government printing
Department:
Government Printing Works
REPUBLIC OF SOUTH AFRICA

HIGH ALERT: SCAM WARNING!!!

TO ALL SUPPLIERS AND SERVICE PROVIDERS OF THE GOVERNMENT PRINTING WORKS

It has come to the attention of the *GOVERNMENT PRINTING WORKS* that there are certain unscrupulous companies and individuals who are defrauding unsuspecting businesses disguised as representatives of the *Government Printing Works* (*GPW*).

The scam involves the fraudsters using the letterhead of *GPW* to send out fake tender bids to companies and requests to supply equipment and goods.

Although the contact person's name on the letter may be of an existing official, the contact details on the letter are not the same as the *Government Printing Works*'. When searching on the Internet for the address of the company that has sent the fake tender document, the address does not exist.

The banking details are in a private name and not company name. Government will never ask you to deposit any funds for any business transaction. *GPW* has alerted the relevant law enforcement authorities to investigate this scam to protect legitimate businesses as well as the name of the organisation.

Example of e-mails these fraudsters are using:

PROCUREMENT@GPW-GOV.ORG

Should you suspect that you are a victim of a scam, you must urgently contact the police and inform the *GPW*.

GPW has an official email with the domain as **@gpw.gov.za**

Government e-mails DO NOT have org in their e-mail addresses. All of these fraudsters also use the same or very similar telephone numbers. Although such number with an area code 012 looks like a landline, it is not fixed to any property.

GPW will never send you an e-mail asking you to supply equipment and goods without a purchase/order number. *GPW* does not procure goods for another level of Government. The organisation will not be liable for actions that result in companies or individuals being resultant victims of such a scam.

Government Printing Works gives businesses the opportunity to supply goods and services through RFQ / Tendering process. In order to be eligible to bid to provide goods and services, suppliers must be registered on the National Treasury's Central Supplier Database (CSD). To be registered, they must meet all current legislative requirements (e.g. have a valid tax clearance certificate and be in good standing with the South African Revenue Services - SARS).

The tender process is managed through the Supply Chain Management (SCM) system of the department. SCM is highly regulated to minimise the risk of fraud, and to meet objectives which include value for money, open and effective competition, equitability, accountability, fair dealing, transparency and an ethical approach. Relevant legislation, regulations, policies, guidelines and instructions can be found on the tender's website.

Fake Tenders

National Treasury's CSD has launched the Government Order Scam campaign to combat fraudulent requests for quotes (RFQs). Such fraudulent requests have resulted in innocent companies losing money. We work hard at preventing and fighting fraud, but criminal activity is always a risk.

How tender scams work

There are many types of tender scams. Here are some of the more frequent scenarios:

Fraudsters use what appears to be government department stationery with fictitious logos and contact details to send a fake RFQ to a company to invite it to urgently supply goods. Shortly after the company has submitted its quote, it receives notification that it has won the tender. The company delivers the goods to someone who poses as an official or at a fake site. The Department has no idea of this transaction made in its name. The company is then never paid and suffers a loss.

OR

Fraudsters use what appears to be government department stationery with fictitious logos and contact details to send a fake RFQ to Company A to invite it to urgently supply goods. Typically, the tender specification is so unique that only Company B (a fictitious company created by the fraudster) can supply the goods in question.

Shortly after Company A has submitted its quote it receives notification that it has won the tender. Company A orders the goods and pays a deposit to the fictitious Company B. Once Company B receives the money, it disappears. Company A's money is stolen in the process.

Protect yourself from being scammed

- If you are registered on the supplier databases and you receive a request to tender or quote that seems to be from a government department, contact the department to confirm that the request is legitimate. Do not use the contact details on the tender document as these might be fraudulent.
- Compare tender details with those that appear in the Tender Bulletin, available online at **www.gpwonline.co.za**
- Make sure you familiarise yourself with how government procures goods and services. Visit the tender website for more information on how to tender.
- If you are uncomfortable about the request received, consider visiting the government department and/or the place of delivery and/or the service provider from whom you will be sourcing the goods.
- In the unlikely event that you are asked for a deposit to make a bid, contact the SCM unit of the department in question to ask whether this is in fact correct.

Any incidents of corruption, fraud, theft and misuse of government property in the *Government Printing Works* can be reported to:

Supply Chain Management: Ms. Anna Marie Du Toit, Tel. (012) 748 6292.

GOVERNMENT PRINTING WORKS - BUSINESS RULES

The **Government Printing Works** (**GPW**) has established rules for submitting notices in line with its electronic notice processing system, which requires the use of electronic *Adobe* Forms. Please ensure that you adhere to these guidelines when completing and submitting your notice submission.

Closing Times for Acceptance of Notices

1. The *Government Gazette* and *Government Tender Bulletin* are weekly publications that are published on Fridays and the closing time for the acceptance of notices is strictly applied according to the scheduled time for each gazette.

2. Please refer to the Submission Notice Deadline schedule in the table below. This schedule is also published online on the Government Printing works website www.gpwonline.co.za

   All re-submissions will be subject to the standard cut-off times.
   All notices received after the closing time will be rejected.

Government Gazette Type	Publication Frequency	Publication Date	Submission Deadline	Cancellations Deadline
National Gazette	Weekly	Friday	Friday 15h00 for next Friday	Tuesday, 15h00 - 3 working days prior to publication
Regulation Gazette	Weekly	Friday	Friday 15h00 for next Friday	Tuesday, 15h00 - 3 working days prior to publication
Petrol Price Gazette	Monthly	Tuesday before 1st Wednesday of the month	One day before publication	1 working day prior to publication

Limpopo	Weekly	Friday	One week before publication	3 working days prior to publication
Mpumalanga	Weekly	Friday	One week before publication	3 working days prior to publication

GOVERNMENT PRINTING WORKS - BUSINESS RULES

Government Gazette Type	Publication Frequency	Publication Date	Submission Deadline	Cancellations Deadline
Gauteng Liquor License Gazette	Monthly	Wednesday before the First Friday of the month	Two weeks before publication	3 working days **after** submission deadline
Northern Cape Liquor License Gazette	Monthly	First Friday of the month	Two weeks before publication	3 working days **after** submission deadline
National Liquor License Gazette	Monthly	First Friday of the month	Two weeks before publication	3 working days **after** submission deadline
Mpumalanga Liquor License Gazette	Bi-Monthly	Second & Fourth Friday	One week before publication	3 working days prior to publication

Extraordinary Gazettes

3. *Extraordinary Gazettes* can have only one publication date. If multiple publications of an *Extraordinary Gazette* are required, a separate Z95/Z95Prov *Adobe* Forms for each publication date must be submitted.

Notice Submission Process

4. Download the latest *Adobe* form, for the relevant notice to be placed, from the **Government Printing Works** website www.gpwonline.co.za.

5. The *Adobe* form needs to be completed electronically using *Adobe Acrobat* / *Acrobat Reader*. Only electronically completed *Adobe* forms will be accepted. No printed, handwritten and/or scanned *Adobe* forms will be accepted.

6. The completed electronic *Adobe* form has to be submitted via email to submit.egazette@gpw.gov.za. The form needs to be submitted in its original electronic *Adobe* format to enable the system to extract the completed information from the form for placement in the publication.

7. Every notice submitted **must** be accompanied by an official **GPW** quotation. This must be obtained from the *eGazette* Contact Centre.

8. Each notice submission should be sent as a single email. The email **must** contain **all documentation relating to a particular notice submission**.

   8.1. Each of the following documents must be attached to the email as a separate attachment:

      8.1.1. An electronically completed *Adobe* form, specific to the type of notice that is to be placed.

         8.1.1.1. For National *Government Gazette* or *Provincial Gazette* notices, the notices must be accompanied by an electronic Z95 or Z95Prov *Adobe* form

         8.1.1.2. The notice content (body copy) **MUST** be a separate attachment.

      8.1.2. A copy of the official **Government Printing Works** quotation you received for your notice. *(Please see Quotation section below for further details)*

      8.1.3. A valid and legible Proof of Payment / Purchase Order: **Government Printing Works** account customer must include a copy of their Purchase Order**. Non-Government Printing Works** account customer needs to submit the proof of payment for the notice

      8.1.4. Where separate notice content is applicable (Z95, Z95 Prov and TForm 3, it should **also** be attached as a separate attachment. *(Please see the Copy Section below, for the specifications)*.

      8.1.5. Any additional notice information if applicable.

GOVERNMENT PRINTING WORKS - BUSINESS RULES

9. The electronic *Adobe* form will be taken as the primary source for the notice information to be published. Instructions that are on the email body or covering letter that contradicts the notice form content will not be considered. The information submitted on the electronic *Adobe* form will be published as-is.

10. To avoid duplicated publication of the same notice and double billing, Please submit your notice **ONLY ONCE.**

11. Notices brought to **GPW** by "walk-in" customers on electronic media can only be submitted in *Adobe* electronic form format. All "walk-in" customers with notices that are not on electronic *Adobe* forms will be routed to the Contact Centre where they will be assisted to complete the forms in the required format.

12. Should a customer submit a bulk submission of hard copy notices delivered by a messenger on behalf of any organisation e.g. newspaper publisher, the messenger will be referred back to the sender as the submission does not adhere to the submission rules.

QUOTATIONS

13. Quotations are valid until the next tariff change.

    13.1. ***Take note:*** **GPW**'s annual tariff increase takes place on ***1 April*** therefore any quotations issued, accepted and submitted for publication up to ***31 March*** will keep the old tariff. For notices to be published from 1 April, a quotation must be obtained from **GPW** with the new tariffs. Where a tariff increase is implemented during the year, **GPW** endeavours to provide customers with 30 days' notice of such changes.

14. Each quotation has a unique number.

15. Form Content notices must be emailed to the *eGazette* Contact Centre for a quotation.

    15.1. The *Adobe* form supplied is uploaded by the Contact Centre Agent and the system automatically calculates the cost of your notice based on the layout/format of the content supplied.

    15.2. It is critical that these *Adobe* Forms are completed correctly and adhere to the guidelines as stipulated by **GPW**.

16. **APPLICABLE ONLY TO GPW ACCOUNT HOLDERS**:

    16.1. **GPW** Account Customers must provide a valid **GPW** account number to obtain a quotation.

    16.2. Accounts for **GPW** account customers **must** be active with sufficient credit to transact with **GPW** to submit notices.

        16.2.1. If you are unsure about or need to resolve the status of your account, please contact the **GPW** Finance Department prior to submitting your notices. (If the account status is not resolved prior to submission of your notice, the notice will be failed during the process).

17. **APPLICABLE ONLY TO CASH CUSTOMERS:**

    17.1. Cash customers doing **bulk payments** must use a **single email address** in order to use the **same proof of payment** for submitting multiple notices.

18. The responsibility lies with you, the customer, to ensure that the payment made for your notice(s) to be published is sufficient to cover the cost of the notice(s).

19. Each quotation will be associated with one proof of payment / purchase order / cash receipt.

    19.1. This means that **the quotation number can only be used once to make a payment.**

GOVERNMENT PRINTING WORKS - BUSINESS RULES

COPY (SEPARATE NOTICE CONTENT DOCUMENT)

20. Where the copy is part of a separate attachment document for Z95, Z95Prov and TForm03

20.1. Copy of notices must be supplied in a separate document and may not constitute part of any covering letter, purchase order, proof of payment or other attached documents.

The content document should contain only one notice. (You may include the different translations of the same notice in the same document).

20.2. The notice should be set on an A4 page, with margins and fonts set as follows:

Page size = A4 Portrait with page margins: Top = 40mm, LH/RH = 16mm, Bottom = 40mm; Use font size: Arial or Helvetica 10pt with 11pt line spacing;

Page size = A4 Landscape with page margins: Top = 16mm, LH/RH = 40mm, Bottom = 16mm; Use font size: Arial or Helvetica 10pt with 11pt line spacing;

CANCELLATIONS

21. Cancellation of notice submissions are accepted by **GPW** according to the deadlines stated in the table above in point 2. Non-compliance to these deadlines will result in your request being failed. Please pay special attention to the different deadlines for each gazette. Please note that any notices cancelled after the cancellation deadline will be published and charged at full cost.

22. Requests for cancellation must be sent by the original sender of the notice and must accompanied by the relevant notice reference number (N-) in the email body.

AMENDMENTS TO NOTICES

23. With effect from 01 October 2015, **GPW** will not longer accept amendments to notices. The cancellation process will need to be followed according to the deadline and a new notice submitted thereafter for the next available publication date.

REJECTIONS

24. All notices not meeting the submission rules will be rejected to the customer to be corrected and resubmitted. Assistance will be available through the Contact Centre should help be required when completing the forms. (012-748 6200 or email info.egazette@gpw.gov.za). Reasons for rejections include the following:

24.1. Incorrectly completed forms and notices submitted in the wrong format, will be rejected.

24.2. Any notice submissions not on the correct *Adobe* electronic form, will be rejected.

24.3. Any notice submissions not accompanied by the proof of payment / purchase order will be rejected and the notice will not be processed.

24.4. Any submissions or re-submissions that miss the submission cut-off times will be rejected to the customer. The Notice needs to be re-submitted with a new publication date.

GOVERNMENT PRINTING WORKS - BUSINESS RULES

APPROVAL OF NOTICES

25. Any notices other than legal notices are subject to the approval of the Government Printer, who may refuse acceptance or further publication of any notice.

26. No amendments will be accepted in respect to separate notice content that was sent with a Z95 or Z95Prov notice submissions. The copy of notice in layout format (previously known as proof-out) is only provided where requested, for Advertiser to see the notice in final Gazette layout. Should they find that the information submitted was incorrect, they should request for a notice cancellation and resubmit the corrected notice, subject to standard submission deadlines. The cancellation is also subject to the stages in the publishing process, i.e. If cancellation is received when production (printing process) has commenced, then the notice cannot be cancelled.

GOVERNMENT PRINTER INDEMNIFIED AGAINST LIABILITY

27. The Government Printer will assume no liability in respect of—

27.1. any delay in the publication of a notice or publication of such notice on any date other than that stipulated by the advertiser;

27.2. erroneous classification of a notice, or the placement of such notice in any section or under any heading other than the section or heading stipulated by the advertiser;

27.3. any editing, revision, omission, typographical errors or errors resulting from faint or indistinct copy.

LIABILITY OF ADVERTISER

28. Advertisers will be held liable for any compensation and costs arising from any action which may be instituted against the Government Printer in consequence of the publication of any notice.

CUSTOMER INQUIRIES

Many of our customers request immediate feedback/confirmation of notice placement in the gazette from our Contact Centre once they have submitted their notice – While **GPW** deems it one of their highest priorities and responsibilities to provide customers with this requested feedback and the best service at all times, we are only able to do so once we have started processing your notice submission.
GPW has a 2-working day turnaround time for processing notices received according to the business rules and deadline submissions.
Please keep this in mind when making inquiries about your notice submission at the Contact Centre.

29. Requests for information, quotations and inquiries must be sent to the Contact Centre ONLY.

30. Requests for Quotations (RFQs) should be received by the Contact Centre at least **2 working days** before the submission deadline for that specific publication.

GOVERNMENT PRINTING WORKS - BUSINESS RULES

Payment of cost

31. The Request for Quotation for placement of the notice should be sent to the Gazette Contact Centre as indicated above, prior to submission of notice for advertising.

32. Payment should then be made, or Purchase Order prepared based on the received quotation, prior to the submission of the notice for advertising as these documents i.e. proof of payment or Purchase order will be required as part of the notice submission, as indicated earlier.

