PUBLICATION OF NEW MINIBUS-TAXI ROUTES FORMING PART OF THE CITY OF CAPE TOWN'S SPECIAL REGULATORY PROCESS

In terms of the Minimum requirements for the preparation of Integrated Transport Plans (as published in Government Gazette notice 40174 of 29 July 2016), the Integrated Transport Plan ("ITP") must include present and future demand estimation and describe in detail the routes on which contracted and non-contracted services may operate. The policies and strategies contained in the ITP must be aimed at designing a network of contracted and non-contracted services that cater for the needs of all potential users, maximise access to services, minimise duplication between services and avoids destructive competition between modes. All state departments are bound by the provisions of ITP's.

As part of the review and update of the City of Cape Town's ITP, engagements took place with all registered taxi associations to discuss the balance between supply and utilisation on existing routes and to discuss potential new minibus-taxi routes based on passenger demand. This Special Regulatory Process ("SRP") will allow the City of Cape Town to provide services to communities in a sustainable manner and will ensure that all residents have equal access to social and economic opportunities.

The City of Cape Town has asseverated that there is no guarantee that new routes will be approved. The prescribed process to register new routes must be followed to allow persons and organisations who are affected by these routes/services to submit comments and/or representations to the Provincial Regulatory Entity and the City of Cape Town. These comments and/or representations will be duly considered before a decision is taken in respect of any new route. We have a responsibility as government to ensure that proposed new routes does not impinge on existing services and to provide a safe and dignified environment for public transport users.

The new/proposed routes forming part of the SRP (as identified by taxi associations) are listed below. Interested and affected parties are afforded **21** calendar days to submit comments/representations for consideration by the City and the PRE. Such comments/representations must be sent to Zuko.Xinwa@westerncape.gov.za on or before **25 October 2024**. The City and the PRE will also conduct its own risk analysis before new/proposed routes are considered.
