point of service delivery, and that could be geo-referenced.

This gazette is also available free online at www.gpwonline.co.za

STANDARD NUMBER	NAME OF STANDARD	EXPLANATORY INFORMATION ABOUT A STANDARD
SANS 1883-3 *(SANS 1883-2:2009)*	Geographic information — National Address standard Part 3: Guidelines for address allocation and updates	This part of SANS 1883 provides guidelines for the allocation and maintenance of addresses for the official address types specified in part 1 of this standard. It gives rules, orientation, advice and recommendations relating to the use of part 1. It applies to any area where the development correlates with the underlying cadastre, including previously unaddressed areas. In terms of address allocation, the guidelines specify how addresses should be arranged geographically. For address maintenance, the guidelines specify how addresses should be updated in the case of name changes, boundary changes, subdivisions, and consolidations.
SANS 19158 *(SANS 9158:2012)*	Geographic information — Quality Assurance of Data Quality	The standard provides a framework for quality assurance specific to geographic information. It is based upon the quality principles and quality evaluation procedures of geographic information identified in ISO 19157 and the general quality management principles defined in ISO 9000.
SANS 19131 *(SANS 19131:2012)*	Geographic information — Data Product Specification	The standard describes requirements for the specification of geographic data products, based upon the concepts of other ISO 19100 International Standards. It also provides help in the creation of data product specifications, so that they are easily understood and fit for their intended purpose.
SANS 19157 *(SANS 19157:2014)*	Geographic information — Data Quality Standard	The standard defines a set of data quality measures for use in evaluating and reporting data quality. It is applicable to data producers providing quality information to describe and assess how well a data set conforms to its product specification and to data users attempting to determine whether or not specific geographic data are of sufficient quality for their particular application.
SANS 19128 *(ISO 19128:2008)*	Geographic information — Web Map Server Interface	The standard describes the interface for a Web Map Server (WMS). WMS allows a client to request a map image, for example, a JPEG file, from a web service. OpenGIS Web Map Tile Service Implementation Specification is a similar standard. Through implementing a WMS interface, data can be exposed in a standardized way so that any client familiar with the WMS interface can request a map image of available data. The client specifies parameters, such as the data source, bounding box, and symbology for the map, through the interface. WMS does not generate map elements, such as a legend. The service can be reused by different clients and is more cost effective than developing a custom service.
SANS 19142 *(ISO 19142:2010)*	Geographic information — Web Feature Services	The standard specifies the behaviour of a web feature service that provides transactions and access to geographic features in a manner independent of the underlying data store. It specifies discovery operations, query operations, locking operations, transaction operations and operations to manage stored parameterized query expressions.

The standards listed above are available to the appointed Base Data Set Coordinators and Base Data Set Custodians on request by emailing: nsif@dalrrd.gov.za.

NO. 4936 **7 June 2024**

The revised Films and Publications Amended Tariff's Regulations, 2020, which were published on 16 February 2024, erroneously reflected an incorrect online distributor annual license fee for Films or Games serials of 500 to 999 titles in paragraph 2, Table 2.1. The correct annual license fee for Films or Games serials of 500 to 999 titles is reflected in this notice.

DR MASHILO BOLOKA
CHIEF EXECUTIVE OFFICER
FILM AND PUBLICATION BOARD
Date: 16-May-2024

This gazette is also available free online at **www.gpwonline.co.za**

FILMS AND PUBLICATIONS TARIFF'S REGULATIONS, 2020

2. Online Distribution

2.1. Online Distributor Annual License Fees (Films / Games)

Number of Titles	Films	Serials
0 to 499 titles	R330.97 per title	R1 323.87 per season
500 to 999 titles	**R264.78 per title**	**R1 059.09 per season**
1 000 + titles	R201.54 per title	R847.27 per season
Capped fee	R2 297 823.79	

The fees above are applied in a stepped fashion (i.e. If a distributor offers more than 1,000 titles, the "0 to 499 titles" fee is applied for the first 499 titles, the "500 to 999 titles" fee is applied for the next 500 titles, and the "1 000 + titles" fee is applied for the remaining titles).

The above online distributor's annual license fees are capped at R2 297 823.79.

DEPARTMENT OF HEALTH

NO. 4937 **7 June 2024**

PHARMACY ACT, 1974 (ACT NO. 53 OF 1974)
REGULATIONS RELATING TO PHARMACY EDUCATION AND TRAINING: AMENDMENT, 2024

The Minister of Health has, in consultation with the South African Pharmacy Council, in terms of section 33 of the Pharmacy Act, 1997 (Act No. 53 of 1974) as amended, made the regulations in the Schedule.

DR. M.J PHAAHLA, MP
MINISTER OF HEALTH
DATE: 21/05/2024

GENERAL EXPLANATORY NOTE:

_____ Words underlined with a solid line indicate insertions in existing enactments.

SCHEDULE

Definition

1. In these regulations, any word or expression to which a meaning has been assigned in the Act shall have the meaning so assigned and, unless the context indicates otherwise: -

"Regulations" means the Regulations Relating to Pharmacy Education and Training, published under Government Notice No. R. 1156 of 20 November 2000, as corrected by Government Notice No. R. 1321 of 8 December 2000; and

"the Act" means the Pharmacy Act, 1974 (Act No. 53 of 1974) as amended.

Amendment of regulation 1 of Regulations

2. Regulation 1 of the Regulations is hereby amended by—

(a) the deletion of the definition of "certificate of qualification" after the definition of "certificate of approval"

(b) the substitution for the definition of "continuing professional development" of the following definition:

"continuing professional development'' means the process by which natural persons registered under this Act maintain and enhance their competence throughout their professional careers, and encompasses a range of activities including continuing education and supplementary training;

(c) the substitution for the definition of "contract" of the following definition:

"'**contract**' means a written contract approved by the Council which lays down the conditions of the –

(a) internship of a pharmacist intern;

(b) in-service training of a pharmacist's assistant (learner basic) or pharmacist's assistant (learner post-basic); or

(c) traineeship of a pharmacy technician (trainee);"

(d) the substitution for the definition of "direct personal supervision" of the following definition:

"'**direct personal supervision**' means guidance and support provided by a pharmacist whilst physically present in a pharmacy and in accordance with rules relating to good pharmacy practice published in terms of the Act;";

(e) substitution for the definition of "pharmacist's assistant" of the following definition:

"**pharmacist's assistant**" means a natural person registered in one of the following categories:

(a) pharmacist's assistant (learner basic);
(b) pharmacist's assistant (basic);
(c) pharmacist's assistant (learner post-basic);
(d) pharmacist's assistant (post-basic);
(e) pharmacy technician (learner);
(f) pharmacy technician (student);
(g) pharmacy technician (trainee);
(h) pharmacy technician; or
(i) pharmacy student;

which constitute the various categories of pharmacy support personnel registered as such in terms of the Act';

(f) the insertion after the definition of "pharmacist's assistant" of the following definitions:

"'**pharmacy technician**' means a natural person registered as such in terms of the Act;
'**pharmacy technician (learner)**' means a natural person registered as such in terms of the Act;
'**pharmacy technician (student)**' means a natural person registered as such in terms of the Act;
'**pharmacy technician (trainee)**' means a natural person registered as such in terms of the Act;";

(g) the substitution for the definition of "provider" of the following definition:

"**provider**" means any person or institution approved by and registered with the Council in terms of the Act to provide education and training approved by the Council for purposes of:

(a) registration as a pharmacist;
(b) registration as a pharmacist's assistant (basic), pharmacist's assistant (post-basic) or pharmacy technician;
(c) registration of a speciality;
(d) continuing professional development;
(e) supplementary training; or
(f) a course determined by the Council in terms of the Medicines Act;

(h) the deletion of the definition of "**qualification in pharmacy**" after the definition of public health facility;

(i) the insertion after the definition of **"supplementary training"** of the following definition:

" **'traineeship'** means practical training, as determined by the Council from time to time, undertaken by a pharmacy technician (trainee) in terms of a contract, under the direct personal supervision of a tutor in a pharmacy approved by the Council in terms of the Act for purposes of such training;";

(j) the substitution for the definition of **"tutor"** of the following definition:

"**'tutor'** means a pharmacist registered with the Council as a tutor, to supervise the internship of a pharmacist intern, the traineeship of a pharmacy technician (trainee) or the in-service training of a pharmacist's assistant (learner basic) or pharmacist's assistant (learner post-basic);";

(k) the deletion of the definition of **"unit standards"** after the definition of "tutor"

(l) the insertion after the definition of **"wholesale pharmacy"** of the following definition:

"**'work-based training'** means education and training undertaken by a pharmacist's assistant (learner basic); pharmacist's assistant (learner post-basic), or pharmacy technician (learner) in a pharmacy under the auspices of a provider, as part of an education and training programme approved by the Council for purposes of registration as a pharmacist's assistant (basic); pharmacist's assistant (post-basic), or pharmacy technician. ".

Substitution of regulation 2 of Regulations

3. The following regulation is hereby substituted for regulation 2 of the Regulations:

"**2.** Education and training programmes for purposes of registration as a pharmacist shall be approved by the Council."

Substitution of regulation 3 of Regulations

4. The following regulation is hereby substituted for regulation 3 of the Regulations:

"**3.** Only a provider that holds a certificate of approval for an education and training programme approved for purposes of registration as a pharmacist may provide such education and training"

Substitution of regulation 4 of Regulations

5. The following regulation is hereby substituted for regulation 4 of the Regulations:

4. An education and training programme approved by the Council for purposes of registration as a pharmacist must extend over a minimum period of four years: provided that if such programme includes practical training to the satisfaction of the Council of not less than one year or periods of not less than one year in the aggregate, as part of the undergraduate studies, under the supervision of the provider concerned, such programme must extend over a minimum period of five years.

Substitution of regulation 5 of Regulations

6. The following regulation is hereby substituted for regulation 5 of the Regulations:

Requirements and conditions for pharmacy internship

5. (1) A person who has completed an education and training programme approved by the Council for purposes of registration as a pharmacist must, prior to

registration as a pharmacist, undertake an internship in accordance with this Chapter for a period or aggregate period specified in subregulation (3);

(2) The Council may exempt a person referred to in subregulation (1), partially or in full, from the requirement of subregulation (1) on submission of documentary evidence to the satisfaction of the Council that the person has undertaken other relevant practical training for a period or aggregate period equivalent to the period specified in subregulation (3).

(3) The period of internship contemplated in subregulation (1) must be for a period or aggregate period of at least 12 months.

Substitution of regulation 6 of Regulations

7. The following regulation is hereby substituted for regulation 6 of the Regulations:

6. The internship contemplated in regulation 5 must be undertaken—

(a) in terms of a contract;

(b) under the direct personal supervision of a tutor;

(c) in a community pharmacy, institutional pharmacy, manufacturing pharmacy, or wholesale pharmacy which provides a minimum number of services pertaining to the scope of practice of a pharmacist as may be determined by the Council in terms of the Act, and which is approved by the Council in terms of the Act for purposes of such training; or

(d) at a provider who holds a certificate of approval for an education and training programme approved by the Council for purposes of registration as a pharmacist.

Substitution of regulation 7 of Regulations

8. The following regulation is hereby substituted for regulation 7 of the Regulations:

"**7.** No person may commence an internship unless—

(a) such person has been registered as a pharmacist intern in terms of the Act;

(b) a contract has been entered into between the pharmacist intern and the tutor concerned;

(c) the pharmacy or provider at which the internship will take place has been approved by the Council in terms of section 34 of the Act; and

(d) the tutor has been registered as such.

Substitution of regulation 8 of Regulations

9. The following regulation is hereby substituted for regulation 8 of the Regulations:

"**8.** No pharmacist, pharmacy or provider of an education and training programme approved by the Council for purposes of registration as a pharmacist, may employ any person as a pharmacist intern or in any other capacity which may imply or lead such person to believe that he or she is undertaking an internship, unless the requirements in regulations 6 and 7 have been complied with.

10. Deletion of regulation 9 of Regulations

Regulation 9 of the Regulations is hereby deleted

Substitution of regulation 10 of Regulations

11. The following regulation is hereby substituted for regulation 10 of the Regulations:

10. An internship undertaken at a provider of an education and training programme approved by the Council for purposes of registration as a pharmacist, or in a manufacturing pharmacy or a wholesale pharmacy, must include a period of not less than 400 hours of practical training at a community or institutional pharmacy approved by the Council for such training in terms of the Act: Provided that—

(a) the tutor, referred to in regulation 6(b), must—

(i) make arrangements for the keeping of the necessary records of such training; and

(ii) inform the Council of the community or institutional pharmacy where the practical training will be undertaken;

(b) such periods of practical training must be undertaken on the basis of periods, each of which must be at least five consecutive days;

(c) there is a pharmacist at the pharmacy where practical training is undertaken who must keep records of such training;

Substitution of regulation 11 of Regulations

12. The following regulation is hereby substituted for regulation 11 of the Regulations:

11. No internship undertaken at a provider of an education and training programme approved by the Council for purposes of registration as a pharmacist may be recognised in terms of the Act, unless the prospective tutor has submitted to the registrar—

(a) full particulars of the proposed post-graduate study or research to be undertaken by the prospective intern and the post-graduate study or research has been approved by the Council in terms of the Act; and

(b) documentary evidence that the prospective intern is registered at such provider for the post-graduate study or research referred to in subregulation (a).

Substitution of regulation 12 of Regulations

13. The following regulation is hereby substituted for regulation 12 of the Regulations:

12. If an intern undergoing an internship at a provider of an education and training programme approved by the Council for purposes of registration as a pharmacist, contemplated in regulation 11, discontinues his or her studies or research for any reason, or ceases to be registered at that provider, he or she must receive recognition only for the period of practical training duly completed at a community or institutional pharmacy referred to in regulation 10.

Substitution of regulation 13 of Regulations

14. The following regulation is hereby substituted for regulation 13 of the Regulations:

13. The internship of a pharmacist intern at a provider of an education and training programme approved by the Council for purposes of registration as a pharmacist, must be regarded as completed upon successful completion of the required period of practical training referred to in regulation 10 and the submission of documentary evidence to the registrar that the intern has satisfied the requirements of the provider for the awarding of at least a master's degree.

Substitution of regulation 14 of Regulations

15. The following regulation is hereby substituted for regulation 14 of the Regulations:

Cession of contract of pharmacy internship

14. A contract contemplated in regulation 6(a) may be ceded in the event of–

(a) the death of a tutor, his or her conviction of a serious offence or suspension or removal of his or her name from the register of pharmacists during the contract;

(b) the discontinuation of practice of the tutor or the resignation of the tutor from the pharmacy or provider approved for the internship of the pharmacist intern;

(c) the closure of the pharmacy or provider approved for the internship of the pharmacist intern;

(d) mutual consent of the tutor and the pharmacist intern for a reason which is acceptable to the registrar; or

(e) any other reason the registrar may consider to be acceptable:

Provided that the period of internship undertaken by the pharmacist intern under the original tutor must be recognised by the Council for the purposes of internship and the prospective tutor accepts the delegation of the rights, obligations and interests in terms of such a contract.

Substitution of regulation 15 of Regulations

16. The following regulation is hereby substituted for regulation 15 of the Regulations:

Approval of contract of cession

15. (1) A pharmacist intern intending to cede a contract to another tutor must, at least seven days before such cession occurs, submit to the registrar—

(a) a duly completed application on a form, as approved and provided by the Council;

(b) a duly completed and signed contract of cession for the conducting of an internship approved and provided by the Council;

(c) documentary evidence—

(i) of the approval by the Council of the pharmacy or provider where the internship of the pharmacist intern will occur after cession of the contract;

(ii) of the registration with the Council of the tutor under whose direct personal supervision such internship will take place;

(iii) where applicable, that he or she is registered at an institution approved as a provider of a course of study which will lead to the awarding of at least a master's degree; and

(iv) an affidavit by the previous tutor, where possible, affirming that partial internship was successfully performed.

(2) The pharmacist intern contemplated in subregulation (1) must pay the cession fee as may be determined by the Council in terms of the Act.

Substitution of regulation 16 of Regulations

17. The following regulation is hereby substituted for regulation 16 of the Regulations:

Delegation of training by tutor

16. (1) Subject to subregulations (2), (4) and (5), a pharmacist may not act as a tutor to more than one pharmacist intern at the same time.

(2) A tutor practising in a pharmacy where other pharmacists practise on a full-time basis may act as tutor to more than one pharmacist intern, in which event, the tutor may delegate the actual practical training of all such additional pharmacist interns to such other pharmacists, subject to subregulation (3).

(3) In the event of subregulation (2)—

(a) there must be one pharmacist for each additional pharmacist intern;

(b) the tutor may not delegate the training of more than four pharmacist interns;

(c) the responsibility for the internship of all such pharmacist interns must remain with the tutor;

(d) the tutor must inform the Council, in writing, of a delegation or of any changes to such delegation; and

(e) the internship must be conducted in accordance with the provisions of these Regulations.

(4) A tutor may act as tutor to a second pharmacist intern when the pharmacist intern already under training with such tutor has completed his or her ninth month of internship.

(5) A tutor at a provider of an education and training programme approved by the Council for purposes of registration as a pharmacist, may, with the prior approval of the registrar, act as a tutor to no more than five pharmacist interns at the same time.

Substitution of regulation 17 of Regulations

18. The following regulation is hereby substituted for regulation 17 of the Regulations:

Assessment and completion of pharmacist internship

17. The tutor of a pharmacist intern must submit to the registrar—

(a) assessment forms, obtainable from the Council, on the progress of the pharmacist intern during the period of internship; and

(b) an affidavit, at the end of the period of internship, affirming that—

(i) the training has been completed satisfactorily in accordance with Council's requirements for internship;

(ii) the pharmacist intern is a fit and proper person to be registered as a pharmacist; and

(iii) where the internship has been completed at a provider of an education and training programme approved by the Council for purposes of registration as a pharmacist, a manufacturing pharmacy or a wholesale pharmacy, proof that the period of 400 hours practical training in a community pharmacy or institutional pharmacy has been completed in accordance with all the necessary requirements.

Substitution of regulation 18 of Regulations

19. The following regulation is hereby substituted for regulation 18 of the Regulations:

Pre-registration evaluations

18. A person may be required to undertake a pre-registration evaluation, which may be conducted by the Council, as a pre-requisite for registration as a pharmacist in terms of the Act: Provided that if such person fails such evaluation, the Council may require—

(a) the person to be re-evaluated at a time and date as may be determined by the Council; or

(b) the person's period of practical training to be extended by an additional period as the Council may determine.".

20. Deletion of regulation 19 of Regulations

Regulation 19 of the Regulations is hereby deleted

Substitution of title of existing Chapter II of Regulations

21. The following title is hereby substituted for the existing title "**CHAPTER II**" of the Regulations:

"**CHAPTER II**
STANDARDS OF EDUCATION AND TRAINING OF PHARMACIST'S ASSISTANTS (BASIC) AND PHARMACIST'S ASSISTANTS (POST-BASIC)".

Substitution of regulation 20 of Regulations

22. The following regulation is hereby substituted for regulation 20 of the Regulations:

"**20.** Education and training programmes for purposes of registration as a pharmacist's assistant (basic) or pharmacist's assistant (post-basic) shall be approved by the Council."

Substitution of regulation 21 of Regulations

23. The following regulation is hereby substituted for regulation 21 of the Regulations:

"**21.** Only a provider that holds a certificate of approval for an education and training programme approved for purposes of registration as a pharmacist's assistant (basic) or pharmacist's assistant (post-basic) may provide such education and training ".

Deletion of regulation 22 of Regulations

24. Regulation 22 of the Regulations is hereby deleted.

Deletion of regulation 23 of the Regulations

25. Regulation 23 of the Regulations is hereby deleted.

Substitution of regulation 24 of the Regulations

26. The following regulation is hereby substituted for regulation 24 of the Regulations:

24. Evaluation of prior learning. The Council may, when it is deemed necessary, provide for an evaluation of prior learning by which a person shall

be assessed prior to registration in the category pharmacist's assistant (learner basic) or pharmacist's assistant (learner post-basic): Provided that the evaluation must be conducted in accordance with a procedure as determined by Council from time to time and on payment of the evaluation fee as determined by Council.

