government printing
Department:
Government Printing Works
REPUBLIC OF SOUTH AFRICA

HIGH ALERT: SCAM WARNING!!!

TO ALL SUPPLIERS AND SERVICE PROVIDERS OF THE GOVERNMENT PRINTING WORKS

It has come to the attention of the *GOVERNMENT PRINTING WORKS* that there are certain unscrupulous companies and individuals who are defrauding unsuspecting businesses disguised as representatives of the *Government Printing Works* (*GPW*).

The scam involves the fraudsters using the letterhead of *GPW* to send out fake tender bids to companies and requests to supply equipment and goods.

Although the contact person's name on the letter may be of an existing official, the contact details on the letter are not the same as the *Government Printing Works*'. When searching on the Internet for the address of the company that has sent the fake tender document, the address does not exist.

The banking details are in a private name and not company name. Government will never ask you to deposit any funds for any business transaction. *GPW* has alerted the relevant law enforcement authorities to investigate this scam to protect legitimate businesses as well as the name of the organisation.

Example of e-mails these fraudsters are using:

PROCUREMENT@GPW-GOV.ORG

Should you suspect that you are a victim of a scam, you must urgently contact the police and inform the *GPW*.

GPW has an official email with the domain as **@gpw.gov.za**

Government e-mails DO NOT have org in their e-mail addresses. All of these fraudsters also use the same or very similar telephone numbers. Although such number with an area code 012 looks like a landline, it is not fixed to any property.

GPW will never send you an e-mail asking you to supply equipment and goods without a purchase/order number. *GPW* does not procure goods for another level of Government. The organisation will not be liable for actions that result in companies or individuals being resultant victims of such a scam.

Government Printing Works gives businesses the opportunity to supply goods and services through RFQ / Tendering process. In order to be eligible to bid to provide goods and services, suppliers must be registered on the National Treasury's Central Supplier Database (CSD). To be registered, they must meet all current legislative requirements (e.g. have a valid tax clearance certificate and be in good standing with the South African Revenue Services - SARS).

The tender process is managed through the Supply Chain Management (SCM) system of the department. SCM is highly regulated to minimise the risk of fraud, and to meet objectives which include value for money, open and effective competition, equitability, accountability, fair dealing, transparency and an ethical approach. Relevant legislation, regulations, policies, guidelines and instructions can be found on the tender's website.

Fake Tenders

National Treasury's CSD has launched the Government Order Scam campaign to combat fraudulent requests for quotes (RFQs). Such fraudulent requests have resulted in innocent companies losing money. We work hard at preventing and fighting fraud, but criminal activity is always a risk.

How tender scams work

There are many types of tender scams. Here are some of the more frequent scenarios:

Fraudsters use what appears to be government department stationery with fictitious logos and contact details to send a fake RFQ to a company to invite it to urgently supply goods. Shortly after the company has submitted its quote, it receives notification that it has won the tender. The company delivers the goods to someone who poses as an official or at a fake site. The Department has no idea of this transaction made in its name. The company is then never paid and suffers a loss.

OR

Fraudsters use what appears to be government department stationery with fictitious logos and contact details to send a fake RFQ to Company A to invite it to urgently supply goods. Typically, the tender specification is so unique that only Company B (a fictitious company created by the fraudster) can supply the goods in question.

Shortly after Company A has submitted its quote it receives notification that it has won the tender. Company A orders the goods and pays a deposit to the fictitious Company B. Once Company B receives the money, it disappears. Company A's money is stolen in the process.

Protect yourself from being scammed

- If you are registered on the supplier databases and you receive a request to tender or quote that seems to be from a government department, contact the department to confirm that the request is legitimate. Do not use the contact details on the tender document as these might be fraudulent.
- Compare tender details with those that appear in the Tender Bulletin, available online at **www.gpwonline.co.za**
- Make sure you familiarise yourself with how government procures goods and services. Visit the tender website for more information on how to tender.
- If you are uncomfortable about the request received, consider visiting the government department and/or the place of delivery and/or the service provider from whom you will be sourcing the goods.
- In the unlikely event that you are asked for a deposit to make a bid, contact the SCM unit of the department in question to ask whether this is in fact correct.

Any incidents of corruption, fraud, theft and misuse of government property in the *Government Printing Works* can be reported to:

Supply Chain Management: Ms. Anna Marie Du Toit, Tel. (012) 748 6292.

The pricing structure for National and Provincial notices which are submitted as **Extra ordinary submissions** will be charged at R**3026.32** per page.

GOVERNMENT PRINTING WORKS - BUSINESS RULES

The **Government Printing Works** (**GPW**) has established rules for submitting notices in line with its electronic notice processing system, which requires the use of electronic *Adobe* Forms. Please ensure that you adhere to these guidelines when completing and submitting your notice submission.

Closing Times for Acceptance of Notices

1. The *Government Gazette* and *Government Tender Bulletin* are weekly publications that are published on Fridays and the closing time for the acceptance of notices is strictly applied according to the scheduled time for each gazette.

2. Please refer to the Submission Notice Deadline schedule in the table below. This schedule is also published online on the Government Printing works website www.gpwonline.co.za

   All re-submissions will be subject to the standard cut-off times.
   All notices received after the closing time will be rejected.

Government Gazette Type	Publication Frequency	Publication Date	Submission Deadline	Cancellations Deadline
National Gazette	Weekly	Friday	Friday 15h00 for next Friday	Tuesday, 15h00 - 3 working days prior to publication
Regulation Gazette	Weekly	Friday	Friday 15h00 for next Friday	Tuesday, 15h00 - 3 working days prior to publication
Petrol Price Gazette	Monthly	Tuesday before 1st Wednesday of the month	One day before publication	1 working day prior to publication
Road Carrier Permits	Weekly	Friday	Thursday 15h00 for next Friday	3 working days prior to publication

Mpumalanga	Weekly	Friday	One week before publication	3 working days prior to publication

GOVERNMENT PRINTING WORKS - BUSINESS RULES

Government Gazette Type	Publication Frequency	Publication Date	Submission Deadline	Cancellations Deadline
Gauteng Liquor License Gazette	Monthly	Wednesday before the First Friday of the month	Two weeks before publication	3 working days **after** submission deadline
Northern Cape Liquor License Gazette	Monthly	First Friday of the month	Two weeks before publication	3 working days **after** submission deadline
National Liquor License Gazette	Monthly	First Friday of the month	Two weeks before publication	3 working days **after** submission deadline
Mpumalanga Liquor License Gazette	Bi-Monthly	Second & Fourth Friday	One week before publication	3 working days prior to publication

Extraordinary Gazettes

3. *Extraordinary Gazettes* can have only one publication date. If multiple publications of an *Extraordinary Gazette* are required, a separate Z95/Z95Prov *Adobe* Forms for each publication date must be submitted.

Notice Submission Process

4. Download the latest *Adobe* form, for the relevant notice to be placed, from the **Government Printing Works** website www.gpwonline.co.za.

5. The *Adobe* form needs to be completed electronically using *Adobe Acrobat* / *Acrobat Reader*. Only electronically completed *Adobe* forms will be accepted. No printed, handwritten and/or scanned *Adobe* forms will be accepted.

6. The completed electronic *Adobe* form has to be submitted via email to submit.egazette@gpw.gov.za. The form needs to be submitted in its original electronic *Adobe* format to enable the system to extract the completed information from the form for placement in the publication.

7. Every notice submitted **must** be accompanied by an official **GPW** quotation. This must be obtained from the *eGazette* Contact Centre.

8. Each notice submission should be sent as a single email. The email **must** contain **all documentation relating to a particular notice submission**.

   8.1. Each of the following documents must be attached to the email as a separate attachment:

      8.1.1. An electronically completed *Adobe* form, specific to the type of notice that is to be placed.

         8.1.1.1. For National *Government Gazette* or *Provincial Gazette* notices, the notices must be accompanied by an electronic Z95 or Z95Prov *Adobe* form

         8.1.1.2. The notice content (body copy) **MUST** be a separate attachment.

      8.1.2. A copy of the official **Government Printing Works** quotation you received for your notice. *(Please see Quotation section below for further details)*

      8.1.3. A valid and legible Proof of Payment / Purchase Order: **Government Printing Works** account customer must include a copy of their Purchase Order**. Non-Government Printing Works** account customer needs to submit the proof of payment for the notice

      8.1.4. Where separate notice content is applicable (Z95, Z95 Prov and TForm 3, it should **also** be attached as a separate attachment. *(Please see the Copy Section below, for the specifications)*.

      8.1.5. Any additional notice information if applicable.

GOVERNMENT PRINTING WORKS - BUSINESS RULES

9. The electronic *Adobe* form will be taken as the primary source for the notice information to be published. Instructions that are on the email body or covering letter that contradicts the notice form content will not be considered. The information submitted on the electronic *Adobe* form will be published as-is.

10. To avoid duplicated publication of the same notice and double billing, Please submit your notice **ONLY ONCE.**

11. Notices brought to **GPW** by "walk-in" customers on electronic media can only be submitted in *Adobe* electronic form format. All "walk-in" customers with notices that are not on electronic *Adobe* forms will be routed to the Contact Centre where they will be assisted to complete the forms in the required format.

12. Should a customer submit a bulk submission of hard copy notices delivered by a messenger on behalf of any organisation e.g. newspaper publisher, the messenger will be referred back to the sender as the submission does not adhere to the submission rules.

QUOTATIONS

13. Quotations are valid until the next tariff change.

    13.1. ***Take note:*** **GPW**'s annual tariff increase takes place on ***1 April*** therefore any quotations issued, accepted and submitted for publication up to ***31 March*** will keep the old tariff. For notices to be published from 1 April, a quotation must be obtained from **GPW** with the new tariffs. Where a tariff increase is implemented during the year, **GPW** endeavours to provide customers with 30 days' notice of such changes.

14. Each quotation has a unique number.

15. Form Content notices must be emailed to the *eGazette* Contact Centre for a quotation.

    15.1. The *Adobe* form supplied is uploaded by the Contact Centre Agent and the system automatically calculates the cost of your notice based on the layout/format of the content supplied.

