government printing
Department:
Government Printing Works
REPUBLIC OF SOUTH AFRICA

HIGH ALERT: SCAM WARNING!!!

TO ALL SUPPLIERS AND SERVICE PROVIDERS OF THE GOVERNMENT PRINTING WORKS

It has come to the attention of the *GOVERNMENT PRINTING WORKS* that there are certain unscrupulous companies and individuals who are defrauding unsuspecting businesses disguised as representatives of the *Government Printing Works* (*GPW*).

The scam involves the fraudsters using the letterhead of *GPW* to send out fake tender bids to companies and requests to supply equipment and goods.

Although the contact person's name on the letter may be of an existing official, the contact details on the letter are not the same as the *Government Printing Works*'. When searching on the Internet for the address of the company that has sent the fake tender document, the address does not exist.

The banking details are in a private name and not company name. Government will never ask you to deposit any funds for any business transaction. *GPW* has alerted the relevant law enforcement authorities to investigate this scam to protect legitimate businesses as well as the name of the organisation.

Example of e-mails these fraudsters are using:

PROCUREMENT@GPW-GOV.ORG

Should you suspect that you are a victim of a scam, you must urgently contact the police and inform the *GPW*.

GPW has an official email with the domain as **@gpw.gov.za**

Government e-mails DO NOT have org in their e-mail addresses. All of these fraudsters also use the same or very similar telephone numbers. Although such number with an area code 012 looks like a landline, it is not fixed to any property.

GPW will never send you an e-mail asking you to supply equipment and goods without a purchase/order number. *GPW* does not procure goods for another level of Government. The organisation will not be liable for actions that result in companies or individuals being resultant victims of such a scam.

Government Printing Works gives businesses the opportunity to supply goods and services through RFQ / Tendering process. In order to be eligible to bid to provide goods and services, suppliers must be registered on the National Treasury's Central Supplier Database (CSD). To be registered, they must meet all current legislative requirements (e.g. have a valid tax clearance certificate and be in good standing with the South African Revenue Services - SARS).

The tender process is managed through the Supply Chain Management (SCM) system of the department. SCM is highly regulated to minimise the risk of fraud, and to meet objectives which include value for money, open and effective competition, equitability, accountability, fair dealing, transparency and an ethical approach. Relevant legislation, regulations, policies, guidelines and instructions can be found on the tender's website.

Fake Tenders

National Treasury's CSD has launched the Government Order Scam campaign to combat fraudulent requests for quotes (RFQs). Such fraudulent requests have resulted in innocent companies losing money. We work hard at preventing and fighting fraud, but criminal activity is always a risk.

How tender scams work

There are many types of tender scams. Here are some of the more frequent scenarios:

Fraudsters use what appears to be government department stationery with fictitious logos and contact details to send a fake RFQ to a company to invite it to urgently supply goods. Shortly after the company has submitted its quote, it receives notification that it has won the tender. The company delivers the goods to someone who poses as an official or at a fake site. The Department has no idea of this transaction made in its name. The company is then never paid and suffers a loss.

OR

Fraudsters use what appears to be government department stationery with fictitious logos and contact details to send a fake RFQ to Company A to invite it to urgently supply goods. Typically, the tender specification is so unique that only Company B (a fictitious company created by the fraudster) can supply the goods in question.

Shortly after Company A has submitted its quote it receives notification that it has won the tender. Company A orders the goods and pays a deposit to the fictitious Company B. Once Company B receives the money, it disappears. Company A's money is stolen in the process.

Protect yourself from being scammed

- If you are registered on the supplier databases and you receive a request to tender or quote that seems to be from a government department, contact the department to confirm that the request is legitimate. Do not use the contact details on the tender document as these might be fraudulent.
- Compare tender details with those that appear in the Tender Bulletin, available online at **www.gpwonline.co.za**
- Make sure you familiarise yourself with how government procures goods and services. Visit the tender website for more information on how to tender.
- If you are uncomfortable about the request received, consider visiting the government department and/or the place of delivery and/or the service provider from whom you will be sourcing the goods.
- In the unlikely event that you are asked for a deposit to make a bid, contact the SCM unit of the department in question to ask whether this is in fact correct.

Any incidents of corruption, fraud, theft and misuse of government property in the *Government Printing Works* can be reported to:

All Extra-ordinary National and Provincial gazette notices are non-standard notices and attract a variable price based on the number of pages submitted.

The pricing structure for National and Provincial notices which are submitted as **Extra ordinary submissions** will be charged at R**3026.32** per page.

GOVERNMENT PRINTING WORKS - BUSINESS RULES

The **Government Printing Works** (**GPW**) has established rules for submitting notices in line with its electronic notice processing system, which requires the use of electronic *Adobe* Forms. Please ensure that you adhere to these guidelines when completing and submitting your notice submission.

Closing Times for Acceptance of Notices

1. The *Government Gazette* and *Government Tender Bulletin* are weekly publications that are published on Fridays and the closing time for the acceptance of notices is strictly applied according to the scheduled time for each gazette.

2. Please refer to the Submission Notice Deadline schedule in the table below. This schedule is also published online on the Government Printing works website www.gpwonline.co.za

   All re-submissions will be subject to the standard cut-off times.
   All notices received after the closing time will be rejected.

Government Gazette Type	Publication Frequency	Publication Date	Submission Deadline	Cancellations Deadline
National Gazette	Weekly	Friday	Friday 15h00 for next Friday	Tuesday, 15h00 - 3 working days prior to publication

EXTRAORDINARY GAZETTES

3. *Extraordinary Gazettes* can have only one publication date. If multiple publications of an *Extraordinary Gazette* are required, a separate Z95/Z95Prov *Adobe* Forms for each publication date must be submitted.

NOTICE SUBMISSION PROCESS

4. Download the latest *Adobe* form, for the relevant notice to be placed, from the **Government Printing Works** website www.gpwonline.co.za.

5. The *Adobe* form needs to be completed electronically using *Adobe Acrobat* / *Acrobat Reader*. Only electronically completed *Adobe* forms will be accepted. No printed, handwritten and/or scanned *Adobe* forms will be accepted.

6. The completed electronic *Adobe* form has to be submitted via email to submit.egazette@gpw.gov.za. The form needs to be submitted in its original electronic *Adobe* format to enable the system to extract the completed information from the form for placement in the publication.

7. Every notice submitted **must** be accompanied by an official **GPW** quotation. This must be obtained from the *eGazette* Contact Centre.

8. Each notice submission should be sent as a single email. The email **must** contain **all documentation relating to a particular notice submission**.

   8.1. Each of the following documents must be attached to the email as a separate attachment:

      8.1.1. An electronically completed *Adobe* form, specific to the type of notice that is to be placed.

         8.1.1.1. For National *Government Gazette* or *Provincial Gazette* notices, the notices must be accompanied by an electronic Z95 or Z95Prov *Adobe* form

         8.1.1.2. The notice content (body copy) **MUST** be a separate attachment.

      8.1.2. A copy of the official **Government Printing Works** quotation you received for your notice. *(Please see Quotation section below for further details)*

      8.1.3. A valid and legible Proof of Payment / Purchase Order: **Government Printing Works** account customer must include a copy of their Purchase Order**. Non-Government Printing Works** account customer needs to submit the proof of payment for the notice

      8.1.4. Where separate notice content is applicable (Z95, Z95 Prov and TForm 3, it should **also** be attached as a separate attachment. *(Please see the Copy Section below, for the specifications)*.

      8.1.5. Any additional notice information if applicable.

GOVERNMENT PRINTING WORKS - BUSINESS RULES

9. The electronic *Adobe* form will be taken as the primary source for the notice information to be published. Instructions that are on the email body or covering letter that contradicts the notice form content will not be considered. The information submitted on the electronic *Adobe* form will be published as-is.

10. To avoid duplicated publication of the same notice and double billing, Please submit your notice **ONLY ONCE.**

11. Notices brought to **GPW** by "walk-in" customers on electronic media can only be submitted in *Adobe* electronic form format. All "walk-in" customers with notices that are not on electronic *Adobe* forms will be routed to the Contact Centre where they will be assisted to complete the forms in the required format.

12. Should a customer submit a bulk submission of hard copy notices delivered by a messenger on behalf of any organisation e.g. newspaper publisher, the messenger will be referred back to the sender as the submission does not adhere to the submission rules.

QUOTATIONS

13. Quotations are valid until the next tariff change.

    13.1. ***Take note:*** **GPW**'s annual tariff increase takes place on ***1 April*** therefore any quotations issued, accepted and submitted for publication up to ***31 March*** will keep the old tariff. For notices to be published from 1 April, a quotation must be obtained from **GPW** with the new tariffs. Where a tariff increase is implemented during the year, **GPW** endeavours to provide customers with 30 days' notice of such changes.

14. Each quotation has a unique number.

15. Form Content notices must be emailed to the *eGazette* Contact Centre for a quotation.

    15.1. The *Adobe* form supplied is uploaded by the Contact Centre Agent and the system automatically calculates the cost of your notice based on the layout/format of the content supplied.

    15.2. It is critical that these *Adobe* Forms are completed correctly and adhere to the guidelines as stipulated by **GPW**.

16. **APPLICABLE ONLY TO GPW ACCOUNT HOLDERS**:

    16.1. **GPW** Account Customers must provide a valid **GPW** account number to obtain a quotation.

    16.2. Accounts for **GPW** account customers **must** be active with sufficient credit to transact with **GPW** to submit notices.

        16.2.1. If you are unsure about or need to resolve the status of your account, please contact the **GPW** Finance Department prior to submitting your notices. (If the account status is not resolved prior to submission of your notice, the notice will be failed during the process).

17. **APPLICABLE ONLY TO CASH CUSTOMERS:**

    17.1. Cash customers doing **bulk payments** must use a **single email address** in order to use the **same proof of payment** for submitting multiple notices.

18. The responsibility lies with you, the customer, to ensure that the payment made for your notice(s) to be published is sufficient to cover the cost of the notice(s).

19. Each quotation will be associated with one proof of payment / purchase order / cash receipt.

    19.1. This means that **the quotation number can only be used once to make a payment.**

GOVERNMENT PRINTING WORKS - BUSINESS RULES

COPY (SEPARATE NOTICE CONTENT DOCUMENT)

20. Where the copy is part of a separate attachment document for Z95, Z95Prov and TForm03

20.1. Copy of notices must be supplied in a separate document and may not constitute part of any covering letter, purchase order, proof of payment or other attached documents.

The content document should contain only one notice. (You may include the different translations of the same notice in the same document).

20.2. The notice should be set on an A4 page, with margins and fonts set as follows:

Page size = A4 Portrait with page margins: Top = 40mm, LH/RH = 16mm, Bottom = 40mm; Use font size: Arial or Helvetica 10pt with 11pt line spacing;

Page size = A4 Landscape with page margins: Top = 16mm, LH/RH = 40mm, Bottom = 16mm; Use font size: Arial or Helvetica 10pt with 11pt line spacing;

CANCELLATIONS

21. Cancellation of notice submissions are accepted by **GPW** according to the deadlines stated in the table above in point 2. Non-compliance to these deadlines will result in your request being failed. Please pay special attention to the different deadlines for each gazette. Please note that any notices cancelled after the cancellation deadline will be published and charged at full cost.

22. Requests for cancellation must be sent by the original sender of the notice and must accompanied by the relevant notice reference number (N-) in the email body.

AMENDMENTS TO NOTICES

23. With effect from 01 October 2015, **GPW** will not longer accept amendments to notices. The cancellation process will need to be followed according to the deadline and a new notice submitted thereafter for the next available publication date.

REJECTIONS

24. All notices not meeting the submission rules will be rejected to the customer to be corrected and resubmitted. Assistance will be available through the Contact Centre should help be required when completing the forms. (012-748 6200 or email info.egazette@gpw.gov.za). Reasons for rejections include the following:

24.1. Incorrectly completed forms and notices submitted in the wrong format, will be rejected.

24.2. Any notice submissions not on the correct *Adobe* electronic form, will be rejected.

24.3. Any notice submissions not accompanied by the proof of payment / purchase order will be rejected and the notice will not be processed.

24.4. Any submissions or re-submissions that miss the submission cut-off times will be rejected to the customer. The Notice needs to be re-submitted with a new publication date.

GOVERNMENT PRINTING WORKS - BUSINESS RULES

Approval of notices

25. Any notices other than legal notices are subject to the approval of the Government Printer, who may refuse acceptance or further publication of any notice.

26. No amendments will be accepted in respect to separate notice content that was sent with a Z95 or Z95Prov notice submissions. The copy of notice in layout format (previously known as proof-out) is only provided where requested, for Advertiser to see the notice in final Gazette layout. Should they find that the information submitted was incorrect, they should request for a notice cancellation and resubmit the corrected notice, subject to standard submission deadlines. The cancellation is also subject to the stages in the publishing process, i.e. If cancellation is received when production (printing process) has commenced, then the notice cannot be cancelled.

Government Printer Indemnified Against Liability

27. The Government Printer will assume no liability in respect of—

27.1. any delay in the publication of a notice or publication of such notice on any date other than that stipulated by the advertiser;

27.2. erroneous classification of a notice, or the placement of such notice in any section or under any heading other than the section or heading stipulated by the advertiser;

27.3. any editing, revision, omission, typographical errors or errors resulting from faint or indistinct copy.

Liability of advertiser

28. Advertisers will be held liable for any compensation and costs arising from any action which may be instituted against the Government Printer in consequence of the publication of any notice.

Customer inquiries

Many of our customers request immediate feedback/confirmation of notice placement in the gazette from our Contact Centre once they have submitted their notice – While **GPW** deems it one of their highest priorities and responsibilities to provide customers with this requested feedback and the best service at all times, we are only able to do so once we have started processing your notice submission.
GPW has a 2-working day turnaround time for processing notices received according to the business rules and deadline submissions.
Please keep this in mind when making inquiries about your notice submission at the Contact Centre.

29. Requests for information, quotations and inquiries must be sent to the Contact Centre ONLY.

30. Requests for Quotations (RFQs) should be received by the Contact Centre at least **2 working days** before the submission deadline for that specific publication.

GOVERNMENT PRINTING WORKS - BUSINESS RULES

Payment of cost

31. The Request for Quotation for placement of the notice should be sent to the Gazette Contact Centre as indicated above, prior to submission of notice for advertising.

32. Payment should then be made, or Purchase Order prepared based on the received quotation, prior to the submission of the notice for advertising as these documents i.e. proof of payment or Purchase order will be required as part of the notice submission, as indicated earlier.

33. Every proof of payment must have a valid **GPW** quotation number as a reference on the proof of payment document.

34. Where there is any doubt about the cost of publication of a notice, and in the case of copy, an enquiry, accompanied by the relevant copy, should be addressed to the Gazette Contact Centre, **Government Printing Works**, Private Bag X85, Pretoria, 0001 email: info.egazette@gpw.gov.za before publication.

35. Overpayment resulting from miscalculation on the part of the advertiser of the cost of publication of a notice will not be refunded, unless the advertiser furnishes adequate reasons why such miscalculation occurred. In the event of underpayments, the difference will be recovered from the advertiser, and future notice(s) will not be published until such time as the full cost of such publication has been duly paid in cash or electronic funds transfer into the **Government Printing Works** banking account.

36. In the event of a notice being cancelled, a refund will be made only if no cost regarding the placing of the notice has been incurred by the **Government Printing Works**.

37. The **Government Printing Works** reserves the right to levy an additional charge in cases where notices, the cost of which has been calculated in accordance with the List of Fixed Tariff Rates, are subsequently found to be excessively lengthy or to contain overmuch or complicated tabulation.

Proof of publication

38. Copies of any of the *Government Gazette* or *Provincial Gazette* can be downloaded from the **Government Printing Works** website www.gpwonline.co.za free of charge, should a proof of publication be required.

39. Printed copies may be ordered from the Publications department at the ruling price. The **Government Printing Works** will assume no liability for any failure to post or for any delay in despatching of such *Government Gazette*(s)

SCHEDULE

Definitions

1. In this notice any word or phrase to which a meaning has been assigned in the Act and Regulations made there under shall have that meaning and, unless the context otherwise indicates-

"buffer zone" means an area surrounding or adjacent to an area officially delimited for phytosanitary purposes in order to minimize the probability of spread of the target pest into or out of the delimited area, and subject to phytosanitary or other control measures;

"**demarcated quarantine area"** means an area determined by an order under Section 7 of the Act or specified in terms of the control measures within which a quarantine pest is present and is being officially controlled;

"land" means any premises in terms of ownership or user and includes planted crops at a place of production, natural resources, point of entry, buildings, structures and any area within the Republic;

"nursery" means any place or business where plants or propagating material is propagated and grown or stored for sale;

"pest free area" means an area in which a specific pest does not occur as demonstrated by scientific evidence and in which, where appropriate, this condition is being officially maintained;

"phytosanitary procedure" means any official method for implementing phytosanitary measures including the performance of inspections, tests, surveillance or treatments in connection with regulated pests;

"prohibition" means a phytosanitary regulation forbidding the importation or movement of specified pests or commodities;

This gazette is also available free online at **www.gpwonline.co.za**

"**visual examination"** means the physical examination of plants, plant products, or other regulated articles using the unaided eye, lens, stereoscope or microscope to detect pests or contaminants without testing or processing.