Substitution of regulation 25 of Regulations

27. The following regulation is hereby substituted for regulation 25 of the Regulations:

"**25.** A learning programme approved by the Council for purposes of registration as a pharmacist's assistant (basic) or pharmacist's assistant (post-basic), may be determined by a provider provided that a minimum period of twelve months of in-service training must be completed.".

Amendment of regulation 27 of Regulations

28. The following regulation is hereby substituted for regulation 27 of the Regulations:

27. No person must commence in-service training unless—

(1) he or she is duly registered as a pharmacist's assistant in the category pharmacist's assistant (learner basic) or pharmacist's assistant (learner post-basic), as the case may be, in terms of the Act;

(2) the pharmacy at which the in-service training will take place has been approved by the Council for such in-service training; and

(3) the tutor has been registered as such.

Deletion of regulation 28 of Regulations

29. Regulation 28 of the Regulations is hereby deleted.

Substitution of regulation 30 of Regulations

30. The following regulation is hereby substituted for regulation 30 of the Regulations:

"**30. Supervision of pharmacy support personnel undergoing in-service training.** A pharmacist may at the same time, act as the tutor to no more than three pharmacist's assistants (learner basic) or pharmacist's assistants (learner post-basic), per category or a combination thereof, undergoing in-service training.".

Substitution of regulation 32 of Regulations

31. The following regulation is hereby substituted for regulation 32 of the Regulations:

"**32.** A provider approved to offer an education and training programme for purposes of registration as a pharmacist's assistant (basic) or pharmacist's assistant (post-basic), must, upon the successful assessment of the pharmacist's assistant in the said categories, submit to the registrar a notification of completion of such qualification, in a manner determined by the Council."

Substitution of regulation 33 of Regulations

32. The following regulation is hereby substituted for regulation 33 of the Regulations:

"**33.** A person may be required to undertake an assessment or evaluation, which may be conducted by the Council, as a prerequisite for registration in the

category pharmacist's assistant (basic) or pharmacist's assistant (post-basic).".

Deletion of regulation 34 of the Regulations

33. Regulation 34 of the Regulations is hereby deleted.

Insertion of new Chapter III in Regulations

34. The following new Chapter III, together with the regulations made thereunder, is hereby inserted after regulation 33 of the Regulations:

"CHAPTER III

STANDARDS OF EDUCATION AND TRAINING OF PHARMACY TECHNICIANS

34A. Education and training programmes for purposes of registration as a pharmacy technician shall be approved by the Council.

34B. Only a provider that holds a certificate of approval for an education and training programme approved for purposes of registration as a pharmacy technician may provide such education and training.

34C. (1) A person who has completed an education and training programme approved by the Council for purposes of registration as a pharmacy technician must, prior to registration as a pharmacy technician, undertake a traineeship contemplated in this Chapter for a period or aggregate period of six months.

(2) The Council may exempt a person referred to in subregulation (1), partially or in full, from the traineeship requirement contemplated in subregulation (1) on submission of documentary evidence to the

satisfaction of the Council that the person has undertaken work-based training as part of an education and training programme approved by the Council for purposes of registration as a pharmacy technician.

34D. (1) The traineeship referred to in regulation 34C must be undertaken –

(a) in terms of a contract;

(b) under the direct supervision of a tutor;

(c) in a community pharmacy, institutional pharmacy, manufacturing pharmacy or wholesale pharmacy which provides a minimum number of services pertaining to the scope of practice of a pharmacy technician, as may be determined by the Council in terms of the Act, and which is approved by the Council in terms of the Act for purposes of such training.

(2) A traineeship undertaken in terms of subregulation (1)(c) in a manufacturing pharmacy or a wholesale pharmacy must include, as part of such traineeship, a period of not less than 200 hours of practical training at a community or institutional pharmacy approved by the Council in terms of the Act for such training: Provided that—

(a) the tutor referred to in subregulation (1)(b) must –

(i) make the arrangements for the keeping of necessary records of such training; and

(ii) inform the Council of the community or institutional pharmacy where the practical training will be undertaken;

(b) such periods of practical training must be undertaken at an approved community or institutional pharmacy and on the basis of periods each of which must be at least five consecutive days;

(c) there is a pharmacist at the pharmacy where practical training is undertaken who must keep records of such training.

34E. No person must commence a traineeship unless he or she is duly registered as a pharmacy technician (trainee) in terms of the Act.

34F. No pharmacist or pharmacy may employ any person as a pharmacy technician (trainee) or in any other capacity which may imply or lead such person to believe that he or she is undertaking a traineeship, unless the requirements in regulations 34D and 34E have been complied with.

Cession of contract of traineeship

34G. (1) A contract contemplated in regulation 34D(1)(a) may be ceded in the event of—

(a) the death of a tutor, his or her conviction of a serious offence or suspension or removal of his or her name from the register of pharmacists during the contract;

(b) the discontinuation of practice of the tutor or the resignation of the tutor from the pharmacy approved for the traineeship;

(c) the closure of the pharmacy approved for the traineeship;

(d) mutual consent of the tutor and the pharmacy technician (trainee) for a reason, which is acceptable to the registrar; or

(e) any other reason the registrar may consider to be acceptable:

Provided that the period of traineeship undertaken by the pharmacy technician (trainee) under the original tutor must be recognised by the Council for the purposes of traineeship and that the prospective tutor accepts the delegation of the rights, obligations and interests in terms of such a contract.

Approval of contract of cession

34H. (1) A pharmacy technician (trainee) intending to cede a contract to another tutor must, at least seven days before such cession occurs, submit to the registrar—

(a) a duly completed application on a form as approved and provided by the Council;

(b) a duly completed and signed contract of cession for the conducting of a traineeship approved and provided by the Council;

(c) documentary evidence—

(i) of the approval by the Council of the pharmacy where the traineeship of the pharmacy technician (trainee) will occur after cession of the contract;

(ii) of registration of the tutor under whose direct personal supervision such traineeship will take place;

(iii) in the form of an affidavit by the previous tutor, where possible, affirming that partial traineeship was successfully performed.

(2) The pharmacy technician (trainee) contemplated in subregulation (1) must pay the cession fee as may be determined by the Council in terms of the Act.

34I. A pharmacist may act as a tutor to no more than one pharmacy technician (trainee) at a time, unless the pharmacy technician (trainee) already under training with such tutor has completed his or her fifth month of traineeship, in which case the tutor may act as tutor to one other pharmacy technician (trainee) for the remainder of the traineeship period.

Assessment and completion of pharmacy technician traineeship

34J. (1) The tutor of a pharmacy technician (trainee) must submit to the registrar—

(a) assessment forms, obtainable from the Council, on the progress of the pharmacy technician (trainee) during the period of traineeship; and

(b) an affidavit, at the end of the period of traineeship, affirming that—

(i) the training has been completed satisfactorily in accordance with Council's requirements for traineeship; and

(ii) the pharmacy technician (trainee) is a fit and proper person to be registered as a pharmacy technician.

Pre-registration evaluations

34K. A person may be required to undertake a pre-registration evaluation, which may be conducted by the Council, as a pre-requisite for registration as a pharmacy technician in terms of the Act: Provided that if a person requiring registration fails such evaluation, the Council may require—

(a) such person to be re-evaluated at a time and date as may be determined by the Council; or

(b) the person's period of traineeship to be extended by an additional period as the Council may determine.

34L. Evaluation of prior learning. The Council may, when it is deemed necessary by the Council, provide for an evaluation of prior learning by which a person shall be assessed prior to registration in the category pharmacy technician (learner): Provided that the evaluation must be conducted in accordance with a procedure as determined by the Council from time to time and on payment of the evaluation fee as determined by the Council.

Substitution of title of existing Chapter III of the Regulations

35. The following title is hereby substituted for the existing title "**CHAPTER III APPROVAL OF TUTORS AND PREMISES FOR PURPOSES OF EDUCATION AND TRAINING**" of the Regulations:

"**CHAPTER IV**
REGISTRATION OF TUTORS AND APPROVAL OF PREMISES FOR PURPOSE OF EDUCATION AND TRAINING

Substitution of regulation 35 of Regulations

36. The following regulation is hereby substituted for regulation 35 of the Regulations:

"**35.** (1) A pharmacist who wishes to be registered as a tutor must submit to the registrar—

(a) a duly completed application for registration as a tutor of persons undergoing an internship, traineeship or in-service training, on a form obtainable from the Council;
(b) in the case of a pharmacist who wishes to act as a tutor of a pharmacist intern, proof that he or she has been registered as a pharmacist for a period of at least three years, which period may include the performance of pharmaceutical community service; and

(2) A pharmacist contemplated in subregulation (1) must:

(a) comply with the Regulations relating to continuing professional development;
(b) comply with any other conditions as determined by the Council from time to time; and

(c) pay the necessary application fee as may be determined by the Council in terms of the Act."

Substitution of existing title Chapter IV of Regulations

37. The following title is hereby substituted for the existing title "**CHAPTER IV APPROVAL OF PROVIDERS OF PHARMACY EDUCATION AND TRAINING**" of the Regulations:

"**CHAPTER V**
APPROVAL OF PROVIDERS OF PHARMACY EDUCATION AND TRAINING"

Substitution of regulation 41 of Regulations

38. The following regulation is hereby substituted for regulation 41 of the Regulations:

"**41.** (1) Any provider intending to provide education and training for purposes of —

(a) registration as a pharmacist;
(b) registration as a pharmacist's assistant (basic), pharmacist's assistant (post-basic) or pharmacy technician;
(c) registration of a speciality;
(d) continuing professional development;
(e) supplementary training; or
(f) a course determined by the Council in terms of the Medicines Act," must apply to the Council for approval.

(2) The application contemplated in subregulation (1) must be made on an application form obtainable from the Council for such purpose.".

Substitution of regulation 42 of Regulations

39. The following regulation is hereby substituted for regulation 42 of the Regulations:

"**Conditions for approval**

42. (1) Any provider contemplated in regulation 41 must be approved, subject to the following conditions:

(a) providers of education and training for purposes of registration as a pharmacist may be approved for a maximum period of six years;

(b) providers of education and training for purposes of registration as a pharmacist's assistant (basic), pharmacist's assistant (post-basic) or pharmacy technician may be approved for a maximum period of five years; and

(c) providers of continuing professional development courses, supplementary training and courses determined in terms of the Medicines Act, may be approved for a maximum period of three years.

(2) The pharmacy education and training programmes must be conducted in accordance with—

(a) good pharmacy education standards;
(b) good pharmacy practice;
(c) the code of conduct as published by the Council in rules made in terms of the Act; and
(d) the provisions of other applicable legislation.".

Insertion of regulation 42A into Regulations

40. The following regulation is inserted after regulation 42 of the Regulations:

"**Appointment and duties of designated pharmacist**

42A. (1) A provider of pharmacy education and training must appoint and register a designated pharmacist.

(2) The designated pharmacist must be responsible to the Council for complying with the provisions of the Act and other legislation relating to pharmacy education and training.

(3) The designated pharmacist must—

(a) ensure that the provider complies with all the requirements for approval including the payment of applicable fees;

(b) ensure that learners registered with the provider have complied with all the requirements for registration;

(c) furnish the registrar with information that the registrar may require from time to time;

(d) participate in the decision-making process of the provider affecting pharmacy education and training;

(e) notify the Council immediately upon receiving knowledge that his or her status as designated pharmacist has changed or will be changed;

(f) inform the registrar of any instruction or order from the provider with regard to the pharmacy education and training which could amount to a contravention of legislation applicable to pharmacy;

(g) take corrective measures in respect of deficiencies with regard to inspection reports emanating from monitoring and accreditation inspections; and

(h) ensure that there is compliance with good pharmacy education standards and practice and the code of conduct as published by the Council in rules made in terms of the Act.

Substitution of regulation 43 of Regulations

41. The following regulation is hereby substituted for regulation 43 of the Regulations:

"**Inspection of providers**

43. The Council must inspect providers to measure compliance with the requirements determined by the Council for the provision of pharmacy education and training at intervals as determined by the Council from time to time."

Amendment of regulation 44 of Regulations

42. Regulation 44 of the Regulations is hereby amended by the addition of the following subregulation:

"(4) have the minimum of a Master's degree."

Substitution of regulation 48 of Regulations

43. The following regulation is hereby substituted for regulation 48 of the Regulations:

"**48.** The Council must publish the names of providers of education and training in terms of the Act."

Deletion of Annexures

44. Annexure A, Annexure B and Annexure C of the Regulations are hereby deleted.

Short Title

45. These Regulations are called Regulations relating to Pharmacy Education and Training: Amendment, 2024.

DEPARTMENT OF HIGHER EDUCATION AND TRAINING

NO. 4938 **7 June 2024**

HIGHER EDUCATION ACT, 1997 (Act No. 101 of 1997)

AMENDED INSTITUTIONAL STATUTE OF THE UNIVERSITY OF CAPE TOWN

I, Dr Bonginkosi Emmanuel Nzimande, Minister of Higher Education, Science and Innovation, in accordance with section 33(1) of the Higher Education Act, 1997 (Act No. 101 of 1997) hereby publish the amends to the Institutional Statute of the University of Cape Town set out in the Schedule hereto, which comes into operation on the date of publication hereof.

Prof BE Nzimande, MP
Minister of Higher Education, Science and Innovation
Date: 04/04/2024

AMENDMENTS TO THE STATUTE OF THE UNIVERSITY OF CAPE TOWN

The council of the University of Cape Town has made amendments to the Statute, set out in the schedule to this notice, in accordance with section 32 of the Higher Education Act 1997(Act No. 101 of 1997) which is hereby published with the approval of the Minister of Higher Education, Science and Innovation in terms of section 33 of the said Act, and comes into operation on the date of this publication.

SCHEDULE
General explanatory note:

[ ] words in bold in square brackets indicate omissions from existing enactments.
_____ Words underlined with a solid line indicate insertions in existing enactments.

1. In this schedule the expression "the Statute "means the Statute of the University of Cape Town as published under Government Gazette No 45954, Government Notice No 1793 of 25 February 2022.

2. Make substitutions on paragraph 50 with the following:

50. Honorary degrees

(1) The University may confer an honorary degree of doctor upon any person

[(a)] by resolution of the senate and the council on the grounds of his or her distinguished contribution to learning; or on any other grounds.

[(b) by resolution of the council on any other grounds.]

(2) A proposal that the University confer an honorary degree of doctor –

(a) must be in writing and must be received by the registrar by the date decided from time to time by the council;

(b) nominations may be made by members of the senate and members of the council.

[(b) for consideration by the senate and the council must be made by a member of the senate or a member of the council;]

[(c) for consideration by the council must be made by a member of the council;]

[(d)] (c) must state the degree proposed and the grounds on which the proposal is made; and

[(e)] (d) must be referred by the registrar to the joint honorary degrees committee of the senate and the council, which must in turn make a recommendation to the senate (in the case of a nomination on grounds of distinguished contribution to learning) and the council, **[or the council,]** as the case may be.

(3) The procedures that the senate and the council follow in dealing with a proposal that the University confer an honorary degree must be decided by the senate and the council respectively, but –

(a) all voting on a proposal in either body must be by secret ballot and may be conducted on an electronic platform. **[,and voting on a proposal in senate must be by secret postal ballot;]**

(b) a resolution of the senate to confer an honorary degree requires a vote of a majority in favour of the members of the senate voting in the ballot;

(c) the members of the senate who do not vote and who are on leave on the date the ballot is taken do not count, for this purpose, in the membership of the senate; and

(d) a resolution of the council to confer an honorary degree requires a vote of a majority in favour of the membership of the council.

(4) The award of an honorary degree to a person does not entitle that person to practise any profession.

AGRÉMENT SOUTH AFRICA
innovative construction product assessments

DEPARTMENT OF PUBLIC WORKS

AGRÉMENT SOUTH AFRICA

(Approval of innovative construction products and systems)

Notice is hereby given that Agrément South Africa has, with effect from 25 March 2024, issued an Agrément certificate, details of which appear in the schedule hereto.

SCHEDULE

Agrément Certificate 2019/597 (Finalised in March 2024)

Subject: SoilTech MKIII: Polymer Based Soil Stabilizer

Certificate holder: Polymer Pavements (Pty) Ltd

Description: SoilTech MKlll: Polymer Based Soil Stabilizer, a non-traditional soil stabiliser, is a liquid nano-polymer blend soil bonding agent with elastomers. It is a water based modified bitumen emulsion polymer blend soil bonding agent, which gain strength from mechanical compaction. It is utilized in base and sub-base stabilization using *in-situ* materials for both paved and non-paved roads.

SoilTech MKlll: Polymer Based Soil Stabilizer has been designed with multiple particle-sized nano-polymers coated with micro surfactants in order to lower surface tension and to utilize water as a medium to penetrate the sub-base layer. The product penetrates through the road's base layer into the sub-base via capillary action. The E-modulus property of the elastomer allow the pavement to be flexible under heavy load.

The mixing ratios and application rate (mix design) depend on the site specific material and the required road design specifications. SoilTech MKlll: Polymer Based Soil Stabilizer is applied at ambient temperature and by use of water tanker

Prof. Jeffrey Mahachi (Acting Board Chairperson), Mr Richard Somanje (Agrément South Africa CEO)
Board Members: Dr Ntebo Ngcobo, Adv. Lufuno Tokyo Nevondwe, Dr Vuyelwa Nhlapo, Mr Xolisa Mnyani,
Mrs Mariana Marneweck, Mr Denzil Fredericks, Mr Mfundo Xulu Ka-Dlamini

This gazette is also available free online at **www.gpwonline.co.za**

trucks. It is applied as a form of bitumen stabilizing material and in accordance with the standard design methods detailed in **SANRAL's manual SAPEM 2014 and SABITA's TG2** are applicable. Alternatively, Polymer Pavements (Pty) Ltd.'s guideline documents offer application methods.

NB: This certificate covers the use of SoilTech MKIII Polymer Based Soil Stabilizer, a non-traditional soil stabiliser, for road construction of base and sub-base layers in all regions of South Africa. SoilTech MKIII Polymer Based Soil Stabilizer is a water based modified bitumen emulsion polymer blend soil bonding agent, which gains strength from mechanical compaction and does not become brittle when cured. SoilTech MKIII Polymer Based Soil Stabilizer is purposely designed to penetrate through the road's base layer, into the sub-base layer, via capillary action.

This certificate and Agrément South Africa's assessment apply only to SoilTech MKlll: Polymer Based Soil Stabilizer made and applied as described in this certificate, and where the terms and conditions of certification are complied with.

The Agrément certificate contains detailed information on the product and can be accessed at *http://www.agrement.co.za.*

Notice is hereby given that Agrément South Africa has, with effect from 13 December 2023, issued an Agrément certificate, details of which appear in the schedule hereto.

SCHEDULE

Agrément Certificate 2023/648 (Approved December 2023)

Subject: DesignBuilder (Version 6.1) Building Energy Analysis Software

Certificate holder: Greenplan Consultants (Pty) Ltd

Description: *DesignBuilder* Energy Analysis Software is an interface for the US Department of Energy software, *EnergyPlus*. *EnergyPlus* has been developed from both the *BLAST* (Building Loads Analysis and System Thermodynamics) and the *DOE-2* programmes of the 1970s and 1980s.

DesignBuilder Energy Analysis Software may be used for the rational design of air-conditioned buildings or naturally ventilated buildings of all occupancies in terms of the requirements of Regulation XA3 b) and c) of Part XA: *Energy usage in buildings* of the National Building Regulations.

NB. *Designbuilder* Version 6.1 also includes the following attributes:

- existing capabilities and additional elements in the detailed Heat Ventilated Air Conditioner (HVAC) modelling environment
- a new optimisation engine
- improvements in data visualisation and model rendering
- an application programme Interface (AP) with scripting tools for third-party developers and advanced users and
- ability to run multi-year simulations in special cases (e.g., modelling for geothermal heat exchange systems).

SCHEDULE

Interim Agrément Certificate 2024/649 (Approved March 2024)

Valid until March 2026

Subject: Natgrip Ultra-Thin Friction Course (UTFC)

Certificate holder: National Asphalt (Pty) Ltd

Description: NATGrip UTFC is an open-graded Ultra-Thin Friction Course is placed between 18-22 mm thickness for 10NMPS mixes and 20-25 mm thickness for 14NMPS mixes. It consists of graded crushed aggregate, homogenous or non-homogenous bitumen and fillers. Stones are available in nominal thicknesses of 10 mm and 14 mm nominal aggregate size. It is applied to the surface pavement layer (with due consideration given to expected functional properties such as macro texture/skid resistance, noise reduction and rideability based on total pavement structure and expected traffic loading).

The mix design, manufacturing and application of the product is to be strictly controlled. The final mix and properties of the NATGrip UTFC depend on the specifications of the mix designs as done by National Asphalt (Pty) Ltd for the plant and material to be used. All materials are sourced from South Africa and the proportions vary slightly from area to area, depending on the aggregate available in the area. Aggregates must comply with the latest requirements of the Committee of Transport Officials, **COTO** standard specification.

The base bitumen binder 50/70 penetration grade must conform to the requirements of **SANS 4001-BT1** which is then modified with NCRT (New Crumb

Prof. Jeffrey Mahachi (Acting Board Chairperson), Mr Richard Somanje (Agrément South Africa CEO)
Board Members: Dr Ntebo Ngcobo, Adv. Lufuno Tokyo Nevondwe, Dr Vuyelwa Nhlapo, Mr Xolisa Mnyani,
Mrs Mariana Marneweck, Mr Denzil Fredericks, Mr Mfundo Xulu Ka-Dlamini

Rubber Technology) type A-R2 according to the TG-1 guidelines for Modified binders that are being used to modify the properties of asphalt binder used asphalt mixes with the following unique properties.

- ✓ Provides exceptional rutting resistance and hot/cold temperature performance
- ✓ Offers significant fatigue cracking protection and
- ✓ NCRT-A-R2 has an inherent stripping resistance.

NATGrip UTFC is manufactured in a hot-mix asphalt plant and applied by a conventional paver. The bonding coat Elasto Tack Plus has a net binder content of 60%. The recommended application rate should be between 0.45 l/m² -0,55l/m2 for a 14mm NMPS depending on the existing surface placed at 20mm thick. The bond coat will be hot applied by an approved distributor required to apply the product as per supplier protocol. No Self-priming paver will be used since the bond coat properties are such that paving can commence within 1 hour after tack application without the risk of tack pickup.

The Agrément certificate contains detailed information on the product and can be accessed at *http://www.agrement.co.za.*

Agrément Certificate 2024/650

Subject: Promac Design Wall Coating System

Certificate holder: Promac Paints (Pty) Ltd

Description: The Promac Design Wall Coating System is a water based acrylic emulsion wall paint system comprising primer, undercoat, reinforcing polyester membrane (optional) and topcoat. This application can be used in all regions of South Africa for all types of occupancy classifications **(SANS 10400: Table 1 of Regulations A (20 (1))**, on sound, suitably prepared, external and internal non-combustible substrates as follows:

- sand-cement plaster
- sand-cement bagged finishes
- cast *in-situ* concrete and precast concrete
- the above surfaces previously painted with PVA paint and
- prepared gypsum and fibre cement boards.

The product may also be used for waterproofing plastered exterior parapets and cappings in conjunction with a reinforcing polyester membrane (Bidim).

Prof. Jeffrey Mahachi (Acting Board Chairperson), Mr Richard Somanje (Agrément South Africa CEO)

This gazette is also available free online at **www.gpwonline.co.za**

The Promac Design Wall Coating System is a sealer, primer, and topcoat, water based acrylic emulsion wall paint. It is available in eleven standard earthly, natural colours. The paint is packaged in 5 litre and 20 litre plastic containers. It is thoroughly stirred on site before application. It is applied using a paintbrush and good quality rollers in accordance with the manufacturer's instructions.

NB: This certificate and Agrément South Africa's assessment apply only to the Promac Design Wall Coating System manufactured by Promac Paints (Pty) Ltd and applied by trained applicators to suitably prepared surfaces as described in this certificate, and where terms and conditions of certification are adhered to.

DEPARTMENT OF WATER AND SANITATION

NO. 4943 **7 June 2024**

TRANSFORMATION OF TITUS RIVER IRRIGATION BOARD INTO TITUS RIVER WATER USER ASSOCIATION. IN TERMS OF SECTION 98(6) OF THE NATIONAL WATER ACT (NO.36 OF 1998).

I, Senzo Mchunu, the Minister of Water and Sanitation, hereby declare in terms of section 92(3) of the National Water Act, 1998 (Act No. 36 of 1998) that –

(a) The Titus River Water User Association is established.

(b) The Association's name is the Titus River Water User Association.

(c) The area of operation of Titus River Water User Association is Situated in the Breede Olifants Catchment Management Area number 6 and drainage area no H10B in the Cape Winelands District Municipal area, in the Western Cape province. The proposed Association area of operation includes rivers and catchments of such rivers that form the tributaries to the Titus River from its origin to its confluence with the Modder River. The area operation excludes the Ben Etiv Dam and the Rooikloof Dam.

(d) The constitution of the Titus River Water User Association has been approved.

(e) Any other water resource(s) and/or waterworks situated outside the area described in paragraph (c) above, the Department of Water and Sanitation or the responsible authority may request the Water User Association to control, which is situated under Water Management Area number 6 in the National Water Resource Strategy 3 (NWRS3) in the Province of the Western Cape, and

(f) Delegation of powers and functions of the Water User Association is per the delegations of 31 March 2023 which will be provided to the Water User Association.

DEPARTMENT OF WATER AND SANITATION

NO. 4945 **7 June 2024**

TRANSFORMATION OF BADEN IRRIGATION BOARD INTO BADEN WATER USER ASSOCIATION. IN TERMS OF SECTION 98(61) OF THE NATIONAL WATER ACT (NO.36 OF 1998).

I, Senzo Mchunu, the Minister of Water and Sanitation, hereby declare in terms of section 98(6) of the National Water Act, 1998 (Act No. 36 of 1998) that –

(a) The Baden Water User Association is established.

(b) The Association's name is the Baden Water User Association.

(c) The area of operation of the Baden Water User Association is in the Breede-Olifants Water Management Area No. 6 and the quaternary drainage area number H30C and H30D in the Cape Winelands District Municipal area, in the Western Cape province. The sources under the control of the association begin where the Badskloofloop originates in the Waboomsberge on the farm Cogmanskloof no.84 and extends thence along both banks to where it joins the Pietersfontein River and thence along both banks of the Pietersfontein River to the junction with the Keisie River and thence again along both banks of the Keisie River up to and including the property known as the erf (also called Het Bad).

(d) Any other water resource(s) and/or waterworks situated outside the area described in paragraph (c) above, the Department of Water and Sanitation or the responsible authority may request the Water User Association to control, which is situated under Water Management Area number 6 in the National Water Resource Strategy 3 (NWRS3) in the Province of the Western Cape, and

(e) Delegation of powers and functions of the Water User Association is per the delegations of 31 March 2023 which will be provided to the Water User Association.

(f) The constitution of the Baden Water User Association has been approved.

MR SENZO MCHUNU, MP
MINISTER OF WATER AND SANITATION
DATE: 27/05/24

GENERAL NOTICES • ALGEMENE KENNISGEWINGS

DEPARTMENT OF COMMUNICATIONS AND DIGITAL TECHNOLOGIES

NOTICE 2547 OF 2024

INVITATION OF PUBLIC NOMINATIONS FOR POTENTIAL CANDIDATES TO BE CONSIDERED FOR APPOINTMENT TO THE BOARD OF BROADBAND INFRACO

Mr. Mondli Gungubele, the Minister of Communications and Digital Technologies invites the public to nominate potential persons to be considered for appointment to the Board of Broadband Infraco (BBI).

Appointed persons will serve as members of the Board on a part-time basis for a period not exceeding three (3) years (subject to Annual Performance assessments). Remuneration (including allowances) will be per the guidelines approved by the Minister. The nominee should be a fit and proper person; be of good character; and not be disqualified in terms of Section 69 of the Companies Act and must have experience and expertise in any of the following:

- Electrical engineering and Information and Communications Technology (ICT);
- Media, Telecommunications and Broadcasting;
- Finance and related fields (financial accounting, management accounting, financial management, financial reporting, auditing, risk management, corporate finance), preferably a chartered accountant who has served in Audit Committees, ideally in the Public Sector;
- Legal and Governance;
- Marketing, Sales, and Stakeholder Management;
- ICT Policy and Regulations;
- Corporate Governance, IT Governance, and Ethics; and
- Digital Transformation.

The nominee must: possess an undergraduate qualification (Bachelor's degree or Advanced/Higher/Post-graduate Diploma) and experience in Corporate or Public Sector Governance. The following will be an added advantage; Board and/Board committee experience, business leadership experience, and a minimum of 10 years' experience at the senior/executive management level; and knowledge and understanding of Public Sector Finance (Public Finance Management Act) including key Government policies and priorities such as the National Development Plan.

Disclosure of current and/or potential conflict of interests, including contracts, shareholding, and employment in relation to BBI, in compliance with the requirements of section 50 (3) of the Public Finance Management Act, clause 13 of the MOI, and section 75 of Companies Act.

Nominations must be accompanied by the relevant curriculum vitae for the nominated candidate, including the following compulsory information: Identity number; gender; race; current designation and responsibilities; contact details (postal and email addresses, and

telephone); qualifications; current and past service on boards; areas of expertise and acquired skills; and the names and contact details of two referees. Confirmation of the availability of the nominee is also required.

Successful candidates must submit themselves to verification of qualifications and security vetting.

Candidates with foreign academic qualifications that have not been graded/verified with the South African Qualifications Authority (SAQA), must verify their qualifications directly with SAQA.

NB: Nominations will not be considered unless all the requirements set out above are met. Correspondence will be entered into with shortlisted candidates only.