    15.2. It is critical that these *Adobe* Forms are completed correctly and adhere to the guidelines as stipulated by **GPW**.

16. **APPLICABLE ONLY TO GPW ACCOUNT HOLDERS**:

    16.1. **GPW** Account Customers must provide a valid **GPW** account number to obtain a quotation.

    16.2. Accounts for **GPW** account customers **must** be active with sufficient credit to transact with **GPW** to submit notices.

        16.2.1. If you are unsure about or need to resolve the status of your account, please contact the **GPW** Finance Department prior to submitting your notices. (If the account status is not resolved prior to submission of your notice, the notice will be failed during the process).

17. **APPLICABLE ONLY TO CASH CUSTOMERS:**

    17.1. Cash customers doing **bulk payments** must use a **single email address** in order to use the **same proof of payment** for submitting multiple notices.

18. The responsibility lies with you, the customer, to ensure that the payment made for your notice(s) to be published is sufficient to cover the cost of the notice(s).

19. Each quotation will be associated with one proof of payment / purchase order / cash receipt.

    19.1. This means that **the quotation number can only be used once to make a payment.**

GOVERNMENT PRINTING WORKS - BUSINESS RULES

Copy (Separate Notice Content Document)

20. Where the copy is part of a separate attachment document for Z95, Z95Prov and TForm03

20.1. Copy of notices must be supplied in a separate document and may not constitute part of any covering letter, purchase order, proof of payment or other attached documents.

The content document should contain only one notice. (You may include the different translations of the same notice in the same document).

20.2. The notice should be set on an A4 page, with margins and fonts set as follows:

Page size = A4 Portrait with page margins: Top = 40mm, LH/RH = 16mm, Bottom = 40mm; Use font size: Arial or Helvetica 10pt with 11pt line spacing;

Page size = A4 Landscape with page margins: Top = 16mm, LH/RH = 40mm, Bottom = 16mm; Use font size: Arial or Helvetica 10pt with 11pt line spacing;

Cancellations

21. Cancellation of notice submissions are accepted by **GPW** according to the deadlines stated in the table above in point 2. Non-compliance to these deadlines will result in your request being failed. Please pay special attention to the different deadlines for each gazette. Please note that any notices cancelled after the cancellation deadline will be published and charged at full cost.

22. Requests for cancellation must be sent by the original sender of the notice and must accompanied by the relevant notice reference number (N-) in the email body.

Amendments to notices

23. With effect from 01 October 2015, **GPW** will not longer accept amendments to notices. The cancellation process will need to be followed according to the deadline and a new notice submitted thereafter for the next available publication date.

Rejections

24. All notices not meeting the submission rules will be rejected to the customer to be corrected and resubmitted. Assistance will be available through the Contact Centre should help be required when completing the forms. (012-748 6200 or email info.egazette@gpw.gov.za). Reasons for rejections include the following:

24.1. Incorrectly completed forms and notices submitted in the wrong format, will be rejected.

24.2. Any notice submissions not on the correct *Adobe* electronic form, will be rejected.

24.3. Any notice submissions not accompanied by the proof of payment / purchase order will be rejected and the notice will not be processed.

24.4. Any submissions or re-submissions that miss the submission cut-off times will be rejected to the customer. The Notice needs to be re-submitted with a new publication date.

GOVERNMENT PRINTING WORKS - BUSINESS RULES

APPROVAL OF NOTICES

25. Any notices other than legal notices are subject to the approval of the Government Printer, who may refuse acceptance or further publication of any notice.

26. No amendments will be accepted in respect to separate notice content that was sent with a Z95 or Z95Prov notice submissions. The copy of notice in layout format (previously known as proof-out) is only provided where requested, for Advertiser to see the notice in final Gazette layout. Should they find that the information submitted was incorrect, they should request for a notice cancellation and resubmit the corrected notice, subject to standard submission deadlines. The cancellation is also subject to the stages in the publishing process, i.e. If cancellation is received when production (printing process) has commenced, then the notice cannot be cancelled.

GOVERNMENT PRINTER INDEMNIFIED AGAINST LIABILITY

27. The Government Printer will assume no liability in respect of—

27.1. any delay in the publication of a notice or publication of such notice on any date other than that stipulated by the advertiser;

27.2. erroneous classification of a notice, or the placement of such notice in any section or under any heading other than the section or heading stipulated by the advertiser;

27.3. any editing, revision, omission, typographical errors or errors resulting from faint or indistinct copy.

LIABILITY OF ADVERTISER

28. Advertisers will be held liable for any compensation and costs arising from any action which may be instituted against the Government Printer in consequence of the publication of any notice.

CUSTOMER INQUIRIES

Many of our customers request immediate feedback/confirmation of notice placement in the gazette from our Contact Centre once they have submitted their notice – While **GPW** deems it one of their highest priorities and responsibilities to provide customers with this requested feedback and the best service at all times, we are only able to do so once we have started processing your notice submission.
GPW has a 2-working day turnaround time for processing notices received according to the business rules and deadline submissions.
Please keep this in mind when making inquiries about your notice submission at the Contact Centre.

29. Requests for information, quotations and inquiries must be sent to the Contact Centre ONLY.

30. Requests for Quotations (RFQs) should be received by the Contact Centre at least **2 working days** before the submission deadline for that specific publication.

GOVERNMENT PRINTING WORKS - BUSINESS RULES

Payment of cost

31. The Request for Quotation for placement of the notice should be sent to the Gazette Contact Centre as indicated above, prior to submission of notice for advertising.

32. Payment should then be made, or Purchase Order prepared based on the received quotation, prior to the submission of the notice for advertising as these documents i.e. proof of payment or Purchase order will be required as part of the notice submission, as indicated earlier.

33. Every proof of payment must have a valid **GPW** quotation number as a reference on the proof of payment document.

34. Where there is any doubt about the cost of publication of a notice, and in the case of copy, an enquiry, accompanied by the relevant copy, should be addressed to the Gazette Contact Centre, **Government Printing Works**, Private Bag X85, Pretoria, 0001 email: info.egazette@gpw.gov.za before publication.

35. Overpayment resulting from miscalculation on the part of the advertiser of the cost of publication of a notice will not be refunded, unless the advertiser furnishes adequate reasons why such miscalculation occurred. In the event of underpayments, the difference will be recovered from the advertiser, and future notice(s) will not be published until such time as the full cost of such publication has been duly paid in cash or electronic funds transfer into the **Government Printing Works** banking account.

36. In the event of a notice being cancelled, a refund will be made only if no cost regarding the placing of the notice has been incurred by the **Government Printing Works**.

37. The **Government Printing Works** reserves the right to levy an additional charge in cases where notices, the cost of which has been calculated in accordance with the List of Fixed Tariff Rates, are subsequently found to be excessively lengthy or to contain overmuch or complicated tabulation.

Proof of publication

38. Copies of any of the *Government Gazette* or *Provincial Gazette* can be downloaded from the **Government Printing Works** website www.gpwonline.co.za free of charge, should a proof of publication be required.

39. Printed copies may be ordered from the Publications department at the ruling price. The **Government Printing Works** will assume no liability for any failure to post or for any delay in despatching of such *Government Gazette*(s)

DEPARTMENT OF MINERAL RESOURCES AND ENERGY

NO. 6726 **10 October 2025**

MINERAL AND PETROLEUM RESOURCES DEVELOPMENT ACT, 2002 (Act 28 of 2002)

GEOPHYSICAL SURVEYS IN THE SOUTHERN KAROO REGION IN TERMS OF SECTION 50 OF THE MINERAL AND PETROLEUM RESOURCES DEVELOPMENT ACT, 2002 (ACT NO. 28 OF 2002)

Notice is hereby given that the department has concluded the consultation process with interested and affected parties on the Minister's intention to conduct an investigation in the southern part of the Karoo Region to establish the subsurface geology and its structure as it relates to petroleum, and to establish the nature and extent of the subsurface geology and its structure and assess any potential geological risks published in terms of Section 50(1) of the Mineral and Petroleum Resources Development Act, 2002 (Act No.28 of 2002) ("the Act"), (Annexure A) under Government Notice No. 51637 (Vol. 713) on 30 August 2024 and Government Notice No. 5572 on 22 November 2024.

The gazettes invited interested and affected parties to submit written comments on the proposed investigations, and requested the owners, occupiers, or persons in control of land subject to the investigations to furnish the minister with their particulars. The commenting period closed on 9 January 2025.

The department received a total of 62 written comments related to the planned geophysical surveys. These comments were processed and responded to, including through further consultations with the interested and affected parties.

The consultation process, including with the Department of Forestry, Fisheries and the Environment further confirmed that the proposed geophysical surveys do not require an Environmental Authorization provided for in terms of the National Environmental Management Act 107 of 1998 ("the NEMA") read with the Environmental Impact Assessment Regulations, 2014 ("the EIA Regulations") and Listing Notices 1, 2 and 3 ("the Listing Notices").

Nonetheless, a Basic Environmental Impact Assessment and related Public Consultations for the 2D seismic survey are currently being conducted by an Independent Environmental Assessment

Practitioner (EAP) as a duty of care and to ensure that the appropriate mitigation measures are put in place during the 2D seismic survey.

I am satisfied that all concerns regarding the proposed geophysical surveys were considered and addressed. The department will therefore continue with the airborne magnetic and magnetotelluric surveys, which will be followed by the 2D seismic survey on conclusion of the EIA process and related public consultation. The aim of this investigation is to improve the understanding of the subsurface geology of the Karoo Basin, to further inform the regulatory framework for shale gas exploration and exploitation.

In order to promote transparency and ensure effective public participation, stakeholder engagements will continue throughout the project lifecycle.