33. Every proof of payment must have a valid **GPW** quotation number as a reference on the proof of payment document.

34. Where there is any doubt about the cost of publication of a notice, and in the case of copy, an enquiry, accompanied by the relevant copy, should be addressed to the Gazette Contact Centre, **Government Printing Works**, Private Bag X85, Pretoria, 0001 email: info.egazette@gpw.gov.za before publication.

35. Overpayment resulting from miscalculation on the part of the advertiser of the cost of publication of a notice will not be refunded, unless the advertiser furnishes adequate reasons why such miscalculation occurred. In the event of underpayments, the difference will be recovered from the advertiser, and future notice(s) will not be published until such time as the full cost of such publication has been duly paid in cash or electronic funds transfer into the **Government Printing Works** banking account.

36. In the event of a notice being cancelled, a refund will be made only if no cost regarding the placing of the notice has been incurred by the **Government Printing Works**.

37. The **Government Printing Works** reserves the right to levy an additional charge in cases where notices, the cost of which has been calculated in accordance with the List of Fixed Tariff Rates, are subsequently found to be excessively lengthy or to contain overmuch or complicated tabulation.

Proof of publication

38. Copies of any of the *Government Gazette* or *Provincial Gazette* can be downloaded from the **Government Printing Works** website www.gpwonline.co.za free of charge, should a proof of publication be required.

39. Printed copies may be ordered from the Publications department at the ruling price. The **Government Printing Works** will assume no liability for any failure to post or for any delay in despatching of such *Government Gazette*(s)

GOVERNMENT NOTICES • GOEWERMENTSKENNISGEWINGS

DEPARTMENT OF AGRICULTURE

NO. 7391 **24 April 2026**

PLANT BREEDERS' RIGHTS ACT, 2018 (ACT NO.12 OF 2018)

REGULATIONS MADE IN TERMS OF THE PLANT BREEDERS' RIGHTS ACT: AMENDMENT

I, JH Steenhuisen, Minister for Agriculture, acting under section 54 of the Plant Breeders' Rights Act, 2018 (Act No. 12 of 2018), *have* **made the regulations set out in the Schedule.**

MR JH STEENHUISEN, MP
MINISTER OF AGRICULTURE
DATE: 25 FEBRUARY 2026

Definitions

1. In these regulations, unless the context indicates otherwise, "regulations" means the regulations made in terms of section 54 of the Plant Breeders' Rights Act, 2018 (Act No. 12 of 2018) published under Government Notice No. 6302 of 13 June 2025 (GG No. 52850 of 13 June 2025).

Amendment of regulation 21

2. The following regulation is hereby substituted for regulation 21 of the regulations:

"*Payment of annual fees*

21.(1) An applicant or agent must, upon receipt of an annual fee invoice from the Registrar, pay the annual fee in accordance with section 30 for the plant breeder's right that has been granted in terms of section 28.

(2) The annual fees payable are determined by the Minister by notice in the Gazette.

(3) Proof of payment of the annual fee must be sent electronically, hand delivered or couriered to the office of the Registrar.

(4) An annual fee is payable for the duration of the plant breeder's right and failure to pay the annual fee may result in the cancellation of the plant breeder's right in accordance with section 38."

Deletion of Table 1

3. Table 1 of the regulations is hereby deleted.

Amendment of Table 2

4. Table 2 of the regulations is hereby amended by:

(a) the deletion of the second row reflecting:

Ananas comosus (L.) Merrill	Pineapple	30	8

(b) the deletion of the tenth row reflecting:

Fragaria x *ananassa* Duchesne	Strawberry	30	8

(c) the insertion of the following row before the fifth last row; and

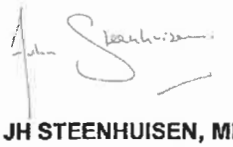

Saccharum officinarum L.	Sugar cane	30	8

(d) the insertion of the following row before the fourth last row.

Solanum tuberosum L.	Potato	30	8

Short Title and Commencement

5. These regulations are called the Regulations Made in Terms of The Plant Breeder's Rights Act: Amendment and come into operation on the date of publication in the *Gazette*.

JH STEENHUISEN, MP
MINISTER OF AGRICULTURE
DATE: 25 FEBRUARY 2026

DEPARTMENT OF FORESTRY, FISHERIES AND THE

NO. 7392 **24 April 2026**

NATIONAL ENVIRONMENTAL MANAGEMENT: INTEGRATED COASTAL MANAGEMENT ACT, 2008 (ACT NO. 24 OF 2008)

DRAFT COASTAL MANAGEMENT LINE FOR NAMAQUA NATIONAL PARK IN TERMS OF SECTION 25(1) READ WITH SECTION 25(5)(a)

I, Willem Abraham Stephanus Aucamp, the Minister of Forestry, Fisheries and the Environment, hereby publish the Draft Coastal Management Line for the Namaqua National Park in terms of section 25(5), read with section 25(1), of the National Environmental Management: Integrated Coastal Management Act, 2008 (Act No. 24 of 2008) for public comment. The Draft Coastal Management Line is set out in the schedule to this notice.

Any person may submit representations or comments on the Draft Coastal Management Line for the Namaqua National Park and is invited to do so within 30 calendar days of the date of publication of this notice in the *Gazette*, or newspaper, whichever is the later date. Comments received after this time may be disregarded. All representations and comments must be submitted in writing to the following addresses:

By post to:	Department of Forestry, Fisheries and the Environment Attention: Ms N Jukuda (Branch: Oceans and Coasts) Private Bag X4390 CAPE TOWN 8002
By hand at:	2 East Pier Building, East Pier Road, Victoria & Alfred Waterfront, Cape Town
By email:	njukuda@dffe.gov.za
Enquiries:	Ms N Jukuda on njukuda@dffe.gov.za or 021 493 7045

The Department of Forestry, Fisheries and the Environment complies with the Protection of Personal Information Act, 2013 (Act No. 4 of 2013). Comments received and responses to those comments are collated into a comments and response report, which will be made available to the public as part of the consultation process. If you have any objection to your name being made publicly available in the comments and responses report, please indicate this in your written comment and highlight that objection in **bold**.

MR WILLEM ABRAHAM STEPHANUS AUCAMP
MINISTER OF FORESTRY, FISHERIES AND THE ENVIRONMENT

1. DEFINITIONS

A word or expression defined in the National Environmental Management: Integrated Coastal Management Act, 2008 (Act No. 24 of 2008) has the same meaning in this document unless the context indicates otherwise, and—

"**CML**" means a coastal management line and coastal management lines, respectively, established in terms of section 25(1) read with section 25(5) of the Act;

"**competent authority**" has the meaning assigned to it in section 1 of the National Environmental Management Act;

"**dynamic coastal processes**" means all natural processes continually reshaping the shoreline and the near-shore seabed and includes—

(a) wind action;

(b) wave action;

(c) ocean currents;

(d) tidal action;

(e) littoral active movement;

(f) river flows; and

(g) erosion and accretion events;

"Namaqua National Park" refers to all properties which comprise the Namaqua National Park initially declared as such in Government Notice No. 578 in *Government Gazette* 22414 dated 29 June 2001 in terms of the National Parks Act, 1976 (Act No. 57 of 1976) including all other properties deemed to form part of the national park in terms of the National Parks Act, 1976 and the Protected Areas Act;

"Namaqua National Park CML" refers to a coastal management line that is applicable within the Namaqua National Park;

"Namaqua National Park Management Plan" refers to the management plan for the Namaqua National Park compiled in terms of section 39 of the Protected Areas Act;

"SANBI NBA 2018" means the South African National Biodiversity Institute's National Biodiversity Assessment completed in 2018;

"SANParks" means South African National Parks governed in terms of the Protected Areas Act; and

"the Act" means the National Environmental Management: Integrated Coastal Management Act, 2008 (Act No. 24 of 2008).

2. PURPOSE AND DECLARATION

2.1 The Act provides for the declaration of CMLs in terms of section 25.

2.2 Section 25(5), read with section 25(1) of the Act, empowers the Minister, after consultation with the MEC, to established a CML—

(a) to protect coastal public property, private property and public safety;

(b) to protect the coastal protection zone;

(c) to preserve the aesthetic values of the coastal zone; or

(d) for any other reason consistent with the objectives of the Act.

2.3 Section 25(5) of the Act obliges the Minister, after consultation with the relevant MEC, to exercise the powers and perform the functions in section 25 if those powers relate to an area that is a national protected area as defined in the Protected Areas Act, as is the case with Namaqua National Park.

2.4 A single, interrupted CML is hereby established in terms of section 25(1)*(a)*, *(b)*, *(c)* and *(d),* read with section 25(5) of the Act, within the boundaries of the Namaqua National Park to—

(a) protect and enhance public access to coastal public property;

(b) maintain and enhance the functioning of coastal ecosystems and its ecological features;

(c) discourage inappropriate development in sensitive coastal areas in order to ensure public safety and sustainable development;

(d) preserve the aesthetics or 'sense of place', including the visual integrity of the coast;

(e) minimise the human and environmental conflicts that occur in the coastal areas of the Namaqua National Park Management;

(f) provide measures to control and manage development to avoid coastal risks and vulnerability emanating from coastal processes, such as sea level rise, that could impact property, human life, social dynamics, and economic opportunities; and

(g) provide additional mechanisms for preserving coastal spaces that have social importance, such as cultural and heritage sites, as identified in the Namaqua National Park Management Plan.

2.5 CML regulations aimed at utilising the CML as a regulatory enforceable mechanism to prohibit or restrict development occurring seaward of the CML within that national park, as contemplated by section 25(1A) will be prescribed in due course and informed by the developmental risk management guidelines below.

2.6 The Namaqua National Park CML informs and must be read in conjunction with the zonation of the Namaqua National Park as set out in the Management Plan. Section 41(2)*(g)* of the Protected Areas Act stipulates that a management plan must contain the "*zoning of the area indicating what activities may take place in different sections of the area, and the conservation objectives of those sections...*". In combination with the Namaqua National Park CML and any future CML regulations, the Namaqua National Park's zonation therefore acts as the primary determinant of suitable coastal developments and coastal activities within the Namaqua National Park.

2.7 The purpose of the Namaqua National Park CML is to highlight risks which must be taken into account by SANParks when evaluating whether or not to approve the conducting of activities located seawards of the CML and to aid generally in minimising the impacts of infrastructure on the natural environment in line with SANParks' conservation objectives.

2.8 The CML guides the development of new infrastructure and the maintenance of existing infrastructure located seaward of the CML.

3. APPLICABLE AREA

The CML is applicable within the boundaries of the Namaqua National Park and will be managed by SANParks on behalf of the Minister.

4. DEVELOPMENTAL RISK MANAGEMENT GUIDELINES

4.1 The following risk management guidelines are applicable to a **NEW INFRASTRUCTURE** development within the Namaqua National Park.

4.1.1 A proponent of a new infrastructure development seaward of the Namaqua National Park CML should demonstrate that the following principles have been considered in relation to the proposed development:

(a) the proponent sought to avoid the development of the proposed infrastructure seaward of the Namaqua National Park CML but there are sound reasons why this cannot be achieved, which are articulated in the development proposal;

(b) the footprint of the proposed development area is only located seaward of the Namaqua National Park CML to the extent that this is necessary for the structural integrity, safety and the aesthetic value of the development, which cannot be achieved by locating the development landward of the CML;

(c) the impact of predicted hazards to the proposed development will be minimised by employing suitable design modifications, for example, the use of stilts; and

(d) the impacts of the proposed development on the environment will be mitigated.

4.1.2. SANParks should only develop or approve the development of infrastructure seaward of the CML—

(a) if the proposed infrastructure, by its nature, requires it to be situated seaward of the CML; or

(b) if alternative development proposals were investigated and presented to the delegated official responsible for approving infrastructure development within the Namaqua National Park as part of any development proposal and approval process which alternatives were not considered reasonable or feasible.

4.1.3 In circumstances where no alternative locations are feasible or reasonable, the infrastructure should be located so as to minimise risk faced by the infrastructure from dynamic coastal processes and must be developed in such a way to minimise impacts on the environment, surrounding the infrastructure and other users of the area.

4.1.4 Any new development must take into account shifting risks and the level of vulnerability such as the likelihood of shifting the coastal risk e.g. shifting risk down the coastline if retention walls or other structures are placed along the coast including estuaries, as well as the likelihood of this kind of action attracting liability for damage caused due to the location of the development.

4.2 The following risk management guidelines are applicable to **EXISTING INFRASTRUCTURE** developments.

4.2.1 A feasibility study on the maintenance of infrastructure seaward of the CML should be completed within 10 years of the establishment of this CML where maintenance of infrastructure is proposed in areas at risk to dynamic coastal processes, and which may adversely affect the structural integrity of the infrastructure or the safety of those who occupy it, where the study must address—

(a) cost estimates associated with the infrastructure over a ten-year period if the infrastructure is to be retained, as well as if the infrastructure is to be moved landwards of the CML; and

(b) the long-term implications on the Namaqua National Park if that infrastructure is revenue-generating infrastructure.

4.2.2 SANParks must conduct an assessment and map all the infrastructure located seaward of the CML and then develop a plan that determines timelines to move such infrastructure.

Where maintenance is not considered feasible or uneconomical by SANParks or the competent authority, upon application for environmental authorisation, SANParks may completely remove that infrastructure where this is the most appropriate option.

4.2.3 Should the maintenance of existing infrastructure be considered feasible or economical, SANParks must—

(a) prepare a plan within 10 years of the publication of this CML which is aligned with the Namaqua National Park Management Plan to provide for the modification of structures to reduce any adverse impacts from coastal processes; and

(b) develop a plan within 10 years of publication of this CML which addresses the movement of infrastructure that is at risk of being adversely impacted by coastal processes to locations landward of the CML.

5. METHODS APPLIED

The following hierarchy of methods were considered when determining the appropriate location of the Namaqua National Park CML:

(a) use of the best scientific information available, such as modelled risk scenarios to inform the position of the line, taking into account dynamic coastal processes and flooding;

(b) use of nationally recognised data and information as proxies, such as the 5m contour line where accurate flood information for an estuary is not known; SANBI's NBA 2018 mapped boundaries of the estuarine functional zone was used;

(c) where reliable data is available to, e.g., allow for differentiating between the risks associated with floodplains versus gorges along estuaries, modifying the line accordingly, and

(d) use of historic records for the Namaqua National Park, including data and local knowledge on areas known to be highly vulnerable and at risk of, or protected from, dynamic coastal processes, to inform and modify the position of the CML if required.

6. DESCRIPTION OF THE NAMAQUA NATIONAL PARK'S COASTAL MANAGEMENT LINE

6.1 The CML established in the Namaqua National Park is set out in **Annexure 1** which lists its descriptions. In addition to coordinates, Annexure 1 also contains a description of where the start and endpoint of the CML is within the Namaqua National Park's boundaries.

6.2 The descriptions in Annexure 1 are to be read together with the maps in **Annexure 2** which show where the line is located.

7. IMPLEMENTATION AND REVIEW

7.1 The CML is established only within the Namaqua National Park's boundary.

7.2 The management authority responsible for the management of the CML in the Namaqua National Park is SANParks.

7.3 The CML established in the Namaqua National Park must be reviewed in combination with the review of the Namaqua National Park's management plan, but the review must occur within 10 years from the establishment of the CML. In accordance with section 25(1) of the Act, the Minister must amend the CML—

(a) to protect coastal public property, private property and public safety;

(b) to protect the coastal protection zone;

(c) to preserve the aesthetic values of the coastal zone; or

(d) for any other reason consistent with the objectives of the Act.

8. DATA ACCESSIBILITY

The maps and associated documents can also be viewed at the following links:

Annexure 1

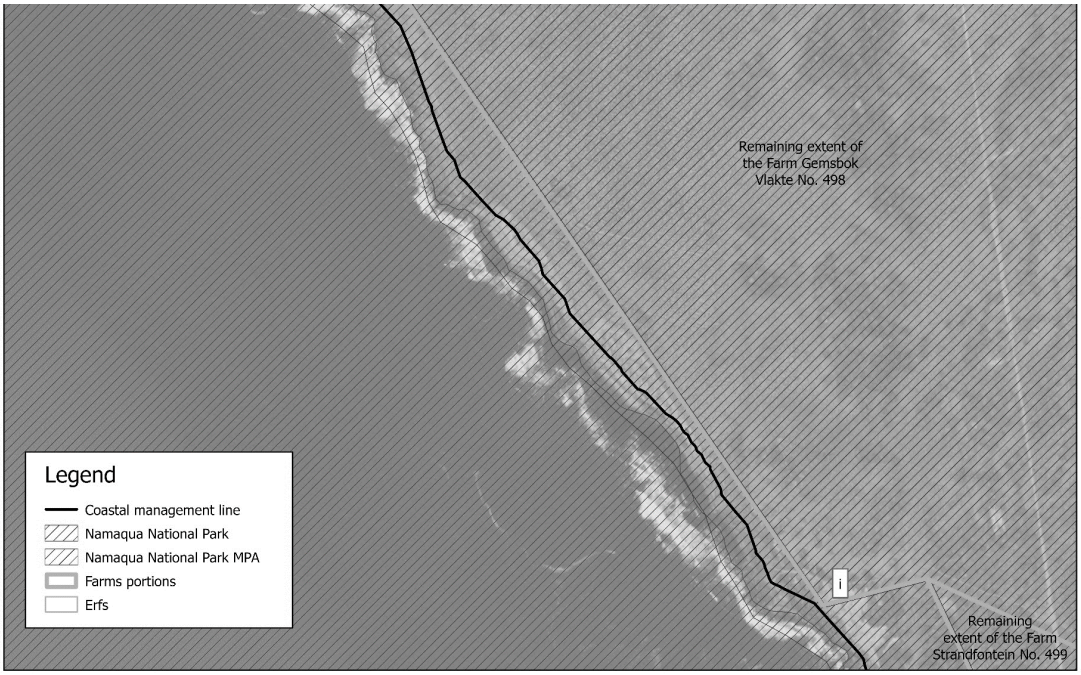

Zones (map illustration)	Map no.	Location on map (Area or Municipality)	NAMAQUA NATIONAL PARK CML description
Zone A	**1A**	Namakwa district municipality	i)The CML starts at the northwest boundary of Portion 2 of Farm Michells Bay No. 495 and follows a curvilinear line within Portion 2 of Farm Michells Bay No. 495. It ends on the northwest of the common boundary between Portion 2 of Farm Michells Bay No. 495 and the remaining extent of Farm Mitchells Bay No. 495. This portion is 0.35km in length.
			ii)The CML starts at the northeast boundary of Portion 2 of Farm Michells Bay No. 495, in a straight line for 0.01 km in length to the boundary of the farm Place of public resort 497
			iii) The CML starts at the north-west boundary of the Farm Place of public resort No. 497 and follows a straight line to the boundary of the estuarine functional zone, between the remaining extent of Farm Michells Bay No. 495 and the Farm Place of public resort No. 497 for 0.17km.
			iv) The CML starts at the northwestern boundary of the Farm Place of public resort No. 497 and follows a curvilinear line along the estuarine functional zone for 1.6km to the intersection of Portion 1 of the Farm Kliphuis No. 496.
			v) The CML starts western boundary of Portion 1 of the Farm Kliphuis No. 496 and follows a curvilinear line within the property, around the estuary, back to the western boundary.
			vi) The CML starts intersection of the Farm Place of public resort No. 497 and the western boundary of Portion 1 of the Farm Kliphuis No. 496 and follows a curvilinear line for 2.17km within the property, to the eastern boundary of Portion 2 of Farm Michells Bay No. 495.

			vii) The CML starts on the eastern boundary of Portion 2 of Farm Michells Bay No. 495 and follows a curvilinear line to the northern boundary of the admiralty zone for 0.5km.
			viii) The CML starts in the northern boundary of the admiralty zone and follows a curvilinear line for 2.9km and ends adjacent to the intersection of the Farm Place of public resort No. 497 and the remaining extent of Farm Gemsbok Vlakte No. 498.
	2A	Namakwa district municipality	i) The CML starts in at the admiralty zone, opposite the intersection on the common boundary between the Farm Place of public resort No. 497 and remaining extent of Farm Gemsbok Vlakte No. 498 and follows a curvilinear line in the admiralty zone for 3.3km and ends adjacent to the intersection of remaining extent of Farm Gemsbok Vlakte No. 498 and remaining extent of Farm Strandfontein No.499.
Zone B	1A	Namakwa district municipality	i) The CML starts in the admiralty zone, adjacent to the intersection of remaining extent of Gemsbok Vlakte 498 and remaining extent of Farm Strandfontein No.499, it follows a curvilinear line southward for 4.6km and ends in the admiralty zone, adjacent to the intersection of remaining extent of Farm Strandfontein No. 499 and portion 1 Farm Strandfontein No. 499.
	2A	Namakwa district municipality	i) The CML starts in the admiralty zones, adjacent to the intersection of remaining extent of remaining extent of Farm Strandfontein No.499 and portion 1 Farm Strandfontein No.499, it follows a curvilinear line for 1.7km and ends in the admiralty zones adjacent to the intersection of the properties portion 1 Farm Strandfontein No. 499 and portion 2 Farm Strandfontein No. 499.
			ii) The CML starts in the admiralty zones, adjacent to the intersection of portion 1 of Farm Strandfontein No. 499 and portion 2 Farm Strandfontein No. 499, follows a curvilinear line for 4.8km and it ends at the intersection between the admiralty zone and portion 2 Farm Strandfontein No. 499.

			iii) The CML starts at the intersection between the admiralty zone and portion 2 Farm Strandfontein No. 499 and follows a curvilinear line for 0.6kms around the micro estuary, back to the intersection between the admiralty zone and portion 2 Farm Strandfontein No. 499.
Zone C	1A	Namakwa district municipality	i) The CML starts at the intersection between the admiralty zone and portion 2 Farm Strandfontein No. 499 and follows a curvilinear line for 7.1 km and ends at the intersection between the admiralty zone and the remaining extent of Farm Driekop No. 500.
			ii) The CML starts at the intersection between the admiralty zone and the remaining extent of Farm Driekop 500 and it follows a curvilinear line for 0.9km and ends at the intersection between the admiralty zone and the remaining extent of Farm Driekop 500, further south.
			iii) The CML starts at the intersection between the admiralty zone and the remaining extent of Farm Driekop No. 500, it follows a curvilinear line for 0.83 km and ends at the admiralty zone, adjacent to the intersection between remaining extent of Farm Driekop No. 500and Farm Kwass No. 501.
	2A	Namakwa district municipality	i) The CML starts in the admiralty zone, adjacent to the intersection between remaining extent of Farm Driekop No. 500 and Farm Kwass No. 501, it follows a curvilinear line for 1.1km and ends at the intersection of Farm Kwass No. 501 and the admiralty zone.
			ii) The CML starts at the intersection of Farm Kwass No 501 and the admiralty zone and follows a curvilinear line for 0.9km and ends at the boundary between Farm Kwass No 501 and the admiralty zone.
			iii) The CML starts at the intersection of Farm Kwass No 501 and the admiralty zone and follows a curvilinear 1.2km and ends at the boundary between Farm Kwass No 501 and the admiralty zone.

			iv) The CML starts at the boundary between Farm Kwass No 501 and the admiralty zone and follows a curvilinear line through Farm Kwass No 501 for 3.4km and ends at the intersection between the admiralty zone and Farm Kwass No 501.
Zone D	1A	Namakwa district municipality	i) The CML starts at the intersection between the admiralty zone and Farm Kwass No 501 and follows a curvilinear line for 5.7km in the admiralty zone adjacent to the intersection between Farm Kwass No 501 and Farm Kwass No. 548.
	2A		i) The CML starts at the intersection between Farm Kwass No. 548 and Farm Kwass No 501, it follows a curvilinear line through the admiralty zone for 12.3 km and ends at the intersection of portion 1 of Farm Klipkuil No. 547 at the Groen River estuary.
Zone E	1A	Namakwa district municipality	i) The CML starts at the intersection of portion 1 of Farm Klipkuil 547 at the Groen River estuary and follows a curvilinear line northward along the estuarine functional zone for 1.7km and ends at the intersection between portion 4 of the farm Klipkuil 547 and portion 1 of the farm Klipkuil 547.
			ii) The CML starts at the southwestern corner of portion 4 of the Farm Klipkuil No. 547, follows a curvilinear loop along the estuarine functional zone for 1.3km and ends in the southeastern corner of portion 4 of the Farm Klipkuil No. 547.
			iii) The CML starts in the southeastern corner of portion 4 of the Farm Klipkuil No. 547 follows a curvilinear line along the estuarine functional zone for 2.2 km and ends at the bank of the Groen river estuary.

REPUBLIC OF SOUTH AFRICA

Private Bag X447, Pretoria, 0001, Environment House, 473 Steve Biko Road, Pretoria, 0002 Tel: +27 12 399 9000, Fax: +27 86 625 1042

Memorandum of Motivation: Publication of Draft Coastal Management Line (CML) for the Namaqua National Park

1. Background and Scientific Basis for the Delineation

The National Environmental Management: Integrated Coastal Management Act, 2008 (Act No. 24 of 2008) (ICM Act) provides for the establishment of Coastal Management Lines (CMLs) to regulate, manage, and restrict development and other activities in areas that are vulnerable to dynamic coastal processes.

The draft CML for Namaqua National Park has been delineated through a scientific process that considered coastal vulnerability, projected sea-level rise, erosion risk, and the protection of sensitive coastal ecosystems.

The methodology applied included:

- coastline change analysis and erosion risk modelling;
- assessment of sea-level rise scenarios and storm surge impacts;
- identification of ecologically sensitive zones within the park; and
- GIS-based mapping to accurately delineate the proposed line.

This approach ensures that the draft CML is evidence-based, precautionary, and consistent with national coastal management principles. The primary objective is to safeguard the ecological integrity of the national park, protect public safety, and support sustainable coastal land-use planning.

2. Consultation

During the development of the draft CML for Namaqua National Park, officials from the Northern Cape Department of Agriculture, Environmental Affairs, Rural Development, and Land Reform were engaged through technical meetings and consultations. Their inputs and expertise were incorporated into the delineation process.

2030 NDP

Batho pele- putting people first

In addition, and in compliance with section 25(2) of the ICMA, a formal letter will be submitted to the MEC responsible for Agriculture, Environmental Affairs, Rural Development, and Land Reform in the Northern Cape Province. The ICM Act requires that potentially affected cabinet ministers, local municipalities, the MEC of the relevant province and the public at large be consulted about the proposed establishment of the CML. To this end, the Department will publish notices in relevant newspapers and a notice in the Gazette notifying the public of the availability of the CML for comment.

3. Statement on the Nature of Publication

The CML is a delineation of a line to guide South African National Parks on coastal development within national parks. The Department will develop regulations at a later stage as contemplated by section 25(1A). The public is invited to provide comments, inputs, and recommendations. These contributions will inform the refinement and finalisation of the Namaqua National Park CML.

4. Confirmation of Transparency and Exemption Reference

The Presidency has granted an exemption from conducting a socio-economic impact assessment for the publication of the CML, subject to the condition that the publication of the CML be accompanied by this memorandum.

DEPARTMENT OF FORESTRY, FISHERIES AND THE

NO. 7393 **24 April 2026**

NATIONAL ENVIRONMENTAL MANAGEMENT: INTEGRATED COASTAL MANAGEMENT ACT, 2008 (ACT NO. 24 OF 2008)

DRAFT COASTAL MANAGEMENT LINE FOR WEST COAST NATIONAL PARK IN TERMS OF SECTION 25(1) READ WITH SECTION 25(5)(a)

I, Willem Abraham Stephanus Aucamp, the Minister of Forestry, Fisheries and the Environment, hereby publish the Draft Coastal Management Line for the West Coast National Park in terms of section 25(5), read with section 25(1), of the National Environmental Management: Integrated Coastal Management Act, 2008 (Act No. 24 of 2008) for public comment. The draft Coastal Management Line is set out in the schedule to this notice.

Any person may submit representations or comments on the Draft Coastal Management Line for the West Coast National Park and is invited to do so within 30 calendar days of the date of publication of this notice in the *Gazette*, or newspaper, whichever is the later date. Comments received after this time may be disregarded. All representations and comments must be submitted in writing to the following addresses:

By post to: Department of Forestry, Fisheries and the Environment
Attention: Ms N Jukuda (Branch: Oceans and Coasts)
Private Bag X4390
CAPETOWN
8002
By hand at: 2 East Pier Building, East Pier Road, Victoria & Alfred Waterfront, Cape Town
By email: njukuda@dffe.gov.za
Enquiries: Ms N Jukuda on njukuda@dffe.gov.za or 021 493 7045

The Department of Forestry, Fisheries and the Environment complies with the Protection of Personal Information Act, 2013 (Act No. 4 of 2013). Comments received and responses to those comments are collated into a comments and response report, which will be made available to the public as part of the consultation process. If you have any objection to your name being made publicly available in the comments and responses report, please indicate this in your written comment and highlight that objection in **bold**.

MR WILLEM ABRAHAM STEPHANUS AUCAMP
MINISTER OF FORESTRY, FISHERIES AND THE ENVIRONMENT

1. DEFINITIONS

A word or expression defined in the National Environmental Management: Integrated Coastal Management Act, 2008 (Act No. 24 of 2008) has the same meaning in this notice unless the context indicates otherwise, and—

"CML" means a coastal management line and coastal management lines, respectively, established in terms of section 25(1) read with section 25(5) of the Act;

"competent authority" has the meaning assigned to it in section 1 of the National Environmental Management Act;

"dynamic coastal processes" means all natural processes continually reshaping the shoreline and the near-shore seabed and includes—

(a) wind action;

(b) wave action;

(c) ocean currents;

(d) tidal action;

(e) littoral active movement;

(f) river flows; and

(g) erosion and accretion events;

"SANParks" means South African National Parks governed in terms of the Protected Areas Act;

"the Act" means the National Environmental Management: Integrated Coastal Management Act, 2008 (Act No. 24 of 2008);

"West Coast National Park" refers to all properties which comprise the West Coast National Park, initially declared as Langebaan National Park in Government Notice No. 138 in *Government Gazette* No. 9904 dated 30 August 1985 in terms of the National Parks Act, 1976 (Act No. 57 of 1976) and includes all other properties deemed to form part of the national park in terms of both the National Parks Act, 1976 and the Protected Areas Act;

"West Coast National Park CML" refers to a coastal management line that is applicable within the West Coast National Park; and

"West Coast National Park Management Plan" refers to the management plan for the West Coast National Park compiled in terms of section 39 of the Protected Areas Act.