Written Nominations must be addressed to:

The Director-General, Department of Communications and Digital Technologies For attention: **Ms Precious Tsolo**, The Director, SOE Governance and Support,
First Floor, Block B, iParioli Office Park, 1166 Park Street, Hatfield, Pretoria
Private Bag X860, Pretoria, 0001
Enquiries: Tel: (012) 421 7025 or (012) 427 8243

Alternatively, email to nedappointmentBBI@dcdt.gov.za

CLOSING DATE FOR NOMINATIONS: **Friday, 28 June 2024**

Mr. MONDLI GUNGUBELE, MP

NOTICE 2548 OF 2024

STANDARDS ACT, 2008
STANDARDS MATTERS

In terms of the Standards Act, 2008 (Act No. 8 of 2008), the Board of the South African Bureau of Standards has acted in regard to standards in the manner set out in the Schedules to this notice.

SECTION A: DRAFTS FOR COMMENTS

The following draft standards are hereby issued for public comments in compliance with the norm for the development of the South Africa National standards in terms of section 23(2)(a) (ii) of the Standards Act.

Draft Standard No. and Edition	Title, scope and purport	Closing Date
SANS 465:202X Ed 3	*Automotive fuels — Requirements and specifications for fuel ethanol as a blending component with petrol***.**This standard specifies the requirements and test methods for fuel ethanol to be used as a blending component for automotive fuel for spark ignition engines, excluding aviation applications, in accordance with the requirements of SANS 1598.	2024-08-06
SANS 3697:20XX Ed 2	*Standard test method for antimony in water***.** This test method covers the determination of dissolved and total recoverable antimony in water by atomic absorption spectroscopy.	2024-08-06
SANS 7936:20XX Ed 2	*Coal — Determination and presentation of float and sink characteristics — General directions for apparatus and procedures*. This document specifies general directions for the apparatus and procedures, using relative density separation methods, for determining the float and sink characteristics of samples from coal seams and of feed, products and rejects from coal preparation plants.	2024-08-06
SANS 8297:20XX Ed 1	*Acoustics — Determination of sound power levels of multisource industrial plants for evaluation of sound pressure levels in the environment — Engineering method*. This International Standard specif ies an engineering method (grade 2, as defined in ISO 2204) for determining the sound power levels of large multisource industrial plants relevant to the evaluation of sound pressure levels in the environment. These sound power levels may be used in an appropriate prediction model for such an evaluation	2024-08-06
SANS 10849:20XX Ed 1	*Stationary source emissions — Determination of the mass concentration of nitrogen oxides in flue gas — Performance characteristics of automated measuring systems*. This document specifies a method for the determination of nitrogen oxides (NOx) in flue gas of stationary sources and describes the fundamental structure and the key performance characteristics of automated measuring systems	2024-08-06
SANS 60079-11:20XX Ed 5	*Explosive atmospheres Part 11: Equipment protection by intrinsic safety "i"*.This part of IEC 60079 specifies the construction and testing of intrinsically safe apparatus intended for use in explosive atmospheres, and for associated apparatus which is intended for connection to intrinsically safe circuits which enter such atmospheres	2024-08-06
SANS 60436:20XX Ed 2	*Electric dishwashers for household use –Methods for measuring the performance.* This International Standard applies to electric dishwashers for household and similar use that are supplied with hot and/or cold water	2024-08-06
SANS 61238-1-3:20XX Ed 1	*Compression and mechanical connectors for power cables Part 1-3: Test methods and requirements for compression and mechanical connectors for power cables for rated voltages above 1 kV (U m = 1,2 kV) up to 30 kV (U m = 36 kV) tested on non-insulated conductors.* This part of IEC 61238 applies to compression and mechanical connectors for power cables for rated voltages above 1 kV (Um = 1,2 kV) up to 30 kV (Um = 36 kV), for example buried cables or cables installed in buildings, having	2024-08-06

SANS 61850-7-420:20XX Ed 2	*Communication networks and systems for power utility automation Part 7-420: Basic communication structure Distributed energy resources and distribution automation logical nodes* .This part of IEC 61850 defines the IEC 61850 information models to be used in the exchange of information with distributed energy resources (DER) and Distribution Automation (DA) systems. DERs include distribution-connected generation systems, energy storage systems, and controllable loads, as well as facility DER management systems, including aggregated DER, such as plant control systems, facility DER energy management systems (EMS), building EMS, campus EMS, community EMS, microgrid EMS, etc. DA equipment includes equipment used to manage distribution circuits, including automated switches, fault indicators, capacitor banks, voltage regulators, and other power management devices.	2024-08-06
SANS 62552-1:20XX Ed 1	*Household refrigerating appliances — Characteristics and test methods,Part 1: General requirements.* This part of IEC 62552 specifies the essential characteristics of household and similar refrigerating appliances cooled by internal natural convection or forced air circulation, and establishes test methods for checking these characteristics	2024-08-06
SANS 62660-3:20XX Ed 1	*Secondary lithium-ion cells for the propulsion of electric road vehicles Part 3: Safety requirements.* This part of IEC 62660 specifies test procedures and acceptance criteria for safety performance of secondary lithium-ion cells and cell blocks used for propulsion of electric vehicles (EV) including battery electric vehicles (BEV) and hybrid electric vehicles (HEV).	2024-08-06
SANS 62821-1:20xx Ed 1	*Electric cables — Halogen-free, low smoke, thermoplastic insulated and sheathed cables of rated voltages up to and including 450/750 V Part 1: General requirements.* This part of IEC 62821 applies to cables with insulation, and sheath if any, based on halogenfree, thermoplastic compound, and having low emission of smoke and corrosive gases when exposed to fire, of rated voltages U0/U up to and including 450/750 V used in power installations of nominal voltage not exceeding 450/750 V a.c.	2024-08-06
SANS 62821-3:20XX Ed 1	*Electric cables — Halogen-free, low smoke, thermoplastic insulated and sheathed cables of rated voltages up to and including 450/750 V Part □: Flexible cables (cords).* This part of IEC 62821 applies to flexible cables for connection to appliances, insulated and sheathed with halogen-free thermoplastic compound and having low emission of smoke and corrosive gases when exposed to fire.	2024-08-06
SANS 62841-2-8:20XX Ed 1	*Electric motor-operated hand-held tools, transportable tools and lawn and garden machinery — Safety Part 2-8: Particular requirements for hand-held shears and nibblers.* This clause of Part 1 is applicable, except as follows Addition: This part of IEC 62841 applies to hand-held shears and nibblers.	2024-08-06
SANS 80601-2-74:2024 Ed 1	*Medical electrical equipment Part 2-74: Particular requirements for basic safety and essential performance of respiratory humidifying equipment.* Replacement: This document applies to the basic safety and essential performance of a humidifier, also hereafter referred to as ME equipment, in combination with its accessories, the combination also hereafter referred to as ME system.	2024-08-06
SANS 81001-1:XXXXXX Ed 1	*Health software and health IT systems safety, effectiveness and security Part 1: Principles and concepts.* This document provides the principles, concepts, terms and definitions for health software and health IT systems, key properties of safety, effectiveness and security, across the full life cycle, from concept to decommissioning, as represented in Figure 1. It also identifies the transition points in the life cycle where transfers of responsibility occur, and the types of multi-lateral communication that are necessary at these transition points. This document also establishes a coherent concepts and terminology for other standards that address specific aspects of the safety, effectiveness, and security (including privacy) of health software and health IT systems	2024-08-06
SANS 14918:20XX Ed 1	*Thermal spraying — Qualification testing of thermal sprayers***.** This document specifies procedural instructions for qualification testing of thermal sprayers. It defines requirements, ranges of qualification, test conditions, acceptance requirements and certification for qualification testing of thermal spray performance	2024-08-06
SANS 20657:20XX Ed 1	*Glass in Building — heat-soaked tempered soda lime silicate safety glass***.** This document specifies product definitions, product characteristics, i.e. tolerances, flatness, edgework, etc., fracture characteristics, including fragmentation, and the physical and mechanical characteristics of flat heat soaked tempered soda lime	2024-08-06

	silicate safety glass for use in buildings	
SATS 21030:20XX Ed 1	*Educational organizations — Requirements for bodies providing audit and certification of educational organizations' management systems.* This document defines the rules applicable to the audit and certification of educational organization management systems (EOMS) conforming to the requirements given in ISO 21001 (or other sets of specified EOMS requirements). It also provides the necessary information and confidence to customers about the way certification of their suppliers has been granted.	2024-08-06
SANS 22058:20XX Ed 1	*Construction procurement — Guidance on strategy and tactics.* options for engaging the market in satisfying a client's need for new or refurbished construction works	2024-08-06
SANS 41011:20XX Ed 2	*Facility management — Vocabulary*. This document defines terms used in facility management	2024-08-06
SATR 41013:20XX Ed 1	*Facility management — Scope, key concepts and benefits*. This document outlines the scope, key concepts and benefits of facility management (FM) and provides a context for the use and application of the terms defined in ISO 41011	2024-08-06
SANS 56007:20XX Ed 1	*Innovation management — Tools and methods for managing opportunities and ideas — Guidance.* This document provides guidance on managing opportunities and ideas by:	2024-08-06
SANS 2066:20XX Ed 1	*Home compostability of materials.* This standard specifies the procedures and requirements for materials, including products (finished products for single use) that are deemed suitable for home composting. The materials and products considered as suitable for home composting as a complete product are inclusive of all the individual components which meet the requirements of this standard	2024-08-06

SCHEDULE A.1: AMENDMENT OF EXISTING STANDARDS

The following draft amendments are hereby issued for public comments in compliance with the norm for the development of the South African National Standards in terms of section 23(2)(a) (ii) of the Standards Act.