Prohibition relating to the keeping and removal of regulated pests

2. (1) No user of land, owner or occupier or representative of nursery shall-

(a) keep any regulated pests specified in Annexure A: list 1b of the control measures on the premises of such nursery or land;

(b) keep, plant or cultivate any plant on the premises of such nursery or land unless such plant is-

i. visually examined and found to be free from the regulated pests specified in Annexure A: list 1b of the control measures; and

ii. tested free from the regulated pests specified in Annexure A: list 1b the control measures;

(c) keep any regulated article on the premises of such nursery or land unless such regulated article is free from the regulated pests specified in Annexure A: list 1b the control measures;

(d) keep any other regulated pests not known to occur in the Republic.

(3) No user of land shall keep and remove any plants or plant products and other regulated article from any land within the Republic that are-

(a) infested or infected by the regulated pests specified in Annexure A: list a and b of the control measures; and or

(b) suspected to be infested or infected by the regulated pests specified in Annexure A: list a and b of the control measures to any land within the Republic.

This gazette is also available free online at **www.gpwonline.co.za**

Prohibition relating to keeping, planting or cultivation and movement, of certain plants

3 (1) No user of land shall keep, plant or cultivate or remove any plant of a kind:

(a) specified in column 1 of Table 1 within the area demarcated (buffer zone) by the executive officer specified column 2 of Table 1 due to regulated pests as indicated therein.

(b) specified in column 1 of Table 2 originating from infested area specified in column 2 to non-infested area specified in column 3 of Table 2 within the Republic due to regulated pest indicated therein.

(c) specified in column 1 of Table 3 from infested areas specified in column 2 to non-infested area specified in column 3 of Table 3.

(2) No user of land shall keep, plant or cultivate any plant of a kind specified in column 1 of Table 4 originating from infested area specified in column 2 to non-infested area in column 3 demarcated buffer zone by the executive officer.

(3) No user of land shall remove any plant of a kind specified in column 1 of Table 5 from infested area specified in column 2 to the area of low pest prevalence specified in column 3 of Table 5 of the control measures.

Prohibition relating to keeping, planting or cultivation of illegal imported regulated article

4. (1) No person shall keep, plant, cultivate or remove any regulated article that are-

(a) imported or removed in contravention of the provisions of section 13 of the Act; or

(b) in contravention of a condition set out in the permit referred to in section 13(1) of the Act; and or

(c) illegally obtained or derived there from, or descended or produced by, from or by means thereof, whatever the connection or degree of descent or relationship, in the Republic.

This gazette is also available free online at **www.gpwonline.co.za**

(2) A person in possession of any regulated article of which the importation may not be authorised under section 13(1) of the Act shall-

(a) not distribute such regulated article; and

(b) immediately destroy and dispose such regulated article as determined by the executive officer.

Prohibition relating to movement and keeping of regulated article for research

5. (1) No user of land shall keep any regulated article, infested or infected by the regulated pests in any area within the Republic unless if such infested or infected regulated article is-

(a) for research purposes and authorised by the executive officer;

(b) kept in the confined or restricted area such as the official approved quarantine laboratory and facilities;

(c) kept in a way that it does not pose a risk/threat to any area in the Republic.

(2) Any person, organisation or institution within the Republic that wishes to move any regulated article infested or infected by the regulated pests for research purposes must-

(a) apply for removal permit prior to the date of removal of such infested or infected regulated article as specified in control measures 11; and

(b) comply with the removal conditions/ requirements stipulated therein.

(3) Upon finalisation with the research, such regulated article infested or infected with regulated pests specified in this control measures must be destroyed or disposed in a way that it does not pose any potential risk of introduction to any area within the Republic.

This gazette is also available free online at **www.gpwonline.co.za**

Compulsory notification

6. (1) Every user of land within the Republic shall immediately notify the executive officer of any occurrence or suspected occurrence of any regulated pest in any pest free area.

(2) Any individual or organisation or institution that has for the first time identified or recorded the occurrence of a new pest known to occur or not known to occur in the Republic, shall immediately report it to the executive officer.

(3) Upon national pest reporting, the executive officer shall immediately undertake necessary phytosanitary procedures to prevent the establishment and further spread of prohibited pest/s.

Issuance of an order with regard to land

7. (1) An executive officer / or delegated officer or authorised person shall issue an official order in terms of section 7 of the Act.

(2) The order shall be served only if:

(a) an area is infected or infested or suspected to be infested or infected with the regulated pest; or

(b) plants, plants products and other regulated article is infected or infested, or suspected to be infected or infested with the regulated pest;

(c) a user of land contravenes the control measures relating to prohibition or restriction thereof.

(3) An official order issued in terms of control measure (8)(1) shall provide for conditions to be complied with by the user of land.

(4) An official order shall be-

(a) issued by the executive officer or delegated officer or authorised person;

This gazette is also available free online at **www.gpwonline.co.za**

(b) delivered or serve to the user of land at the residence or place of business of the user of land or such person, to some person resides or is employed there, or at the registered office.

(5) The executive officer may, where applicable, authorize the delegated officer to issue an official order for the destruction.

Demarcation of quarantine area

8. (1) If the executive officer determines or suspects that any area or premises is infected or infested with quarantine pest on reasonable ground through surveillance, laboratory testing, pest risk assessment and or visual examination may declare and demarcate such area as a pest quarantine area through an official order in terms of section 7(1) of the Act.

(2) Upon declaration of a pest quarantine area under sub-control measures 9(1) an executive officer may-

(a) implement the phytosanitary/corrective actions and procedures/measures to ensure that the pest is suppressed, reduced, and or eradicated.

(b) prohibit the movement of plants, plant products and other regulated article from the demarcated area to any other area in the Republic.

(3) If the executive officer is of the opinion that the quarantine pest is eradicated from the quarantine area shall-

(a) revoke or modify the quarantine status of the area;

(b) issue an official communication to the user of land.

(4) In cases where the pest does not meet the requirement for regulated pests in an area, within the Republic, the executive officer shall communicate with the relevant authority and declare a non-regulated pest.

This gazette is also available free online at **www.gpwonline.co.za**

Declaration of quarantine and laboratory facilities

9. (1) The executive officer may establish or declare and or authorise a place to be a quarantine and laboratory facilities in the Republic in terms of section 19 (3) of the Act in which the regulated articles may be kept, tested, examined, disinfected, destroyed or disposed thereof

(2) The executive officer shall audit the authorised quarantine and laboratory facilities on a regular basis.

Exemption from prohibition

10. (1) The executive officer may exempt any user of land from prohibition or obligation by the means of the removal permit specified in section 4(3)(b) of the Act.

(2) An application for a removal permit shall be made on a form that is obtainable from the executive officer for this purpose.

(3) Such application form shall-

(a) be completed by the user of land requiring such removal permit;

(b) after having been thus completed, the fees specified in Annexure C shall be payable thereof section 4(4); and

(c) be thus submitted to reach the executive officer at least 30 days prior to the date on which such removal permit will be required.

Destruction of plants, plant products and other regulated article

11. (1) If the executive officer/ delegated officer or authorised person has suspected on reasonable grounds or established that plants, plant products and other regulated article have been kept or cultivated, removed or conveyed contrary to the provisions of these Control Measures, may-

(a) destroy such plants, plant products and other regulated article;

This gazette is also available free online at **www.gpwonline.co.za**

(b) order that such plants, plant products and regulated article in question are sent back to a specified quarantine area;

(c) subject the person in question to an offence and penalties in terms of section 28 of the Act.

(2) If the executive officer delegated officer or authorised person has identified and/or confirmed or suspected occurrence of a regulated pest or any pest specified in these Control Measures in a pest free area, place of production or production site, or in a buffer zone or area of low pest prevalence, may-

(a) destroy such infested or infected plants, plant products and regulated articles;

(b) order that infested or infected plants, plant products and regulated articles to be destroyed.

TABLE 1

Establishment of buffer zone:

Plants of which the keeping, planting or cultivating or cultivating on certain areas is prohibited

No	Kind of plant	Area to which prohibition applies (buffer zone)
	1	2
1.	*Solanum tuberosum* (potatoes), excluding potato tubers for human consumption due to *Ralstonia pseudosolanacearum* (Bacterial wilt).	The area within eight (8) kilometers of the boundaries of the farms- (i) Smitskuilen 206 JT, Lydenburg; (ii) Portion R and Portion 91 (portion of Portion 22) of Sterkspruit 33 JT, Lydenburg; (iii) Portion 10 (portion of Portion 3), Portion 5 of Portion 2, remainder of Portion 2, Portion 8

This gazette is also available free online at www.gpwonline.co.za

		(portion of Portion 1), all of De Kuilen 205 JT, Lydenburg.
2	*Solanum tuberosum* (potatoes) excluding potato tubers for human consumption due to *Ralstonia pseudosolanacearum* (Bacterial wilt).	1. The areas of jurisdiction of the township Board of Charlestown, the Village Council of Wakkerstroom and the Municipalities of Belfast, Carolina, Ermelo, Harrismith, Hendrina, Kestell and Seme. 2. The following farms: (i) Nooitgezein 120 HS, Seme; (ii) Witbank 262, Ermelo; (iii) Wealden Heights 8282, Klipriveir; (iv) the portion known as XL, of the farm FP 192-8911 and FP 230-8891, Underberg.
3.	*Citrus* and species of the genera *Choisya, Fortunella*, *Murraya*, *Poncirus,* any cross thereof due to regulated pests associated with citrus and related plants.	The area situated within a five (5) km radius outside the Citrus Foundation Block, in the Eastern Cape Province, town of Uitenhage, which includes the following farms: The farm Bosch Hoogte No 327 – Portions 7, 8 and 9; The farm Mimosadale No 328 – Portions 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31, 32, 33, 34, 35, 36, 37, 38, 39, 40, 41, 42, 43, 44, 45, 46 and 47; The farm Mimosadale West No 329 – Portions 3, 4 and 5; The farm Rhode Court No 330 – Portions 2 and the remainder; The farm Rhode Court Heights No 331 – The remainder; The farm Wincanton No 333 – The remainder; The farm Longhill No 334 – The remainder; The farm Kokoteys Kloof No 335 – The remainder;

This gazette is also available free online at **www.gpwonline.co.za**

		The farm Kokoteys Rant No 336 – Portions 1, 3, 4 and the remainder; The farm Kruisriver No 337 – Portions 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31, 32, 33 to 40, 42, 43 to 50, 51, 53, 54, 55, 56, 57, 58, 61, 62, 63 to 77, 78, 79, 80, 81, 82, 83, 84 to 99, 100, 101 to 106, 107, 108, 109, 110, 112, 113 to 115, 116, 117, 118, 119, 120, 121, 122, 123, 124, 125, 126 and the remainder; The farm Springfontein No 338 – Portion 1; The farm Springfield No 339 – Portion 1 and the remainder; Farm No 349 – The remainder; Farm No 389 – The remainder; The farm Annex Ruigte Vlei No 391 – The remainder; The farm Ruigte Vlei No 392 – Portions 1, 2 and the remainder; The farm Burghley Hills No 395 – Portion 6; and Farm No 618 – The remainder.

Annexure A

List 1a

Regulated pests present, not widely distributed and subject to official control in the Republic

Scientific Name	Common Name
Acalitus vaccinii	Blueberry bud mite
Bactrocera dorsalis	Oriental fruit fly
Cacosceles newmannii	Longhorn beetle
Chilo sacchariphagus	Spotted sugarcane borer
Clavibacter michiganensis subsp. Michiganensis	Bacterial canker of tomato
Clavibacter michiganensis subsp. Nebraskensis	Goss's bacterial wilt and leaf blight of maize
Ditylenchus dipsaci	Bud and stem or bulb nematode
Drosophila suzukii	Spotted-wing drosophila
Eriococcus ironsidei	Macadamia Felted Coccid
Globodera rostochiensis	Yellow potato cyst or golden cyst nematode
Radopholus similis	Burrowing or banana root nematode
Ralstonia pseudosolanacearum	Bacterial wilt of solanaceous plants
Raoiella indica	Red palm mite
Tilletia indica	Karnal bunt of wheat
Toxotrypana curcicauda	Papaya fruit fly
Trioza erytreae	African citrus psyllid
Xanthomonas axonopodis pv. Punicae	Bacterial blight of pomegranate
Xiphinema index	Dagger nematode
Xylophilus ampelinus (Xanthomonas ampelina)	Bacterial blight

This gazette is also available free online at **www.gpwonline.co.za**

List 1b

Regulated non-quarantine pests, widely distributed and subject to official control in the Republic

Scientific Name	Common Name
Banana bunchy top virus	Bunchy top of banana
Candidatus Liberibacter africanus	Citrus greening (African strain)
Pepper ringspot virus	Pepper ringspot virus (PepRSV)
Phyllosticta citricarpa	Citrus Black spot
Phytoplasma asteris	Aster yellows phytoplasmas
Ralstonia solanacearum	Bacterial wilt of potatoes/Brown rot of potatoes

This gazette is also available free online at **www.gpwonline.co.za**

Annexure B

List 2

Regulated pests that are absent and are potential threats to the Republic

Scientific Name	Common Name
Acalitus essigi	Blackberry mite
Bactrocera latifrons	Solanum fruit fly
Bactrocera zonata	Peach fruit fly
Ceratocystis fimbriata	Ceratosystis blight
Diaphorina citri	Asian citrus psyllid
Dorysthenes buqueti	Longhorn beetle
Fusarium oxysporum f. sp. *cubense* tropical race 4 (TR4)	Panama disease of banana
Liberibacter americanus	Citrus greening (American strain)
Liberibacter asiaticus	Citrus greening (Asian strain)
Potato spindle tuber viroid	Spindle tuber of potato
Ralstonia syzigii (*Ralstonia solanacearum* race 2)	Moko disease (blood disease of Banana)
Sugarcane fiji disease fijivirus	Fiji disease of sugarcane
Sugarcane white leaf phytoplasma	White leaf disease of sugarcane
Synchytrium endobioticum	Wart disease of potato
Xylella fastidiosa (including all subspecies)	Xylem-limited bacterium
Zeugodacus cucurbitae	Melon fruit fly

The list is not exhaustive, focus on the potential eminent risk

This gazette is also available free online at **www.gpwonline.co.za**

Annexure C

Fees payable

NATURE OF SERVICE	TARIFF
1	2
1. Issuing of a permit to exempt someone from the stipulations of a control measure 6(1) of the Control Measures	
(i) Inspection for issuance of inspection report with the purpose of applying for movement permit	R 310.00 for 30 minutes or portion thereof including travelling
(ii) Issuing of a removal permit under the Control Measures R.110 in terms of the Agricultural Pests Act, 1983	R 240.00 per permit
2. Test, examination or analysis of a sample taken in the course of an examination as intended in 1	
(i) Test occurrence of bacteria	R 362.00 per isolation
(ii) Test occurrence of fungi	R 257.00 per isolation
(iii) Test occurrence of nematodes	R 176.00 per extraction
(iv) Test occurrence of insects and mites	R 188.00 per sample
(v) Morphological identifications of insects, mites, nematodes or fungi	R 362.00 per identification
(vi) Biochemical tests for the identification of bacteria	R 303.00 per test
(vii) BIOLOG tests for the identification of bacteria	R 381.00 per test plate
(viii) PCR tests for the identification and/or detection of bacteria, fungi, nematodes, insects, mites, viruses and phytoplasmas	R 673.00 per sample for the first test plus R 121.00 for every additional test
(ix) Sequencing for the identification of bacteria, fungi, nematodes, insects, mites, viruses and phytoplasmas	R 507.00 per sample
(x) ELISA tests for identification and/or detection of viruses	R 184.00 per test
(xi) Herbaceous indexing for the detection of viruses	R 323.00 per sample

This amendment will come into operation on 01 April 2025

MR J STEENHUISEN, MP
MINISTER OF AGRICULTURE
DATE: 02-05-25

DEFINITIONS AND INTERPRETATIONS

1. In these regulations any word or phrase to which a meaning has been assigned in the Act shall have that meaning and, unless the context otherwise indicates-

"Consignment in transit" means a consignment which passes through a country without being imported, and that may be subjected to phytosanitary measures;

"delegated officer" means the person delegated in terms of section 6(1)(a) of the Act;

"ePhyto" (Electronic Phytosanitary Certificate) means a digital platform or electronic phytosanitary certificate that allows an exporter to apply for a phytosanitary certificate online;

"Food Business Operator (FBO)" means the person or persons responsible for ensuring that the prescribed requirements of these regulation are met within the food business under his or her control and include both the management of the business as well as the person with overall authority on site or in the specific establishment;

"Food Business Operator code" means an alpha-numeric code which needs to be uniquely identified and has been registered with the executive officer of the Act by each responsible person (FBO) producing or handling in any way products of plant origin destined for the export market, for examples farms, fields, processing facilities, storage units, transportation, etc;

"import permit" means an official document authorizing importation of a commodity in accordance with specified phytosanitary import requirements; and

"Republic" means a Republic of South Africa.