SAMSON GWEDE MANTASHE (MP)
MINISTER OF MINERAL AND PETROLEUM RESOURCES

DEPARTEMENT VAN MINERAALBRONNE EN ENERGIE

NO. 6726 **10 Oktober 2025**

WET OP DIE ONTWIKKELING VAN MINERALE- EN PETROLEUMHULPBRONNE, 2002 (Wet 28 van 2002)

GEOFISIESE OPNAMES IN DIE SUIDELIKE KAROO-STREEK INGEVOLGE ARTIKEL 50 VAN DIE WET OP DIE ONTWIKKELING VAN MINERALE- EN PETROLEUMHULPBRONNE, 2002 (WET NO. 28 VAN 2002)

Kennis word hiermee gegee dat die departement die konsultasieproses met belanghebbende en geaffekteerde partye oor die Minister se voorneme om 'n ondersoek in die suidelike deel van die Karoo-streek te doen, afgesluit het om die ondergrondse geologie en die struktuur daarvan met betrekking tot petroleum vas te stel, en om die aard en omvang van die ondergrondse geologie en die struktuur daarvan vas te stel en enige potensiële geologiese risiko's te beoordeel wat gepubliseer is ingevolge Artikel 50(1) van die Wet op die Ontwikkeling van Minerale en Petroleumhulpbronne, 2002 (Wet Nr. 28 van 2002) ("die Wet"), (Aanhangsel A) onder Regeringskennisgewing Nr. 51637 (Vol. 713) op 30 Augustus 2024 en Regeringskennisgewing Nr. 5572 op 22 November 2024.

Die koerante het belangstellende en geaffekteerde partye genooi om skriftelike kommentaar oor die voorgestelde ondersoeke in te dien, en het die eienaars, okkupeerders of persone in beheer van grond wat onderhewig is aan die ondersoeke versoek om die minister van hul besonderhede te voorsien. Die kommentaarperiode het op 9 Januarie 2025 gesluit.

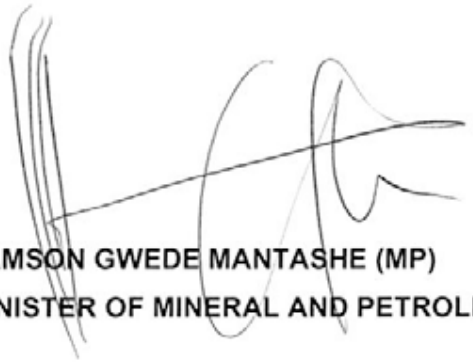

Die departement het altesaam 62 skriftelike kommentare ontvang met betrekking tot die beplande geofisiese opnames. Hierdie kommentare is verwerk en beantwoord, onder meer deur verdere konsultasies met die belanghebbende en geaffekteerde partye.

Die konsultasieproses, insluitend met die Departement van Bosbou, Visserye en die Omgewing, het verder bevestig dat die voorgestelde geofisiese opnames nie 'n Omgewingsmagtiging vereis soos bepaal ingevolge die Nasionale Omgewingsbestuurswet 107 van 1998 ("die NEMA") gelees met die Omgewingsimpakbepalingsregulasies, 2014 ("die OIE-regulasies") en Lyskennisgewings 1, 2 en 3 ("die Lyskennisgewings") nie.

Nietemin word 'n Basiese Omgewingsimpakstudie en verwante Openbare Konsultasies vir die 2D-seismiese opname tans deur 'n Onafhanklike Omgewingsassesseringspraktisyn (OAP) uitgevoer as 'n sorgplig en om te verseker dat die toepaslike versagtingsmaatreëls tydens die 2D-seismiese opname in plek gestel word.

Ek is tevrede dat alle bekommernisse rakende die voorgestelde geofisiese opnames oorweeg en aangespreek is. Die departement sal dus voortgaan met die lugmagnetiese en magnetotelluriese opnames, wat gevolg sal word deur die 2D-seismiese opname na afloop van die OIB-proses en verwante openbare konsultasie. Die doel van hierdie ondersoek is om die begrip van die ondergrondse geologie van die Karoo-kom te verbeter, om die regulatoriese raamwerk vir skaliegaseksplorasie en -ontginning verder te beïnvloed.

Om deursigtigheid te bevorder en effektiewe openbare deelname te verseker, sal belanghebberbetrokkenheid dwarsdeur die projeklewensiklus voortduur.

SAMSON GWEDE MANTASHE (MP)
MINISTER OF MINERAL AND PETROLEUM RESOURCES

ISEBE LEMITHOMBO YEZIMBIWA NE-PETROLEUM

UMTHETHO WOPHUHLISO LWEMITHOMBO YEZIMBIWA NE-PETROLEUM (UMTHETHO NO. 28 KA-2002)

UPHANDO LWE-GEOPHYSICS KUMMANDLA OSEMZANTSI WE-KAROO NGOKWECANDELO 50 LOMTHETHO WOPHUHLISO LWEMITHOMBO YEZIMBIWA NE-PETROLEUM, 2002 (UMTHETHO NO. 28 KA-2002)

Esi saziso sichaza ukuba iSebe liyigqibile inkqubo yokubonisana namaqela anomdla nachaphazelekayo kuphando oluchetywa nguMphathiswa kumzantsi wommandla weKaroo. Oluphando lumalunga nokuvavanya ubume, ulwakhiwo lomhlaba ngokunxulumelene nemithombo ye-petroleum kunye nokuhlolwa kwemingcipheko enokubakhona kwimithombo echaphazelekayo. Oluphando lwapapashwa ngokweCandelo 50(1) loMthetho Wophuhliso lweMithombo yeZimbiwa ne-Petroleum, 2002 (uMthetho No. 28 ka-2002) ("uMthetho"), (IsiHlomelo A) phantsi kweSaziso sikaRhulumente No. 51637 (Umqulu 713) ngomhla we-30 kweyeThupha 2024 kunye neSaziso sikaRhulumente No. 5572 ngomhla we-22 kweyeNkanga 2024.

Iizaziso zikaRhulumente zamema amaqela anomdla kunye namaqela achaphazelekayo ukuba angenise izimvo ezibhaliweyo malunga nophando olucetywayo, kwaye kwacelwa abanini, abahlali, okanye abo balawula umhlaba ochaphazelekayo ukuba banike uMphathiswa iinkcukacha zabo. Ixesha lokungenisa izimvo neenkcukacha lavalwa ngomhla we-9 kweyoMqungu 2025.

ISebe lifumene izimvo ezibhaliweyo ezingama-62 ezinxulumene nophando lweGeophysics olucwangcisiweyo. Ezi zimvo zaqwalaselwa kwaye zaphendulwa ngokufanelekileyo, kwaphindwa kwaboniswana ngakumbi namaqela anomdla nachaphazelekayo.

Inkqubo yokubonisana neSebe lezamaHlathi, ukuLoba nokusiNgqongileyo yaqinisekisa ngakumbi ukuba uphando lweGeophysics olucwangcisiweyo aludingi uGunyaziso lokusiNgqongileyo olubonelelwe ngokwemiqathango yoMthetho weSizwe woLawulo lokusiNgqongileyo 107 ka-1998 ("iNEMA") efundwa kunye neMigaqo yoVavanyo lweMpembelelo yokusiNgqongileyo, 2014 kunye nezaziso zoluhlu 1, 2 kunye ne-3 ("izaziso zoluhlu "). Nangona kunjalo, uVavanyo olusisiseko lweMpembelelo yokusiNgqongileyo kunye nokubonisana namaqela anomdla nachaphazelekayo kuvavanyo lwenyikima ye-2D luqhutywa yiNgcali ezimeleyo yovavanyo lokusingqongileyo

njengoxanduva lokukhathalela kunye nokuqinisekisa ukuba amanyathelo afanelekileyo okunciphisa ayabekwa phambi kokuba luqale uphando.

Ndonelisekile kukuba zonke inkxalabo ezimalunga nophando olucetywayo ziqwalaselwe kwaye zaphendulwa. ISebe ngoku lizakuqhubeka nophando olusebenzisa ubuxhakaxhaka obukwinqwelo-ntaka kunye nolusebenzisa izixhobo zombane ezithi zijonge ubume bomhlaba kunye nayo yonke eminye imithombo efumanekayo. Oluphando luzakuqala ekupheleni kwenkqubo yoVavanyo olusisiseko lweMpembelelo yokusiNgqongileyo kunye nokubonisana noluntu olubandanyekayo. Injongo yoluphando kukuphucula ukuqonda ngobume bomhlaba okwi-Karoo Basin nokwazisa nangakumbi isakhelo solawulo malunga nokuhlolwa nokusentyenziswa kwerhasi efumaneka kwuhlobo lwelitye elibizwa i-shale.

Ukukhuthaza ukungafihli nokuqinisekisa ukubandakanyeka koluntu olunomdla noluchaphazelekayo, uluntu luzakukwaziswa ngenkqubo yophando kuzo zonke izigaba ze-projekthi.

DEPARTMENT OF WATER AND SANITATION

NO. 6728 **10 October 2025**

NOTIFICATION TO INTRODUCE THE NATIONAL WATER AMENDMENT BILL, 2025 INTO PARLIAMENT AND PUBLICATION OF EXPLANATORY SUMMARY OF THE BILL

Minister, Miss Pemmy. C. Majodina, MP intends to introduce the National Water Amendment Bill, 2025, into Parliament. The following Explanatory Summary of the Bill is hereby published in accordance with Rules 271 and 276 (1)(b) and (c) of the Rules of the National Assembly.

The National Water Amendment Bill, 2025 (the "Bill") amends the South National Water Act,1998 (Act 36 of 1998) (the "Act"). The Bill seeks to:

(a) enhance and strengthen regulatory aspect intended to ensure that country's water resources are managed, protected used, developed, and conserved, while promoting equity and redressing the past imbalances; and

The Bill has been certified by the Chief State Law Advisor as being consistent with the Constitution and properly drafted in the style and form consistent with the legislative practice and is therefore in compliance with Rule 279(2) of the Rules of the National Assembly.

Yours sincerely

MISS PEMMY C.P MAJODINA, MP
MINISTER OF WATER AND SANITATION

APPLICATION FOR A NEW STATUTORY MEASURE:
BREEDING AND TECHNOLOGY LEVY ON COTTON LINT
IN TERMS OF THE MARKETING OF AGRICULTURAL PRODUCTS ACT, 1996, (ACT NO 47 OF 1996),
(MAP ACT) AS AMENDED

••••

INVITATION TO DIRECTLY AFFECTED GROUPS IN THE COTTON INDUSTRY TO FORWARD COMMENTS REGARDING THE REQUEST FROM COTTON SOUTH AFRICA

In terms of section 11 of the Marketing of Agricultural Products Act, 1996 (Act No. 47 of 1996) (MAP Act), the NAMC hereby announce that the Minister of Agriculture has received a request from Cotton South Africa (NPC), on behalf of the directly affected groups in the cotton industry, for the establishment of the following statutory levy for a period of three years as from 1 April 2026 *(this application is separate from the recent application for the continuation of the statutory measures currently applicable and administrated by Cotton SA*):

- **a statutory levy on cotton lint ginned from seed cotton, at a rate of 54 c/kg (VAT excluded) from 1 April 2026 to fund seed breeding and technology (endpoint royalty system) to be payable by South African ginners to an administrator, to be confirmed at the time of implementing the new levy, on cotton lint produced. A ginner who has paid the levy over to the administrator, may recover the amount of the levy from the producer or person from whom he has received the seed cotton.**

The purpose of the new application for a statutory levy to facilitate an endpoint royalty system for cotton, for an initial period of 3 years, is in addition to the already approved statutory levy in place on cotton lint, and the recent application for continuation of statutory measures for 2026-2030. The current levy includes the 20% transformation allocation. Since this proportion of the levy is already included on cotton lint, the industry requested with this second levy application that the 20% aimed at transformation be waivered.

The endpoint royalty system implies the collection of a fee from farmers at the processing point, which is the cotton ginnery. Collecting a fee and administering it through an independent company, such as the South African Cultivar and Technology Agency (SACTA), that is yet to be confirmed, will see to it that the two seed companies and the current technology holder will get an objective division of the levy proportion for plant genetics and the licensing fee for technology in the seed. This will ensure that seed companies can bring down the price of seed considerably and make it more affordable for farmers to buy cotton seed, a determining factor whether cotton is an affordable crop to cultivate. Ongoing conversations with value-chain input providers, like seed companies, the technology holder, ginners and farmers *via* the South African Cotton Producers Organisation (SACPO) has resulted in the decision that this is the best way forward for the industry, to ensure sustainable seed production and provision, access to affordable seed and technology and future investment by role-players in cotton production.

The endpoint royalty system will also benefit the smallholder, since it would make seed more affordable, and the dryland farmer will only pay for the benefit derived from the technology and

plant genetics which they have enjoyed for that specific season after harvesting and delivery to the ginnery.

Statutory levies for breeding and technology purposes have been imposed over the past few years on wheat, barley, oats, soybeans and lupins to create sustainable breeding research funding models. These levies have been administered by SACTA. This Non-Profit Company was established to act as administrator for the Breeding and Technology System of other crops, to eventually administer breeding and technology levies on most self-pollinated crops. The Board of Directors of SACTA includes industry role-players that are directly affected by the payment and/or utilisation of the levies, as well as two representatives appointed by the Minister of Agriculture.

The statutory breeding levies on the various products have proven to be effective and payments to the appropriate seed marketing companies were successfully made at the end of each marketing season. The implementation of a similar model for the cotton industry is therefore important to achieve the required benefits for the development of new seed varieties and investment in new biotechnologies to improve yields and production and maintain food security in the country.

If approved, the levy will be payable to the assigned administrator by ginners and will be recovered from producers. Institutions or processors, like ginneries who will be collecting and paying the levy over to an administrator, may claim 2,5% commission on the amount of the total levy collected to cover their costs.

PARTICULARS REQUIRED IN TERMS OF SECTION 10 OF THE MAP ACT

The relevant particulars, as required in terms of section 10(2) of the MAP Act, to be included in a request for the establishment of a statutory measure of this nature, are as follows:

1. The proposed statutory levy would relate to cotton lint produced in the Republic of South Africa.

2. The manner in which the objectives referred to in section 2(2) of the MAP Act will be advanced (namely increased market access for all market participants, promotion of the efficiency of the marketing of agricultural products, optimisation of export earnings from agricultural products and the enhancement of the viability of the agricultural sector) is summarised below:

   The management of the levy is regarded as critical for strategic sustainable growth in the cotton industry and will be to the benefit of the directly affected groups respectively, i.e. the seed companies and the technology holder. Proper and accurate information or monthly returns of cotton lint as seed cotton is processed, will not only increase market access for all value-chain input providers, but will also promote investment in the industry in terms of seed security, seed quality and access to affordable seed, furthering research and development and access to technology.

   The promotion of the production of cotton can make a significant contribution towards the level of household food security in South Africa, particularly in the more arid regions of the country where cotton is preferred over other summer crops which regularly fail. It is furthermore important that perceptions be changed in terms of crops more suited to those areas to feature more strongly. Research is essential for the furtherance of the primary cotton industry's competitive position, considering the extremely competitive marketing environment in which cotton competes with other crops, the export market, and the steady decline in cotton fiber production over the past few years. Research is also important for access to alternative cultivars and technology, for both commercial and small-scale farmers. Studies done by seed companies in relation to cultivar development, such as yield tendencies, adaptability and yield stability, make it possible for the cotton producer to make meaningful cultivar choices for specific conditions.

A portion of the funds collected by means of this levy will be focused on providing seed and technology for small-scale farmers and the developing cotton industry.
The newly established statutory measure will not only assist in enhancing market access for all market participants but will also enhance the viability of the cotton industry. The establishment of this measure will in fact further all the objectives of the Act as stipulated in Section 2 thereof.

3. Cotton SA requests that, since more than 20% of the funds collected by means of the general statutory levy on cotton already focuses on small-scale farmers and transformation of the cotton industry, the proposed breeding and technology levy on cotton lint be excluded from the 20% allocation for transformation.

4. The administrator will take responsibility for the collection of the levy and for the administrative functions associated with the proposed levy. The proposed cotton statutory levy collected shall be administered in a separate account by an independent authority. This administrator shall be audited in accordance with generally accepted accounting practices.

5. Annual audits will be available to the Auditor-General.

BUSINESS PLAN:

The income by means of the proposed statutory levy is based on a success rate of 100% in the collection of levies. The proposed levy amount is approximately 1.7% of the average cotton lint price from 2022 to 2024. The following income is budgeted for the next three years:

Estimated budget: Cotton breeding/technology levy

Financial year	Estimated crop size	Levy amount	Budgeted income	Amount before deduction of Administration costs	2,5% Commission (Ginneries)	0.5% Administration cost	Possible proportional distribution (Seed Co. and technology holder)
	(200kg lint bales)	(c/kg)	R	R	R	R	R
2026/27	65 198	54	R7 041 346	R6 865 313	R176 034	R343 266	R6 522 047
2027/28	68 458	54	R7 393 414	R7 208 578	R184 835	R360 429	R6 848 149
2028/29	71 880	54	R7 763 084	R7 569 007	R194 077	R378 450	R7 190 557

These statutory funds will be used to support breeding and research functions, based on the following:

- The levy funds are earmarked for commercial breeding activities by seed companies based on their performance and adoption in the seed market.
- These funds will be distributed according to the calculated market share of each seed company.
- The budget for administration costs represents approximately 3% of the expected income by means of statutory levy on cotton during the next two years; and
- The levy is applicable on local lint production only.

REQUEST FOR COMMENTS OR SUPPORT:

As the proposed introduction of the breeding and technology levy on cotton lint is consistent with the objectives of the MAP Act, the NAMC is investigating the possible introduction of this new statutory levy, in order to facilitate an endpoint royalty system for cotton.

Directly affected groups in the cotton industry are kindly requested to submit comments or objections regarding the proposed breeding and technology levy on cotton to the NAMC in writing (e-mail lizettem@namc.co.za) on or before 24 October 2025, to enable the Council to formulate its recommendation to the Minister in this regard.

MINISTER VIR GRONDHERVORMING END LANDELIKE ONTWIKKELING

BOARD NOTICE 837 OF 2025

HEALTH PROFESSIONS COUNCIL OF SOUTH AFRICA

HEALTH PROFESSIONS ACT, 1974 (ACT NO. 56 OF 1974)

ETHICAL RULES OF CONDUCT FOR PRACTITIONERS REGISTERED UNDER THE HEALTH PROFESSIONS ACT, 1974: AMENDMENT

The Health Professions Council of South Africa intends, under section 49 read with section 61A (2) of the Health Professions Act, 1974 (Act No. 56 0f 1974) and in consultation with the professional board for optometry and dispensing opticians, to make the rules in the schedule.

Interested persons are invited to submit any substantiated comments or representations in writing on the proposed amendments to the Registrar, Health Professions Council of South Africa, P.O. Box 205, Pretoria 0001 or to ntsanem@hpcsa.co.za (for the attention of: Legal Advisor: Legislative drafting) within three months from the date of publication of this Notice.

SCHEDULE

Definitions

1. In these rules **"the Ethical Rules of Conduct"** means the Ethical rules of conduct for practitioners registered under the Health Professions Act, 1974 published under Government Notice No. R. 717 of 04 August 2006, as amended by Government Notice Nos. R. 68 of 02 February 2009, R. 654 of 30 July 2010, Board Notice Nos. 26 of 01 March 2013, 373 of 01 December 2022, R510 of 17 November 2023, and R683 of 25 October 2024, any word or expression to which a meaning has been assigned in the Ethical Rules of Conduct shall have that meaning, unless the context otherwise indicates.

Amendment of Annexure 8 of the Ethical Rules of Conduct

2. Annexure 8 of the Ethical Rules of Conduct is hereby amended by the addition of the following rule:

"7. Partnerships

(a) Notwithstanding rule 8(3) of the Ethical Rules of Conduct, a dispensing optician may enter into partnership, association, or practice in a juristic person with an optometrist and *vise versa*."