Draft Standard No. and Edition	Title	Scope of amendment	Closing Date
SANS 824:20XX Ed 2.2	*Lime for soil stabilization*	Amended to delete the annex on notes to purchasers	2024-08-06
SANS 1012:XXXXX Ed 1.5	*Electric light dimmers (Metric units)*	Amended to delete the appendix on notes to purchasers.	2024-08-06
SANS 1090:20XX Ed 2.3	*Aggregates from natural sources — Fine aggregates for plaster and mortar*	Amended to delete the annex on notes to purchasers	2024-08-06
SANS 1186-4:20XX Ed 1.4	*Symbolic safety signs-* *Part 4: Retro-reflective signs*	Amended to remove the annex on notes to purchasers.	2024-08-06
SANS 1291-2:XXXX Ed 2.5	*Flexible polyurethane foam sleeping mats and mattresses* *Part 2: Foam mattresses for domestic and hotel use*	Amended to delete the annex on notes to purchasers	2024-08-06
SANS 1504:20XX Ed 2.1	*Prestressed concrete lintels*	Amended to delete the annex on notes to purchasers.	2024-08-06
SANS 1654:20XX Ed 2.3	*DC-powered (battery-operated) machines for use in hazardous locations in mines*	Amended to update the subclause on marking on repairer's plate.	2024-08-06
SANS 62612:20XX Ed 1.2	*Self-ballasted LED lamps for general lighting services with supply voltages > 50 V —Performance requirements*	Amended to update the scope, referenced standards, general testing condition of LED lamp, the clause on lamp life, the annex on	2024-08-06

		the use of ANSI/IES LM-80-15 for lumen maintenance and maintained chromaticity coordinates data, and adjustment of table markings	
SANS 10012:20XX Ed 4.2	*The use of light metals in hazardous locations at mines*	Amended to update the year on the note in clause 3 and to remove the year on bibliography	2024-08-06
SANS 10242-1:XXXXXX Ed 2.2	*The rewinding and refurbishing of rotating electrical machines Part 1: Low-voltage three-phase induction motors*	Amended to update the scope, referenced standards, the requirements for dismantling of motor, the update requirements for calibration of measuring instruments, the table on test voltages, and to delete the annex on notes to users	2024-08-06
SANS 62612:20XX Ed 1.3	*Self-ballasted LED lamps for general lighting services with supply voltages > 50 V —Performance requirements*	Amend to include normative national annex AA on energy labelling of the self-ballasted LED lamps and BB on energy efficiency class (to incorporate the approach for calculating energy efficiency).	2024-08-06
SANS 902:20xx Ed 3.1	*Hessian cloth*	Amended to update normative references and delete the annex on notes to purchasers.	2024-08-06
SANS 966-1:20XX Ed 3.9	*Components of pressure pipe systems Part 1: Unplasticized poly(vinyl chloride) (PVC-U) pressure pipe systems*	Amended to update the clauses on specific requirements for pipes and on inspection methods of test, as well as to remove the annex on notes to purchases.	2024-08-06
SANS 1022:20XX Ed 2.3	*Metal roofing tiles*	Amended to delete the annex on notes to purchasers.	2024-08-06
SANS 1362:20XX Ed 2.1	*Sewing threads*	Amended to pdate referenced standards, and to delete the annex on notes to purchasers	2024-08-06
SANS 1823:20XX Ed 1.3	*Touch and close fasteners*	Amended to update referenced standards, and to delete the annex on notes to purchasers.	2024-08-06
SANS 1884-3:20XX Ed 1.1	*Holding pens for temporary housing of Animals Part 3: Vehicles for the transportation of wild carnivores by road to holding pens and other facilities*	Amended to update the sub-clause on fixed and detachable mass crates and containers, and the referenced standards.	2024-08-06

SCHEDULE A.2: WITHDRAWAL OF THE SOUTH AFRICAN NATIONAL STANDARDS

In terms of section 24(1)(C) of the Standards Act, the following published standards are issued for comments with regard to the intention by the South African Bureau of Standards to withdrawn them.

Draft Standard No. and Edition	Title	Reason for withdrawal	Closing Date
SANS 20000-4:2014	*Information technology - Service management - Part 4: Process reference model*	The technological requirements associated with this standard are outdated and the standard will be withdrawn without replacement	2024-08-06
SANS 15271:1998	*Information technology - Guide for ISO/IEC 12207 (Software Life Cycle Processes)*	The technological requirements associated with this standard are outdated and the standard will be withdrawn without replacement	2024-08-06

SCHEDULE A.3: WITHDRAWAL OF INFORMATIVE AND NORMATIVE DOCUMENTS

In terms of section 24(5) of the Standards Act, the following documents are being considered for withdrawal.

Draft Standard No. and Edition	Title	Reason for withdrawal	Closing Date

SECTION B: ISSUING OF THE SOUTH AFRICAN NATIONAL STANDARDS

SCHEDULE B.1: NEW STANDARDS

The following standards have been issued in terms of section 24(1)(a) of the Standards Act.

Standard No. and year	Title, scope and purport
SANS 60755:2024 Ed 1	*General safety requirements for residual current operated protective devices*. This document provides general minimum requirements, recommendations and information for the drafting of standards on residual current operated protective devices (hereinafter referred to as residual current devices, "RCDs"). It applies to any device providing residual current protection intended primarily for protection against electric shock hazard
SANS 60034-4-1:2024 Ed 1	*Part 4-1: Methods for determining electrically excited synchronous machine quantities from tests*. This part of IEC 60034 applies to three-phase synchronous machines of 1 kVA rating and larger.
SANS 62056-8-8:2024 Ed 1	*Electricity metering data exchange — The DLMS/COSEM suite- Part 8-8: Communication profile for ISO/IEC 14908 series networks*. This part of IEC 62056 describes how the DLMS/COSEM Application layer and the COSEM object model as specified in IEC 62056-5-3:2017, IEC 62056-6-1:2017 and IEC 62056-6-2:2017 can be used over the lower layers specified in the IEC 14908 series, forming a DLMS/COSEM ISO/IEC 14908 communication profile.
SATS 61851-3-1:2024 Ed 1	*Electric vehicle conductive charging system- Part 3-1: DC EV supply equipment where protection relies on double or reinforced insulation — General rules and requirements for stationary equipment*. This part of IEC 61851, which is a Technical Specification, applies to the equipment, including stationary equipment.
SATS 61851-3-2:2024 Ed 1	*Electric vehicle conductive charging system- Part 3-2: DC EV supply equipment where protection relies on double or reinforced insulation — Particular requirements for portable and mobile equipment*. This part of IEC 61851, which is a Technical Specification, applies to the portable and mobile DRI EV supply equipment where the protection against electric shocks relies on double or reinforced insulation, and with double or reinforced insulation between all AC and DC inputs and outputs with a rated input voltage being not more than 250 V AC and output voltages not more than 120 V DC.
SATS 61851-3-4:2024 Ed 1	*Electric vehicles conductive charging system-Part 3-4: DC EV supply equipment where protection relies on double or reinforced insulation — General definitions and requirements for CANopen communication.* This part of IEC 61851, which is a Technical Specification, applies to CANopen communication for the conductive transfer of electric power between the supply network and an electric road vehicle or a removable rechargeable energy storage system (RESS) or on-board rechargeable energy storage systems (RESS) of an electric road vehicle
SATS 61851-3-5:2024 Ed 1	*Electric vehicles conductive charging system- Part 3-5: DC EV supply equipment where protection relies on double or reinforced insulation — Pre-defined communication parameters and general application objects*. This part of IEC 61851, which is a Technical Specification, applies to CANopen communication for the conductive transfer of electric power between the supply network and an electric road vehicle or a removable RESS or traction-battery of an electric road vehicle

Standard No. and year	Title, scope and purport
SATS 61851-3-6:2024 Ed 1	*Electric vehicles conductive charging system- Part 3-6: DC EV supply equipment where protection relies on double or reinforced insulation — Voltage converter unit communication*. This part of IEC 61851, which is a Technical Specification, applies to CANopen communication for the conductive transfer of electric power between the supply network and an electric road vehicle or a removable RESS or traction-battery of an electric road vehicle.
SATS 61851-3-7:2024 Ed 1	*Electric vehicles conductive charging system- Part 3-7: DC EV supply equipment where protection relies on double or reinforced insulation — Battery system communication*. This part of IEC 61851, which is a Technical Specification, applies to CANopen communication for the conductive transfer of electric power between the supply network and an electric road vehicle or a removable RESS or traction-battery of an electric road vehicle
SANS 3021:2024 Ed 1	*Adventure tourism — Hiking and trekking activities — Requirements and recommendations.* This document establishes requirements for adventure tourism involving hiking and trekking activities, relating to the safety of participants, leaders and assistants
SANS 31073:2024 Ed 1	*Risk management — Vocabulary*. This document defines generic terms related to the management of risks faced by organizations.
SANS 45002:2024 Ed 1	*Occupational health and safety management systems — General guidelines for the implementation of ISO 45001:2018*. This document gives guidance on the establishment, implementation, maintenance and continual improvement of an occupational health and safety (OH&S) management system that can help organizations conform to ISO 45001:2018.
SATR 22428-1:2024 Ed 1	*Managing records in cloud computing environments-Part 1: Issues and concerns*. This document presents a model for cloud records management and outlines the risks and issues that are considered by records managers before adopting cloud services for records management. The model for cloud records management includes a stakeholder model, processes, metadata, architecture, and use cases. Risks and issues are classified into those originating from cloud services internally and those originating from cloud services externally. Internal risks are associated with cloud services, systems and stakeholders. External risks and issues can occur in the social and legal context in which cloud services operate.
SANS 60335-2-40:2024 Ed 6	*Household and similar electrical appliances — Safety Part 2-40: Particular requirements for electrical heat pumps, air-conditioners and dehumidifiers.* This part of IEC 60335 deals with the safety of electric heat pumps, sanitary hot water heat pumps and air conditioners, incorporating motor-compressors as well as hydronic fan coils units, dehumidifiers (with or without motor-compressors), thermoelectric heat pumps and partial units. Their maximum rated voltage being not more than 300 V for single phase appliances and 600 V for multi-phase appliances
SANS 60335-2-82:2024 Ed 3	*Household and similar electrical appliances — Safety Part 2-82: Particular requirements for amusement machines and personal service machines.* This International Standard deals with the safety of electric commercial amusement machines and personal service machines, their rated voltage being not more than 250 V for singlephase appliances and 480 V for other appliances
SANS 61439-5:2024 Ed 2	*Low-voltage switchgear and controlgear assemblies-Part 5: Assemblies for power distribution in public networks.* This document defines the specific requirements for public electricity network distribution assemblies (PENDAs).

Standard No. and year	Title, scope and purport
SANS 61540:2024 Ed 2	*Portable residual current devices (PRCDs) without integral overcurrent protection for household and similar use.* This document applies to portable residual current devices (PRCDs) for household and similar uses, consisting of a plug, a residual current device (RCD) and one or more socket-outlets or a provision for connection. They do not incorporate overcurrent protection. They are intended for single- and two-phase systems for rated currents not exceeding 16 A for rated voltages not exceeding 250 V AC, or for rated current not exceeding 32 A for rated voltages not exceeding 130 V AC to earth. They are intended to provide protection against shock hazard in case of direct contact, in addition to the protection provided by the fixed installations for the circuit downstream.
SANS 61936-1:2024 Ed 2	*Power installations exceeding 1 kV AC and 1,5 kV DC- Part 1: AC*. This part of IEC 61936 provides requirements for the design and the erection of electrical power installations in systems with nominal voltages exceeding 1 kV AC and nominal frequency up to and including 60 Hz, so as to provide safety and proper functioning for the use intended
SANS 62056-3-1:2024 Ed 2	*Electricity metering data exchange — The DLMS/COSEM suite Part 3-1: Use of local area networks on twisted pair with carrier signalling.* This part of IEC 62056 describes two sets of profiles: the first set of profiles allows a bidirectional communication between a client and a server. This set of profiles is made of three profiles allowing local bus data exchange with stations either energized or not. For nonenergized stations, the bus supplies energy for data exchange. Three different profiles are supported
SANS 62561-1:2024 Ed 3	*Lightning protection system components (LPSC)- Part 1: Requirements for connection components.* This part of IEC 62561 specifies the requirements and tests for metallic connection components that form part of a lightning protection system (LPS). Typically, these can be connectors, clamps, bonding and bridging components, expansion pieces and test joints
SATR 60601-4-3:2024 Ed 2	*Medical electrical equipment- Part 4-3: Guidance and interpretation — Considerations of unaddressed safety aspects in the third edition of IEC 60601-1 and proposals for new requirements.* This part of IEC 60601, which is a Technical Report, contains a series of recommendations developed by an expert working group of IEC subcommittee 62A in response to questions of interpretation of IEC 60601-1:2005 and related collateral standards in the IEC 60601 series
SANS 428:2024 Ed 3	*Fire performance classification of building insulation materials and systems WARNING.* 1.1 This standard covers the classification, usage and application requirements for under-roof and side-cladding insulating materials, liners, insulated wall and roof panels, insulated ceilings and insulated wall and ceiling coating systems for use in buildings of unlimited height when exposed to an ignition source
SANS 2408:2024 Ed 3	*Steel wire ropes —Requirements.* This document specifies requirements for the manufacture, testing, acceptance, packing, marking and issuing of a certificate of quality of wire ropes. It is applicable to round strand ropes and compacted strand ropes made from wires ropes that are uncoated (bright), zinc-coated or Zn-Al coated
SANS 10255:2024 Ed 3	*Health, safety and environmental guidelines for the construction and operation of timber treatment plants.*This standard serves as a guide on occupational health and safety and environmental aspects in and around timber treatment plants with the intention to reduce health and safety and environmental risks.
SANS 23118:2024 Ed 1	*Molecular in vitro diagnostic examinations — Specifications for pre-examination processes in metabolomics in urine, venous blood serum and plasma.* This document specifies requirements and gives recommendations for the handling, documentation and processing of urine, venous blood plasma and serum intended for metabolomics analysis in the preexamination processes. This document is applicable to metabolomics examinations and can be used by biomedical laboratories, customers of laboratories, in vitro diagnostics developers and manufacturers, institutions and companies performing biomedical research, biobanks, and regulatory authorities

Standard No. and year	Title, scope and purport
SANS 1973-1:2023 Ed 2	*Low-voltage switchgear and controlgear assemblies Part 1: Power switchgear and controlgear assemblies with a rated short time withstand current exceeding 10 kA*. This standard sets out national variations and additional requirements to SANS 61439-1 and SANS 61439-2 that are required in South Africa.
SANS 60335-2-119:2024 Ed 1	*Household and similar electrical appliances — Safety Part 2-119: Particular requirements for commercial vacuum packaging appliances*. This clause of Part 1 is replaced by the following. This part of IEC 60335 deals with the safety of commercial electric packaging appliances using vacuum conditions for food preservation, their rated voltage being not more than 250 V for single-phase appliances and 480 V for other appliances

SCHEDULE B.2: AMENDED STANDARDS

The following standards have been amended in terms of section 24(1)(a) of the Standards Act.

Standard No. and year	Title, scope and purport
SANS 674:2024 Ed 1.4	*Steel-reinforced spirally wound PE drainage and sewer pipes*. This standard specifies the requirements for steel-reinforced spirally wound high density polyethylene (HDPE) or medium density polyethylene (MDPE) drainage pipes made by winding and welding composite profiles. The steel-reinforced polyethylene profile is manufactured by combining steel reinforcement with polyethylene through extrusion technology
SANS 974-3:2024 Ed 1.2	*Rubber joint rings (non-cellular)- Part 3: Joint rings for use in pressure cookers*. This specification covers the requirements for non-cellular vulcanized rubber joint rings for use in pressure cookers
SANS 1827:2024 Ed 1.7	*The safety of water treatment chemicals for use in the food industry*. This standard sets minimum requirements for the safety of water treatment chemicals, intended for use in potable/process waters or boiler feed waters, where the treated water or steam produced might come into contact with food or food products
SANS 896:2024 Ed 2.3	*Soiled linen carriers*. This specification covers the dimensional and constructional requirements for two types of wheeled soiled linen carriers, including their canvas or plastic receptacles, intended for use in medical institutions

SCHEDULE B.3: WITHDRAWN STANDARDS

In terms of section 24(1)(C) of the Standards Act, the following standards have been withdrawn.

Standard No. and year	Title
SANS 288: 2013	*Anti-bacterial liquid toilet soap for medical use*
SANS 1597: 2013	*Antiseptics based on chlorhexidine gluconate*
SANS 1833-9 2007	*Textiles - Quantitative chemical analysis Part 9: Mixtures of acetate and triacetate fibres (method using benzyl alcohol*
SANS 1833-12 2007	*Textiles - Quantitative chemical analysis Part 12: Mixtures of acrylic, certain modacrylics, certain chlorofibres, certain elastanes and certain other fibres (method using dimethylformamide)*
SANS 1833-13 2007	*Textiles - Quantitative chemical analysis Part 13: Mixtures of certain chlorofibres and certain other fibres (method using carbon disulfide/acetone)*

SANS 1833-14 2007	*Textiles - Quantitative chemical analysis Part 14: Mixtures of acetate and certain chlorofibres (method using acetic acid)*
SANS 8662-1:1988	*Hand-held portable power tools - Measurement of vibrations at the handle Part 1: General*
SANS 1833-10 2007	*Textiles - Quantitative chemical analysis Part 10: Mixtures of triacetate or polylactide and certain other fibres (method using dichloromethane)*
SANS 1833-15 2007	*Textiles - Quantitative chemical analysis Part 15: Mixtures of jute and certain animal fibres (method by determining nitrogen content)*
SANS 1833-17 2007	*Textiles - Quantitative chemical analysis Part 17: Mixtures of chlorofibres (homopolymers of vinyl chloride) and certain other fibres (method using sulfuric acid)*
SANS 1833-18 2007	*Textiles - Quantitative chemical analysis Part 17: Mixtures of chlorofibres (homopolymers of vinyl chloride) and certain other fibres (method using sulfuric acid)*
SANS 1833-19 200	*Textiles - Quantitative chemical analysis Part 19: Mixtures of cellulose fibres and asbestos (method by heating)*
SANS 1833-21 2007	*Textiles - Quantitative chemical analysis Part 21: Mixtures of chlorofibres, certain modacrylics, certain elastanes, acetates, triacetates and certain other fibres (method using cyclohexanone)*
SANS 15504-5:2016	*Information technology - Process assessment Part 5: An exemplar process assessment model*
SANS 24773:2009	*Software engineering - Certification of software engineering professionals - Comparison framework*
SATR 24774:2016	*Systems and software engineering - Life cycle management - Guidelines for process description*
SANS 26702:2008	*Systems engineering - Application and management of the systems engineering process*

SCHEDULE B.4: REINSTATEMENT OF WITHDRAWN STANDARD

In terms of section 4(2) (l) the South African Bureau of Standards has established the following technical committees:

Draft Standard No. and Edition	**Title**	**Scope of amendment**	Reason

SCHEDULE B.5: ESTABLISHMENT OF TECHNICAL COMMITTEES

In terms of section 4(2) (l) the South African Bureau of Standards has established the following technical committees:

Technical Committee No.:	**Title**	**Scope**

SCHEDULE B.6: DISBANDMENT OF TECHNICAL COMMITTEES

In terms of section 4(2) (l) the South African Bureau of Standards has disbanded the following technical committees:

Technical Committee No.:	Title	Scope

If your organization is interested in participating in these committees, please send an e-mail to Dsscomments@sabs.co.za for more information.

SCHEDULE 5: ADDRESS OF THE SOUTH AFRICAN BUREAU OF STANDARDS HEAD OFFICE

Copies of the standards mentioned in this notice can be obtained from the Head Office of the South African Bureau of Standards at 1 Dr Lategan Road, Groenkloof, Private Bag X191, Pretoria 0001.

BOARD NOTICE 619 OF 2024

COUNCIL FOR DEBT COLLECTORS

NOTICE IN TERMS OF SECTION 12(5) OF THE DEBT COLLECTORS ACT, 1998 (ACT 114 OF 1998)

The register contemplated in section 12(1) (a) of the Debt Collectors Act, 1998 (Act 114 of 1998) is available for inspection-

(a) from Monday to Friday, excluding public holidays, from 7h30 to 16h00 at the registered office of the Council for Debt Collectors: 310 Brooks Street, Menlo Park, Pretoria; and
(b) electronically at the following address: www.cfdc.org.za

A CORNELIUS

CEO: COUNCIL FOR DEBT COLLECTORS