EXPORT OF PLANTS, PLANT PRODUCTS AND OTHER REGULATED ARTICLES

Requirements for export

2. A person intending to export plants, plant products and other regulated articles from the Republic in terms of section 14(1) of the Act, where applicable, shall-

(a) register with NPPOZA on the export database;
(b) have a prescribed phytosanitary certificate;
(c) comply with the phytosanitary import requirements of the importing country (phytosanitary protocols, work plans, directives, permit) and other related requirements;
(d) have a Food Business Operator code or relevant registered code;
(e) do so through the point of exit prescribed in Table 1; and
(f) be liable to pay the prescribed fees stipulated in Annexure A.

Application for a phytosanitary certificate

3. A person intending to export plants, plant products and other regulated articles from the Republic shall-

(a) apply for a phytosanitary certificate (ePhyto) through an electronic certification (eCert) online platform;
(b) upload a valid import permit obtained from the importing country;
(c) upload an inspection report on the online system;
(d) upload all the required supporting documents as determined by the importing country; and
(e) make payment in terms of prescribed fees payable.

Point of Exit

4. (1) A person intending to export plants, plant products and other regulated articles from the Republic on the authority of phytosanitary certificate and/or relevant documentation must do so through a point of exit specified in Table 1, except where the executive officer has determined an alternative point of exit in terms of section 14 (1) (c) of the Act.

This gazette is also available free online at www.gpwonline.co.za

Presentation of consignment for inspection

5. (1) A person intending to export plants, plant products and other regulated articles from the Republic shall-

(a) present the consignment and required documentation at the point of exit or approved facility to the executive officer/ delegated person/ juristic person or authorised person for inspection; in terms of section 14 (1) (e) of the Act, and
(b) not remove the consignment before the executive officer/ delegated officer/ juristic person or authorised person has authorized such removal in writing.

(2) The executive officer/ delegated officer/ juristic person or authorised person shall undertake an inspection and may take samples for laboratory analysis where necessary of the consignment intended for export to verify compliance with the phytosanitary import requirements of the importing country.

(3) The executive officer/ delegated officer/ juristic person or authorised person shall approve the export of the consignment if the consignment meets the phytosanitary import requirements of the importing country.

(4) In case where consignment do not comply with the phytosanitary import requirements of the importing country, the consignment can be subjected to phytosanitary measures such as treatment, rejection, destruction or returned, depending on the level of phytosanitary risk identified.

RE-EXPORT OF PLANTS, PLANT PRODUCTS AND OTHER REGULATED ARTICLES

6. Requirements for a phytosanitary certificate for re-export

A person intending to re-export plants, plant products and other regulated articles from the Republic, where applicable, shall-

(a) have a prescribed phytosanitary certificate;
(b) comply with the phytosanitary import requirements of the importing country (phytosanitary protocols, work plans, directives, permit) and other related requirements;

This gazette is also available free online at www.gpwonline.co.za

(c) do so through the point of exit prescribed in Table 1;
(d) be liable to pay the prescribed fees stipulated in Annexure A.

Application for a phytosanitary certificate for re-export

7. (1) A person intending to import consignment into the Republic for further export to another country shall –

(a) apply for phytosanitary certificate for re-export (ePhyto for re-export) through an electronic certification (eCert) online platform;
(b) upload proof of payment in accordance with fees payable as prescribed in Annexure A;
(c) upload all required documents including phytosanitary certificate from the country of origin, import permit of the country of destination and any other relevant document;

(2) The consignment intended for re-export shall not mix (cartons and pallets) of re-export consignments with local consignment destined for export, where applicable.

(3) The consignment intended for re-export shall be presented to the executive officer/ delegated person/ juristic person or authorized person for inspections in terms of section 15(1)(c) of the Act.

In-transit consignment

8. (1) A person intending to import consignment for in transit shall apply for an in-transit permit from the executive officer or delegated person.

(2) In-transit consignment carrying certain regulated articles shall be permitted to pass through the Republic only upon written permission or issuance of in-transit permit by the executive officer or delegated person, in terms of section 16 (1) of the Act.

(3) In-transit consignment will only be allowed to go through the point of exit prescribed in Table 1.

(4) Phytosanitary measures shall not apply to a consignment in transit through the Republic on conditions that the consignment-

This gazette is also available free online at www.gpwonline.co.za

(a) has been packed in a manner that it does not pose any risk of the introduction and spread of regulated pests that might be present in the consignment;

(b) where applicable, is accompanied by the phytosanitary certificate and documents of the country of origin.

(5) Phytosanitary measures shall apply to a consignment in transit through the Republic on condition that the consignment-

(a) have been tempered with, for exposure to external environment or any potential risk of pest contamination and phytosanitary certificate shall be required;

(b) split up, combined with other consignment or repackaged and phytosanitary certificate for re-export shall be required.

(6) In-transit consignment shall be stored in a registered in-bond facility, where applicable.

(7) No person shall distribute or introduce in-transit consignment within the Republic.

(8) In-transit consignment shall be monitored to ensure that the consignment transit or pass through the Republic to the intended destination.

Payment of fees

12. (1) Costs of any application or other document which is submitted or furnished in terms of these regulations, as well as on or of anything pertaining thereof, shall be paid by such person thereof as prescribed in Annexure A.

(2) Any amount which is payable in terms of these regulations shall be paid as prescribed in Annexure A.

TABLE 1

POINT OF EXIT

1. The harbours of -	Cape Town, Durban, East London, Port Elizabeth, Ngqura, and Richards Bay.
2. The International airports-	Cape Town International Airport, King Shaka International Airport, Kruger Mpumalanga International Airport, Lanseria International Airport, O.R. Tambo (Johannesburg) International Airport and Chief Dawid Stuurman (George) International Airport.
3. The border control points at-	Beitbridge, Caledonspoort, Ficsburg bridge, Golela, Grobler's Bridge, Jeppes Reef, Kopfontein, Kosi Bay, Lebombo, Mahamba, Mananga, Maseru Bridge, Nakop, Nerston, Oshoek, Qacha's Nek, Ramatlabama, Skilpadshek, Van Rooyen's Hek and Vioolsdrift.

This gazette is also available free online at www.gpwonline.co.za

ANNEXURE A

FEES PAYABLE

NATURE OF SERVICE	TARIFF
1	2
1. Export Control Phytosanitary certification in terms of the International Plant Protection Convention but not prescribed by legislation:	
1.1 Application fee for Orchard, PUC, PHC, fruit varieties and cold treatment facilities storage for special markets	R 155.00 non-refundable fee for processing of the application per market per PUC
1.1.1 Orchard inspection for special markets	R 310.00 per 30 minutes or part thereof including travelling
1.1.2 Phytosanitary evaluation and certificate for pre-clearance programmes for special markets excluding EU	R 310.00 per 30 minutes or part thereof including travelling
1.1.3 EU port inspection	R 310.00 per 30 minutes or part thereof including travelling
1.1.4 Temperature sensor calibration by Department of Agriculture (DoA)	R 310.00 per 30 minutes or part thereof including travelling
1.1.5 Container loading with Department of Agriculture inspector	R 310.00 per 30 minutes or part thereof including travelling
1.2 Outside the station of the Directorate of Inspection Services (DIS)	
(a) Field inspections, inspections and sampling of plants, plant products and seed:	

This gazette is also available free online at www.gpwonline.co.za

(i) Within official office hours: where official transport is used	R 310.00 per 30 minutes or part thereof including travelling
Weekdays from 16:00 – 20:00/ 06:00 – 07:30 and Saturdays from 06:00 – 20:00	R 450.00 for 30 minutes or portion thereof including travelling
Weekdays and Saturdays from 20:00 – 06:00, Sundays and public holidays	R 580.00 for 30 minutes or portion thereof including travelling
(b) Issuing of a phytosanitary certificate or phytosanitary certificate of re-exportation or a certificate of origin:	
(i) Application for issuing phytosanitary certificate. This is applicable for all submitted application before processing	R 200.00 per application (Regardless of whether the certificate will be issued or rejected)
(ii) Issuing of an approved phytosanitary certificate or phytosanitary certificate of re-exportation or a certificate of origin	R 240.00 per approved certificate
(c) Issuing of a replacement phytosanitary certificate or replacement phytosanitary certificate of re-exportation or a certificate of origin:	
(i) Application for issuing phytosanitary certificate. This is applicable for all submitted application before processing	R 400.00 per application
(ii) Issuing of a replacement phytosanitary certificate or replacement phytosanitary certificate of re-exportation or a certificate of origin	R 480.00 per approved certificate
1.3 On the station of the Directorate Inspection Services (D:IS)	
(a) Phytosanitary examinations/ inspection and sampling of plants, plant products and seed:	

This gazette is also available free online at **www.gpwonline.co.za**

(i) Within official office hours (official hours at respective ports of entry may be effectively extended beyond 07:30 – 16:00, as these ports are in accordance with a cabinet decision)	R 310.00 for 30 minutes
(ii) Outside official office hours	
Weekdays from 16:00 – 20:00/ 06:00 – 07:30 and Saturdays from 06:00 – 20:00	R 450.00 for 30 minutes
Weekdays and Saturdays from 20:00 – 06:00, Sundays and public holidays	R 580.00 for 30 minutes or portion thereof
(b) Issuing of a phytosanitary certificate or phytosanitary certificate of re-exportation or a certificate of confirmation for the export of processed plants, plant products and seed:	
(i) Application for issuing phytosanitary certificate. This is applicable for all submitted application before processing	R 200.00 per application (Regardless of whether the certificate will be issued or rejected)
(ii) Issuing of an approved phytosanitary certificate or phytosanitary certificate of re-exportation or a certificate of origin	R 240.00 per approved certificate
(iii) On non-commercial and single items (gifts)	R 110.00 per certificate
1.4 Issuing of a validated copy or the re-issuing of a phytosanitary certificate or a phytosanitary certificate of re-exportation or a certificate of confirmation for the export of processed plant products	
(i) Application for issuing phytosanitary certificate. This is applicable for all submitted application before processing	R 200.00 per application (Regardless of whether the certificate will be issued or rejected)
(ii) Issuing of an approved phytosanitary certificate or phytosanitary certificate of re-exportation or a certificate of origin	R 240.00 per approved certificate

This gazette is also available free online at www.gpwonline.co.za

1.5 International standard for regulating wood packaging material (ISPM 15)	
(a) Application to register as a treatment provider:	R 580.00 per application
(i) Re-inspection after suspension	R 310.00 for 30 minutes or portion thereof including travelling
(b) Laboratory tests:	
(i) Test for occurrence of bacteria	R 362.00 per isolation
(ii) Test for occurrence of fungi	R 257.00 per isolation
(iii) Test for occurrence of nematodes	R 176.00 per extraction
(iv) Test for occurrence of insects or mites	R 188.00 per sample
(v) Morphological identifications of insects, mites, nematodes or fungi	R 362.00 per identification
(vi) Biochemical tests for the identification of bacteria	R 303.00 per test
(vii) BIOLOG tests for the identification of bacteria	R 381.00 per test plate
(viii) PCR tests for the identification and/or detection of bacteria, fungi, nematodes, insects, mites, viruses and phytoplasmas	R 673.00 per sample for the first test plus R121.00 for every additional test
(ix) Sequencing for the identification of bacteria fungi, nematodes, insects, phytoplasmas	R 507.00 per sample
(x) ELISA tests for identification and/or detection of viruses	R 184.00 per test
(xi) Herbaceous indexing for the detection of viruses	R 323.00 per sample
(c) Issuing of a phytosanitary certificate or phytosanitary certificate of re-exportation or a certificate of confirmation for the export of processed plant products:	
(i) Application for issuing phytosanitary certificate. This is applicable for all submitted application before processing	R 200.00 per application (Regardless of whether the certificate will be issued or rejected)
(ii) Issuing of an approved phytosanitary certificate or phytosanitary certificate of re-exportation or a certificate of origin	R 240.00 per approved certificate

This amendment will come into operation on 01 April 2025

DEPARTMENT OF AGRICULTURE, LAND REFORM AND RURAL DEVELOPMENT

NO. R. 6666 **26 September 2025**

PLANT HEALTH (PHYTOSANITARY) ACT, 2024 (ACT NO.35 OF 2024)

INVITATION FOR PUBLIC COMMENTS
DRAFT IMPORTATION OF REGULATED ARTICLES WITHOUT A PERMIT

I, John Steenhuisen, Minister of Agriculture, acting under section 30, read with sections 13 (2) of the Plant Health (Phytosanitary) Act, 2024 (Act No.35 of 2024) hereby invite all interested institutions, organisations and individuals to submit written comments and inputs on the proposed import regulations without a permit.

Comments musts be submitted within 30 days from the date of publication of this notice to:

Dr Maanda Rambauli

MR J STEENHUISEN, MP
MINISTER OF AGRICULTURE
DATE: 02-09-25

Definitions

1. Any word or expression in this Schedule to which a meaning has been assigned in the Act shall have that meaning and, unless the context indicated otherwise-

"area of production" means any plot or group of plots that are cultivated as a unit, and on or in which regulated articles are produced;

"certificate" means –

(a) the original specimen of a phytosanitary certificate or phytosanitary certificate of re-export, that –

(i) is in the form of the FAO Model Certificate appended to the International Plant Protection Convention, New Revised Text (1997) and

(ii) has been issued by a recognised empowered authority in the country of production or the country or re-export of the regulated article to which such certificate relates;

(b) the original specimen of a plant health certificate that has been issued by a recognised empowered authority in the country of production or the country of re-export of the regulated article to which such certificate relates;

"country of production" means the country in which regulated articles were produced or, in the case of Australia, the United States of America or any other country with autonomous phytosanitary services in the different states, thereof, the state in which regulated articles were produced; and

"insects and pathogens" means insects and pathogens of the kinds indicated in numerical sequence in Annexure A.

Exemption from permit requirements

2. The classes of regulated articles specified in column 1 of Table 1 may be imported into the Republic without a permit referred to in section 13(2) of the Act.

Conditions of exemption

3. (1) The exemption granted in clause 2 shall be subject to the following conditions:

(a) The applicable requirements specified in column 2 of Table 1 opposite a particular class of regulated article shall be complied with in respect of each consignment of that class of regulated article.

(b) The regulated article concerned may only be imported through a point of entry specified in Table 2.

(c) Each consignment of regulated articles shall be presented to the executive officer at the port of entry thereof for such inspection as he may deem necessary.

(d) The certificate that accompanies a consignment of regulated article shall be retained by the executive officer.

(e) No consignment of regulated articles may be removed from the port of entry thereof before the executive officer has consented thereto in writing.

TABLE 1

REGULATED ARTICLES EXEMPTED FROM PERMITS, AND REQUIREMENTS OF EXEMPTION

Class of regulated article Column 1	Requirements Column 2
1. Seed of species of the following genera and families intended for planting:	
Actaea, Actinotus, Adenophora, Adenostyles, Aethionema, Agrostemma, Alcea, Alliaria, Alseuosmia, Althaea, Alyssoides, Ammi, Ammobium, Anacyclus, Anaphalis, Antennaria, Apios, Arctium, Argyroderma, Asarina, Asclepias, Astragalus, Asyneuma, Aubrieta, Aurinia, Axonopus, Balsamita, Baptisia, Basilicum, Bergenia, Berlandiera, Beschomeria, Boltonia, Borago, Brachystelma, Browallia, Buphthalmum, Byblis, Calamintha, Calocephalus, Caltha, Canavalia, Carlina, Carpanthea, Cassine, Catananche, Cephalaria, Cerastium, Cerinthe, Cheiranthus, Chrysopsis, Cineraria, Cladanthus, Clarkia, Clinopodium, Codonopsis, Collinsia, Commiphora, Coriandrum, Crambe, Crepis, Cryptotaenia, Cuminum, Cynoglossum, Dichondra, Didelta, Duvalia, Echium, Eruca, Eschscholzia, Fumaria, Galega, Galium, Geum, Gilia, Glaucium, Globularia, Grindelia, Gypsophila, Heliophila, Hesperis, Hieracium, Hydrocotyle, Inula, Isatis, Jasione, Jurinea, Lachnostachys, Lasthenia, Layia, Lepidium, Lespedeza, Liatris, Limnanthes, Linanthus, Lisianthus, Lomatium, Lonas, Lunaria, Lycopodiella, Lycopus, Lysichiton, Macarthuria, Malcolmia, Meconopsis, Medusagyne, Melampodium, Mertensia, Mina, Morina, Mundulea, Myosotidium, Myrrhis, Newtonia,	No phytosanitary certificate required

Nolana, Ornithopus, Oxypetalum, Parnassia, Parthenium, Peltiphyllum, Perilla, Petalostemon, Peucedanum, Phacelia, Pimpinella, Pinguicula, Pratia, Pseudolachnostylis, Psilotum, Psoralea, Pulicaria, Reseda, Reyesia, Rhoeo, Romneya, Rubia, Sagina, Salpiglossis, Schizanthus, Shasta, Stizolobium, Streptocarpus, Symphytum, Tacca, Tetragonia, Teucrium, Thermopsis, Thymophylla, Tiarella, Tibouchina, Tragopogon, Trigonella, Tritonia, Ursinia, Utricularia, Valerianella, Viscaria, Voandzeia, Wasabia, Xanthisma, Xeranthemum and *Zinnia*.	
Abrus, Acokanthera, Acrocarpus, Aetoxicon, Akebia, Alloteropsis, Amorpha, Anthocleista, Antidesma, Arctostaphylos, Ardisia, Asimina, Atalaya, Azanza, Balanites, Biserrula, Bossiaea, Brachylaena, Brachystemma, Bridelia, Briza, Buckinghamia, Bupleurum, Burchellia, Cajanus, Calamus, Calliandra, Canthium, Caryocar, Cephalotaxus, Chionathus, Chloris, Chorizema, Chrysophyllum, Cladrastis, Clianthus, Clitoria, Cobaea, Colutea, Corema, Coriaria, Coronilla, Cotoneaster, Cupaniopsis, Cycadales, Darwinia, Dialium, Didymaotus, Dillenia, Dipterocarpus, Dombeya, Dysoxylum, Eleutherococcus, Enterolobium, Eriobotrya, Eriophyllum, Erythrina, Euclea, Eucommia, Faucaria, Flacourtia, Gahnia, Galphimia, Gliricidia, Gmelina, Goodenia, Gossweilerodendron, Gouania, Griselinia, Gymnosporia, Haloxylon, Harungana, Hebenstretia, Hedysarum, Helinus, Heliocarpus, Hemigenia, Hippophae, Hovea, Hovenia, Hymenachne, Hymenantherum, Indigofera, Kennedia, Kiggelaria, Kirengeshoma, Kirkia, Kissenia, Koelreuteria, Landolphia, Langsdorffia, Lannea, Laportea, Lesquerella,	Phytosanitory certificate is required but no additional declaration is required.

Leucopogon, Lindera, Lophiocarpus Lophotocarpus, Luehea, Macfadyena, Macropiper, Macroptilium, Maesa, Markhamia, Marrubium, Melianthus, Memecylon, Mentzelia, Meum, Miconia, Mucuna, Myristica, Nuxia, Nuytsia, Nyssa, Oncoba, Ongokea, Ostrya, Osyris, Parinari, Pavetta, Peganum, Peltophorum, Petrophila, Phalaris, Phleum, Phyllocladus, Pithecellobium, Prieurella, Pseudolarix, Psiloxylon, Psophocarpus, Pteradiscus, Puccinellia, Puelia, Pultenaea, Rehmannia, Rhodochiton, Rhodosphaera, Rothmannia, Samanea, Sandoricum, Santalum, Saraca, Sarcococca, Schinus, Schizoloblum, Schotia, Securidaca, Sesamum, Shepherdia, Sicana, Sinapsis, Sollya, Sophora, Sparmannia, Spiraea, Spyridium, Stenocarpus, Stylosanthes, Styphelia, Swainsona, Synsepalum, Tabebuia, Tabernaemontana, Tamarindus, Templetonia, Tephrosia, Tetraclinis, Tetrataxis, Thespesia, Turraea, Umbellularia, Valeriana, Vangueria, Vitex and *Warburgia.*	
2. Unrooted vegetative propagating material (excluding bulbs, tubers and rhizomes) of species of the following genera and families:	
Acokanthera, Ardisia, Asterosperma, Beaucarnea, Callistemon, Peltiphyllum, Psilotum, Scindapsus, Tabebuia and *Typhonium.*	The applicable certificate shall contain a confirmation that the consignment concerned was treated with a broad spectrum fungicide, insecticide or fumigant.
Aristolochia.....	The applicable certificate shall contain an additional declaration that the

	consignment is free from Cucumber mosaic virus- (i) as it appears from inspections during the active growth of the mother plants concerned, did not occur on those mother plants; or area of production concerned.
Cycadales.....	The applicable certificate shall contain an additional declaration that- (I) *Phymatotrichum omnivorum* and *Synchtrium endobioticum* do not occur in the area of production concerned. (ii) the consignment concerned is free from *Aceria tulipae*, *Aphelenchoides besseyi*, *Aphelenchoides fragariae*, *Aphelenchoides ritzema-bosi*, *Ditylenchus destructor* and *Ditylenchus dipsaci*. (iii) the consignment concerned is free of growth media and soil.
Euonymus.....	The applicable certificate shall contain an additional declaration that the consignment is free from Euonymus variegation virus and *Oidium euonymi-japonici*- (i) as it appears from inspections during the active growth of the mother plants concerned, did not occur on

	those mother plants; or in the area of production concerned.
Fremotia.....	The applicable certificate shall contain- (i) an additional declaration that consignment is free from *Verticillium albo-atrum* as it appears from inspections during the active growth of the mother plants concerned, did not occur on those mother plants; or in the area of production concerned. (ii) a confirmation that the consignment concerned was treated with a broadspectrum fungicide, insecticide or fumigant.
Geraniaceae..	The applicable certificate shall contain an additional declaration that the consignment is free from from Beet curly top virus, Pelargonium leaf curl virus, Tomato black ring virus and *Verticillium albo-atrum*- (i) as it appears from inspections during the active growth of the mother plants concerned, did not occur on those mother plants; or in the area of production concerned.
Oenothera.....	The applicable certificate shall contain- (i) an additional declaration that consignment is free from

	Phymatotrichum omnivorum and *Verticillium albo-atrum* as it appears from inspections during the active growth of the mother plants concerned, did not occur on those mother plants; or in the area of production concerned. (ii) a confirmation that the consignment concerned was treated with a broad-spectrum fungicide, insecticide or fumigant.
3. Bulbs, tubers and rhizomes of species of the following genera and families: *Agapanthus*.....	The applicable certificate shall contain an additional declaration that- (i) consignment is free from *Verticillium albo-atrum* as it appears from inspections during the active growth of the mother plants concerned, did not occur on those mother plants; or in the area of production concerned (ii) *Phymatotrichum omnivorum* and *Synchytrium endobioticum* do not occur in the area of production concerned, (iii) the consignment concerned is free from *Aceria tulipae*, *Aphelenchoides besseyi*, *Aphelenchoides fragariae*,

	Aphelenchoides ritzema-bosi, *Ditylenchus destructor* and *Ditylenchus dipsaci*), (iv) the consignment concerned is free of growth media and soil.
Alstroemeria, Amaryllidaceae (excluding species of genera indicated elsewhere) and *Incarvillea*.....	The applicable certificate shall contain an additional declaration that- (i) *Phymatotrichum omnivorum* and *Synchtrium endobioticum* do not occur in the area of production concerned. (ii) the consignment concerned is free from *Aceria tulipae*, *Aphelenchoides besseyi*, *Aphelenchoides fragariae*, *Aphelenchoides ritzema-bosi*, *Ditylenchus destructor* and *Ditylenchus dipsaci*, (iii) the consignment concerned is free of growth media and soil.
Eryngium.....	The applicable certificate shall contain an additional declaration that- (i) consignment is free from *Rosselinia bunodes* as it appears from inspections during the active growth of the mother plants concerned, did not occur on those mother plants; or in the area of production concerned. (ii) *Phymatotrichum omnivorum* and *Synchtrium endobioticum* do not occur

	in the area of production concerned. (iii) the consignment concerned is free from *Aceria peucedamum*, *Aceria tulipae*, *Aphelenchoides fragariae* *Aphelenchoides besseyi*, *Aphelenchoides ritzema-bosi*, *Ditylenchus destructor* and *Ditylenchus dipsaci*, (iv) the consignment concerned is free of growth media and soil.
Iridaceae (excluding species of genera indicated elsewhere).....	The applicable certificate shall contain an additional declaration that- (i) consignment is free from *Drechslera iridis*, *Sclerotinia bulborum*, *Sclerotium tuliparum* and Tobacco rattle virus as it appears from inspections during the active growth of the mother plants concerned, did not occur on those mother plants; or in the area of production concerned. (ii) *Phymatotrichum omnivorume* and *Synchtrium endobioticum* do not occur in the area of production concerned, (iii) the consignment concerned is free from *Aceria tulipae*, *Aphelenchoides besseyi*, *Aphelenchoides fragariae*, *Aphelenchoides ritzema-bosi*, *Ditylenchus destructor* and *Ditylenchus*

	dipsaci, (iv) the consignment concerned is free of growth media and soil.
Liliaceae (excluding species of genera indicated elsewhere).....	The applicable certificate shall contain an additional declaration that- (i) consignment is free from Lily mosaic virus and Lily rosette virus as it appears from inspections during the active growth of the mother plants concerned, did not occur on those mother plants; or in the area of production concerned. (ii) *Phymatotrichum omnivorum* and *Synchtrium endobioticum* do not occur in the area of production concerned, (iii) the consignment concerned is free from *Aceria tulipae*, *Aphelenchoides besseyi*, *Aphelenchoides fragariae*, *Aphelenchoides ritzema-bosi*, *Ditylenchus destructor* and *Ditylenchus dipsaci*, (iv) the consignment concerned is free of growth media and soil.
Marantaceae.....	The applicable certificate shall contain an additional declaration that- (i) consignment is free from Abaca mosaic virus and *Rosselinia bunodes* as it appears from inspections during

	the active growth of the mother plants concerned, did not occur on those mother plants; or in the area of production concerned. (ii) *Phymatotrichum omnivorum* and *Synchtrium endobioticum* do not occur in the area of production concerned, (iii) the consignment concerned is free from *Aceria tulipae*, *Aphelenchoides besseyi*, *Aphelenchoides fragariae*, *Aphelenchoides ritzema-bosi*, *Ditylenchus destructor* and *Ditylenchus dipsaci*, (iv) the consignment concerned is free of growth media and soil.
Phylax.....	The applicable certificate shall contain an additional declaration that- (i) *Phomopsis vexans* and *Synchytrium endobioticum* do not occur in the area of production concerned, (ii) the consignment concerned is free from *Aceria tulipae*, *Aphelenchoides besseyi*, *Aphelenchoides fragariae* *Aphelenchoides ritzema-bosi*, *Ditylenchus destructor* and *Ditylenchus dips*, (iii) the consignment concerned is

	free of growth media and soil.
4. Rooted greenhouse plants [not older than 10 weeks and/or height not exceeding 200mm] of species of the following genera and families.	
Ajuga, *Alocasia*, *Anthurium*, *Aphelandra*, *Ardisia*, *Beaucarnea*, *Bouvardia*, *Callistemon*, *Cananga*, *Capparis*, *Ceanothus*, *Chamaelaucium*, *Coleus*, *Coprosma*, *Diascia*, *Dipladenia*, *Echeveria*, *Eustoma*, *Gardenia*, *Grevillea*, *Gypsophila*, *Hebe*, *Hosta*, *Hoya*, *Lavandula*, *Lisianthus*, *Lycopodium*, *Lysimachia*, *Menianthus*, *Nepenthes*, *Origanum*, *Osmanthus*, *Peltiphyllum*, *Pittosporum*, *Preslia*, *Psilotum*, *Rheoe*, *Ruscus*, *Salvia*, *Sansevieria*, *Schefflera*, *Spathyphyllum*, *Stachys*, *Thymus*, *Tradescantia* and *Verbascum*.....	The applicable certificate shall contain an additional declaration that- (i) the consignment concerned is free from *Aphelenchoides besseyi*, *Aphelenchoides fragariae*, *Aphelenchoides ritzema-bosi*, *Ditylenchus destructor*, *Ditylenchus dipsaci*, *Eotetranychus pruni (E. pomi)*, *Eotetranychus sexmaculatus*, *Frankliniella occidentalis*, *Liriomyza* spp., *Phymatotrichum omnivorum*, *Synchytrium endobioticum*, *Tetranychus candensis*, *Tetranychus mcdanielli*, *Tetranychus pacificus*, *Tetranychus schoenei* and *Tetranychus viennensis*, (ii) the plants comprising the consignment concerned were rooted, grown and packed grown in or on a sterilised medium.
Anigozanthos.....	The applicable certificate shall contain an additional declaration that- (i) the consignment concerned is free from *Aphelenchoides besseyi*,

	Aphelenchoides fragariae, *Aphelenchoides ritzema-bosi*, *Ditylenchus dipsaci*, *Eotetranychus pruni (E. pomi)*, *Eotetranychus sexmaculatus*, *Frankliniella occidentalis*, *Liriomyza* spp., *Phymatotrichum omnivorum*, *Synchytrium endobioticum*, *Tetranychus candensis*, *Tetranychus mcdanielli*, *Tetranychus pacificus*, *Tetranychus schoenei* and *Tetranychus viennensis*, (ii) the plants comprising the consignment concerned were rooted, grown and packed grown in or on a sterilised medium.
Aloe.	The applicable certificate shall contain an additional declaration that- (i) the consignment is free from *Polyporus sanguineus* as it appears from inspections during the active growth of the mother plants concerned, did not occur on those mother plants; or in the area of production concerned, (ii) the consignment concerned is free from *Aphelenchoides besseyi*, *Aphelenchoides fragariae*, *Aphelenchoides ritzema-bosi*, *Ditylenchus destructor*, *Ditylenchus dipsaci*, *Eotetranychus pruni (E. pomi)*,

	Eotetranychus sexmaculatus, *Frankliniella occidentalis*, *Liriomyza* spp., *Phymatotrichum omnivorum*, *Synchytrium endobioticum*, *Tetranychus candensis*, *Tetranychus mcdanielli*, *Tetranychus pacificus*, *Tetranychus schoenei* and *Tetranychus viennensis*, (iii) the plants comprising the consignment concerned were rooted, grown and packed in or on a sterilised medium.
Alstroemeria, Amaryllidaceae, *Cycadales*, *Euphorbia* and *Oxalis*.....	The applicable certificate shall contain an additional declaration that- (i) the consignment concerned is free from *Aceria tulipae*, *Aphelenchoides besseyi*, *Aphelenchoides fragariae*, *Aphelenchoides ritzema-bosi*, *Ditylenchus destructor*, *Ditylenchus dipsaci*, *Eotetranychus pruni (E. pomi)*, *Eotetranychus sexmaculatus*, *Frankliniella occidentalis*, *Liriomyza* spp., *Phymatotrichum omnivorum*, *Synchytrium endobioticum*, *Tetranychus candensis*, *Tetranychus mcdanielli*, *Tetranychus pacificus*, *Tetranychus schoenei* and *Tetranychus viennensis*, (ii) the plants comprising the

	consignment concerned were rooted, grown and packed in or on a sterilised medium.
Artocarpus.....	The applicable certificate shall contain an additional declaration that- (i) the consignment is free from *Keloroga noxia* and *Phytophthora palmivora* as it appears from inspections during the active growth of the mother plants concerned, did not occur on those mother plants; or in the area of production concerned, (ii) the consignment concerned is free from *Aphelenchoides besseyi*, *Aphelenchoides fragariae*, *Aphelenchoides ritzema-bosi*, *Ditylenchus destructor*, *Ditylenchus dipsaci*, *Eotetranychus pruni (E. pomi)*, *Eotetranychus sexmaculatus*, *Frankliniella occidentalis*, *Liriomyza* spp., *Phymatotrichum omnivorum*, *Synchytrium endobioticum*, *Tetranychus candensis*, *Tetranychus mcdanielli*, *Tetranychus pacificus*, *Tetranychus schoenei* and *Tetranychus viennensis*, (ii) the plants comprising the consignment concerned were rooted, grown and packed in or on a sterilised medium.