2. PURPOSE AND DECLARATION

2.1 The Act provides for the establishment of CMLs in terms of section 25.

2.2 Section 25(5), read with section 25(1) of the Act, empowers the Minister, after consultation with the MEC, to establish a CML—

(a) to protect coastal public property, private property and public safety;

(b) to protect the coastal protection zone;

(c) to preserve the aesthetic values of the coastal zone; or

(d) for any other reason consistent with the objectives of the Act.

2.3 Section 25(5) of the Act obliges the Minister, after consultation with the relevant MEC, to exercise the powers and perform the functions in section 25 if those powers relate to an area that is a national protected area as defined in the Protected Areas Act, as is the case with West Coast National Park.

2.4 A single, interrupted CML is hereby established in terms of section 25(1)*(a)*, *(b)*, *(c)* and *(d),* read with section 25(5) of the Act, within the boundaries of the West Coast National Park to—

(a) protect and enhance public access to coastal public property;

(b) maintain and enhance the functioning of coastal ecosystems and its ecological features;

(c) discourage inappropriate development in sensitive coastal areas in order to ensure public safety and sustainable development;

(d) preserve the aesthetics or 'sense of place', including the visual integrity of the coast;

(e) minimise the human and environmental conflicts that occur in the coastal areas of the West Coast National Park;

(f) provide measures to control and manage development to avoid coastal risks and vulnerability emanating from coastal processes, such as sea level rise, that could impact property, human life, social dynamics, and economic opportunities; and

(g) provide additional mechanisms for preserving coastal spaces that have social importance, such as cultural and heritage sites, as identified in the West Coast National Park Management Plan.

2.5 CML regulations aimed at utilising the CML once established, as a regulatory enforceable mechanism to prohibit or restrict development occurring seaward of the CML within that national park, as contemplated by section 25(1A) will be prescribed in due course and informed by the developmental risk management guidelines below.

2.6 The CML informs and must be read in conjunction with the zonation of the West Coast National Park as set out in the West Coast National Park Management Plan. Section 41(2)*(g)* of the Protected Areas Act stipulates that a management plan must contain the "*zoning of the area indicating what activities may take place in different sections of the area and the conservation objectives of those sections…*". In combination with the CML and any future CML regulations, the zonation therefore acts as the primary determinant of suitable coastal developments and coastal activities within the West Coast National Park.

2.7 The purpose of the West Coast National Park CML is to highlight risks which must be taken into account when considering activities seawards of the West Coast National Park CML and to aid in minimising impacts of infrastructure on the natural environment in line with SANParks' conservation objectives.

2.8 The West Coast National Park CML guides the development of new infrastructure and the maintenance of existing infrastructure located seaward of the CML.

3. APPLICABLE AREA

The CML is applicable within the boundaries of the West Coast National Park and will be managed by SANParks on behalf of the Minister.

4. DEVELOPMENTAL RISK MANAGEMENT GUIDELINES

4.1 The following risk management guidelines are applicable to a **NEW INFRASTRUCTURE** development within the West Coast National Park.

4.1.1 A proponent of a new infrastructure development seaward of the West Coast National Park CML should demonstrate that the following principles have been considered in relation to the proposed development:

(a) the proponent sought to avoid development of the proposed infrastructure seaward of the West Coast National Park CML, but there are sound reasons why this cannot be achieved, which are articulated in the development proposal;

(b) the footprint of the proposed development area is only located seaward of the West Coast National Park CML to the extent that this is necessary for the structural integrity, safety of the development and the aesthetic value of the development, which cannot be achieved by locating the development landward of the CML;

(c) the impact of predicted hazards to the proposed development will be minimised by employing suitable design modifications, for example, the use of stilts; and

(d) the impacts of the proposed development on the environment will be mitigated.

4.1.2 SANParks should only develop or approve the development of infrastructure seaward of the CML—

(a) if the proposed infrastructure, by its nature, requires it to be situated seaward of the West Coast National Park CML; or

(b) if alternative development proposals were investigated and presented to the delegated official responsible for approving infrastructure development within the West Coast National Park as part of any development proposal and approval process, which alternatives were not considered reasonable or feasible.

4.1.3 In circumstances where no alternative locations are feasible or reasonable, the infrastructure should be located so as to minimise risk faced by the infrastructure from dynamic coastal processes and should be developed in such a way to minimise impacts on the environment, surrounding the infrastructure and other users of the area.

4.1.4 Any new development must take into account shifting risks and the level of vulnerability such as the likelihood of shifting the coastal risk, e.g. shifting risk down the coastline if retention walls or

other structures are placed along the coast including estuaries, as well as the likelihood of this kind of action attracting liability for damage caused due to the location of the development.

4.2 The following risk management guidelines are applicable to **EXISTING INFRASTRUCTURE** developments.

4.2.1 A feasibility study on the maintenance of infrastructure seaward of the CML should be completed within 10 years of the establishment of this CML where maintenance of infrastructure is proposed in areas at risk to dynamic coastal processes, and which may adversely affect the structural integrity of the infrastructure or the safety of those who occupy it, where the study must address—

(a) cost estimates associated with the infrastructure over a ten-year period if the infrastructure is to be retained as well as if the infrastructure is to be moved landwards of the CML; and

(b) the long-term implications on the West Coast National Park if such infrastructure is revenue generating infrastructure.

4.2.2 SANParks must conduct an assessment and map all the infrastructure located seaward of the West Coast National Park CML and develop a plan that determines timelines to move that infrastructure. Where maintenance is not considered feasible or uneconomical by SANParks or the competent authority, upon application for environmental authorisation, SANParks may completely remove that infrastructure where this is the most appropriate option.

4.2.3 Should the maintenance of existing infrastructure be considered feasible or economical, SANParks must—

(a) prepare a plan, within 10 years of the publication of this CML which is aligned with the West Coast National Park Management Plan to provide for the modification of structures to reduce any adverse impacts from coastal processes; and

(b) develop a plan within 10 years of publication of this CML which addresses the movement of infrastructure, which is at risk of being adversely impacted by coastal processes to locations landward of the CML.

5. METHODS APPLIED

The following hierarchy of methods were considered when deciding the appropriate location of the West Coast National Park CML:

(a) use of the best scientific information available such as modelled risk scenarios to inform the position of the line, taking into account dynamic coastal processes and flooding;

(b) use of nationally recognised data and information as proxies such as the 5m contour line where accurate flood information for an estuary is not known; the SANBI 2018 mapped boundaries of the estuarine functional zone was used;

(c) where reliable data is available to e.g. allow for differentiating between the risks associated with floodplains versus gorges along estuaries, modifying the line accordingly, and

(d) use of historic records for the West Coast National Park, including data and local knowledge on areas known to be highly vulnerable and at risk of, or protected from, dynamic coastal processes to inform and modify the position of the CML if required.

6. DESCRIPTION OF THE WEST COAST NATIONAL PARK'S COASTAL MANAGEMENT LINE

6.1 The CML established in the West Coast National Park is set out in **Annexure 1** which lists its descriptions. In addition to coordinates, Annexure 1 also contains a description of where the start and endpoint of the CML is within the West Coast National Park's boundaries.

6.2 The descriptions in Annexure 1 are to be read together with the maps in **Annexure 2** which show where the line is located.

7. IMPLEMENTATION AND REVIEW

7.1 The CML is established only within the West Coast National Park's boundary.

7.2 The management authority responsible for the management of the West Coast National Park CML in the West Coast National Park is SANParks.

7.3 The CML established in the West Coast National Park must be reviewed in combination with the review of the West Coast National Park Management Plan but the review must occur within 10 years from the establishment of the CML. In accordance with section 25(1) of the Act, the Minister must amend the CML—

(a) to protect coastal public property, private property and public safety;

(b) to protect the coastal protection zone;

(c) to preserve the aesthetic values of the coastal zone; or

(d) for any other reason consistent with the objectives of the Act.

8. DATA ACCESSIBILITY

The maps and associated documents can also be viewed at the following links:

(a) DFFE Coastal viewer: https://ocims.environment.gov.za/coastal%20viewer/

Memorandum of Motivation: Publication of Draft Coastal Management Line (CML) for the Namaqua National Park

1. Background and Scientific Basis for the Delineation

The National Environmental Management: Integrated Coastal Management Act, 2008 (Act No. 24 of 2008) (ICM Act) provides for the establishment of Coastal Management Lines (CMLs) to regulate, manage, and restrict development and other activities in areas that are vulnerable to dynamic coastal processes.

The draft CML for Namaqua National Park has been delineated through a scientific process that considered coastal vulnerability, projected sea-level rise, erosion risk, and the protection of sensitive coastal ecosystems.

The methodology applied included:

- coastline change analysis and erosion risk modelling;
- assessment of sea-level rise scenarios and storm surge impacts;
- identification of ecologically sensitive zones within the park; and
- GIS-based mapping to accurately delineate the proposed line.

This approach ensures that the draft CML is evidence-based, precautionary, and consistent with national coastal management principles. The primary objective is to safeguard the ecological integrity of the national park, protect public safety, and support sustainable coastal land-use planning.

2. Consultation

During the development of the draft CML for Namaqua National Park, officials from the Northern Cape Department of Agriculture, Environmental Affairs, Rural Development, and Land Reform were engaged through technical meetings and consultations. Their inputs and expertise were incorporated into the delineation process.

In addition, and in compliance with section 25(2) of the ICMA, a formal letter will be submitted to the MEC responsible for Agriculture, Environmental Affairs, Rural Development, and Land Reform in the Northern Cape Province. The ICM Act requires that potentially affected cabinet ministers, local municipalities, the MEC of the relevant province and the public at large be consulted about the proposed establishment of the CML. To this end, the Department will publish notices in relevant newspapers and a notice in the Gazette notifying the public of the availability of the CML for comment.

3. Statement on the Nature of Publication

The CML is a delineation of a line to guide South African National Parks on coastal development within national parks. The Department will develop regulations at a later stage as contemplated by section 25(1A). The public is invited to provide comments, inputs, and recommendations. These contributions will inform the refinement and finalisation of the Namaqua National Park CML.

4. Confirmation of Transparency and Exemption Reference

The Presidency has granted an exemption from conducting a socio-economic impact assessment for the publication of the CML, subject to the condition that the publication of the CML be accompanied by this memorandum.

AGRÉMENT SOUTH AFRICA
innovative construction product assessments

DEPARTMENT OF PUBLIC WORKS

AGRÉMENT SOUTH AFRICA
(Approval of innovative construction products and systems)

Notice is hereby given that Agrément South Africa has, with effect from 12 December 2025, issued an Agrément certificate, details of which appear in the schedule hereto.

SCHEDULE

Agrément Certificate 2025/665

Subject: Eco Septic Tank

Certificate holder: Ecopolymers cc t/a Eco Tanks

Description: The Eco Tanks Septic Tank is manufactured from UV-stabilised Linear Low-Density Polyethene (LLDPE) through a rotational moulding process. The material varies from 6 mm to 12 mm thick, depending on the volume and intended use of the digester.

The tanks are used for the treatment and/or storage of wastewater for commercial, industrial, agricultural and domestic applications in all regions of South Africa.

Tanks are available in 1 500 L (Dome Tank), 2 500 L (Dome Tank), 6 000 L, 6 000 L (2 Chambers), 6 000L (3 Chambers) and 7 500 L (Multi-Chambers) volume capacities and come in various colours. The wall thickness ranges from 6 mm to 12 mm, depending on the section of the tank, ensuring structural integrity during underground installation and preventing collapse when the tank is empty.

The tank is fitted with a Ø110 mm inlet, Ø50 mm or Ø110 mm outlets to a French drain soak-away, and a Ø160 mm service manhole for inspection and desludging access. The design includes structural reinforcement that allows installation without the need to fill the tank with water prior to backfilling.

Agrément Certificate 2025/667

Subject:	Bitulight P Mineral Waterproofing Membrane
Certificate holder:	Polyglass SpA
Description:	BituLight P. Mineral Waterproofing Membrane is a prefabricated, elastomeric, plastomeric modified bitumen, torch-applied damp-proofing membrane reinforced with polyester spunbond nonwoven glass fibre threads. It has a high percentage of polymers, such as polypropylene and polyolefin, with special anti-aging additives. The membrane is supplied in rolls of 1 m wide x 10 m long and thicknesses of 3 mm or 4 mm, depending on the application.

SCHEDULE

Agrément Certificate 2025/666

Subject: Ikalika Lime-Based Paint

Certificate holder: Cape Lime (Pty) Ltd

Description:

The Ikalika Lime-Based Paint constitutes an inorganic, mineral-derived coating primarily composed of Calcium Carbonate ($CaCO_3$), categorising it as a calcareous or limewash-type system.

Its predominantly carbonate-based matrix, containing only minor organic or polymeric constituents, leads to a high vapour-permeability profile that enables moisture to diffuse through the coated substrate, thereby reducing the risk of moisture-induced defects such as blistering, efflorescence, and microbial growth. The formulation results in a matte, micro-textured mineral surface and is structurally compatible with common mineral substrates, including masonry, cementitious plaster, gypsum, and fibre-cement boards.

Due to its porous and breathable mineral structure, the coating offers limited resistance to liquid water and does not function as a waterproof barrier, particularly under prolonged wet conditions or driving rain.

Ikalika Lime-Based Paint is formulated as a complete coating system for application across all regions of South Africa and for all occupancy classifications in accordance with **SANS 10400, Table 1 of Regulations A(20)(1)**. The system is designed for application on masonry and other structurally sound substrates that have been properly prepared to ensure optimal adhesion, durability, and performance.

The coating system is suitable for the following substrates:

- Sand-cement plaster: including freshly rendered or existing plaster that has been appropriately cured and surface-prepared.
- Sand-cement bagged finishes: textured or bagged cement surfaces that are structurally sound, stable, and free of loose material.
- Previously painted PVA surfaces: existing PVA-coated substrates, provided they are thoroughly cleaned, lightly abraded, and primed if required to ensure effective bonding.
- Gypsum and fibre-cement boards: internal or external fascia, wall, and ceiling boards that have been prepared to be clean, dry, and free from contaminants to facilitate proper coating adhesion.

The system guarantees consistent aesthetic and functional performance for internal and external applications across various building types, occupancy classifications, and environmental conditions. It maintains high substrate breathability and compatibility with mineral-based surfaces.

Due to its porous and vapour-permeable mineral structure, the coating provides only limited resistance to liquid water and is not fully waterproof, particularly during extended wet conditions or when exposed to wind-driven rain.

This certificate and Agrément South Africa's assessment apply only to the Ikalika manufactured by Cape Lime (Pty) Ltd. It is applied in accordance with the certificate holder's application manual, as described and illustrated in this certificate, and where the terms and conditions of certification are complied with.

The Agrément certificate contains detailed information on the product and can be accessed at *http://www.agrement.co.za.*

SCHEDULE

Agrément Interim Certificate 2025/659 (Amended December 2025): Actopave Ultra-Thin Friction Course (UTFC)

Subject: Actopave Ultra-Thin Friction Course (UTFC)

Certificate holder: Actop Asphalt (Pty) Ltd

Description:

Actopave is a 10 mm or 14 mm nominal maximum particle size (NMPS), open-graded, Ultra-Thin Friction Course (UTFC) that is placed at a nominal compacted thickness of 16 mm to 22 mm for the 10 mm NMPS and 20 mm to 28 mm for the 14 mm NMPS, respectively. The product is used on road pavements as an Asphalt wearing course or thin surfacing layer. It has been designed specifically for application as a thin surfacing or re-sealing layer.

