SCHEDULE

Services for which a pharmacist may levy a fee or fees

1. A pharmacist may levy a fee or fees for one or more of the services that may be provided in the various categories of pharmacies as prescribed in the *Regulations relating to the practice of pharmacy* (GNR.1158 of 20 November 2000), subject to the guidelines for levying such a fee as approved by the Council from time to time.

2. A pharmacist who wishes to levy a fee or fees for the services referred to in **Annexure B** must comply with the provisions of these rules.

3. Services for which a pharmacist wishes to levy a fee or fees must be provided in accordance with Regulation 20 of the *Regulations relating to the practice of pharmacy* (GNR.1158 of 20 November 2000).

4. Council may add services for which a fee or fees may be levied as listed in **Annexure B** to the Schedule from time to time. The fee that may be charged for such a service may be based on a fee for a similar service or procedure listed in Annexure B.

5. A pharmacist must ensure, when a service for which he or she wishes to levy a fee or fees involves the supply of medicine, whether supplied on a prescription or not, that the patient for whom such medicine is supplied is furnished with adequate advice or information for the safe and effective use of the medicine(s) supplied by him or her, whether such medicine(s) is supplied personally (face-to-face) or by any other means.

6. Services for which a pharmacist may levy a fee or fees may not be advertised in any manner that –

   (a) is not factually correct;

   (b) is misleading;

   (c) harms the dignity or honour of the pharmacy profession;

   (d) disparages another pharmacist;

   (e) is calculated to suggest that his or her professional skill or ability or his or her facilities or those of the pharmacy owner, as the case may be, for practising his or her profession or rendering the service(s) concerned are superior to those of other pharmacists.

7. A pharmacist may not tout or attempt to tout for services for which he or she wishes to levy a fee or fees.

8. A pharmacist may not levy a fee or fees for a service for which he or she is not trained or for which prior authorisation from the Council is required before he or she may provide such service(s) until such authorisation is obtained. Acceptable documentary evidence of training, experience or competence must be provided if and when required by the Council, which could include but shall not be limited to -

   (a) the successful completion of further education and training at a provider accredited by a competent authority; or

   (b) practical experience gained under controlled circumstances and the mentorship of a competent person or authority; or

   (c) the successful completion of continuing professional development (CPD) courses offered by a provider accredited by a competent authority.

9. A pharmacist may provide any one or more of the services referred to in **Annexure B** without levying a fee or fees.

10. A pharmacist who wishes to levy a fee or fees for the services referred to in **Annexure B** must inform patients regarding the fee to be levied prior to providing any of the services listed in the schedule.

11. A pharmacist who wishes to levy a fee or fees for the services referred to in **Annexure B** must display a list of services and fees conspicuously in the pharmacy.

12. A pharmacist who wishes to levy a fee or fees for the services referred to in **Annexure B** must indicate clearly on the invoice and/or receipt provided, the service for which a fee is levied and the amount of the fee per service.

Guidelines for the levying of a fee or fees

13. The guidelines published herewith as **Annexure A** shall constitute the only guidelines for levying a fee or fees for any one or more of the services referred to in **Annexure B**.

ANNEXURE A

GUIDELINES FOR LEVYING A FEE OR FEES

General guidelines governing the determination of a fee or fees

1. Definitions

"**Compounding**" means the preparation, mixing, combining, packaging and labelling of a medicine by a pharmacist, a veterinarian or a person authorised in terms of the Medicines and Related Substances Act, 101 of 1965, in accordance with their scope of practice.

"**Dispensing**" means the interpretation and evaluation of a prescription, the selection, manipulation or compounding of the medicine, the labelling and supply of the medicine in an appropriate container according to the Medicines Act and the provision of information and instructions by a pharmacist to ensure the safe and effective use of medicine by the patient and "dispense" has a corresponding meaning.

"Therapeutic medicine monitoring" means the use of serum medicine concentrations, the mathematical relationship between a medicine dosage regimen and resulting serum concentrations (pharmacokinetics), and the relationship of medicine concentrations at the site of action to pharmacological response (pharmacodynamics) to optimise medicine therapy in individual patients, taking into consideration the clinical status of the patient.

2. Nature of services provided

A pharmacist may, in charging a fee for professional services rendered by him/her, consider one or more of the following factors –

(a) the nature of the professional service rendered;

(b) the time of day and circumstances under which the service is rendered.

3. Call-out service, delivery of medicines and after-hour fees

(a) Where a pharmacist is called out from his/her pharmacy, or the pharmacy in which he/she practises, or from his or her residence or other place where he or she may be, a fee including the travelling time and costs according to the South African Revenue Services (SARS) travelling reimbursement table as published from time to time, may be charged.

(b) Where a pharmacist is required to deliver a service after normal operating hours, an after-hours fee may be charged. The recommended fee is one and a half times the normal fee for a specific procedure code. The hours of opening of a pharmacy must be clearly displayed.

(c) Where a pharmacist is required by the patient or caregiver to transport a medicine to a patient, the transport costs, according to the South African Revenue Services (SARS) travelling reimbursement table as published from time to time, may be charged.

(d) Where a pharmacist is reclaiming expenses, details of the expenses must be individually itemised.

4. **Collaboration with other health care professionals**

Services may be provided in collaboration with a registered nurse or other registered health care professional as agreed to by the Council and other statutory health councils as applicable.

5. A pharmacist's guide to fees

5.1 **Procedures**

5.1.1 Services for which a fee or fees may be levied shall be divided into procedures as indicated in **Annexure B**. A separate fee shall be charged for each procedure.

5.1.2. The fee per procedure shall be based on a procedure code as listed in **Annexure B**.

5.1.3 The fee for after-hours and/or call-out services must be levied separately as per clause 3 using the designated procedure codes as listed in **Annexure B**.

5.1.4 The fees will be reviewed on an annual basis.

5.1.5 All expenses claimed must be indicated separately.

6. Pharmacy support personnel

The fee or fees may be levied by a pharmacist whether the service concerned is provided by the pharmacist, any other person registered in terms of the Pharmacy Act or a healthcare professional employed in the pharmacy: Provided that any such person may only provide a service or perform an act which falls within his or her scope of practice.

7. Chronic Medicines Authorisation

A fee may be levied by a pharmacist where he/she need to liaise with a medical scheme, an entity concerned with the management of pharmaceutical benefits and/or a medical practitioner to initiate or renew a chronic medicine authorisation or update a chronic medicine authorisation.

8. Guidelines for charging fees where one or more services may be provided