Azalea.....	The applicable certificate shall contain an additional declaration that- (i) the consignment is free from *Chrysomyxa rhododendri*, *Ovulina azalea* and *Septoria azaleae* as it appears from inspections during the active growth of the mother plants concerned, did not occur on those mother plants; or In the area of production concerned, (ii) the consignment concerned is free from *Aphelenchoides besseyi*, *Aphelenchoides fragariae*, *Aphelenchoides ritzema-bosi*, *Ditylenchus destructor*, *Ditylenchus dipsaci*, *Eotetranychus pruni (E. pomi)*, *Eotetranychus sexmaculatus*, *Frankliniella occidentalis*, *Liriomyza* spp., *Phymatotrichum omnivorum*, *Synchytrium endobioticum*, *Tetranychus candensis*, *Tetranychus mcdanielli*, *Tetranychus pacificus*, *Tetranychus schoenei* and *Tetranychus viennensis*, (iii) the plants comprising the consignment concerned were rooted, grown and packed in or on a sterilised medium.
Bougainvillea.....	The applicable certificate shall contain

	an additional declaration that- (i) the consignment is free from *Phytophthora palmivora* as it appears from inspections during the active growth of the mother plants concerned, did not occur on those mother plants; or in the area of production concerned, (ii) the consignment concerned is free from *Aphelenchoides besseyi*, *Aphelenchoides fragariae*, *Aphelenchoides ritzema-bosi*, *Ditylenchus destructor*, *Ditylenchus dipsaci*, *Eotetranychus pruni (E. pomi)*, *Eotetranychus sexmaculatus*, *Frankliniella occidentalis*, *Liriomyza* spp., *Phymatotrichum omnivorum*, *Synchytrium endobioticum*, *Tetranychus candensis*, *Tetranychus mcdanielli*, *Tetranychus pacificus*, *Tetranychus schoenei* and *Tetranychus viennensis*, (iii) the plants comprising the consignment concerned were rooted, grown and packed in or on a sterilised medium.
Buddleia and *Campanula*.....	The applicable certificate shall contain an additional declaration that- (i) the consignment is free from Beet curly top virus, Cucumber mosaic virus, *Puccinia* spp. and *Verticillium*

	albo-atrum as it appears from inspections during the active growth of the mother plants concerned, did not occur on those mother plants; or in the area of production concerned (ii) the consignment concerned is free from *Aphelenchoides besseyi*, *Aphelenchoides fragariae*, *Aphelenchoides ritzema-bosi*, *Ditylenchus destructor*, *Ditylenchus dipsaci*, *Eotetranychus pruni (E. pomi)*, *Eotetranychus sexmaculatus*, *Frankliniella occidentalis*, *Liriomyza* spp., *Phymatotrichum omnivorum*, *Synchytrium endobioticum*, *Tetranychus candensis*, *Tetranychus mcdanielli*, *Tetranychus pacificus*, *Tetranychus schoenei* and *Tetranychus viennensis*, (iii) the plants comprising the consignment concerned were rooted, grown and packed in or on a sterilised medium
Clematis, *Lonicera* and *Polyscias*	The applicable certificate shall contain an additional declaration that- (i) the consignment is free from *Verticillium albo-atrum* as it appears from inspections during the active growth of the mother plants concerned, did not occur on those mother plants;

	or in the area of production concerned, (ii) the consignment concerned is free from *Aphelenchoides besseyi*, *Aphelenchoides fragariae*, *Aphelenchoides ritzema-bosi*, *Ditylenchus destructor*, *Ditylenchus dipsaci*, *Eotetranychus pruni (E. pomi)*, *Eotetranychus sexmaculatus*, *Frankliniella occidentalis*, *Liriomyza* spp., *Phymatotrichum omnivorum*, *Synchytrium endobioticum*, *Tetranychus candensis*, *Tetranychus mcdanielli*, *Tetranychus pacificus*, *Tetranychus schoenei* and *Tetranychus viennensis*, (iii) the plants comprising the consignment concerned were rooted, grown and packed in or on a sterilised medium.
Cordyline.....	The applicable certificate shall contain an additional declaration that- (i) the consignment is free from *Aspergillus niger f. floridanus* and *Phyllosticta dracaenae* as it appears from inspections during the active growth of the mother plants concerned, did not occur on those mother plants; or in the area of production concerned (ii) the consignment concerned is free from *Aphelenchoides besseyi*,

	Aphelenchoides fragariae, *Aphelenchoides ritzema-bosi*, *Ditylenchus destructor*, *Ditylenchus dipsaci*, *Eotetranychus pruni (E. pomi)*, *Eotetranychus sexmaculatus*, *Frankliniella occidentalis*, *Liriomyza* spp., *Phymatotrichum omnivorum*, *Synchytrium endobioticum*, *Tetranychus candensis*, *Tetranychus mcdanielli*, *Tetranychus pacificus*, *Tetranychus schoenei* and *Tetranychus viennensis*, (iii) the plants comprising the consignment concerned were rooted, grown and packed in or on a sterilised medium.
Cyclamen.....	The applicable certificate shall contain an additional declaration that- (i) the consignment is free from *Ramularia cyclaminicola* as it appears from inspections during the active growth of the mother plants concerned, did not occur on those mother plants; or in the area of production concerned (ii) the consignment concerned is free from *Aceria tulipae*, *Aphelenchoides besseyi*, *Aphelenchoides fragariae*, *Aphelenchoides ritzema-bosi*, *Ditylenchus destructor*, *Ditylenchus*

	dipsaci, *Eotetranychus pruni (E. pomi)*, *Eotetranychus sexmaculatus*, *Frankliniella occidentalis*, *Liriomyza* spp., *Phymatotrichum omnivorum*, *Synchytrium endobioticum*, *Tetranychus candensis*, *Tetranychus mcdanielli*, *Tetranychus pacificus*, *Tetranychus schoeneiw* and *Tetranychus viennensis*, (iii) the plants comprising the consignment concerned were rooted, grown and packed in or on a sterilised medium.
Dahlia.....	The applicable certificate shall contain an additional declaration that- (i) the consignment is free from *Verticillium albo-atrum* and Wilt diseases caused by fungi as it appears from inspections during the active growth of the mother plants concerned, did not occur on those mother plants; or in the area of production concerned. (ii) the consignment concerned is free from *Aceria tulipae*, *Aphelenchoides besseyi*, *Aphelenchoides fragariae*, *Aphelenchoides ritzema-bosi*, *Ditylenchus destructor*, *Ditylenchus dipsaci*, *Eotetranychus pruni (E. pomi)*, *Eotetranychus sexmaculatus*,

	Frankliniella occidentalis, *Liriomyza* spp., *Phymatotrichum omnivorum*, *Synchytrium endobioticum*, *Tetranychus candensis*, *Tetranychus mcdanielli*, *Tetranychus pacificus*, *Tetranychus schoenei* and *Tetranychus viennensis*, (iii) the plants comprising the consignment concerned were rooted, grown and packed in or on a sterilised medium.
Delphinium.....	The applicable certificate shall contain an additional declaration that- (i) the consignment is free from Aster yellows mycoplasma, Beet curly top virus and Tobacco ringspot virus as it appears from inspections during the active growth of the mother plants concerned, did not occur on those mother plants; or in the area of production concerned, (ii) the consignment concerned is free from *Aphelenchoides besseyi*, *Aphelenchoides fragariae*, *Aphelenchoides ritzema-bosi*, *Ditylenchus destructor*, *Ditylenchus dipsaci*, *Eotetranychus pruni (E. pomi)*, *Eotetranychus sexmaculatus*, *Frankliniella occidentalis*, *Liriomyza* spp., *Phymatotrichum omnivorum*,

	Synchytrium endobioticum, *Tetranychus candensis*, *Tetranychus mcdanielli*, *Tetranychus pacificus*, *Tetranychus schoenei* and *Tetranychus viennensis*, (iii) the plants comprising the consignment concerned were rooted, grown and packed in or on a sterilised medium.
Dendranthema.....	The applicable certificate shall contain an additional declaration that- (i) the consignment is free from Aster yellows mycoplasma, Chrysanthrmum stunt viroid, *Didymella chrysanthemi*, *Erwinia chrysanthemi*, *Puccinia horiana* and Tomato aspermy virus as appears from inspections during the active growth of the mother plants concerned, did not occur on those mother plants; or in the area of production concerned, (ii) the consignment concerned is free from *Aphelenchoides besseyi*, *Aphelenchoides fragariae*, *Aphelenchoides ritzema-bosi*, *Ditylenchus destructor*, *Ditylenchus dipsaci*, *Eotetranychus pruni (E. pomi)*, *Eotetranychus sexmaculatus*, *Frankliniella occidentalis*, *Liriomyza* spp., *Phymatotrichum omnivorum*,

	Synchytrium endobioticum, *Tetranychus candensis*, *Tetranychus mcdanielli*, *Tetranychus pacificus*, *Tetranychus schoenei* and *Tetranychus viennensis*, (iii) the plants comprising the consignment concerned were rooted, grown and packed in or on a sterilised medium.
Dianthus.....	The applicable certificate shall contain an additional declaration that- (i) the consignment is free from Beet curly top virus, *Cacoecimorpha pronubana*, Carnation etched ring virus, Carnation necrotic fleck virus, Cartination streak virus, *Erwinia chrysanthemi f sp. dianthi*, Pelargonium leaf curl virus, *Pseudomonas caryophylli* and *Ustilago violacea* as it appears from inspections during the active growth of the mother plants concerned, did not occur on those mother plants; or in the area of production concerned (ii) the consignment concerned is free from *Aphelenchoides besseyi*, *Aphelenchoides fragariae*, *Aphelenchoides ritzema-bosi*, *Ditylenchus destructor*, *Ditylenchus dipsaci*, *Eotetranychus pruni (E. pomi)*,

	Eotetranychus sexmaculatus, *Frankliniella occidentalis*, *Liriomyza* spp., *Phymatotrichum omnivorum*, *Synchytrium endobioticum*, *Tetranychus candensis*, *Tetranychus mcdanielli*, *Tetranychus pacificus*, *Tetranychus schoenei* and *Tetranychus viennensis*, (iii) the plants comprising the consignment concerned were rooted, grown and packed in or on a sterilised medium.
Dracaena.....	The applicable certificate shall contain an additional declaration that- (i) the consignment is free from *Aspergillus niger f. floridanus* and *Phyllosticta dracaenae* as it appears from inspections during the active growth of the mother plants concerned, did not occur on those mother plants; or in the area of production concerned, (ii) the consignment concerned is free from *Aphelenchoides besseyi*, *Aphelenchoides fragariae*, *Aphelenchoides ritzema-bosi*, *Ditylenchus destructor*, *Ditylenchus dipsaci*, *Eotetranychus pruni (E. pomi)*, *Eotetranychus sexmaculatus*, *Frankliniella occidentalis*, *Liriomyza* spp., *Phymatotrichum omnivorum*,

	Synchytrium endobioticum, *Tetranychus candensis*, *Tetranychus mcdanielli*, *Tetranychus pacificus*, *Tetranychus schoenei* and *Tetranychus viennensis*, (iii) the plants comprising the consignment concerned were rooted, grown and packed in or on a sterilised medium.
Eryngium.....	The applicable certificate shall contain an additional declaration that- (i) the consignment is free from *Rosselinia bunodes* as appears from inspections during the active growth of the mother plants concerned, did not occur on those mother plants; or in the area of production concerned, (ii) the consignment concerned is free from *Aceria tulipae*, *Aphelenchoides besseyi*, *Aphelenchoides fragariae*, *Aphelenchoides ritzema-bosi*, *Ditylenchus destructor*, *Ditylenchus dipsaci*, *Eotetranychus pruni (E. pomi)*, *Eotetranychus sexmaculatus*, *Frankliniella occidentalis*, *Liriomyza* spp., *Phymatotrichum omnivorum*, *Synchytrium endobioticum*, *Tetranychus candensis*, *Tetranychus mcdanielli*, *Tetranychus pacificus*,

	Tetranychus schoenei and *Tetranychus viennensis*, (iii) the plants comprising the consignment concerned were rooted, grown and packed in or on a sterilised medium
Euonymus.....	The applicable certificate shall contain an additional declaration that- (i) the consignment is free from Euonymus variegation virus and *Oidium euonymi-japonici* as it appears from inspections during the active growth of the mother plants concerned, did not occur on those mother plants; or in the area of production concerned, (ii) the consignment concerned is free from *Aphelenchoides besseyi*, *Aphelenchoides fragariae*, *Aphelenchoides ritzema-bosi*, *Ditylenchus destructor*, *Ditylenchus dipsaci*, *Eotetranychus pruni (E. pomi)*, *Eotetranychus sexmaculatus*, *Frankliniella occidentalis*, *Liriomyza* spp., *Phymatotrichum omnivorum*, *Synchytrium endobioticum*, *Tetranychus candensis*, *Tetranychus mcdanielli*, *Tetranychus pacificus*, *Tetranychus schoenei* and *Tetranychus viennensis*, (iii) the plants comprising the

	consignment concerned were rooted, grown and packed in or on a sterilised medium.
Fuchsia..	The applicable certificate shall contain an additional declaration that- (i) the consignment is free from Alfalfa dwarf mosaic virus and *Verticillium albo-atrum* as it appears from inspections during the active growth of the mother plants concerned, did not occur on those mother plants; or in the area of production concerned, (ii) the consignment concerned is free from *Aphelenchoides besseyi*, *Aphelenchoides fragariae*, *Aphelenchoides ritzema-bosi*, *Ditylenchus destructor*, *Ditylenchus dipsaci*, *Eotetranychus pruni (E. pomi)*, *Eotetranychus sexmaculatus*, *Frankliniella occidentalis*, *Liriomyza* spp., *Phymatotrichum omnivorum*, *Synchytrium endobioticum*, *Tetranychus candensis*, *Tetranychus mcdanielli*, *Tetranychus pacificus*, *Tetranychus schoenei* and *Tetranychus viennensis*, (iii) the plants comprising the consignment concerned were rooted, grown and packed in or on a sterilised medium.

Gerbera....	The applicable certificate shall contain an additional declaration that- (i) the consignment is free from *Phytophthora cryptogea* and *Verticillium albo-atrum* as it appears from inspections during the active growth of the mother plants concerned, did not occur on those mother plants; or in the area of production concerned, (ii) the consignment concerned is free from *Aphelenchoides besseyi*, *Aphelenchoides fragariae*, *Aphelenchoides ritzema-bosi*, *Ditylenchus destructor*, *Ditylenchus dipsaci*, *Eotetranychus pruni (E. pomi)*, *Eotetranychus sexmaculatus*, *Frankliniella occidentalis*, *Liriomyza* spp., *Phymatotrichum omnivorum*, *Synchytrium endobioticum*, *Tetranychus candensis*, *Tetranychus mcdanielli*, *Tetranychus pacificus*, *Tetranychus schoenei* and *Tetranychus viennensis*, (iii) the plants comprising the consignment concerned were rooted, grown and packed in or on a sterilised medium.
Macropidia..	The applicable certificate shall contain an additional declaration that- (i) the consignment is free from

	Sclerotinia bulborum and *Sclerotinia tuliparum* as it appears from inspections during the active growth of the mother plants concerned, did not occur on those mother plants; or in the area of production concerned, (ii) the consignment concerned is free from *Aceria tulipae*, *Aphelenchoides besseyi*, *Aphelenchoides fragariae*, *Aphelenchoides ritzema-bosi*, *Ditylenchus destructor*, *Ditylenchus dipsaci*, *Eotetranychus pruni (E. pomi)*, *Eotetranychus sexmaculatus*, *Frankliniella occidentalis*, *Liriomyza* spp., *Phymatotrichum omnivorum*, *Synchytrium endobioticum*, *Tetranychus candensis*, *Tetranychus mcdanielli*, *Tetranychus pacificus*, *Tetranychus schoenei* and *Tetranychus viennensis*, (iii) the plants comprising the consignment concerned were rooted, grown and packed in or on a sterilised medium.
Magnolia.....	The applicable certificate shall contain an additional declaration that- (i) the consignment is free from *Nectria galligena* and *Verticillium albo-atrum* as it appears from inspections

	during the active growth of the mother plants concerned, did not occur on those mother plants; or in the area of production concerned (ii) the consignment concerned is free from *Aphelencholdes besseyi*, *Aphelenchoides fragariae*, *Aphelenchoides ritzema-bosi*, *Ditylenchus destructor*, *Ditylenchus dipsaci*, *Eotetranychus pruni (E. pomi)*, *Eotetranychus sexmaculatus*, *Frankliniella occidentalis*, *Liriomyza* spp., *Phymatotrichum omnivorum*, *Synchytrium endobioticum*, *Tetranychus candensis*, *Tetranychus mcdanielli*, *Tetranychus pacificus*, *Tetranychus schoenei* and *Tetranychus viennensis*, (iii) the plants comprising the consignment concerned were rooted, grown and packed in or on a sterilised medium.
Marantaceae.....	The applicable certificate shall contain an additional declaration that- (i) the consignment is free from Abaca mosaic virus and *Rosselinia bunodes* as it appears from inspections during the active growth of the mother plants concerned, did not occur on those mother plants; or in the area of

	production concerned (ii) the consignment concerned is free from *Aceria tulipae*, *Aphelenchoides besseyi*, *Aphelenchoides fragariae*, *Aphelenchoides ritzema-bosi*, *Ditylenchus destructor*, *Ditylenchus dipsaci*, *Eotetranychus pruni (E. pomi)*, *Eotetranychus sexmaculatus*, *Frankliniella occidentalis*, *Liriomyza* spp., *Phymatotrichum omnivorum*, *Synchytrium endobioticum*, *Tetranychus candensis*, *Tetranychus mcdanielli*, *Tetranychus pacificus*, *Tetranychus schoenei* and *Tetranychus viennensis*, (iii) the plants comprising the consignment concerned were rooted, grown and packed in or on a sterilised medium.
Mimulus.....	The applicable certificate shall contain an additional declaration that- (i) the consignment is free from *Peronospora jacksonii* as it appears from inspections during the active growth of the mother plants concerned, did not occur on those mother plants; or in the area of production concerned (ii) the consignment concerned is free from *Aphelenchoides besseyi*,

	Aphelenchoides fragariae, *Aphelenchoides ritzema-bosi*, *Ditylenchus destructor*, *Ditylenchus dipsaci*, *Eotetranychus pruni (E. pomi)*, *Eotetranychus sexmaculatus*, *Frankliniella occidentalis*, *Liriomyza* spp., *Phymatotrichum omnivorum*, *Synchytrium endobioticum*, *Tetranychus candensis*, *Tetranychus mcdanielli*, *Tetranychus pacificus*, *Tetranychus schoenei* and *Tetranychus viennensis*, (iii) the plants comprising the consignment concerned were rooted, grown and packed in or on a sterilised medium.
Pandanus.....	The applicable certificate shall contain an additional declaration that- i) the consignment is free from Cadang-cadang viroid as it appears from inspections during the active growth of the mother plants concerned, did not occur on those mother plants; or in the area of production concerned. (ii) the consignment concerned is free from *Aphelenchoides besseyi*, *Aphelenchoides fragariae*, *Aphelenchoides ritzema-bosi*, *Ditylenchus destructor*, *Ditylenchus dipsaci*, *Eotetranychus pruni (E. pomi)*,

	Eotetranychus sexmaculatus, *Frankliniella occidentalis*, *Liriomyza* spp., *Phymatotrichum omnivorum*, *Synchytrium endobioticum*, *Tetranychus candensis*, *Tetranychus mcdanielli*, *Tetranychus pacificus*, *Tetranychus schoenei* and *Tetranychus viennensis*, (iii) the plants comprising the consignment concerned were rooted, grown and packed in or on a sterilised medium.
Penstemon.....	The applicable certificate shall contain an additional declaration that- (i) the consignment is free from *Aphelenchoides fragariae* as it appears from inspections during the active growth of the mother plants concerned, did not occur on those mother plants; or in the area of production concerned, (ii) the consignment concerned is free from *Aphelenchoides besseyi*, *Aphelenchoides fragariae*, *Aphelenchoides ritzema-bosi*, *Ditylenchus destructor*, *Ditylenchus dipsaci*, *Eotetranychus prini* (*E. pomi*), *Eotetranychus sexmaculatus*, *Frankliniella occidentalis*, *Liriomyza* spp. *Phymatotrichum omnivorum*, *Synchtrium endobioticum*, *Tetranychus*

	canadensis, *Tetranychus mcdanielllie*, *Tetranychus pacificus*, *Tetranychus schoenei* and *Tetranychus viennensis*, (iii) the plants comprising the consignment concerned were rooted, grown, and packed in or on a sterilised medium.
Peperromia.....	The applicable certificate shall contain an additional declaration that- i) the consignment is free from *Aphelenchoides fragariae* and *Perenosclerospora maydis* as it appears from inspections during the active growth of the mother plants concerned, did not occur on those mother plants; or area of production concerned (ii) the consignment concerned is free from *Aphelenchoides besseyi*, *Aphelenchoides fragariae*, *Aphelenchoides ritzema-bosi*, *Ditylenchus destructor*, *Ditylenchus dipsaci*, *Eotetranychus prini* (*E. pomi*), *Eotetranychus sexmaculatus*, *Franklinlella occidentalis*, *Liriomyza* spp. *Phymatotrichum omnivorum*, *Synchtrium endobioticum*, *Tetranychus canadensis*, *Tetranychus mcdanielllie*, *Tetranychus pacificus*, *Tetranychus schoenei* and *Tetranychus viennensis*,

	iii) the plants comprising the consignment concerned were rooted, grown and packed in or on a sterilised medium.
Philodendron.....	The applicable certificate shall contain an additional declaration that- i) the consignment is free from *Erwinia chrysanthemi* as it appears from inspections during the active growth of the mother plants concerned, did not occur on those mother plants; or in the area of production concerned, (ii) the consignment concerned is free from *Aphelenchoides besseyi*, *Aphelenchoides fragariae*, *Aphelenchoides ritzema-bosi*, *Ditylenchus destructor*, *Ditylenchus dipsaci*, *Eotetranychus prini* (*E. pomi*), *Eotetranychus sexmaculatus*, *Frankliniella occidentalis*, *Liriomyza* spp. *Phymatotrichum omnivorum*, *Synchtrium endobioticum*, *Tetranychus canadensis*,*Tetranychus mcdaniellie*, *Tetranychus pacificus*, *Tetranychus schoenei* and *Tetranychus viennensis*, (iii) the plants comprising the consignment concerned were rooted, grown and packed in or on a sterilised medium.

Phormium.....	The applicable certificate shall contain an additional declaration that- i) the consignment is free from Phormium yellowing mycoplasma, *Uredo phormii* and *Xanthomonas campestris pv phormicola* as it appears from inspections during the active growth of the mother plants concerned, did not occur on those mother plants; or in the area of production concerned, (ii) the consignment concerned is free from *Aphelenchoides besseyi*, *Aphelenchoides fragariae*, *Aphelenchoides ritzema-bosi*, *Ditylenchus destructor*, *Ditylenchus dipsaci*, *Eotetranychus prini* (*E. pomi*), *Eotetranychus sexmaculatus*, *Frankliniella occidentalis*, *Liriomyza* spp. *Phymatotrichum omnivorum*, *Synchtrium endobioticum*, *Tetranychus canadensis*, *Tetranychus mcdanielliie*, *Tetranychus pacificus*, *Tetranychus schoenei* and *Tetranychus viennensis*), (iii) the plants comprising the consignment concerned were rooted, grown and packed in or on a sterilised medium.
Rhododendron.....	The applicable certificate shall contain an additional declaration that- i) the consignment is free from

	Chrysomyxa rhododendri, *Ovulina azaleae* and *Septoria azaleae* as it appears from inspections during the active growth of the mother plants concerned, did not occur on those mother plants; or in the area of production concerned (ii) the consignment concerned is free from *Aphelenchoides besseyi*, *Aphelenchoides fragariae*, *Aphelenchoides ritzema-bosi*, *Ditylenchus destructor*, *Ditylenchus dipsaci*, *Eotetranychus prini* (*E. pomi*), *Eotetranychus sexmaculatus*, *Frankliniella occidentalis*, *Liriomyza* spp. *Phymatotrichum omnivorum*, *Synchtrium endobioticum*, *Tetranychus canadensis*, *Tetranychus mcdanielllie*, *Tetranychus pacificus*, *Tetranychus schoenei* and *Tetranychus viennensis*, (iii) the plants comprising the consignment concerned were rooted, grown and packed in or on a sterilised medium.
Salix, ...	The applicable certificate shall contain an additional declaration that- (i) the consignment is free from *Physalospora miyabeana*, *Polaccia saliciperda*, *Pseudomonas saliciperda* and Virus clorosis as it appears from

	inspections during the active growth of the mother plants concerned, did not occur on those mother plants; or in the area of production concerned, (ii) the consignment concerned is free from *Aphelenchoides besseyi*, *Aphelenchoides fragariae*, *Aphelenchoides ritzema-bosi*, *Ditylenchus destructor*, *Ditylenchus dipsaci*, *Eotetranychus prini* (*E. pomi*), *Eotetranychus sexmaculatus*, *Frankliniella occidentalis*, *Liriomyza* spp. *Phymatotrichum omnivorum*, *Synchtrium endobioticum*, *Tetranychus canadensis*, *Tetranychus mcdaniellie*, *Tetranychus pacificus*, *Tetranychus schoenei* and *Tetranychus viennensis*, (ii) the plants comprising the consignment concerned were rooted, grown and packed in or on a sterilised medium.
Sambucus.....	The applicable certificate shall contain an additional declaration that- i) the consignment is free from Alfalfa dwardf mosaic virus, Arabis mosaic virus, Cherry leafroll virus and Tabacco ringspot virus as it appears from inspections during the active growth of the mother plants concerned, did not occur on those mother plants or

	in the area of production concerned, (ii) the consignment concerned is free from *Aphelenchoides besseyi*, *Aphelenchoides fragariae*, *Aphelenchoides ritzema-bosi*, *Ditylenchus destructor*, *Ditylenchus dipsaci*, *Eotetranychus prini* (*E. pomi*), *Eotetranychus sexmaculatus*, *Frankliniella occidentalis*, *Liriomyza* spp. *Phymatotrichum omnivorum*, *Synchtrium endobioticum*, *Tetranychus canadensis*, *Tetranychus mcdanielllie*, *Tetranychus pacificus*, *Tetranychus schoenei* and *Tetranychus viennensis*, (iii) the plants comprising the consignment concerned were rooted, grown and packed grown in or on a sterilised medium.
Stephanotis.....	The applicable certificate shall contain an additional declaration that- i) the consignment is free from Chrysanthemum stunt viroid as it appears from inspections during the active growth of the mother plants concerned, did not occur on those mother plants; or in the area of production concerned, (ii) the consignment concerned is free from *Aphelenchoides besseyi*, *Aphelenchoides fragariae*,

	Aphelenchoides ritzema-bosi, *Ditylenchus destructor*, *Ditylenchus dipsaci*, *Eotetranychus prini* (*E. pomi*), *Eotetranychus sexmaculatus*, *Frankliniella occidentalis*, *Liriomyza* spp. *Phymatotrichum omnivorum*, *Synchtrium endobioticum*, *Tetranychus canadensis*, *Tetranychus mcdanielllie*, *Tetranychus pacificus*, *Tetranychus schoenei* and *Tetranychus viennensis*, (iii) the plants comprising the consignment concerned were rooted, grown and packed in or on a sterilised medium.
Sterilitzia.....	The applicable certificate shall contain an additional declaration that- (i) the consignment is free from Abaca mosaic virus, *Erwinia caratovora f sp. musae* and *Fusarium oxysporum f. cubense* as it appears from inspections during the active growth of the mother plants concerned, did not occur on those mother plants; or in the area of production concerned (ii) the consignment concerned is free from *Mycosphaerella fijiensis*, *Pseudomonas solanacearum* and *Xanthomonas compestris pv celebensis*, do not occur in the area of production concerned,

	(iii) the consignment concerned is free from *Aceria tulipae*, *Aphelenchoides besseyi*, *Aphelenchoides fragariae*, *Aphelenchoides ritzema-bosi*, *Ditylenchus destructor*, *Ditylenchus dipsaci*, *Eotetranychus prini* (*E. pomi*), *Eotetranychus sexmaculatus*, *Frankliniella occidentalis*, *Liriomyza* spp. *Phymatotrichum omnivorum*, *Synchtrium endobioticum*, *Tetranychus canadensis*, *Tetranychus mcdanielliе*, *Tetranychus pacificus*, *Tetranychus schoenei* and *Tetranychus viennensis*, (iv) the plants comprising the consignment concerned were rooted, grown and packed in or on a sterilised medium.
Yucca.....	The applicable certificate shall contain an additional declaration that- i) the consignment is free from *Leptosphaeria obtusispora* as it appears from inspections during the active growth of the mother plants concerned, did not occur on those mother plants; or in the area of production concerned (ii) the consignment concerned is free from *Aphelenchoides besseyi*, *Aphelenchoides fragariae*,

	Aphelenchoides ritzema-bosi, *Ditylenchus destructor*, *Ditylenchus dipsaci*, *Eotetranychus prini* (*E. pomi*), *Eotetranychus sexmaculatus*, *Frankliniella occidentalis*, *Liriomyza* spp. *Phymatotrichum omnivorum*, *Synchtrium endobioticum*, *Tetranychus canadensis*, *Tetranychus mcdanielliie*, *Tetranychus pacificus*, *Tetranychus schoenei* and *Tetranychus viennensis*, (iii) the plants comprising the consignment concerned were rooted, grown and packed in or on a sterilised medium.
5. Tissue culture in *vitro* of species of the following genera and families: Amaryllidaceae, *Ardisia, Beaucarnea,* Bromeliaceae, *Cupressus, Phyloglossum,* Polypodiaceae and *Psilotum*...	The applicable certificate shall contain an additional declaration that the tissue culture or tissue culture transplants comprising the consignment concerned was obtained from mother plants that are practically free from viruses and other diseases.
Euphorbia.....	The applicable certificate shall contain- (i) an additional declaration that the tissue culture or tissue culture transplants comprising the consignment concerned was obtained

	from mother plants that are practically free from viruses and other diseases. (ii) a confirmation that the mother plants from which the tissue or tissue culture plants comprising the consignment were obtained, were indexed for and found free from Euphorbia mosaic virus and Poiunsettia mosaic virus.
Marantaceae	The applicable certificate shall contain- (i) an additional declaration that the tissue culture or tissue culture transplants comprising the consignment concerned was obtained from mother plants that are practically free from viruses and other diseases, (ii) a confirmation that the mother plants from which the tissue or tissue culture plants comprising the consignment were obtained, were indexed for and found free from viruses and virus- like organisms such as Abaca mosaic virus and *Rosselinia bunodes*.
6. All kinds of timber and unmanufactured timber products: see also class 11	

7. Timber and unmanufactured timber products of species of the following genera and families:	Must be free from bark.
Abies and *Pinus*.....	The applicable certificate shall contain an additional declaration that- (i) *Bursaphelenchus xylophilus* and *Sirex noctilio*) do not occur in the area of production concerned. (ii) the consignment concerned is free from *Gremmeniela abeitina* and *Lymantria disparina* or (iii) the timber comprising the consignment concerned has been kiln-dried to a moisture content of 20 per cent or less.
Acacia, *Artocarpus*, *Brachystegia*, *Carya*, *Juglans*, *Millettia*, *Podocarpus*, *Pterocarpus* and *Rutaceae*...	
Acer.....	No phytosanitary certificate required
Agathis, Buxaceae, *Cupressus* and	The applicable certificate shall contain an additional declaration that- (i) *Ceratocystis coerulescens* do not occur in the area of production concerned or (ii) the timber comprising the consignment concerned has been kiln-dried to a moisture content of 20 per

Cuphea.....	cent or less.
Castanea.....	The applicable certificate shall contain an additional declaration that the timber comprising the consignment concerned has been kiln-dried to a moisture content of 20 per cent or less.
	The applicable certificate shall contain an additional declaration that- (i) *Ceratocystis fagacearum* do not occur in the area of production concerned or (ii) the timber comprising the consignment concerned has been kiln-dried to a moisture content of 20 per cent or less.
8. Bark of:	
a) *Acacia meamsii* (only from Swaziland).....	No phytosanitary certificate required
9. Cork:	
Unmanufactured.....	The applicable certificate shall contain a confirmation that the consignment concerned was treated by means of an appropriate fumigation with methyl bromide gas.
Manufactured.....	No phytosanitary certificate required

10. Vegetables fibre of species of the following genera and families:	
Gossypium (with more than 1 seed per 2 kg sample) and *Sorghum*.....	The applicable certificate shall contain a confirmation that the consignment concerned was treated by means of an appropriate fumigation with methyl bromide gas.
11. Vegetable gums and resins of the following species and genera:	
Abies balsamea, Acacia, Agathis, Amyris plumeria, Anacardium occidentale, Anogeissus latifolia, Astragalus, Balanocarpus heimii, Boswellia, Bursera, Ceratonia silique, Cochlus gossypium, Commiphora, Copernica cerifera, Cistus, Dacryoidoides hexandra, Dorema amoniacum, Dracaena, Euphorbia resinifera, Ferula, Guaiacum, Guibourtia, Hymenaea courbaril, Laccifer lacca, Liquidambar styraciflua, Melanorrhoea usitata, Myroxylon, Pinus, Piptadenia, Pistacia lentiscus, Protium, Rhus verniciflua, Sacapetalum tomentosum, Sterculia, Styrax, Terminalia, Tetraclinus articulata and *Xanthorrhoea.*	No phytosanitary certificate required
12. Rattan and bamboo obtained from the species of the following genera:	
Arundinaria, Bambusa, Calamus, Daemonorops, Dendrocalamus, Korthalsia, Phyllostachys, Plectocomia,	No phytosanitary certificate required

and *Thyrsostachys*.	
13. Herbs, spices and other parts of plants intended for medicinal, human or animal consumption and obtained from plants of the following species, genera and families:	
Acanthus mollis, Achillea, Aconitum, Actaea spicata, Agar-Agar (unrefined), Agastache foeniculum, Agrimonia eupatoria, Ajuga, Alcea rosea, Alchemilla vulgaris, Allium (only dried, flaked and powdered), Aloe, Althea, Anagallis arvensis, Anchusa, Androstephium violaceum, Angelica, Anthemis tinctoria, Antennaria dioica, Anthriscus, Anthyllis, Aquilegia vulgaris, Arabis, Aralia, Arctotis acaulis, Armeria, Arnica Montana, Asarum canadense, Asclepias tuberosa, Asperula, Atropa, Baptisia, Barbarea verna, Bellis perennis, Borago officinalis, Bryonia dioica, Calendula, Campanula, Capparis spinosa, Carthamus tinctorius, Carum carvi, Castanea, Catharanthus roseus, Ceanothus americanus, Cedronella triphylla, Centaurea cyanus, Centaurium erythraea, Cheiranthus cheiri, Chelidonium, Chrysanthemum, Cimicifuga racemosa, Cinnamomum, Cnicus benidictus, Coffea (only roasted bean), *Collinsonia canadensis, Colutea, Conium maculatum, Convallaria, Coreopsis tinctoria, Coriandrum sativum, Cornus florida, Corylus* (only the nuts thereof), *Crithmum maritimum, Crocus sativus, Croton, Cryptotaenia japonica, Cuminum cyminum, Cupressus, Cynara, Danae racemosa, Delphinium grandiflorum, Dianthus, Dictamnus albus, Digitalis, Dolichos, Dracocephalum moldavica, Elettaria cardamomum, Epilobium, Erica, Erigeron, Eugenia*	No phytosanitary certificate required

caryophyllata, *Euphorbia*, *Fagopyrum*, *Filipendula*, *Galega officianalis*, *Galium*, *Genista tinctoria*, *Gentiana*, *Geranium*, *Gnaphalium*, *Gratiola officinalis*, *Grindelia robusta*, *Guizotia abyssinica*, *Hamamelis virginiana*, *Helianthemum*, *Heliotropium*, *Helleborus niger*, *Herniaria*, *Heuchera*, *Hibiscus sabdariffa*, *Hieracium*, *Humulus*, *Hydrocotyle asiatica*, *Hyodcyamus niger*, *Hypericum*, *Hyssopus officinalis*, *Ilex paraguariensis*, *Illicium verum*, *Indigofera*, *Inula helenium*, *Isatis tinctoria*, *Jasminum*, *Juniperus communis*, *Lamium*, *Laurus*, *Lavandula*, *Lawsonia inermis*, *Leontopodium alpinum*, *Leonurus*, *Lepidium sativum*, *Levisticum officinale*, *Liatris*, *Ligustrum*, *Linaria*, *Linum usitatissimum*, *Lobelia*, *Lotus*, *Lophocarpus*, *Lychnis chalcedonica*, *Lycopus europaeus*, *Lysimachia nummularia*, *Lythrum salicaria*, *Maclura pomifera*, *Mangifera* (only the seed thereof), *Malva*, *Marrubium vulgare*, *Matricaria chamomilla*, *Melilotus officinalis*, *Melissa officinalis*, *Metroxylon rumphii*, *Mirabilis*, *Moluccella laevis*, *Monarda didyma*, *Morus nigra* (dried), *Myrica pensylvanica*, *Myristica fragrans*, *Myrrhis odorata*, *Myrtus communis*, *Nasturtium officinale*, *Nepenthes*, *Nepeta*, *Nigella damascene*, *Ocimum*, *Ononis*, *Origunum*, *Paris quadrifolia*, *Perilla frutescens*, *Petroselinum crispum*, *Peucedanum*, *Piper*, *Ricinus*, *Saxifraga*, *Sedum*, *Sempervivum*, *Sesamum*, *Silybum marianum*, *Smilax*, *Solidago virgaurea*, *Symphytum*, *Tagetes*, *Taraxacum officinale*, *Teucrium*, *Tetragonia tetragonioides*, *Theobroma*, *Thymus*, *Tilia cordata*, *Trigonella foenum-graecum*, *Tropaeolum*, *Tussilago farfara*, *Urginea maritima*, *Urtica*, *Valeriana*, *Valerianella locusta*, *Verbascum*, *Verbena*, *Veronica*,	

Viburnum opulus, *Vinca* and *Viola*.	
Anemone, *Apium graveolens*, *Astragalus*, *Cichorium intybus*, *Colchicum autumnale*, *Curcuma longa*, *Glycyrrhiza glabra*, *Iberis umbellate*, *Iris*, *Muranta arundinacea* and *Panax*.....	The applicable certificate shall contain an additional declaration that the consignment concerned is free of growth media and soil.
Brassica, *Cajanus*, *Canavalia*, *Ceratonia siliqua*, *Cyamopsis*, *Lupinus*, *Pisum* (only the seed thereof) and *Yucca glauca*.....	The importer of a consignment concerned shall submit a declaration on a form obtainable from the executive officer for this purpose, in which he/she declares that such consignment is intended for immediate re-export or for purposes other than the cultivation thereof in the Republic.
Gossypium (only the seed thereof).....	The applicable certificate shall contain a confirmation that the consignment concerned was treated with a broad spectrum insecticide or fumigant. The importer of a consignment concerned shall submit a declaration on a form obtainable from the executive officer for this purpose, in which he declares that such consignment is intended for immediate re-export or for purposes other than the cultivation thereof in the Republic.
	The applicable certificate shall contain

Papaver somniferum.....	a confirmation that the consignment concerned was treated by means of an appropriate fumigation with methyl bromide gas, The importer of a consignment of class of regulated article concerned shall submit a declaration on a form obtainable from the executive officer for this purpose, in which he declares that such consignment is intended for immediate re-export or for purposes other than the cultivation thereof in the Republic.
14. Vermi compost	The applicable certificate shall contain an additional declaration that the consignment concerned is free of *Lumbricus rubellus*.

TABLE 2

Points of entry

1. The harbours of -	Cape Town, Durban, East London, Port Elizabeth, Ngqura, and Richards Bay.
The International airports-	Cape Town International Airport, King Shaka International Airport, Kruger Mpumalanga International Airport,

	Lanseria International Airport, O.R. Tambo (Johannesburg) International Airport and Chief Dawid Stuurman (George) International Airport
2. The border control points at-	Beitbridge, Caledonspoort, Ficksburg Bridge, Golela, Grobler's Bridge, Jeppes Reef, Kopfontein, Kosi Bay, Lebombo, Mahamba, Mananga, Maseru Bridge, Nakop, Nerston, Oshoek, Qacha's Nek, Ramatlabama, Skilpadshek, Van Rooyen's Hek and Vioolsdrift.

Annexure A

Regulated pests: Insects and pathogens

1. Abaca mosaic virus
2. Abutilon mosaic virus
3. *Acalitus essigi*
4. *Acalitus orthomera*
5. *Acarapis woodi*
6. *Aceria biopsida*
7. *Aceria breakeyi*
8. *Aceria peucedamum*
9. *Aceria tulipae*
10. *Actinomyces ipomoeae*
11. *Aecidium fragiforme*
12. Alfalfa dwarf mosaic virus
13. *Alternaria cichorii*
14. *Alternaria padwickii*
15. *Anarsia lineatella*
16. *Anastrepha fraterculus*
17. *Anastrepha ludens*
18. *Anastrepha mombinpraeoptans*
19. *Anguina* spp.
20. *Anguina tritici*
21. Annual ryegrass toxicity syndrome
22. *Aphelenchoides besseyi*
23. *Aphelenchoides fragariae*
24. *Aphelenchoides ritzema-bosi*
25. Arabis mosaic virus
26. Artichoke curly dwarf virus
27. Artichoke mosaic virus

28. Artichoke mottle crinkle virus
29. *Ascochyta abelmoschi*
30. *Ascochyta gossypii*
31. *Ascochyta pisi*
32. *Ascochyta rabiei*
33. *Ascochyta* spp.
34. *Ascosphaera apis*
35. Asparagus virus
36. *Aspergillus niger* f. *floridanus*
37. *Aspidiella hartii*
38. Aster yellows mycoplasma
39. *Bacillus larvae*
40. Bacterial pathogens
41. *Balansia oryzae*
42. Banana bunchy top virus
43. Bean Yellow Mosaic virus
44. Beet curly top virus
45. Black pepper stunt virus
46. Blueberry stunt virus
47. *Botrytis tulipae*
48. Broadbean stain virus
49. *Bursaphelenchus xylophilus*
50. *Cacoecimorpha pronubana*
51. Cadang-cadang viroid
52. *Caeoma sanctae-crucis*
53. *Caeoma torreya*
54. *Calacarus carinatus*
55. *Campanotus herculeanus*
56. Carnation etched ring virus
57. Carnation necrotic fleck virus
58. Carnation streak virus

59. *Cecidophyopsis ribis*
60. Celery mosaic virus
61. *Cephaleuros parasiticus*
62. *Cephalosporium diospyri*
63. *Cephalosporium maydis*
64. *Cephalosporium sacchari*
65. *Ceratocystis coerulescens*
66. *Ceratocystis fagacearum*
67. *Ceratocystis fimbriata*
68. *Ceratocystis fimbriata* var *platani*
69. *Ceratocystis* spp.
70. *Ceratocystis ulmi*
71. *Ceratostomella fimbriata*
72. *Cercospora angolensis* (Redescribed as *Phaeoranularia angolensis*)
73. *Cercospora coffeicola*
74. *Cercospora corchori*
75. *Cercospora ixorae*
76. *Cercospora mangifera*
77. *Cercospora pini-densiflorae*
78. *Cercospora purpurea*
79. *Cercospora sequioae*
80. *Cercospora sojina*
81. *Cercospora* spp.
82. *Cercospora transversiana*
83. *Ceutospora litchii*
84. *Chaetocnema pulicaria*
85. Cherry leafroll virus
86. Cherry rasp leaf virus
87. Chrysanthemum stunt viroid
88. *Chrysomyxa rhododendri*
89. *Ciboria betulae*

90. Citrus stubborn mycoplasma
91. *Claviceps purpurea*
92. *Claviceps* spp.
93. *Clitocybe tabescens*
94. Clostero viruses
95. Clover phyllody mycoplasma
96. *Cochliobolus miyabeanus* (Syn *Helminthosporium oryzae*)
97. *Colletotrichum cajani*
98. *Colletotrichum capsici*
99. *Colletotrichum coffeanum* (CBD Strain)
100. *Colletotrichum dematium* f. sp. *truncatum*
101. *Colletotrichum fuscum*
102. *Colletotrichum lini*
103. *Colletotrichum panacicola*
104. *Colletotrichum villosum*
105. *Coniella diplodiella*
106. *Corynebacterium flaccumfaciens* pv. *betae*
107. *Corynebacterium flaccumfaciens* pv. *flaccumfaciens*
108. *Corynebacterium michiganense* pv. *michiganense*
109. *Corynebacterium michiganense* pv. *sepedonicum*
110. *Corynespora casiicola*
111. Cotton leaf curl virus
112. Cranbery false blossom mycoplasma
113. *Crinipellis palmivora*
114. *Crinipellis perniciosa*
115. *Cronartium coleosporioides*
116. *Cronartium comptoriae*
117. *Cronartium fusiforme*
118. *Cronartium quercuum*
119. *Cronartium strobultinum*
120. *Cryptospora longispora*

121. *Cryptostictis cupressi*
122. Cucumber leaf roll virus
123. Cucumber mosaic virus
124. *Cydia molesta*
125. *Dacus cucurbitae*
126. *Dacus dorsalis*
127. *Dacus tryoni*
128. *Dacus zonatus*
129. *Diaporthe phaseolorum* var. *batatatis*
130. *Diaporthe phaseolorum* var. *caulivora*
131. *Didymella chrysanthemi*
132. *Ditylenchus destructor*
133. *Ditylenchus dipsaci*
134. *Ditylenchus* spp.
135. *Dothistroma pini*
136. *Dotichiza populea*
137. *Drechslera iridis*
138. *Drechslera maydis*
139. *Dysmicoccus brevipes*
140. *Echinodentium taxodii*
141. Elm mosaic virus
142. *Endothia gyrosa*
143. *Endothia parasitica*
144. *Ennomos subsignarius*
145. *Eotetranychus pruni (E. pomi)*
146. *Eotetranychus sexmaculatus*
147. *Ephelis pallida*
148. *Eriophyes gastrotrichus*
149. *Erwinia amylovora*
150. *Erwinia carotovora* f sp. *musae*
151. *Erwinia carotovora* pv. *atroseptica*

152. *Erwinia chrysanthemi*
153. *Erwinia chrysanthemi* f sp. *dianthi*
154. *Erwinia nigrifluens*
155. *Erwinia rhapontici*
156. *Erwinia rubrifaciens*
157. *Erwinia stewartii*
158. Euonymus variegation virus
159. Euphorbia mosaic virus
160. *Exobasidium camelliae*
161. *Exobasidium vexans*
162. *Frankliniella occidentalis*
163. Fungal pathogens
164. *Fusarium oxysporum* f. *cubense*
165. *Fusarium oxysporum* f. sp. *lycopersici* Race
166. *Fusarium oxysporum* f. sp. *psidii*
167. *Fusarium oxysporum* f. *zingiberi*
168. *Ganoderma lucidum*
169. *Globodera* spp
170. *Gloeotinia temulenta*
171. *Glomerella cingulata*
172. *Gnomonia platani* (Syn *G.veneta)*
173. *Godrona cassandrae*
174. *Goplana dioscorea*
175. *Gremmeniela abeitina*
176. Guar top necrosis virus
177. *Guignardia aesculi*
178. *Guignardia bidwelii*
179. *Gymnosporangium* spp
180. *Hendersonia agathi*
181. *Heterodera glycines*
182. *Heterodera humuli*

183. *Heterodera* spp
184. Hop mosaic virus
185. Hop nettle virus complex
186. Hydrangea ringspot virus
187. *Hymenochaeta mongeotii*
188. *Hymenoptera* spp
189. Ilar group viruses
190. *Kabathina thujae*
191. *Kabatiella nigricans*
192. *Kabatiella zeae*
193. *Keithia thujina*
194. *Koleroga noxia*
195. Leaf scorch
196. *Leptinotarsa decemlineata*
197. *Leptosphaeria maculans (Syn Phoma lingam)*
198. *Leptosphaeria obtusispora*
199. Lethal yellowing mycoplasma
200. Lettuce mosaic virus
201. Lily mosaic virus
202. Lily rosette virus
203. *Liriomyza* spp
204. *Lophodermium cedri*
205. *Lophodermium* spp
206. *Lumbricus rubellus*
207. *Lymantria disparina*
208. *Magnaporthe salvinii*
209. *Malpigamoeba mellificae*
210. *Mampava rhodoneura*
211. *Marssonina brannea*
212. *Melampsora hypericorum*
213. *Melampsora pinitorqua*

214. *Meloidogyne* spp
215. *Microcyclus ulei*
216. *Microsphaeria alni*
217. Mollusca
218. *Monilia roreri*
219. *Monilochaetes infuscans*
220. Mosaic
221. Mosaic virus infection
222. *Mycosphaerella citri*
223. *Mycosphaerella fijiensis*
224. *Mycosphaerella linorum*
225. Myrobolan latent ringspot virus
226. Narcissus yellow stripe virus
227. Necrotic ringspot virus serotypes
228. *Nectria cinnabarina*
229. *Nectria galligena*
230. Nematodes (plant parasitic)
231. *Neovossia indica*
232. *Oidium euonymi-japonici*
233. *Opogona sacchari*
234. *Ovulina azaleae*
235. *Paramyelois transitella*
236. *Pardalaspis cyanescens*
237. Pea seedborne mosaic virus
238. Peanut marginal chlorosis virus
239. Peanut mottle virus (syn. Groundnut mottle virus)
240. Peanut stunt virus
241. Pelargonium leaf curl virus
242. Peperomia ringspot virus
243. *Perenosclerospora maydis*
244. *Perenosclerospora phillipinensis*

245. *Perenosclerospora sacchari*
246. *Perenosclerospora spontanea*
247. *Peridermium cedri*
248. *Peronospora arborescens*
249. *Peronospora documeti*
250. *Perenospora farinosa*
251. *Peronospora hyoschyami*
252. *Peronospora jacksonii*
253. *Peronospora mesembryanthemi*
254. *Peronospora schachtii*
255. *Peronospora tabacina*
256. *Phakopsora cheoana*
257. *Phakopsora jatrophicola*
258. *Phakopsora pachyrhizi*
259. *Phakopsora zizyphi-vulgaris*
260. *Phoma cisti*
261. *Phoma sabdariffae*
262. *Phoma* spp
263. *Phoma strasseri*
264. *Phomopsis annonacearum*
265. *Phomopsis heveae*

DEPARTMENT OF AGRICULTURE, LAND REFORM AND RURAL DEVELOPMENT

NO. R. 6667 **26 September 2025**

PLANT HEALTH (PHYTOSANITARY) ACT, 2024 (ACT NO.35 OF 2024)

INVITATION FOR PUBLIC COMMENTS
DRAFT IMPORT REGULATIONS

I, John Steenhuisen, Minister of Agriculture, acting under section 30, read with sections 12, 13, and 23 of the Plant Health (Phytosanitary) Act, 2024 (Act No.35 of 2024) hereby invite all interested institutions, organisations and individuals to submit written comments and inputs on the proposed import regulations

Comments musts be submitted within 30 days from the date of publication of this notice to:

Dr Maanda Rambauli
Department of Agriculture
Directorate Plant Health
Private X14, Gezina 0031

Physical address: Department of Agriculture
30 Hamilton Street, Harvest House, Arcadia Pretoria

Email: MaandaR@nda.gov.za or DesireeB@nda.gov.za
Contact details: 012 319 6164/ 6189
078 827 4608/ 072 461 4581

MR J STEENHUISEN, MP
MINISTER OF AGRICULTURE
DATE: 02-05-25

PART I: DEFINITIONS AND INTERPRETATIONS

1. In these regulations any word or phrase to which a meaning has been assigned in the Act shall have that meaning and, unless the context otherwise indicates-

"Border Management Authority (BMA) officer" means an officer appointed in terms of the Border Management Authority Act, 2020 (Act No. 2 of 2020) responsible for the execution of frontline border law enforcement functions related to plant biosecurity control in terms of these Regulations;

"delegated officer" means the person delegated in terms of section 6(1)(a) of the Act;

"extended detention" means authorization of imports of plants, plant products and other regulated articles through designated ports of entry for inspection at an approved inland facility, beyond a 10 km radius from the port of entry, as determined by the BMA officials with the concurrence of the executive officer ;

"e-permit" means a digital platform or an electronic permitting system that allows an importer to apply for a permit online.

"interception (of a consignment)" means the refusal or controlled entry of an imported consignment due to failure to comply with phytosanitary regulations;

"post-entry quarantine" means quarantine applied to a consignment after entry; and

"quarantine facility" means an official facility for holding plants, plant products, and regulated articles under quarantine.

This gazette is also available free online at www.gpwonline.co.za

PART II: IMPORT OF PLANTS, PLANT PRODUCTS, AND OTHER REGULATED ARTICLES

Requirements for imports

2. (1) A person intending to import plants, plant products and other regulated articles into the Republic shall apply for an import permit in terms of section 13(1) of the Act.

(2) The importer must comply with the phytosanitary import requirements.

(3) The importer should stipulate the intended destination of the imported plants, plant products and other regulated articles into the Republic; where applicable, the delegated officer shall verify and validate the address to ensure traceability.

Application for an import permit

3. (1) An application for the issuing of an import permit shall be made in the form set out in Annexure B, or through the electronic permitting system (e-Certification) available on the departmental website

(2) Such an application form referred to in Annexure B shall be-

(a) fully completed and submitted to the executive officer or authorised person at least 30 working days prior to the date of the consignment leaving the exporting country; and

(b) accompanied by proof of payment made in accordance with the prescribed fees stipulated in Annexure A.

(c) sent via electronic mail (e-mail) to PlantHealthPermits@nda.gov.za or be delivered by post, addressed to the Directorate Food, Import and Export Standards, P.O. Box 40024, Arcadia, Pretoria, 0007 or by hand at Harvest House, 30 Hamilton Street, Arcadia, Pretoria.

This gazette is also available free online at www.gpwonline.co.za

Issuance of an import permit

4. (1) The application for an import permit shall be evaluated and verified by the executive officer or delegated officer to ensure compliance.

(2) The import permit shall be issued within 30 days if the phytosanitary import requirements are available.

(3) Pest Risk Analysis (PRA) will be conducted when there are no phytosanitary import requirements by NPPOZA, and upon completion of the PRA process an the import permit will be issued.

(4) The import permit granted is solely applicable to the commodity stated on the import permit. and in the quantity indicated.

(5) The issued import permit is valid for a period as determined by the executive officer.

(6) The executive officer may review, amend or revoke the issued import permit in terms of section 13(4)(a) of the Act.

(7) An import permit that requires compliance with the Plant Improvement Act, 2018 or other relevant legislations shall only be issued if accompanied by an approval letter from the relevant Registrar.

Point of entry

5. (1) Any person importing plants, plant products, and other regulated articles into the Republic on the authority of a permit must do so through the prescribed point of entry specified in Table 1 unless the executive officer has determined some other point of entry in terms of section 13(3)(a) of the Act.

Presentation of consignment for inspection

6. (1) The consignment imported and required documents shall be presented to the BMA officer or authorised person for inspection at the point

This gazette is also available free online at www.gpwonline.co.za

of entry or any other place determined by the executive officer in terms of section 13(3)(b) of the Act.

(2) The consignment inspected in sub-regulation 6(1) shall not be removed from the point of entry or any other place before the BMA officer or executive officer or authorised person has authorised such removal in writing.

(3) In cases where consignments do not comply with the phytosanitary import requirements the BMA officer or executive officer or authorized person may order the consignment to be:

(a) removed from the Republic

(b) detroy

(c) treat (depending on the risk identified)

(d) detained for any other phytosanitary action.

(4) The non-compliance referred to in sub-regulation 6(3) shall be communicated to the country of origin through the NPPOZA contact point.

Extended detention of imports for inspection at an inland facility

7. (1) Extended detention for all imports shall be authorised by the BMA officer with the concurrence of the executive officer.

(2) All consignments granted extended detention shall be:

(a) verified at the designated point of entry prior to movement to an approved facility;

(b) moved by affixing seals, marks, and movement documents issued at the point of entry to ensure consignment integrity;

(c) monitored for traceability; and

(d) inspected at an approved official facility.

(3) The seals may only be removed by a designated officer or authorised person during inspection.

(4) The consignment shall not be used for any other purposes unless it has been inspected and cleared for distribution in the Republic.

This gazette is also available free online at www.gpwonline.co.za

(5) The BMA officer and executive officer/ delegated officer within the responsible authority shall:

(a) coordinate among each other for inspection;

(b) perform any other functions to manage the risk of pest introduction;

(c) provide a feedback report after inspection to the relevant authority.

(6) The executive officer/ delegated officer responsible for inspection will then release the consignment upon compliance.

(7) In cases of non-compliance in the consignment during inspection, such consignment will either be treated or destroyed, depending on the level of risk identified.

Post-entry quarantine measures

8. (1) Any importer shall seek guidance from the NPPOZA for propagation material that should be subjected to post-entry quarantine measures regarding the availability of an officially approved quarantine facility.

(2) All imported propagation material destined for post-entry quarantine measures shall be:

(a) presented to the BMA officer at the point of entry

(b) collected by the NPPOZA official directly from the point of entry for establishment and propagation at the quarantine facility.

(3) All post-quarantine facilities shall be approved by the executive officer.

(4) The NPPOZA shall inspect, test, and examine all the propagation material that is subjected to the post-entry quarantine facility.

(5) If the propagation material held in the quarantine facility does not pose any phytosanitary risks or and are free from regulated pests, the propagation material will be released.

This gazette is also available free online at www.gpwonline.co.za

Importation of a biological control agent

9. (1) A person importing a biological control agent shall apply for an import permit.

(2) The NPPOZA with relevant entities shall conduct a risk assessment, and upon completion of the risk assessment, the NPPOZA shall issue an import permit.

(3) The NPPOZA shall ensure that the biological agent is taken directly to the designated quarantine facility or mass-rearing facility, if appropriate, and passed directly for release into the environment.

Importation for research purposes

10. (1) A person intending to import plants, plant products and other regulated articles for research purposes shall apply for an import permit and comply with phytosanitary import requirements.

(2) The researcher must adhere to specific disposal protocols after the research is complete.

PART III: GENERAL

Payment of fees

11. (1) The cost of any application or other document which is submitted or furnished in terms of these regulations, as well as on or of anything pertaining thereto, shall be paid by the sender thereof in terms of section 13(3)(e) of the Act and as stipulated in Annexure A.

(2) Any amount which is payable in terms of these regulations shall-

(a) be paid by cash or at the bank, or electronically, and the proof of payment must be submitted together with the relevant document to the executive officer.

This gazette is also available free online at www.gpwonline.co.za

TABLE 1

POINTS OF ENTRY

1. The harbours of -	Cape Town, Durban, East London, Port Elizabeth, Ngqura, and Richards Bay.
2. The International airports-	Cape Town International Airport, King Shaka International Airport, Kruger Mpumalanga International Airport, Lanseria International Airport, O.R. Tambo (Johannesburg) International Airport and Chief Dawid Stuurman (George) International Airport
3. The border control points at-	Beitbridge, Caledonspoort, Ficksburg Bridge, Golela, Grobler's Bridge, Jeppes Reef, Kopfontein, Kosi Bay, Lebombo, Mahamba, Mananga, Maseru Bridge, Nakop, Nerston, Oshoek, Qacha's Nek, Ramatlabama, Skilpadshek, Van Rooyen's Hek and Vioolsdrift.

Annexure A

FEES PAYABLE

NATURE OF SERVICE	TARIFF
1	2
1. Import Control: (a) During official office hours	
(i) Inspection outside the port of entry. This tariff includes consignments imported through official ports of entry and granted an extended detention	R 310.00 for 30 minutes or portion thereof including travelling
(ii) Re-examination of imported regulated articles that were cleaned, disinfected or treated after examination	R 310.00 for 30 minutes or portion thereof including travelling
(iii) Supervision over cleaning, disinfection or treatment of imported regulated articles	R 310.00 for 30 minutes or portion thereof including travelling
(iv) Purification of regulated articles of declared organisms (excluding quarantine organisms)	R 310.00 for 30 minutes or portion thereof including travelling
(v) Issuing of a permit to authorize importation of regulated articles	R240.00 per permit (Maximum of 10 plant genus)
(vi) Issuing of amendment letters	R 410.00 per letter
(vii) Issuing of copies	R 240.00 per copy
(b) Outside official office hours	
(i) Examination of imported regulated articles [Reg.5(2)]	
Weekdays from 16:00 – 20:00/ 06:00 – 07:30 and Saturdays from 06:00 – 20:00	R 450.00 for 30 minutes or portion thereof including travelling
Weekdays and Saturdays from 20:00 – 06:00 Sundays and Public holidays	R 580.00 for 30 minutes or portion thereof including travelling
(ii) Re-examination of imported regulated articles that were cleaned, disinfected or treated after examination	
Weekdays from 16:00 – 20:00/ 06:00 – 07: 30 and	R 450.00 for 30 minutes or portion

This gazette is also available free online at www.gpwonline.co.za

Saturdays from 06:00 – 20:00	thereof including travelling
Weekdays and Saturdays from 20:00 – 06:00 Sundays and Public holidays	R 580.00 for 30 minutes or portion thereof including travelling
(iii) Supervision over cleaning, disinfection or treatment of imported regulated articles	
Weekdays from 16:00 – 20:00/ 06:00 – 07: 30 and Saturdays from 06:00 – 20:00	R 450.00 for 30 minutes or portion thereof including travelling
Weekdays and Saturdays from 20:00 – 06:00 Sundays and Public holidays	R 580.00 for 30 minutes or portion thereof including travelling
(c) Laboratory tests Laboratory examinations of imported regulated articles:	
(i) Test for occurrence of bacteria	R 362.00 per isolation
(ii) Test for occurrence of fungi	R 257.00 per isolation
(iii) Test for occurrence of nematodes	R 176.00 per extraction
(iv) Test for occurrence of insects or mites	R 188.00 per sample
(v) Morphological identifications of insects, mites, nematodes or fungi	R 362.00 per identification
(vi) Biochemical tests for the identification of bacteria	R 303.00 per test
(vii) BIOLOG tests for the identification of bacteria	R 381.00 per test plate
(viii) PCR tests for the identification and/or detection of bacteria, fungi, nematodes, insects, mites, viruses and phytoplasmas	R 673.00 per sample for the first test plus R121.00 for every additional test
(ix) Sequencing for the identification of bacteria fungi, nematodes, insects, phytoplasmas	R 507.00 per sample
(x) ELISA tests for identification and/or detection of viruses	R 184.00 per test
(xi) Herbaceous indexing for the detection of viruses	R 323.00 per sample
2. Quarantine	
2.1 Approval of quarantine facilities (outside/ open quarantine) for evaluation of imported regulated articles	R 330.00 for 30 minutes or portion thereof

This gazette is also available free online at www.gpwonline.co.za

2.2 Transport, sampling, examination and inspection of imported regulated articles	R 645.00 for 30 minutes or portion thereof
2.3 Laboratory examinations of imported regulated articles (except regulated articles in DoA post entry quarantine stations)	
(i) Test occurrence of bacteria	R 362.00 per isolation
(ii) Test occurrence of fungi	R 257.00 per isolation
(iii) Test occurrence of nematodes	R 176.00 per extraction
(iv) Test occurrence of insects and mites	R 188.00 per sample
(v) Morphological identification of insects, mites, nematodes or fungi	R 362.00 per identification
(vi) Biochemical tests for the identification of bacteria	R 303.00 per test
(vii) BIOLOG tests for the identification of bacteria	R 381.00 per test plate
(viii) PCR tests for the identification of and/or detection of bacteria, fungi, nematodes, insects, mites, viruses and phytoplasmas	R 673.00 per sample for the first test plus R 121.00 for every additional test
(ix) Sequencing for the identification of bacteria, fungi, nematodes, insects, mites, viruses and phytoplasmas	R 507.00 per sample
(x) ELISA tests for identification and/or detection of viruses	R 184.00 per test
(xi) Herbaceous indexing for the detection of viruses	R 323.00 per sample
2.4 Inspection of a quarantine area in respect of which an application, adaptation or withdrawal of an instruction has been submitted	R 310.00 for 30 minutes or portion thereof including travelling
2.5 Test, examination or analysis of a sample taken in the course of an examination	
(i) Test occurrence of bacteria	R 362.00 per isolation
(ii) Test occurrence of fungi	R 257.00 per isolation
(iii) Test occurrence of nematodes	R 176.00 per extraction
(iv) Test occurrence of insects and mites	R 188.00 per sample

This gazette is also available free online at www.gpwonline.co.za

(v) Morphological identifications of insects, mites, nematodes or fungi	R 362.00 per identification
(vi) Biochemical tests for the identification of bacteria	R 303.00 per test
(vii) BIOLOG tests for the identification of bacteria	R 381.00 per test plate
(viii) PCR tests for the identification and/or detection of bacteria, fungi, nematodes, insects, mites, viruses and phytoplasmas	R 673.00 per sample for the first test plus R 121.00 for every additional test
(ix) Sequencing for the identification of bacteria, fungi, nematodes, insects, mites, viruses and phytoplasmas	R 507.00 per sample
(x) ELISA tests for identification and/or detection of viruses	R 184.00 per test
(xi) Herbaceous indexing for the detection of viruses	R 323.00 per sample
3. Appeal in terms of section 23 of the Act [Reg. 10(1) of the Regulations]	R 9 200.00 per appeal

This amendment will come into operation on 01 April 2025

ANNEXURE B

APPLICATION FOR A PERMIT FOR THE IMPORTATION OF PLANTS, PLANT PRODUCTS AND OTHER REGULATED ARTICLES IN TERMS OF THE PROVISIONS OF THE PLANT HEALTH (PHYTOSANITARY) ACT, 2024 (ACT NO.35 OF 2024).

STANDARD APPLICATION: MUST BE SUBMITTED AT LEAST 30 WORKING DAYS PRIOR TO THE CONSIGNMENT LEAVING THE EXPORTING COUNTRY

OTHER APPLICATIONS: APPLICANT WILL BE NOTIFIED OF HANDLING PROCEDURES.

DIRECTOR: DIRECTORATE: PLANT HEALTH, P.O. BOX 40024, ARCADIA, PRETORIA, 0007; OR
FAX: 27 12 319 6370 / E-MAIL PlantHealthPermits@nda.gov.za / TEL: 27 12 319 6102/ 6207/ 6383/ 6130/ 6396

I, the undersigned, hereby apply for a permit in terms of section 13(1) Plant Health (Phytosanitary) of the Act, 2024 to import the plants, plant products and other regulated articles of which the particulars appear hereunder, into South Africa. I hereby declare that the goods concerned do not contain any genetically manipulated organisms.

* Description of plants, plant products, and other regulated articles	Name of variety of plants (where applicable)	Quantity (number or mass)	Full name and address of foreign supplier	Point of entry	Purpose of which imported

Country of origin .....Name of company/applicant .....

Postal Address of applicant .....

Code .... Telephone / Cell phone no. ..... Fax no. .....

E-mail address.....

....
SIGNATURE OF APPLICANT PRINTED: NAME AND SURNAME OF APPLICANT DATE

* In the case of a plant (including seed), pathogen, insect or exotic animal, the scientific as well as the common name thereof shall be specified.

Collection of permits: -

Personal ☐ Courier (Importer to make own arrangement) ☐ Point of entry: .....