Actopave UTFC is a blend of elastomeric polymer-modified bituminous (SBS) A-E2 type binder, with graded stone of 10 mm NMPS, crusher dust/sand, and filler with the A-R2-type bitumen binder for 14 mm NMPS aggregate, respectively. The UTFC is manufactured in a hot-mix asphalt plant and applied using a self-priming paver under the supervision of a registered professional engineer.

The mixed design, manufacturing and application of the product are to be strictly controlled and under the supervision of a registered professional engineer and approved by the manufacturer's Technical Manager. The mix proportions may vary slightly from area to area, depending on the aggregate available in the area. Aggregates must comply with the latest requirements of the Committee of Transport Officials (**COTO)** standard specification.

DEPARTMENT OF RURAL DEVELOPMENT AND LAND REFORM

NO. 7402 **24 April 2026**

WITHDRAWAL OF GAZETTE NOTICE OF LAND CLAIM

Notice is hereby given in terms of Section 11A (2) for withdrawal Government Gazette No.959 Notice No. 290004 of 2006, dated 14 July 2006 in terms of which the under-mentioned property was published.

The Office of the Regional Land Claims Commissioner: Limpopo accepted the land claim lodged by Carina Du-Buisson(now Howard) on behalf of the Du Sirkel Landgoed (Eiendoms) Beperk in respect of the Remaining Extent of the farm Rhenosterhoek 582 LR situated in Lephalale Local Municipality, Waterberg District of Limpopo in terms of Rule 3 of the Rules of the Commission for further investigation in terms of Rule 5.

Upon conclusion of the Rule 5 investigations, the Office of the Regional Land Claims Commissioner: Limpopo deemed this land claim to be precluded by the provisions of Section 2(2) (a) (b) of the Restitution of Land Rights Act 22 of 1994 as amended. Therefore, Government Gazette Number 959, Notice Number 290004 of 2006, dated 14 July 2006, is hereby withdrawn in terms of the provisions of Section 11A (2) of the Act.

It is therefore important to note that the below-mentioned properties be withdrawn from the above-mentioned gazette as

The property description is as follows:

Property	Current Owner	Title Deed	Extent (Hectares)	Endorsements	Holder

DEPARTMENT OF RURAL DEVELOPMENT AND LAND REFORM

NO. 7406 **24 April 2026**

WITHDRAWAL OF GAZETTE NOTICE NO 30022 UNDER NOTICE NO 145 PUBLISHED ON THE 06 JULY 2007 IN RESPECT OF LAND CLAIMS LODGED BY THE LATE MR. SULIMAN BAVA AND ANNER ALLI BAVA ON BEHALF OF BAVA FAMILY.

Notice is hereby given in terms of section 11A (1) of the Restitution of Land Rights Act, 1994 (Act No. 22 of 1994), as amended, to withdraw the Remaining Extent and Portion 1 of Erf No. 31 Market street published in the Gazette Notice No. 30022 under Notice No. 145 which was published on the 11th of August 2023 in respect of land claims lodged by the late Mr. Suliman Bava and Anner Alli Bava on behalf of Bava family.

The late Mr. Suliman Bava and Anner Alli Bava both claimed the Remaining Extent and Portion 1 of Erf No. 31 Market street, situated in Polokwane Local Municipality, Capricorn District of Limpopo.

The research findings indicated that the Bava Brothers were paid just and equitable amount at the time expropriation of their properties. Furthermore, the Historical valuation conducted in 2025 indicates that the claimants should have been paid an amount of R82 600.00 implying that they were paid a surplus of R40 400.00 escalated to R616 100.00 to date which is overcompensation.

The Office of the Regional Land Claims Commission: Limpopo concludes that the land claim by late Mr. Suliman Bava and Anner Alli Bava is precluded by the provisions of Section 2 (1) of the Act, and thus cannot be settled through Section42D of the Act. Therefore, the land claim is regarded as non-complaint.

It is therefore important to note that the below-mentioned property be withdrawn from the above-mentioned gazette.

PROPERTY	CURRENT OWNER	TITLE DEED	EXTENT (HA)	BONDS AND RESTRICTIVE CONDITIONS	HOLDER(S)
Erf 6066 of Market Street	East & West Inv. Pty Ltd	58502/1989	2855000SQM	B6441/2011PTA	Standard bank

Take further notice that the Office of the Regional Land Claims Commissioner: Limpopo has investigated this land claim. Any party that has an interest in the above-mentioned property is hereby invited to submit in writing, within 14 days of the publication of this notice, any comment, objection or information under reference number **KRP 7031.**

PUBLICATION OF THE IMPACT STUDY ON EMPLOYEE SHARE OWNERSHIP PLANS (ESOPs): AN ANALYSIS OF KEY DESIGN PRINCIPLES TO CREATE VALUE FOR BENEFICIARIES AND FIRMS

24 APRIL 2026

Notice is hereby given that the Competition Commission (Commission) has published the Impact Study on Employee Share Ownership Plans (ESOPs): An analysis of key design principles to create value for beneficiaries and firms on its website and is gazetted in terms of Section 79 of the Competition Act, 89 of 1998, as amended (the Act).

The impact study evaluates ESOPs, an ownership remedy that the Commission can impose as a merger condition if it finds that the merger does not promote a greater spread of ownership by historically disadvantaged persons (HDPs) and workers as contemplated by section 12A(3)(e) of the Act. The study reviewed ESOPs that were mandated by merger conditions for the period FY 2019/20 to FY 2022/23. The relevant information was gathered from meetings and request for information from firms, trustees, trade unions, relevant government departments, B-BBEE Commission and industry experts.

The study makes three main sets of recommendations based on the findings. The first set of recommendations focuses on the funding of the ESOP, specifying zero interest and the provision of discounts. The second set of recommendations outlines the design principles that should be made mandatory for ESOP remedies, and the third set of recommendations specifies the design principles that should be determined in consultation with Workers /Worker Forums/Trade Unions.

The Final Impact Study is available at https://www.compcom.co.za.

DEPARTMENT OF WATER AND SANITATION

NO. 7408 **24 April 2026**

NOTICE TO REGISTER WATER USE IN TERMS OF

NATIONAL WATER ACT, 1998 (ACT NO 36 OF 1998)

In terms of Regulation 3(b)(i) of the water use registration regulation published under Government Notice R1352 in Government Gazette 20606 of 12 November 1999 a person who uses water as contemplated in section 21 of National Water Act, 1998, (Act No 36 of 1998), must when called upon by a Responsible Authority to do so, register a water use. I, Pemmy Majodina, the Minister of Water and Sanitation, hereby in my capacity as Responsible Authority request all unregistered water users to register their water use.

---

1. Unregistered Water User

For the purpose of this government notice, unregistered water user refers to –

(1) Water user(s) who bought property/properties from a registered water user(s) but never informed the responsible authority about the change for the substitution of the name.
(2) Water user(s) who acquired property/properties through the land restitution process, but the change of ownership was never reported to the Responsible Authority for the substitution of the name.
(3) Water user(s) who are leasing on the property of another water user and/or property owner, where the owner did not register the water use.
(4) Water user(s) who changed contact details (postal address, physical address, email address, landline, cellphone, fax number) but never informed the responsible authority about change.
(5) Water user(s) who change their registered name as appeared on their registration certificate but never informed the responsible authority for the substitution of the name.
(6) Water user(s) who has/have boreholes and are using it for commercial purpose but the borehole(s) is not registered.
(7) Water user(s) who registered their agricultural water use but never registered their resulting industrial water use(s).

2. Affected Water Use(s)

This notice only affects the following water use(s) as set out in Section 21 of the National Water Act, Act 36 of 1998:

(1) Taking water from a water resource (i.e. river, borehole, dam etc.) [Section 21(a) of National Water Act, 1998].
(2) Engaging in a stream flow reduction activity contemplated in section 36 [Section 21(d) of National Water Act, 1998].

3. Official forms to be used

(1) Only official forms obtainable from the Responsible Authority may be used in

terms of this notice.

(2) A DW811 Amendment Application Form should be used for purpose of amending new water user details (change of ownership, contact details and water user name change).

(3) The following application forms should be used where the water users never registered with the responsible authority, and it is not a change of ownership nor property acquired through a restitution process:

- A DW760 Water Use Application Form and related supplementary form as specified on this form.
- DW901 and DW902 Property Information Forms; and
- Relevant Water User Form [i.e. DW756: Individual; DW757: Water Services Provider; DW758: Company, Business or Partnership, National or Provincial Government; DW759: Water Use Association--Including: Irrigation Boards, Subterranean Water Control Boards, Water Boards for Stock Watering, Settlement Boards, Water Conservation Boards.

(4) Application forms can be obtained from the website:

https://www.dws.gov.za/Projects/WARMS/Registration/registrationforms.aspx and should be submitted to the below mentioned Department of Water and Sanitation Provincial or Catchment Management Offices or can be emailed to register@dws.gov.za.

4. Exemptions from Registration of Water Use

The following water users are exempted from registration:

(1) A water user who falls under the area of operation of the water user association. If water user has borehole and is using it for commercial purpose– the water user must register the borehole with the Responsible Authority.
(2) Schedule 1 water users as defined in terms of National Water Act, 1998

5. Cost of Registering for Water Use

(1) No charge will be made for an application to register a water use, if the completed registration forms are submitted within the period contemplated in the Notice.
(2) A charge of R300 per property may be made for registration for any application not submitted within a stipulated time period.

6. Period of Registration

(a) Registration shall commence once the notice is published and will be for 90 days

15. Failure to Register a Water Use

Any person who fails to comply with this notice will be quilt of an offence and liable on conviction to a fine or to imprisonment for a period not exceeding five years.

BOARD NOTICE 910 OF 2026

ROAD ACCIDENT FUND

ADJUSTMENT OF STATUTORY LIMIT IN RESPECT OF CLAIMS FOR LOSS OF INCOME AND LOSS OF SUPPORT

The Road Accident Fund hereby, in accordance with section 17(4A)(a) of the Road Accident Fund Act, No. 56 of 1996, adjusts and makes known that the amounts referred to in subsection 17(4)(c) are hereby adjusted to **R381 510.00**, with effect from **30 April 2026**, to counter the effects of CPI inflation.

Note: The CPI index based on the new "basket and weights" was used to calculate this adjustment, **effective from 30 April 2026** (with base year December 2024 = 100). The CPI index for May 2008 was 43.7 due to the December 2024 rebasing. The CPI index for February 2026 was 104.2. This adjustment was calculated by multiplying the R 160 000 limit by 104.2/43.7.

RAADSKENNISGEWING 910 VAN 2026

PADONGELUKFONDS

AANPASSING VAN STATUTÊRE LIMIET TEN OPSIGTE VAN EISE VIR VERLIES AAN INKOMSTE EN ONDERHOUD

Die Padongelukfonds maak ooreenkomstig artikel 17(4A)(a) van die Padongelukfondswet, No. 56 van 1996 bekend dat, met effek vanaf **30 April 2026**, die bedrae waarna verwys word in subartikel 17(4)(c) aangepas word tot **R381 510.00**, ten einde die uitwerking van VPI inflasie teen te werk.

Neem kennis: Die VPI indeks gebasseer op die nuwe "mandjie en gewigte" is gebruik om hierdie aanpassing, **effektief vanaf 30 April 2026**, te bereken (met basisjaar Desember 2024 = 100). Die heraangepaste VPI indeks vir Mei 2008 is 43.7 as gevolg van die Desember 2024 aanpassing. Die VPI indeks vir Februarie 2026 was 104.2. Hierdie aanpassing was bereken deur die R 160 000 limiet te vermenigvuldig met 104.2/43.7.

BOARD NOTICE

IRBA CODE OF PROFESSIONAL CONDUCT FOR REGISTERED AUDITORS (REVISED NOVEMBER 2024)

In accordance with the provisions of Section 10(1)(a) of the Auditing Profession Act, 2005 (Act No. 26 of 2005) (the Act), the Independent Regulatory Board for Auditors (IRBA) publishes, pursuant to the provisions of Section 4(1)(c) of the Act, the:

FINAL PRONOUNCEMENT: ETHICS STANDARDS FOR SUSTAINABILITY ASSURANCE (INCLUDING INDEPENDENCE STANDARDS) AND OTHER REVISIONS RELATING TO SUSTAINABILITY ASSURANCE AND REPORTING, INCLUDING THE USING THE WORK OF AN EXTERNAL EXPERT STANDARD, AND THE RELATED SOUTH AFRICAN ENHANCEMENTS

This final pronouncement is available on the IRBA website at https://www.irba.co.za/guidance-for-ras/ethics:-the-rules-and-the-code/the-irba-code-revised-2024-and-the-rules.

Effective Date

Ethics Standards for Sustainability Assurance (Including Independence Standards) (Part 5) and Other Revisions to the Code Relating to Sustainability Assurance and Reporting

- Except for the provisions in sections 5405 and 5406 applicable to assurance work performed at value chain components, Part 5 of the Code, the consequential and conforming amendments to Parts 1 and 3 of the Code and the revisions to Definitions (Chapters 1 – 3 of IESSA) will be effective for sustainability assurance engagements on sustainability information for periods beginning on or after 15 December 2026, or as at a specific date on or after 15 December 2026.
- The sustainability reporting-related revisions to Parts 1 and 3 of the Code (Chapter 4 of IESSA) will be effective as of 15 December 2026.
- The provisions in sections 5405 and 5406 applicable when assurance work is performed at a value chain component will be effective for sustainability assurance engagements on sustainability information for periods beginning on or after 1 July 2028, or as at a specific date on or after 1 July 2028. For sustainability assurance engagements on sustainability information for periods beginning, or as at a specific date, prior to 1 July 2028 that involve assurance work performed at a value chain component:

  a) A group sustainability assurance firm or component practitioner that performs assurance work at a value chain component shall apply the conceptual framework set out in section 5120 to identify, evaluate and address threats to independence in relation to such assurance work;

  b) If the group sustainability assurance firm intends to use the assurance work of another practitioner, it shall be satisfied that the other practitioner is independent, and in that regard may rely on a statement of independence in accordance with Part 4B or other professional requirements relating to independence; and

  c) The group sustainability assurance firm shall publicly disclose that independence provisions applicable to assurance work performed at value chain components under the IESSA have not

Physical Building 2, Greenstone Hill Office Park, Emerald Boulevard, Modderfontein Postal PO Box 8237 Greenstone 1616 Johannesburg South Africa Tel 010 496 0600
Fax 086 482 3250 E-mail board@irba.co.za

been applied, pursuant to a deferred effective date for such provisions as specified in the IESSA.

Early adoption of these provisions is permitted and encouraged.

Transitional Provisions

If a firm has not served as the auditor of the financial statements, the requirement in paragraph R5540.10a also applies where it will perform a sustainability assurance engagement on sustainability information for a period beginning prior to 15 December 2026.

For non-assurance services engagements a firm or network firm has entered into with a sustainability assurance client before 15 December 2026, which would be prohibited under section 5600 and its subsections, but for which work has already commenced, the firm or network firm may continue such engagements in accordance with the original engagement terms for no more than one reporting cycle.

A firm might apply the provisions Part 5 of the Code, the consequential and conforming amendments to Parts 1 and 3 of the Code and the revisions to Definitions (Chapters 1 – 3 of IESSA) before their effective date. In such a case, if the firm intends to use the assurance work of another practitioner performed for a standalone or group sustainability assurance engagement and the other practitioner has complied with the independence provisions of Part 4B in relation to that work, the firm may treat a confirmation or statement of such compliance from the other practitioner as satisfying the requirements of section 5406 of Part 5.

Using the Work of an External Expert

- The provisions in Part 3 will be effective for:
    - Audit engagements, review engagements, and other assurance engagements outside the scope of Part 5 for periods beginning on or after 15 December 2026, or as at a specific date on or after 15 December 2026.
    - Other professional services as of 15 December 2026.
- The provisions in Part 5 will be effective for sustainability assurance engagements on sustainability information for periods beginning on or after 15 December 2026, or as at a specific date on or after 15 December 2026.

Early adoption is permitted and encouraged.

Should you require assistance, queries may be directed to Ms S Adam, IRBA Director: Standards. Alternatively, please send an e-mail to standards@irba.co.za.

BOARD NOTICE 912 OF 2026

SOUTH AFRICAN PHARMACY COUNCIL

ACCREDITATION CRITERIA FOR A DISPENSING COURSE FOR HEALTHCARE PROFESSIONALS

The South African Pharmacy Council intends to publish the **Accreditation criteria for a dispensing course for Healthcare Professionals** in terms of Section 22C(1)(a) read together with Section 22C(2) of the Medicines and Related Substances Act, 101 of 1965, which requires that medical practitioners, dentists, practitioners, veterinarians, nurses or other persons registered under the Health Professions Act, 56 of 1974, be issued a licence to compound and dispense medicines subject to such persons having successfully completed a supplementary course determined by the South African Pharmacy Council after consultation with the Health Professions Council of South Africa and the South African Nursing Council.

Interested parties are invited to submit, within **sixty (60) days** of publication of this notice, substantiated comments on or representation regarding the proposed **Accreditation criteria of a dispensing course for Healthcare Professionals**. Comments must be addressed to the Registrar of the South African Pharmacy Council, by way of email: BN@sapc.za.org (for the attention of the Company Secretary and Legal Services).

SCHEDULE

1. ACCREDITATION CRITERIA OF A DISPENSING COURSE FOR HEALTHCARE PROFESSIONALS

MR VM TLALA
REGISTRAR

Address: 591 Belvedere Street, Arcadia, Pretoria, 0083,

Private Bag X40040, Arcadia, 0007. Telephone: 0861 7272 00

To obtain the full content of this Board Notice, please visit the 'Proposed Legislation' section on the South African Pharmacy Council's website: https://www.sapc.za.org/Legislation_Proposed

BOARD NOTICE 913 OF 2026

Construction Industry Development Board

Standard for Developing Skills through Infrastructure Contracts

31 March 2026

In terms of sections 5(2) of the Construction Industry Development Board Act, 2000 (Act no. 38 of 2000) (the Act), the Construction Industry Development Board is empowered to promote best practice Standards. This best practice Standard for developing skills through infrastructure contracts, establishes the minimum contract skills development goals to be achieved in the performance of such contracts relating to the provision of workplace opportunities, linked to or leading to:

a) a part or full occupational qualification registered on the National Qualification Framework;

b) a trade qualification leading to a listed trade (GG No. 35625, 31 August 2012);

c) a national diploma or degree registered on the National Qualification Framework; and

d) registration in a professional category by any of the professional bodies listed in the standard.

Mr Khulile Nzo
Chairperson: Construction Industry Development Board

Construction Industry Development Board

Standard for developing skills through infrastructure contracts

(31 March 2026)

Copyright cidb
This document is published by the Construction Industry Development Board.

Version	Date	Comments
1.0	08 August 2013	
2.0	03 July 2020	
3.0	31 March 2023	
4.0	31 March 2026	

Introduction

Procurement may be defined as the process which creates, manages and fulfils contracts. Procurement accordingly commences once a need for goods, services or works has been identified and it ends when the goods are received, or the services or construction works are completed. Public procurement can have a significant impact on social and economic development, if it is used to leverage social and development objectives.

The South African government requires that its considerable expenditure on the delivery, maintenance and operation of infrastructure (fixed assets that are constructed or result from construction operations) contribute to an increase in the number of people who have part or full occupational qualifications registered on the NQF or professional designations awarded by professional bodies or statutory councils. This standard has been prepared to leverage contributions towards the increase of the pool of qualified skilled people, and where required professionally registered, through training on professional services, design and build or engineering and construction works contracts associated with such expenditure. This Standard for developing skills through infrastructure contracts, establishes the minimum contract skills development goals to be achieved in the performance of such contracts relating to the provision of workplace opportunities, linked to or leading to:

a) a part or full occupational qualification registered on the National Qualification Framework.

b) a trade qualification leading to a listed trade (GG No. 35625, 31 August 2012);

c) a national diploma or degree registered on the National Qualification Framework; and

d) registration in a professional category by any of the professional bodies listed in Table 1 of this standard.

The Client is responsible for achieving the contract skills development goals through the appointment of a contractor and are provided with a number of methods for measuring their achievements. The client should determine the feasibility of what methods can be applied based on the project.

This standard should be applied to;

A contract or an order issued in terms of a framework agreement that has a duration of 12 months or longer, and:

a) a contract of R5 million or more, in the case of a professional service or service contract or an order issued in terms of such a contract; or

b) a cidb grading designation of grade 7 or higher, in case of an engineering and construction works, or design and build, or develop and construct, or management contractor contracts or design by employer or an order issued in terms of such a contract.

This Standard will be subject to review every five years, or sooner if required.

This gazette is also available free online at **www.gpwonline.co.za**

Standard for developing skills through infrastructure contracts

1 Scope

This standard establishes a key performance indicator;

a) in the form of a contract skills development goal (CSDG) relating to the structured workplace learning of occupational or professional learning, which enables learners to make measurable progress towards the attainment of:

   (i) a part or full occupational qualification registered on the National Qualification Framework; or

   (ii) a trade qualification leading to a listed trade (GG No. 35625, 31 August 2012); or

   (iii) a national diploma or degree registered on the National Qualification Framework; or

   (iv) registration in a professional category by any of the professional bodies listed in Table 1 of this standard.

b) in the delivery, maintenance and operation of infrastructure through the performance of professional service, engineering and construction works, or design and build or develop and construct, or management contractor contracts or design by employer or an order associated with such a contract and

c) sets out the methods by which the key performance indicator is established, measured, quantified and verified in the performance of the contract or the execution of an order.

NOTE 1: Guidance on the manner in which this standard should be incorporated into procurement documents is provided in Annex A.

NOTE 2: This standard can be applied to contracts or to orders (call-offs) issued in terms of framework agreements. Framework agreements are well suited to situations in which long-term relationships are entered into. They offer flexibility in attaining contract skills development goals as requirements can be adjusted from one order to another, thus allowing key performance indicators to be improved upon over time.

2 Terms and definitions

For the purposes of this document, the following terms and definitions apply:

allowance
amount provided for in the contract or an order by the employer relating to one or more of the following:

a) the performance by the contractor of work or services that are foreseen but cannot be accurately specified at the time that the contract was entered into or the order issued;

b) work or services to be performed, or goods provided, by a subcontractor who is either nominated by the employer or is selected by the employer in consultation with the contractor after the award of the contract or the issuing of an order;

c) provision for price adjustment for inflation; or

d) other budgetary provisions intended to cover the employer's contractual risks

artisan
a person who has been certified as competent to perform a listed trade in accordance with Section 26B of the Skills Development Act of 1998 (Act No. 97 of 1998)

This gazette is also available free online at **www.gpwonline.co.za**

black people black people: is a generic term which refers to Africans, Coloureds and Indians

(a) who are citizens of the Republic of South Africa by birth or descent; or

(b) who became citizens of the Republic of South Africa by naturalisation (i) before 27 April 1994; or (ii) on or after 27 April 1994 and who would have been entitled to acquire citizenship by naturalisation prior to that date.

candidate
a person who is registered in a category of registration which ultimately leads to registration in a professional category by any of the professional bodies listed in Table 1

cidb
Construction Industry Development Board, established in terms of the Construction Industry Development Board Act of 2000 (Act 38 of 2000)

class of construction works
the class of construction works referred to in Schedule 3 of the Construction Industry Development Regulations 2004, as amended from time to time

contract amount
financial value of the contract at the time of the award of the contract or an order at the time of issue, including value added tax but excluding all allowances and expenses

contract skills development goal (CSDG)
number of people benefiting through the skills development opportunities that a contractor contracts to provide in relation to work directly related to the contract or order, up to:

a) completion, in the case of a professional service contract;
b) the end of the service period, in the case of a service contract; and
c) practical completion, in the case of an engineering and construction works contract

contractor
person or organization that contracts to provide professional services, goods and related services, or engineering and construction works

design and build contract
engineering and construction works contract where both the design and the construction are the responsibilities of the same contractor

design by employer
Contract under which a contractor undertakes only construction based on full designs issued by the employer

develop and construct
Contract based on a scheme design prepared by the employer under which a contractor produces drawings and constructs

employed learner
a learner who was in the employment of an employer prior to the commencement of the contract or execution of the order. Learners deployed from the public sector, other organisations, or other contractors for the purposes of gaining structured workplace learning shall also be considered to be an employed learner, albeit their employer remaining unchanged.

employer
person or organization entering into a contract with the contractor for the provision of professional services, goods and related services, engineering and construction works (commonly referred to as the client)

employer's representative
person authorized to represent the employer in terms of the contract

This gazette is also available free online at **www.gpwonline.co.za**

engineering and construction works contract

contract for the provision of a combination of goods and services arranged for the manufacture, development, extension, refurbishment, rehabilitation or demolition of a fixed asset, including building and engineering infrastructure expenses
costs incurred by the contractor in the performance of the contract or order, which are in terms of the contract recoverable from the employer

framework agreement
agreement between an employer and one or more contractors, the purpose of which is to establish the terms of the governing orders to be awarded during a given period, with regard to price and, where appropriate, the quantity envisaged

management contractor / construction management
Contract under which a contractor provides consultation during the design stage and is responsible for planning and managing all post contract activities for contractors and the performance of the whole contract

mentor
a qualified and experienced person, in the case of professionals, registered person, designated to guide a learner or candidate through a structured work experience learning component of a learning programme required for the acquisition of a part or full qualification or professional designation

notional cost of training
the monetary value dedicated to workplace training, used to meet contract skills development goals and ensure employees gain skills

occupational qualification
occupational qualification registered on the National Qualifications Framework Act (Act No. 67 of 2008)

order
the instruction to carry out construction works, services or professional services under a framework agreement

organ of state
an organ of state as defined in section 239 of the Constitution of the Republic of South Africa, 1996 (Act No. 108 of 996)

part qualification
an assessed unit of learning that is registered on the National Qualifications Framework as part of an occupational qualification

practical completion
the state of completion at the end of construction required in terms of an engineering and construction works contract

***Note*:** Practical completion is commonly understood to be a state of readiness for occupation of the whole works although some minor work may be outstanding. Practical completion in an engineering and construction works contract occurs when:

a) FIDIC Short Form of Contract: the date when the Employer considers that the Works have been completed in accordance with the Contract, except for minor outstanding work and defects which will not substantially affect the use of the Works for their intended purpose.
b) FIDIC Red, Silver and Yellow Book: the date when the Engineer determines that the Works have been completed in accordance with the contract except for minor outstanding works and defects which will not substantially affect the use of the works for their intended purpose.
c) GCC 2025: the date when the Engineer certifies that the whole or portion of the Works has reached a state of readiness, fit for the intended purpose, and occupation without danger or undue inconvenience to the Employer, although some work may be outstanding.
d) JBCC 6.2 Principal Building Agreement and JBCC Minor Works Agreement: the date when the principal agent decides that the completion of the works has substantially been reached and can be used for the purpose intended.
e) NEC4 Engineering and Construction Contract: the date when the Project Manager decides that the Contractor

This gazette is also available free online at **www.gpwonline.co.za**

has reached Completion as defined in the contract.

f) NEC4 Engineering and Construction Short Contract: the date when the Employer decides that the Contractor has completed the works in accordance with the Works Information except for correcting notified Defects which do not prevent the Employer from using the works and others from doing their work.

professional category

a category of registration identified in Table 1 or such other category recognised by the Employer in the application of this standard

This gazette is also available free online at **www.gpwonline.co.za**

Table 1: Categories of registration

Profession	Category of registration	Act
Architectural	Architect, Senior Architectural Technologist, Architectural Technologist or Architectural Draughtsperson	Architectural Profession Act of 2000 (Act No. 44 of 2000)
Construction Health and Safety	Construction Health and Safety Agent, Construction Health and Safety Manager or Construction Health and Safety Officer	Project and Construction Management Professions Act of 2000 (Act No. 48 of 2000)
Construction Project Management	Construction Project Manager	
Construction Management	Construction Manager	
Engineering	Engineer, Engineering Technologist, Engineering Technician or Certificated Engineer	Engineering Profession Act of 2000 (Act No. 46 of 2000)
Landscape Architectural	Landscape Architect, Landscape Technologist, Landscape Technician or Landscape Assistant	Landscape Architectural Profession Act of 2000 (Act No. 45 of 2000)
Planning	Planner or Technical planner	Planning Profession Act, 2002. (Act No. 36 of 2002)
Quantity Surveying	Quantity Surveyor	Quantity Surveying Profession Act of 2000 (Act No. 49 of 2000)
Scientists	Natural Scientists	Natural Scientific Professions Act (Act No. 27 of 2003)
Surveying	Land Surveyor, Engineering Surveyor or Technician Engineering Surveyor	Professional and Technical Surveyors' Act (Act No. 40 of 1984)
Valuers	Valuer or Associate Valuer	Property Valuers Profession Act (Act No. 47 of 2000)

professional fees
financial value of a professional service contract at the time of the award of the contract or an order at the time of issue, excluding value added tax (VAT), allowances and expenses

professional service contract
contract for the provision of services with the skill and care normally delivered by professionals

Sector Education and Training Authority (SETA)
an institution established under section 9 of the Skills Development Act, Act 97 of 1998 and which has the responsibility under this Act to register learners on learning programmes

service contract
contract for the provision of labour or work, including knowledge-based expertise, carried out by hand or with the assistance of equipment and plant

site
means the land or place made available by the employer, for the purposes of the contract or order, on, under, over, in or through which the works or services are to be executed

statutory council
a council established as follows:

a) South African Council for the Architectural Profession, established by the Architectural Profession Act of 2000 (Act No. 44 of 2000);
b) South African Council for the Project and Construction Management Professions, established by the Project and Construction Management Professions Act of 2000 (Act No. 48 of 2000);

This gazette is also available free online at **www.gpwonline.co.za**

c) Engineering Council of South Africa, established by the Engineering Profession Act of 2000 (Act No. 46 of 2000);
d) South African Council for the Landscape Architectural Profession, established by the Landscape Architectural Profession Act of 2000 (Act No. 45 of 2000);
e) South African Council for the Quantity Surveying Profession, established by the Quantity Surveying Profession Act of 2000 (Act No. 49 of 2000);
f) South African Council for Professional and Technical Surveyors, established by the Professional and Technical Surveyors' of 2000 (Act No. 40 of 1984);
g) South African Council for Planners, established by the Planning Professions Act of 2002 (Act No. 32 of 2002);
h) South African Council for Natural Scientific Professions, established by the Natural Scientific Professions Act (Act No. 27 of 2003); or
i) South African Council for the Property Valuers Profession, established by the Property Valuers Profession Act (Act No. 47 of 2000)

structured mentorship
mentorship provided by a person who is registered in a suitable category of professional registration by a professional body or statutory council who leads and directs a candidate towards professional registration

structured workplace learning
component of learning in an occupational qualification or work placement for a trade, occupation or professional designation whereby a learner is mentored by a suitably qualified, and where required, registered mentor in the application and integration of the knowledge and practical skills learnt, under supervision, in the actual context of a workplace in accordance with the prescripts set by the relevant qualifying authority, professional body or statutory council

final summary sub-total
financial value of all the items in the Bills of Quantities or Schedule of Rates or Pricing Schedule, excluding value added tax, allowances and expenses

supervisor
a supervisor is a person in the particular workplace charged with the responsibility of allocating workplace tasks to a learner that are aligned to the prescriptions of their learning programme and of overseeing and reporting on that learning using a formally agreed record keeping system

Tender sum
the overall pricing figure proposed by a tendering contractor in accordance with the tender pricing document

unemployed learner
a learner who was not in the full-time employment of the contractor prior to the commencement of the contract or execution of the order and is appointed by the contractor or SDA on a limited duration employment contract linked to the prescriptions of a structured workplace learning programme. Their conditions of employment shall not be less favourable than those set out for such learners on learnerships set out in section 18 (3) of the Skills Development Act (Act 97 of 1998)

work integrated learning
the workplace learning component required by learners completing a national diploma or bachelor's degree at a University of Technology or Comprehensive University

3 Requirements

3.1 Contract skills development goal (CSDG)

3.1.1 The contractor shall attain or exceed the contract skills development goal in the performance of the contract or the execution of an order.

This gazette is also available free online at **www.gpwonline.co.za**

3.1.2 The contract skills development goal shall be expressed as in 3.1.2.1 for engineering and construction works and services contracts, and as in 3.1.2.2 for professional services contracts.

3.1.2.1 In the case of engineering and construction works contracts, design and build or develop and construct, or management contractor contracts or design by employer or services contracts the contract skills participation goals, expressed in Rand, shall be no less than the final summary sub-total multiplied by a minimum percentage (%) factor outlined in Table 2 below for the applicable class of construction works used in the application of the Construction Industry Development Regulations, issued in terms of the Construction Industry Development Board Act of 2000.

How to calculate the CSDG:

CSDG = St x Pf

Where:
St = Final Summary Sub-total (BoQ items)
Pf = Percentage Factor (derived from Table 2)

Example:
CSDG = St x Pf
St = R65 700 000.00
Pf = 0,5% (GB Class of Works)

CSDG = St x Pf
= R65 700 000.00 X 0.5%
= R328 500.00

Therefore R328 500.00 is the minimum budgeted amount for CSDG, which is the amount for skills development on the project. This amount will then have to be used to determine the number of beneficiaries based on the different training methods 1 to 4 or a combination as shown under Table 3. (Notional Cost of Providing Training)

Table 2: Contract skills development goals for different classes of engineering and construction works contracts

Class of construction works as identified in terms of Regulation 25(3) of the Construction Industry Regulations 2004		**Minimum Construction skills development goal (CSDG) (%)**
Designation	**Description**	
CE	Civil engineering	0.25%
EE	Electrical Engineering works (buildings)	0.25%
EP	Electrical Engineering works (Infrastructure)	0.25%
GB	General Building	0.50%
ME	Mechanical Engineering works	0.25%
Specialist Works	Specialist class of construction works	0.25%
PS	All Built Environment Professional Services or a Service Contract	2%

Example 1: The final summary sub-total of the tender sum for an engineering and construction works contract in the GB class of construction works is R65,7m. The contract skills development goal in Rands is R65,7m x 0.5% = R328 500. **The Client may determine the skills Method/s to be implemented on the contract or the Client may elect the contractor to determine the skills Methods to be implemented as per the Standard, provided the CSDG is achieved.** The pricing for the skills Methods to be implemented is provided in Table 3 of the Standard.

This gazette is also available free online at **www.gpwonline.co.za**

3.1.2.2 In the case of professional services contracts the contract skills development goals, expressed in rands, shall be not less than the professional fees (excluding disbursements) in millions of Rands multiplied by the percentage factor of 2 % as per Table 2.

Where:
PSF = Professional Service Fees (excluding disbursements)
Pf = Percentage Factor (derived from Table 2)

Example:
CSDG = PSF x Pf
PSF = R5 600 000.00
Pf = 2% (PS)

CSDG = PSF x Pf
= R5 600 000.00 X 2%
= R112 000.00

Therefore R112 000.00 is the minimum budgeted amount for CSDG, which is the amount for skills development on the project. This amount will then have to be used to determine the number of beneficiaries based on training method 3 or 4 or a combination as shown under table 3. (Notional Cost of Providing Training)

3.1.2.3 The percentage factor applied for the contract skills development goal shall be revised as the need arises and will be published in a Gazette notice.

3.1.3 Where required in terms of the contract or order, a specified proportion of the learners and candidates shall be selected from persons in the employ of an organ of the state who meet the relevant eligibility criteria for the relevant programme.

3.2 Achieving the contract skills development goal (CSDG)

3.2.1 The contractor shall achieve the measurable contract skills development goal by providing opportunities to learners requiring structured workplace learning using one or a combination of any of the following in relation to work directly related to the contract or order:

Method 1: structured workplace learning opportunities for learners towards the attainment of a part or a full occupational qualification;

Method 2: structured workplace learning opportunities for apprentices or other artisan learners towards the attainment of a trade qualification leading to a listed trade (GG No. 35625, 31 August 2012) subject to at least 60% of the artisan learners being holders of public TVET college qualifications;

Method 3: structured workplace experience for University of Technology or Comprehensive University students requiring work integrated learning as part of their national diploma or degree programme, and/or learners that have completed N4, N5 and N6 that require 18 months of relevant workplace experience to convert their qualification into a National Diploma

This gazette is also available free online at **www.gpwonline.co.za**

Method 4: structured workplace learning opportunities for candidates towards registration in a professional category by a statutory council listed in Table 1 above.

3.2.2 Employed learners may not account for more than 33 percent of the contract skills development goal.

3.2.3 Not more than one method may be applied to any individual concurrently in the calculation of the contract skills development goal.

NOTE: The principle is that an individual can only be counted once towards the CSDG.

3.3 Contract skills development goal

3.3.1 Contract skills development goal will not be awarded for learners enrolled as beneficiaries of other funded or subsidised programmes.

3.3.2 In the case of engineering and construction works, design and build or develop and construct, or management contractor contract or an order issued in terms of such a contract:

a) The contract skills development goals shall be granted by multiplying the number of people placed by the contractors by the duration and the notional values contained in Table 3, or as revised in a Gazette notice.
b) The contractor may source beneficiaries of the contract skills development goal directly.
c) All beneficiaries of the Standard must be registered with the cidb.

This gazette is also available free online at **www.gpwonline.co.za**

Table 3: The notional cost of providing training opportunities per month

Type of Training Opportunity	Provision for stipends (Unemployed learners only)	Provisions for mentorship	Provisions for additional costs*	Total costs	
				Unemployed learners	Employed learners
Method 1					
Occupational qualification	R5 000	N/A	R3 000	R8 000	R3 000
Method 2					
TVET College graduates	R7 000	N/A	R3 000	R10 000	N/A
Apprenticeship	R7 000	N/A	R4 000	R11 000	R4 000
Method 3					
P1 and P2 learners, or a 240 credits qualification	R9 000	R7 000	R2 000	R18 000	N/A
Method 4					
Candidates with a 360 credits qualification	R13 000	R7 000	R2 000	R22 000	R7 000
Candidates with 480 or more credits qualification	R16 000	R7 000	R2 000	R25 000	R7 000

***Provision for additional Costs include provisions for personal protective equipment, insurance, medical assessments, course fees and trade tools (where applicable), assessment, reporting, monitoring and other related costs.**

NOTE:

i) the contractor shall pay the stipend directly to learners, employed learners receive a salary/wage therefor the stipend is not applicable.

The notional cost of providing training opportunities will be reviewed as and when required. The new, revised costs will be published as revised in a Gazette notice.

Example 1: Training Target Calculation for a R65,7m GB contract

Final Summary Sub-total	R65 700 000
Contract duration	12 Months
Percentage Factor	0,50%
Minimum CSDG target	0,50% x R65 700 000
	R328 500

In order to determine the number of training opportunities to be provided on the above budget allocation of R328 500. Where the client/contractor preference is Method 4 for a duration of 12 months. The notional cost of training will be calculated as follows:

Method 4 (360 credits):

St - Stipend per month : R13 000

Mt – Mentorship per month : R7 000

PaC - Provision for additional cost : R2 000

NCT – Notional Cost of Training : Duration x (St + Mt +PaC)

Duration in this case is 12 months.

NCT = 12 x (R13 000 + R7 000 + R2 000)

= R 264 000

This gazette is also available free online at **www.gpwonline.co.za**

Therefore R328 500 divided by R264 000 = 1,24, so the budget can only provide 1 opportunity for Method 4 for a duration of 12 months. This will leave you with a balance of R 64 500, you can then utilize that to train one person for a period of 7 months on Method 2.

Method 2:

St - Stipend per month : R7 000

PaC - Provision for additional cost : R3 000

NCT – Notional Cost of Training : Duration x (St + PaC)

Duration in this case is 7 months.

NCT = 7 x (R7 000 + R3 000)

= R 70 000

Note:- The contractor must attain or exceed the contract skills development goal in the performance of the contract or the execution of an order. In this example the contractor needs to spend a minimum of R 328 500. Therefore, the total notional cost of training for Method 4 and Method 2 is equal to R334 000. The contractor must initiate a negotiation process with the Client to increase the budget or reduce the placement duration to suit the available CSDG budget.

Skills Method	Number of learners	Notional Cost / Learner / month	Placement Duration in months	Total Notional Cost over 12 months Contract
Method 4: Candidacy for an unemployed learner with a 3-year qualification (360 credit)	1	R22 000	12	R264 000
Method 2: Workplace learning opportunities, with unemployed TVET graduates	1	R10 000	7	R 70 000
Total	2			R334 000

Example 2: Training Target Calculation for a R5,6m Professional Service Contract

CSDG = PSF x Pf
PSF = R5 600 000.00
Pf = 2% (PS)

CSDG = PSF x Pf
= R5 600 000.00 X 2%
= R112 000.00

Therefore, the possible workplace opportunities for this project are

Method 4 (360 credits):

St - Stipend per month : R13 000

Mt – Mentorship per month : R7 000

PaC - Provision for additional cost : R2 000

NCT – Notional Cost of Training : Duration x (St + Mt + PaC)

Duration in this case is 6 months.

NCT = 6 months x (R13 000 + R7 000 + R2 000)

= R132 000

This gazette is also available free online at **www.gpwonline.co.za**

Therefore R112 000 divided by R132 000 = 0,85, so the budget can only provide 1 opportunity for Method 4 for a period of 6 months.

Note:- The professional service provider must attain or exceed the contract skills development goal in the performance of the contract or the execution of an order therefore the professional service provider must initiate a negotiation process with the Client to increase the budget or reduce the placement duration to suit the available budget for this specific case.

This gazette is also available free online at **www.gpwonline.co.za**

3.4 Non-achievement of the CSGD

Achievement towards the contract skills development goal shall be denied, should:

a) the opportunities not be provided on site or the opportunities cannot be directly linked to the contract or order in the case of an engineering and construction works, or design and build, or develop and construct, or management contractor contracts or design by employer or an order issued in terms of such a contract;

b) there be a failure to register all beneficiaries of the Standard with the cidb;

c) there be a failure to submit a copy of the final contract compliance training report, within 30 days of practical completion;

d) the following not be provided:

1) the required contract compliance baseline plan, an interim contract compliance report or a final contract compliance report;

2) the required mentorship plan for a candidate;

3) the required training plan for learners;

4) the training reports covering a period;

5) the required records, specified documents and signatures;

6) the structured mentorship in accordance with the requirements of the applicable professional body, statutory council or qualifying authority;

7) the structured workplace learning, in accordance with the curriculum requirements of the part qualification or occupational qualification or work integrated learning requirements or prescription for professional registration for which the learner is registered;

e) conditions of employment and rates of allowances for learners not be in accordance with legislative provisions; and

f) the contractor does not maintain the required training records, or an audit reveals that there is insufficient information to substantiate claims for achieving the CSDG.

g) the contractor claims for learners enrolled as beneficiaries on a programme that is funded or subsidised from another source.

h) the contractor fails to provide sufficient evidence of disciplinary actions taken against a learner who fails to present their interim reports or credentials for assessment, when they have had sufficient structured work experience or structured mentorship to do so.

4 Compliance with requirements

4.1 General

4.1.1 The contractor shall:

a) within 30 days of the contract coming into effect or the issuing of an order, submit to the employer's representative a contract compliance baseline training plan, taking into account the skills mix, duration and type of workers that are to be engaged;

This gazette is also available free online at **www.gpwonline.co.za**

b) at intervals not exceeding three (3) months, submit to the employer's representative interim contract compliance training reports; and

c) shall within 30 days of reaching completion, end of the service, the delivery date for all work required or practical completion in the case of professional service, design and construct contracts, and engineering and construction works contracts, respectively, submit to the employer's representative a final contract compliance training report

4.1.2 The information contained in the final contract compliance training report shall include the contract skills development goal achieved (in Rands) in the performance of the contract and a breakdown of the goals achieved in respect of the following:

a) the name and contact details of the contractor,

b) the skills mix and skills types achieved on the contract; and

c) the names, Identity numbers and period of placement of each beneficiary.

4.1.3 The contractor shall keep records of the hours worked and registration particulars in compliance with this standard. The contractor shall allow the employer's representative to inspect or audit such training records at any time.

4.1.4 The employer's representative shall undertake suitable random audits on records to confirm compliance with requirements.

4.1.5 The learners shall be directly employed by the contractor and the contractor may enter into a contract agreement with a service provider, training provider or skills development facilitators of their choice, participating in the implementation of this standard, enabling such contractor to:

a) prepare training plans for learners, including details of the scope of experiential work to be covered and expected outcomes;

b) register learners with the appropriate Sector Education and Training Authority, established in terms of the Skills Development Act of 2008 (Act 37 of 2008) where applicable;

c) manage learner registration with appropriate trade testing authorities as well as preparation for the trade test were applicable;

d) liaise with the supervisor to monitor onsite training progress of learners;

e) liaise with the supervisor to arrange for summative assessments at appropriate stages of the training; and

f) liaise with the supervisor to prepare reports for the employer or employer's representative.

4.2 Structured workplace learning opportunities for learners

4.2.1 Structured workplace learning opportunities shall be aligned to the curriculum requirements set for the part or full occupational qualification or professional designation for which the learner is registered.

4.2.2 A responsible supervisor will be appointed to allocate work tasks, under the guidance of a competent person, to learners in line with their training plans.

4.2.3 Supervision associated with structured workplace learning for artisan learners shall be undertaken by an artisan in the applicable trade with a minimum of 3 years of trade specific experience.

This gazette is also available free online at **www.gpwonline.co.za**

The number of artisan learners supervised by a single supervisor shall, unless otherwise permitted by the National Artisan Moderation Body, not exceed 4 at any one time.

4.2.4 Mentoring associated with structured workplace learning for learners leading to a part or full occupational qualification other than artisan learners shall be undertaken by a person qualified in the applicable discipline and having a minimum of 3 years of post-qualification experience.

4.2.5 The contractor shall, within one month of commencing work directly related to the contract or order and in respect of each learner, submit to the employer's representative,

a) a workplace training plan together with name of the learner's mentor and/or supervisor.

b) proof of registration as a learner with the relevant SETA where applicable;

c) a copy of the mentorship agreement entered into with the learner, or the company mentorship agreement entered into with the relevant qualified agency for method 3 and method 4; and

d) shall, within two weeks of updating and revising the workplace training plan, and at the end of the structured mentorship period, submit to the employer's representative;

(i) a quarterly progress report,

(ii) a final report (including a log of exposure and interactions with the mentor), signed off by the mentor, the supervisor and the learner, demonstrating compliance with requirements,

4.2.6 Learners shall, whenever a substantial activity or training period has been completed, be required by the supervisor to complete training reports required by the relevant qualifying authority.

4.2.7 The mentor and supervisor shall sign off all reports and logbooks to allow the learner to move to other projects or employment and continue the path towards qualification.

4.3 Structured workplace learning for candidates

4.3.1 Mentoring associated with structured workplace learning for candidates shall be in accordance with the prescripts of the relevant professional body or statutory council.

4.3.2 The contractor shall:

a) appoint a supervisor who is actively engaged in work directly associated with the contract to issue tasks, oversee their implementation and provide input to the candidate on an on-going basis;

b) identify a suitable mentor for the candidate. If the contractor does not have an in-house mentor, the contractor shall enter into a mentoring agreement with the candidate and with an external company as required by the professional body or statutory council; and

c) issue each candidate with a portfolio of evidence file which is to be kept up to date with all the documentation issued or prepared including the workplace training plan and all revisions thereof as well as copies of the logbook entries and training experience reports.

4.3.3 The mentor shall from time to time provide an updated workplace training plan for a candidate outlining the activities in which the candidate will be involved, including activities required by the relevant professional body or statutory council. The mentor shall require candidates to maintain a logbook/portfolio of evidence issued by the relevant professional body or statutory council. The mentor shall sign off such logbook/portfolio of evidence at quarterly presentations and progress review meetings.

NOTE: The mentor shall, where the duration of the contract or order exceeds the minimum time to register in a professional category of registration that candidates are exposed to the full range of activities and work towards

This gazette is also available free online at **www.gpwonline.co.za**

assuming the full level of responsibility recommended by the relevant professional body or statutory council. This may require rotations and secondments.

4.3.4 The contractor shall, in respect of each candidate and within one month of commencing work directly related to the contract or order, submit to the employer's representative:

a) a workplace training plan, together with name of the candidates' mentor and supervisor;

b) proof of registration, as a candidate, with the relevant professional body or statutory council;

c) a register of all beneficiaries of the Standard, enrolled with the cidb;

d) a copy of the mentorship agreement entered into with the candidate, or the company mentorship agreement entered into with a professional body or statutory council and

e) shall, within two weeks of updating a workplace training plan and at the end of the structured mentorship period, submit to the employer's representative;

(i) quarterly progress reports,
(ii) a final report (including a log of exposure and interactions with the mentor), signed off by the mentor, the supervisor and the learner, demonstrating compliance with requirements,

4.3.5 Candidates shall be required by the mentor to complete training reports required by the relevant professional body or statutory council whenever a substantial activity or training period has been completed.

4.3.6 The mentor and supervisor shall, in the event of the contract ending, sign off all reports and logbooks to allow the candidate to move to other projects or employment.

5 Records

5.1 The contractor shall, in a timely manner and where a prescribed format is available, submit all the documentation required in terms of clause 4.

5.2 The employer's representative shall certify the value towards the contract skills development goal, if any, whenever a claim for payment is issued to the employer, and shall notify the contractor of this amount.

5.3 To satisfy the contract skills development goal, the contractor shall upon termination of the opportunities provided, certify the quantum and nature of the opportunity and shall submit the certificate, counter-certified, issued by the relevant individual to the employer's representative, for record-keeping purposes.

6 Sanctions

In the event that the contractor fails to provide a reasonable explanation to the employer for any failure to achieve the contract skills development goal, the sanctions as provided in the contract or order shall apply.

NOTE: The contract establishes the sanctions that apply. These are set out in a tender evaluation schedule, the scope of work or contract data. Sanctions where tender evaluation points are granted with respect to a tendered CSDG or where a minimum CSDG is specified are usually applied in the form of:

a) financial penalties (low performance damages), typically formulated on the difference between the contracted CSDG and the CSDG achieved in the performance of the contract; and

b) the issuing of completion certificates only after the certificates described in clause 5 are received.

This gazette is also available free online at **www.gpwonline.co.za**

Annex A: Incorporating this standard in a procurement document

(Informative)

A1 General

A1.1 The following clause should be added to the scope of work of a contract or order to establish requirements:

Skills development requirements

The contractor shall achieve in the performance of the contract the contract skills development goal established in this Standard for developing skills through infrastructure contracts

Note: Depending on the context and the form of contract adopted, the term contractor may be changed to “consultant” or “professional service provider” or “supplier” and the term “performance of the contract” may, where the scope of work forms part of an order, be replaced with “execution of an order”,.

A1.2 Where an employer requires that employees of an organ of state be seconded to the contractor in order to be provided with structured workplace learning opportunities, in accordance with the provisions of this standard, the following clause should be included in the scope of work:

> The specified number of employees of an organ of state is . . . ... The employer must provide a list of persons for selection by the contractor as prescribed in the implementation guidelines. Persons selected by the contractor shall be seconded to the contractor under the terms and conditions prescribed in the implementation guidelines.

A2 Sanctions

In the event that the contractor fails to provide reasonable explanation to the employer for any failure to achieve the contract participation goal, the sanctions as agreed in the contract shall apply.

BOARD NOTICE 914 OF 2026

Construction Industry Development Board

Standard for Indirect Targeting for Enterprise Development through Construction Works Contracts

31 March 2026

In terms of sections 5(2) of the Construction Industry Development Board Act, 2000 (Act no. 38 of 2000) (the Act), the Construction Industry Development Board is empowered to promote best practice Standards. This best practice Standard for Indirect Targeting for Enterprises Development through Construction Works Contracts establishes a key performance indicator in the form of a contract participation goal (CPG) relating to the engagement of targeted enterprises on a contract for the provision of construction works linked to the enterprise development.

Mr Khulile Nzo
Chairperson: Construction Industry Development Board

Construction Industry Development Board

Standard for Indirect Targeting for Enterprise Development through Construction Works Contracts

(31 March 2026)

Foreword 1
1 Scope 1
2 Terms and Definitions 1
3 Requirements 3
3.1 Contract Participation Goal (CPG) 3
3.2 Enterprise Development Support 3
3.3 Reports after Practical Completion 4
4 Sanctions 4
Annex A: Targeted Enterprise Declaration Affidavits 6

Foreword

The cidb Act (Act 38 of 2000), section 23(1) requires that the Board must establish a Best Practice Project Assessment Scheme based on the best practices identified by the Board in terms of section 5. All construction contracts above a prescribed tender value must comply with best practice standards and guidelines published by the Board.

The aim of this best practice Standard for Indirect Targeting for Enterprise Development is to promote enterprise development by providing for a minimum contract participation goal (CPG) of 30% of the total project value on selected contracts to be undertaken by joint-venture partners or to be sub-contracted to developing contractors that are also to be beneficiaries of enterprise development support from the main contractor.

This cidb Standard for Indirect Targeting for Enterprise Development is aligned to the enterprise development components within the construction sector Codes of Practice for Broad Based Black Economic Empowerment.

1 Scope

This standard establishes a key performance indicator in the form of a contract participation goal (CPG) relating to the engagement of targeted enterprises on a contract for the provision of construction works coupled with enterprise development.

This standard sets out the methods by which the key performance indicator is measured, quantified and verified in the performance of the contract.

2 Terms and Definitions

For the purposes of this document, the following definitions apply:

black people: is a generic term which refers to Africans, Coloureds and Indians
(a) who are citizens of the Republic of South Africa by birth or descent; or
(b) who became citizens of the Republic of South Africa by naturalisation (i) before 27 April 1994; or (ii) on or after 27 April 1994 and who would have been entitled to acquire citizenship by naturalisation prior to that date.

class of construction works: the class of construction works referred to in Schedule 3 of the Construction Industry Development Regulations 2004 as amended and published in terms of the Construction Industry Development Board Act of 2000 (Act 38 of 2000).

Construction Industry Development Board (CIDB): the board established in terms of the Construction Industry Development Board Act of 2000 (Act 38 of 2000).

construction works: the provision of a combination of goods and services arranged for the development, extension, installation, repair, maintenance, renewal, removal, renovation, alteration, dismantling or demolition of a fixed asset including building and engineering infrastructure.

This gazette is also available free online at **www.gpwonline.co.za**

contract amount: financial value of the contract at the time of the award of the contract, exclusive of all allowances and any value added tax or any other tax which the law requires the employer to pay to the contractor.

contract participation goal (CPG): the value of goods, services and works for which the contractor contracts targeted enterprises exclusive of all allowances and any value added tax or sales tax which the law requires the employer to pay to the contractor, expressed as a percentage of the contract amount.

contractor: cidb registered contractor that contracts to provide the goods, services or engineering and construction works covered by the contract.

employer: person or organization entering into the contract with the contractor for the provision of goods, services, or engineering and construction works.

employer's representative: person authorized to represent the employer and named as such in the contract data.

fifty percent black owned: an enterprise in which black people:

a) hold 51% or higher of the voting rights that are not subject to any limitation; and
b) hold 51% or higher of the economic interest.

enterprise development co-ordinator: experienced per person in the construction industry at Managerial level as a Site Agent, Contracts Manager, Site Manager, Construction Manager, Business Development Manager or Enterprise Development Manager.

joint venture: grouping of two or more contractors acting as one legal entity, where each is liable for the actions of the other.

main contractor: a cidb registered contractor who contracts with the employer for the provision of engineering or construction works, and who may subcontract part of this contract.

practical completion: the state of completion at the end of construction required in terms of the contract.

NOTE: Practical completion is commonly understood to be a state of readiness for occupation of the whole works although some minor work may be outstanding. Practical completion in a construction works contract occur when:

a) FIDIC Short Form of Contract: the date when the Employer considers that the works are considered to have reached the stage of being "taken over" when they are complete in accordance with the contract, except for minor outstanding work and defects that do not substantially affect the use of the works.
b) FIDIC Red, Silver and Yellow Book: the date when the Engineer determines that the Works has substantially been reached and can be used for the purpose intended.
c) GCC 2025: "Practical Completion" means the date when the Engineer certifies that the whole or portion of the Works has reached a state of readiness, fit for the intended purpose, and occupation without danger or undue inconvenience to the Employer, although some work may be outstanding
d) JBCC Principal Building Agreement and JBCC Minor Works Agreement: the date when the principal agent decides that the works are completed and can be used for their intended purpose, free from patent defects (obvious flaws) except for minor ones listed for completion by the Principal Agent, who then certifies this milestone.
e) NEC4 Engineering and Construction Contract: the date when the Project Manager decides that the Contractor has reached Completion as defined in the contract
f) NEC4 Engineering and Construction Short Contract: the date when the Employer decides that the Contractor has completed the works in accordance with the Works Information except for correcting notified Defects which do not prevent the Employer from using the works and others from doing their work.

This gazette is also available free online at **www.gpwonline.co.za**

targeted enterprise: an enterprise which:

a) is a contractor registered with the Construction Industry Development Board in grade 1 to 6 acting in the capacity of a sub-contractor or JV partner; and
b) the main contractor does not have an equity holding exceeding 20% in the enterprise, either directly or through a flow through calculation in accordance with the Construction Sector Code of Good Practice published in General Notice 862 of 2009 in Government Gazette No 32305 of 2009 in terms of the Board Based Black Economic Empowerment Act of 2003 (Act 53 of 2003); and
c) is 51% or more black owned, or 35% or more black women owned; and
d) has entered into a written relationship agreement of co-operation and assistance with the main contractor for the duration of the contract.

Thirty five percent black woman owned: an enterprise in which black people who are women:

a) hold more than 35% of the voting rights that are not subject to any limitation; and
b) hold more than 35% of the economic interest.

3 Requirements

3.1 Contract Participation Goal (CPG)

3.1.1 The requirements of a contract participation goal applies only to:

a) a cidb grading designation of grade 7 or higher in the General Building (GB) or Civil Engineering (CE) classes of construction works;
b) an estimated minimum project duration of 6 months or longer;

3.1.2 The contractor shall engage targeted enterprises in the performance of the contract to the extent that at least 30 percent (30%) contract participation goal is achieved.

3.1.3 Each targeted enterprise shall complete the targeted enterprise declaration affidavit contained in Annex A and attach to the applicable written relationship agreement of co-operation and assistance.

3.2 Enterprise Development Support

3.2.1 The contractor shall perform a needs analysis on all targeted enterprises and provide internal mentorship which improves the targeted enterprise's performance in at least two developmental areas. Such developmental areas should be guided by the requirements of the cidb Best Practice Contractor Recognition Scheme as well as the NCDP framework exit requirements for accreditation of contractors, and may include but are not limited to:

---

1 cidb (2011). cidb Best Practice Contractor Recognition Scheme; Requirements and Guidelines for Contractor Competence Assessment (Draft). Construction Industry Development Board, http://www.cidb.org.za

a) management and labour skills transfer;
b) establishment of administrative systems;
c) establishment of cost control systems;
d) establishment of construction management systems and plans (health and safety, quality and environmental);
e) planning, tendering and programming skills transfer;
f) business skills transfer with emphasis on entrepreneurial and negotiation skills;
g) technical skills transfer with emphasis on innovation;
h) legal compliance;
i) procurement skills transfer;
j) establish credit rating/history;
k) establish financial loan capacity/history; and/or
l) contractual knowledge transfer.

3.2.2 The needs analysis shall be mutually agreed upon between the contractor and the targeted enterprise.

3.2.3 The contractor shall appoint an enterprise development co-ordinator. The enterprise development co-ordinator shall:

a) develop a project specific enterprise development plan to improve the targeted enterprise's performance in the identified developmental areas which allocate resources and monitors progress in relation to improved performance; and
b) Development plan outcomes must be aligned to the CIDB Competence Framework.
c) Submit to the employer's representative a quarterly enterprise development report which documents all mentoring activities that have taken place during that quarter and the progress made in improving the targeted enterprise's performance in the development area, countersigned by the targeted enterprise.

Criteria for an Enterprise Development Co-Ordinator

The enterprise development co-ordinator shall have the following competencies:
Experience in the construction industry at Managerial level as a Site Agent, Contracts Manager, Site Manager, Construction Manager, Business Development Manager or Enterprise Development Manager.

3.3 Reports

3.3.1 Progress reports detailing interim values of the contract participation goal that was achieved together with an assessment of the enterprise development support provided should be tabled and discussed at least on a quarterly basis at progress meetings between employer's representative and the contractor.

3.3.2 The contractor shall submit a report in an acceptable format to the employer's representative for acceptance within 30 days of achieving practical completion.

3.3.3 The information contained in the report shall include not only the value of the contract participation goal that was certified in accordance with this standard but also the CIDB registration numbers of each and every targeted enterprise, and the value of the subcontracted works or the participation parameter of the joint venture entered into.

4 Sanctions

In the event that the contractor fails to substantiate that any failure to achieve the contract participation goal was due to reason beyond the contractor's control which may be acceptable to the employer, the sanctions provided for in the contract shall apply.

Note: The contract establishes the sanctions that apply and are usually in the form of financial penalties, typically formulated on the difference between the contracted contract participation goal and the contract participation goal achieved in the performance of the contract; the rejection of claims for payments as being incomplete should the appropriate supporting documentation not be
