HIGH ALERT: SCAM WARNING!!!

TO ALL SUPPLIERS AND SERVICE PROVIDERS OF THE GOVERNMENT PRINTING WORKS

It has come to the attention of the *GOVERNMENT PRINTING WORKS* that there are certain unscrupulous companies and individuals who are defrauding unsuspecting businesses disguised as representatives of the *Government Printing Works* (*GPW*).

The scam involves the fraudsters using the letterhead of *GPW* to send out fake tender bids to companies and requests to supply equipment and goods.

Although the contact person's name on the letter may be of an existing official, the contact details on the letter are not the same as the *Government Printing Works*'. When searching on the Internet for the address of the company that has sent the fake tender document, the address does not exist.

The banking details are in a private name and not company name. Government will never ask you to deposit any funds for any business transaction. *GPW* has alerted the relevant law enforcement authorities to investigate this scam to protect legitimate businesses as well as the name of the organisation.

Example of e-mails these fraudsters are using:

PROCUREMENT@GPW-GOV.ORG

Should you suspect that you are a victim of a scam, you must urgently contact the police and inform the *GPW*.

GPW has an official email with the domain as **@gpw.gov.za**

Government e-mails DO NOT have org in their e-mail addresses. All of these fraudsters also use the same or very similar telephone numbers. Although such number with an area code 012 looks like a landline, it is not fixed to any property.

GPW will never send you an e-mail asking you to supply equipment and goods without a purchase/order number. *GPW* does not procure goods for another level of Government. The organisation will not be liable for actions that result in companies or individuals being resultant victims of such a scam.

Government Printing Works gives businesses the opportunity to supply goods and services through RFQ / Tendering process. In order to be eligible to bid to provide goods and services, suppliers must be registered on the National Treasury's Central Supplier Database (CSD). To be registered, they must meet all current legislative requirements (e.g. have a valid tax clearance certificate and be in good standing with the South African Revenue Services - SARS).

The tender process is managed through the Supply Chain Management (SCM) system of the department. SCM is highly regulated to minimise the risk of fraud, and to meet objectives which include value for money, open and effective competition, equitability, accountability, fair dealing, transparency and an ethical approach. Relevant legislation, regulations, policies, guidelines and instructions can be found on the tender's website.

Fake Tenders

National Treasury's CSD has launched the Government Order Scam campaign to combat fraudulent requests for quotes (RFQs). Such fraudulent requests have resulted in innocent companies losing money. We work hard at preventing and fighting fraud, but criminal activity is always a risk.

How tender scams work

There are many types of tender scams. Here are some of the more frequent scenarios:

Fraudsters use what appears to be government department stationery with fictitious logos and contact details to send a fake RFQ to a company to invite it to urgently supply goods. Shortly after the company has submitted its quote, it receives notification that it has won the tender. The company delivers the goods to someone who poses as an official or at a fake site. The Department has no idea of this transaction made in its name. The company is then never paid and suffers a loss.

OR

Fraudsters use what appears to be government department stationery with fictitious logos and contact details to send a fake RFQ to Company A to invite it to urgently supply goods. Typically, the tender specification is so unique that only Company B (a fictitious company created by the fraudster) can supply the goods in question.

Shortly after Company A has submitted its quote it receives notification that it has won the tender. Company A orders the goods and pays a deposit to the fictitious Company B. Once Company B receives the money, it disappears. Company A's money is stolen in the process.

Protect yourself from being scammed

- If you are registered on the supplier databases and you receive a request to tender or quote that seems to be from a government department, contact the department to confirm that the request is legitimate. Do not use the contact details on the tender document as these might be fraudulent.
- Compare tender details with those that appear in the Tender Bulletin, available online at **www.gpwonline.co.za**
- Make sure you familiarise yourself with how government procures goods and services. Visit the tender website for more information on how to tender.
- If you are uncomfortable about the request received, consider visiting the government department and/or the place of delivery and/or the service provider from whom you will be sourcing the goods.
- In the unlikely event that you are asked for a deposit to make a bid, contact the SCM unit of the department in question to ask whether this is in fact correct.

PRESS RELEASE BY THE NATIONAL AGRICULTURAL MARKETING COUNCIL

REQUEST FOR COMMENTS/INPUTS FROM DIRECTLY AFFECTED GROUPS IN THE TABLE EGGS INDUSTRY

REQUEST FOR THE CONTINUATION OF STATUTORY MEASURES RELATING TO LEVIES, REGISTRATIONS AND RECORDS & RETURNS ON TABLE EGGS IN TERMS OF THE MARKETING OF AGRICULTURAL PRODUCTS ACT (ACT No. 47 OF 1996, AS AMENDED)

It is hereby made known that, in terms of section 11 of the Marketing of Agricultural Products Act, 1996 (Act No.47 of 1996) (MAP Act), the Minister of Agriculture has received a request from the table eggs industry for the continuation of statutory measures relating to levies, registrations, the keeping of records and the rendering of returns.

The applicant for the proposed statutory measures is the South African Poultry Association (SAPA) on behalf of the Egg Organization. SAPA is a voluntary organization established by poultry producers in 1904 to act as the mouthpiece and representative organization for poultry producers in South Africa. The current statutory measures (levies, registrations and records & returns) on table eggs will expire on 31 March 2026. SAPA requests ministerial approval for the continuation of these statutory measures for a new period of four years from 1 April 2026 to 31 March 2030.

According to SAPA Egg Organization, the statutory levy will apply to locally produced and/or imported table eggs and products (pulp and powder) as prescribed by regulation (R345 as amended) including hatchery rejected eggs that are sold to the trade effective from 1 April 2026. The proposed levy is R0.020 cents in 2026/27, R0.021 cents in 2027/28, R0.022 cents in 2028/29 and R0.023 in 2029/30 (excluding VAT). The levy will be collected from the egg producers, traders and hatcheries.

Council Members: Mr. A. Petersen (Chairperson), Ms. T. Ntshangase (Deputy Chairperson),
Prof. A. Jooste, Mr. S.J. Mhlaba, Ms. F. Mkile, Ms. N. Mokose, Mr. G. Schutte, Dr. S.T. Xaba and Mr. J.G. Mocke

The MAP Act stipulates that a statutory levy may not exceed 5% of the price realised for a specific agricultural product at the first point of sale. The maximum of 5% must be based on a guideline price calculated as the average price at the first point of sale over a period not exceeding three years. The average net prices of a dozen table eggs for the past three years were as follows:

Table eggs sold to the trade	**Price/dozen**
2022	R18.23
2023	R23.55
2024	R27.55
Average	**R23.11**

The proposed levies will be approximately 0.1% of the average price of a dozen table eggs the past three years. This is well within the 5% as prescribed by the MAP Act.

The proposed business plan for the four (4) year period is as follows:

Function	**2026/27 (R)**	**2027/28 (R)**	**2028/29 (R)**	**2029/30 (R)**
Administration (10%)	1 302 500	1 328 550	1 354 600	1 380 650
Transformation (22%)	3 131 733	3 319 637	3 518 815	3 729 944
Consumer education (14%)	1 265 487	1 341 417	1 421 902	1 507 216
Consumer assurance (41%)	3 667 023	3 887 045	4 120 267	4 367 483
Research & development (2%)	180 709	191 552	203 045	215 228
Industry information & liaison (11%)	1 871 213	1 983 486	2 102 495	2 228 645
Total	**11 418 665**	**12 051 687**	**12 721 124**	**13 429 166**

The purpose of the statutory measure relating to registrations is to compel sellers of table eggs and egg products to the trade, to register with the administrator of the statutory measures (the Egg Organisation of SAPA). The purpose of the statutory measure relating to records & returns is to compel the sellers of table eggs and egg products to the trade to render records and returns to the administrator of the statutory measures. These statutory measures are necessary to ensure that continuous, timeous and accurate market information relating to table eggs and egg products sold to the trade is available to all role-players. Market information is deemed essential for all role-players for them to make informed decisions.

The National Agricultural Marketing Council (NAMC) believes that the application by SAPA on behalf of the Egg Organisation for the continuation of statutory measures is consistent with the objectives of the MAP Act (as set out in section 2 of the Act).

The request is currently being investigated by the NAMC and recommendations in this regard will be made to the Minister in the near future.

Directly affected groups in the table eggs industry are kindly requested to submit any comments, in writing, regarding the proposed statutory measures, to the NAMC on or before 5 December 2025, to enable the Council to finalise its recommendation to the Minister in this regard.

This notice will feature in the Government *Gazette* dated 14 November 2025.

Submissions should be in writing and addressed to:
