HIGH ALERT: SCAM WARNING!!!

TO ALL SUPPLIERS AND SERVICE PROVIDERS OF THE GOVERNMENT PRINTING WORKS

It has come to the attention of the *GOVERNMENT PRINTING WORKS* that there are certain unscrupulous companies and individuals who are defrauding unsuspecting businesses disguised as representatives of the *Government Printing Works* (*GPW*).

The scam involves the fraudsters using the letterhead of *GPW* to send out fake tender bids to companies and requests to supply equipment and goods.

Although the contact person's name on the letter may be of an existing official, the contact details on the letter are not the same as the *Government Printing Works*'. When searching on the Internet for the address of the company that has sent the fake tender document, the address does not exist.

The banking details are in a private name and not company name. Government will never ask you to deposit any funds for any business transaction. *GPW* has alerted the relevant law enforcement authorities to investigate this scam to protect legitimate businesses as well as the name of the organisation.

Example of e-mails these fraudsters are using:

PROCUREMENT@GPW-GOV.ORG

Should you suspect that you are a victim of a scam, you must urgently contact the police and inform the *GPW*.

GPW has an official email with the domain as **@gpw.gov.za**

Government e-mails DO NOT have org in their e-mail addresses. All of these fraudsters also use the same or very similar telephone numbers. Although such number with an area code 012 looks like a landline, it is not fixed to any property.

GPW will never send you an e-mail asking you to supply equipment and goods without a purchase/order number. *GPW* does not procure goods for another level of Government. The organisation will not be liable for actions that result in companies or individuals being resultant victims of such a scam.

Government Printing Works gives businesses the opportunity to supply goods and services through RFQ / Tendering process. In order to be eligible to bid to provide goods and services, suppliers must be registered on the National Treasury's Central Supplier Database (CSD). To be registered, they must meet all current legislative requirements (e.g. have a valid tax clearance certificate and be in good standing with the South African Revenue Services - SARS).

The tender process is managed through the Supply Chain Management (SCM) system of the department. SCM is highly regulated to minimise the risk of fraud, and to meet objectives which include value for money, open and effective competition, equitability, accountability, fair dealing, transparency and an ethical approach. Relevant legislation, regulations, policies, guidelines and instructions can be found on the tender's website.

Fake Tenders

National Treasury's CSD has launched the Government Order Scam campaign to combat fraudulent requests for quotes (RFQs). Such fraudulent requests have resulted in innocent companies losing money. We work hard at preventing and fighting fraud, but criminal activity is always a risk.

How tender scams work

There are many types of tender scams. Here are some of the more frequent scenarios:

Fraudsters use what appears to be government department stationery with fictitious logos and contact details to send a fake RFQ to a company to invite it to urgently supply goods. Shortly after the company has submitted its quote, it receives notification that it has won the tender. The company delivers the goods to someone who poses as an official or at a fake site. The Department has no idea of this transaction made in its name. The company is then never paid and suffers a loss.

OR

Fraudsters use what appears to be government department stationery with fictitious logos and contact details to send a fake RFQ to Company A to invite it to urgently supply goods. Typically, the tender specification is so unique that only Company B (a fictitious company created by the fraudster) can supply the goods in question.

Shortly after Company A has submitted its quote it receives notification that it has won the tender. Company A orders the goods and pays a deposit to the fictitious Company B. Once Company B receives the money, it disappears. Company A's money is stolen in the process.

Protect yourself from being scammed

- If you are registered on the supplier databases and you receive a request to tender or quote that seems to be from a government department, contact the department to confirm that the request is legitimate. Do not use the contact details on the tender document as these might be fraudulent.
- Compare tender details with those that appear in the Tender Bulletin, available online at **www.gpwonline.co.za**
- Make sure you familiarise yourself with how government procures goods and services. Visit the tender website for more information on how to tender.
- If you are uncomfortable about the request received, consider visiting the government department and/or the place of delivery and/or the service provider from whom you will be sourcing the goods.
- In the unlikely event that you are asked for a deposit to make a bid, contact the SCM unit of the department in question to ask whether this is in fact correct.

PRESS RELEASE BY THE NATIONAL AGRICULTURAL MARKETING COUNCIL

REQUEST FOR COMMENTS/INPUTS FROM DIRECTLY AFFECTED GROUPS IN THE DAIRY INDUSTRY

REQUEST FOR THE CONTINUATION OF STATUTORY MEASURES RELATING TO LEVIES, REGISTRATIONS AND RECORDS & RETURNS IN THE DAIRY INDUSTRY IN TERMS OF THE MARKETING OF AGRICULTURAL PRODUCTS ACT (ACT No. 47 OF 1996, as amended)

It is hereby made known that, in terms of section 11 of the Marketing of Agricultural Products Act, 1996 (Act No.47 of 1996) (MAP Act), the Minister of Agriculture has received a request from the dairy industry for the continuation of statutory measures relating to levies, registration, the keeping of records and the rendering of returns.

The South African Milk Processors' Organisation (SAMPRO), a directly affected group and representative organisation of the secondary dairy industry, applied for these statutory measures. The current statutory measures (levies, registrations and records & returns) in the dairy industry will expire on 31 December 2025. SAMPRO requests ministerial approval for the continuation of these statutory measures for a new period of four years from 1 January 2026 to 31 December 2029.

SAMPRO proposed that the current statutory levies will increase by 3.5 percent per annum because of inflation since the current levies were first implemented in 2021. According to SAMPRO, the income generated by these statutory levies is not sufficient to satisfactorily pursue the objectives of the regulations in the period for which the extension of the validity of the regulations is requested.

Council Members: Mr. A. Petersen (Chairperson), Ms. T. Ntshangase (Deputy Chairperson),
Prof. A. Jooste, Mr. S.J. Mhlaba, Ms. F. Mkile, Ms. N. Mokose, Ms. S. Naidoo, Mr. G. Schutte, Dr. S.T. Xaba and Mr. J.G. Mocke

The proposed new levies will be as follows:

Customs Tariff Classification	Product Description	Levy (Vat exclusive)			
		2026 c/kg	2027 c/kg	2028 c/kg	2029 c/kg
04.01	Milk and cream, not concentrated nor containing added sugar or other sweetening matter.	1.99	2.06	2.13	2.20
04.02	Milk and cream, concentrated or containing added sugar or other sweetening matter.	19.08	19.74	20.43	21.15
04.03	Buttermilk, curdled milk and cream, yogurt, kephir, and other fermented or acidified milk and cream, whether or not concentrated or containing added sugar or other sweetening matter or flavoured or containing added fruits, nuts or cocoa.	7.18	7.43	7.69	7.96
04.04	Whey, whether or not concentrated or containing added sugar or other sweetening matter; Products consisting of natural milk constituents, whether or not containing added sugar or other sweetening matter, not elsewhere specified or included.	5.80	6.00	6.21	6.43
04.05	Butter and other fats and oils derived from milk, dairy spreads.	20.47	21.19	21.93	22.70
04.06	Cheese and Curd.	28.58	29.58	30.61	31.68

The MAP Act stipulates that a statutory levy may not exceed 5% of the price realised for a specific agricultural product at the first point of sale. The maximum of 5% must be based on a guideline price calculated as the average price at the first point of sale over a period not exceeding three years. The guideline price for the proposed levies, on average, was calculated to be approximately 0.3% of the price of dairy products for a period of 3 years. This is well within the 5% as prescribed by the MAP Act.

Total	**72 450 000**	**74 985 000**	**77 610 000**	**80 326 000**

The proposed statutory measures will apply to the following:

- Persons who buy raw (unprocessed) milk for the purpose of processing it or to use it to manufacture other products, or to sell it to persons located outside the jurisdiction of the Republic of South Africa, or to move it outside the jurisdiction of the Republic of South Africa;
- Persons who import a product which is subject to a levy;
- Persons who are milk producers and who process the raw (unprocessed) milk produced by them, or use it to manufacture other products, or who sell it to consumers, or who sell it to persons located outside the jurisdiction of the Republic of South Africa, or who move it outside the jurisdiction of the Republic of South Africa; and
- Persons who sell raw (unprocessed) milk to retailers.

The purpose of the statutory measure relating to registration is to compel all secondary industry role-players in the Republic of South Africa to register with Milk South Africa (the administrator). Registration will facilitate better communication in the industry on matters of common interest such as technical issues, food safety, product standards and other issues.

The purpose of the statutory measure relating to records & returns is to provide a statutory mechanism for dairy processors, traders, brokers, producer distributors, importers and exporters of dairy products

to keep records and furnish returns to Milk South Africa. The information and analysis thereof will enable Milk South Africa to make market signals available to role-players and government institutions.

The National Agricultural Marketing Council (NAMC) believes that the application by SAMPRO for the continuation of statutory measures is consistent with the objectives of the MAP Act (as set out in section 2 of the Act).

Directly affected groups in the dairy industry are kindly requested to submit any comments, in writing, regarding the proposed statutory measures, to the NAMC on or before 30 September 2025, to enable the Council to finalise its recommendation to Minister in this regard.

Submissions should be in writing and addressed to:
